CURRENT PROJECTS

Kaye - (Hip Hop)

Kaye, is an independent Singer/Songwriter from New South Wales that has studied at The Newcastle Conservatorium of Music. He performs a unique brand of pop/hip hop fusion, and has had his music on rotation through **Triple J**, collaborating and touring with groups like, Aria award nominees **Thundamentals (AUS)**, and international acts such as **Bone Thugz and Harmony (USA)** and **High Focus Records (UK)**. His new album, "**The Four Season of 1984**" charted at **32** on the iTunes charts, featuring the Aria nominee **Jeswon** and Australian hip hop legend **Brad Strut**.

Chaselove - (Pop)

Chaselove, is a side-project fusing pop with the electronic, hip hop & contemporary styles. With two singles released recently online through **Triple J**, with **Teasha Jackson** and **James Crooks**, he is now he is focusing on performing unique sets at Cafe's and Clubs across Australia. A new EP is currently in production for release in 2018.
