Video Production Experience

- Created a film for the 4-day Film Challenge titled, “Fascination,” which appeared in the 2017 Maumee Film Festival.
- Developed an independent film, “Vogue,” which was selected into the 2018 Golden Lion Film Festival in Cincinnati, Ohio.
- Worked creatively with a group of fellow artists on a project called, “The Case Of The Database.” The video was published in 2016, on the Lucas County Public Library’s website.
- Edited and directed an independent short film, “Paint the Pictures.” It was selected to appear in Kaleidoscope in 2016. Kaleidoscope is the largest school production at Toledo School for the Arts.

Education

Toledo School for the Arts

- Completed three years of Video Production at Toledo School for the Arts.
- Progressing towards an Arts Certificate in Theatrical Design.

Bowling Green State University

- Studied and received an ‘A’ in the college class, Introduction to Film.

Extracurricular

- Creator and Vice President of Film Club at Toledo School for the Arts.
- Involved in BSCN’s Explorers Program. The program allows high school students to shadow projects and shows filmed in-studio.
