Experience

Radical Hospitality, LLC -- Promotional Videos

Denton, TX || Videographer / Editor || 06/2018 – 07/2018

Five promotional videos for Radical Hospitality's "Barley and Board" restaurant, in association with the Home Brewers League, in Denton, TX.

Captured video and audio of interview with "Featured Brewer of the month", edited 1-2 minute promotional videos. All videos were shot, edited, and completed within five days of each interview.

Radical Hospitality, LLC -- Bumbershoot BBQ commercials

Argyle, TX || Director / Editor || 06/2017 – 06/2018

Red Nebula Pictures wrote and produced two commercials for the Bumbershoot BBQ restaurant in Argyle, TX, for Radical Hospitality, LLC and the North Texas Comedy Festival. I functioned primarily as director and editor on these projects.

Independant Short Film

Denton, TX || Screenwriter / Director/ Camera / Editor -- "Head in the Clouds" || 03/2018 – 04/2018

An ultra-low budget short film.

VioletSnarl, LLC -- Independant Short Film

Denton, TX || Writer / Director / Producer - "A Strange Kind of Pumpkin" || 11/2012 – 08/2015

A horror short film. Accepted to and screened at ten film fests (one international) and winner of three awards, including Best Horror Short at the Lion's Head Film Festival in Dallas, TX

I wrote the screenplay. I directed. I produced. Additionally, I did most of the practical effects and set design. Shoestring budget.

FanSided

Denton, TX || Content Writer || 05/2016 – 11/2016

Weekly contributor to the Fansided site dedicated to the New York Jets. I contributed articles in Fantasy Football, Game Coverage, and Analysis. Worked with SEO, keyword optimization, and producing original content on a deadline. Plus, I got to write about my favorite team, the New York Jets, which is essentially writing about fantasy football.

VioletSnarl, LLC -- Music Video

Dallas, TX || Director / Producer || 01/2012 – 08/2015

A music video I directed for the original song "Above the Rain" by Tricia Weaver for VioletSnarl, LLC

University of North Texas

|| 01/2010 – 12/2011

First ever short film that I wrote and directed in college. An absolutely horrible short film. Imagine two trains head towards each other on the same track and they're about to meet at a crossing where there was a four car accident. A learning experience, to say the least. Believe me, I learned a lot.

University of North Texas

|| Cinematographer - "Microphone" (short film) || 01/2010 – 01/2011
