

Photographer-Videographer

Eddie Garcia Photography

Palmdale, CA

35 years of experience working as a freelance photographer/videographer primarily in the entertainment, television, and film industries. Meets personally with all clients to understand their needs and determine project requirements during pre and post production and estimate costs. Arrange for proper equipment and leverage extensive knowledge of photography and videography in operating cameras for all photography and video projects.

- award ceremonies
- celebrity events
- publicity
- headshots (actors/models)
- model photography
- musician photography
- product photography
- production shoots
- still life
- video and video editing

Technically proficient in 35 mm digital/film camera and video equipment, lenses, filters, and lighting. Provide and set up portable lighting and diffusing filters to ensure correct exposure and lighting of subjects.

Oversees all aspects of post-production using Adobe products, from editing pictures and using software to manipulate final picture to resizing/cropping pictures and editing video footage.

Always strive to meet deadlines, produce the best quality of work possible, sort out problems and mistakes in a timely manner.

Authorized to work in the US for any employer
