WORK EXPERIENCE

In 2007 while I was still studying I started working as a cameraman and editor. In the years following I developed myself more and in 2011 started my own visual communication company which became PRODUKT42 in January 2014. Employers include Health Organizations and Companies, Universities, Beer-Breweries, Festivals, Musicians and a lot more. Take a look at my website, Vimeo or Facebook for examples of my work. Also see my LinkedIn for references and a more detailed history of my previous jobs. More references and details on projects upon request.
