

JACKIE'S STREAM ROOM - PRESENT DAY

A colorfully lighted, and plushie filled room is quiet. JACKIE(23) sits pensively, examining her acrylic nails and checking her picture perfect make up in a camera's view window. She adjusts a soft-box above her. She takes another moment to check her hair, teeth, and then facial expressions. She pretends to be sad, then concerned, then remorseful. Satisfied with her facial expression she starts a live video.

PRESENT DAY JACKIE

Hi everyone. Thank you for tuning in.

Jackie looks through the chat feed, it's mixed between supportive fans and "haters."

PRESENT DAY JACKIE (CONT)

I'm hear to talk about the incidents that have been circling around lately. Here at the start, I want to say that I am so sorry that my actions harmed my fans in ways I couldn't have expected. I know that you are looking for explanations. And that's what I'd like to give you. So if you'll let me explain, you'll see where I made mistakes, and where I was really the victim the whole time.

JACKIE'S OLD STREAM ROOM - PAST

A younger Jackie turns on her phone's front facing camera in a less decorated room from a few years ago.

PAST JACKIE

Hey everybody! Welcome back! I thought I'd surprise Dan on his live stream! If you guys want to go check out his stream @DANVERous, I'm about to pop in with a SLIME prank!

HALLWAY - PAST - CONTINUOUS

Past Jackie playfully walks through a hallway to a room with with a focused DANVERS(22) playing a 1st-person shooter video game. Danvers is wearing casual clothes, his mouth agape with his eyes glued to several screens. He doesn't notice Jackie come in.

## DANVER'S STREAM ROOM - PAST - CONTINUOUS

Danvers is between two soft-box lights facing towards him, and facing a wall dedicated to his gaming equipment. Jackie puts her finger to her lips as she walks behind Danvers and pours slime on his head.

DANVERS

Oh what the fuck?

PAST JACKIE

You just got slimed!

Jackie runs off playfully. Danvers chases after her.

## JACKIE'S STREAM ROOM - PRESENT DAY

PRESENT DAY JACKIE

As you all know, Danvers and I started dating about three years ago. And we loved making content together, people thought we were a real power couple... I mean he had more followers, but it's not like I was jealous. I brought a lot to the table.

Jackie sits a little closer to the screen and reacts to a comment in the thread.

PRESENT DAY JACKIE (CONT)

Okay yes, he did bring a lot of views to my channel, but I brought him views too okay. And don't act like I didn't work hard to grow a community of my own. So just, listen okay?

Jackie pauses. She sits back and composes herself.

PRESENT DAY JACKIE (CONT)

Now I've often kept quiet about the behind the scenes around this time. So I wanted to be perfectly candid, and tell you all the truth, exactly how it all happened.

Jackie shifts in her chair reminiscing about a difficult time. She looks up into the soft-box light, and doesn't blink. She stares, until her eyes water. Then she looks into the camera. She takes pauses in her speech and seems to pick her words very carefully.

PRESENT DAY JACKIE (CONT)  
Behind the camera Danvers was very  
controlling and manipulative.

DANVERS HOUSE - PAST - DAY

Danvers continues to chase Jackie through the house from the  
slime prank. Jackie continues to film through her phone.  
They're both laughing and playing.

PRESENT DAY JACKIE VO (CONT)  
He controlled where I lived, and he  
controlled my finances. He told me  
that I would lose everything if I ever  
left him. He was a two-faced,  
gaslighting, abuser.

Past Jackie stops the video on her phone and immediately  
ceases smiling. She continues to look at her phone and  
squints with dissatisfaction. However Danvers still smiles,  
and hugs her from behind. She looks annoyed.

PRESENT DAY JACKIE VO (CONT)  
However, things got progressively  
worse. With a little support from  
friends. I finally got up the courage  
to leave him.

Past Jackie scrolls through the comments on her phone. She  
sees one comment in particular and enlarges it:

"You're just an accessory, go back to no one knowing who you  
are bitch."

DANVERS HOUSE - PAST - NIGHT

Past Jackie sits in silence scrolling through her phone in  
anger. She sifts through hate comment after hate comment.  
Danvers is leaving the home wearing gym attire.

DANVERS  
Hey babe, I'm heading to the gym and  
then to Utty's, be back late!

PAST JACKIE  
K bye.

Past Jackie seethes for a few seconds. Then she looks up,  
ideas whirling through her mind. Then she stands up, and  
walks into the kitchen. She takes a post-it note and leaves a  
note on his fridge.

PRESENT DAY JACKIE VO

I left him a note, looking back I shouldn't have. I guess I didn't know what else to do. I should have just ran, but I guess I wasn't strong enough.

Past Jackie places a magnet on a note that reads:

"Hey Babe, I'm telling everyone you're a fucking pedafile. - Love Jackie"

She walks upstairs quickly. But not before grabbing a large kitchen knife from the drawer.

JACKIE'S STREAM ROOM - PRESENT DAY - CONTINUOUS

PRESENT DAY JACKIE

I was going to tell everyone that we were breaking up, but I didn't want to be accused of being a drama queen. So, I started a stream as normal, and once I felt like it was the right time I was gonna bring it up... But I guess some of you know, I didn't get the chance.

JACKIE'S OLD STREAM ROOM - PAST - NIGHT

Past Jackie is cheerful, and dressed in sexy anime cosplay. She's casually talking to her livestream viewers.

PAST JACKIE

So my favorite part is the neck piece. It hugs my shoulders so well. Yes this was a commission by R. L. SteveSon. That's Real Love SteveSon, go check him out. He's an amazing artist.

A door slams in the house. She notices, and starts talking louder.

PAST JACKIE (CONT)

(Talking Loudly)

By the way, thank you chat for joining me on such short notice and off the regular schedule. There's something important I want to talk about today.

Danvers is heard shouting as he storms through the house towards Jackie's Stream Room.

DANVERS (VO)  
Jackie! What the Hell?

Jackie half reaches for her camera in an attempt to turn it off.

PAST JACKIE  
Hold On chat, I just got figure out  
what Dan--

Danvers slams the door open. Jackie acts frightened and turns to address him at the door.

DANVERS  
Jackie!

PAST JACKIE  
Oh my God Dan, what are you doing?

Danvers stands in the doorway, he looks at her stream setup.

DANVERS  
What did you say?

Jackie's mood suddenly shifts to being scared and timid.

PAST JACKIE  
I didn't tell them anything.

DANVERS  
Jackie, what were you just talking  
about?

Jackie shouts to interrupt Danvers.

PAST JACKIE  
I'm sorry Dan, I just can't keep  
living this lie. You're horrible and I  
just can't breathe when I'm around  
you. I had to tell people the truth.

He walks closer to Jackie.

DANVERS  
What the fuck are you talking about.  
If you had something to say, why  
wouldn't you talk to me about it?

Danvers puts his hands on her upper arms in attempts to consolidate.

PAST JACKIE  
Oww! You're hurting me!

DANVERS  
What are you talking about. I'm hardly touching you.

Danvers looks at her computer, and realizes it's still streaming. He leans past her and attempts to turn it off.

DANVERS (CONT)  
Let's just talk privately through this.

PAST JACKIE  
NO!

Jackie grabs his shirt and pulls back. Her nails rip his shirt as they tear through the fabric.

DANVERS  
Fuck! Jackie Stop!

PAST JACKIE  
No you stop! Just listen to *ME* for once!

Jackie grabs again at Danvers, this time digging her nails into his shoulders and back.

DANVERS  
Oww Fuck! Jackie, let go of me!

Danvers reflexively flails and punches her. Jackie falls back.

JACKIE'S STREAM ROOM - PRESENT DAY

PRESENT DAY JACKIE  
It was nuts, I had so many emotions going through my head. And when he punched me, I just kinda reacted. I didn't even think. You can understand that, right?

JACKIE'S OLD STREAM ROOM - PAST - CONTINUOUS

Jackie is on the floor, out of view from the camera. She

looks up, no longer scared. She smiles and flips him off.

DANVERS

What the fuck is wrong with you?

PRESENT DAY JACKIE VO

I was doing a cosplay for Namica. And I had brought a kitchen knife to pose with. Swear to God, it just fell into my hand. And then...

She grabs a knife on her desk. Past Jackie lunges. She collides with Danvers, stabbing him in the gut. Her tackle is seen over the livestream, but once they're on the floor, Jackie stabbing Danvers repeatedly is obstructed from view.

PRESENT DAY JACKIE VO (CONT)

I don't know... I just acted. I just had to protect myself.

Past Jackie stabs over and over with malice in her eyes. Danvers grunts and begins to gurgle.

PRESENT DAY JACKIE VO (CONT)

I just knew that if I stopped, if I gave him just one moment of hesitation... it would be my last.

Danvers stops moving. Jackie stabs a few more times, and then stops. Her back to the camera, she wipes away sprayed blood on her face with the back of her hand. She looks at her hands soaked in red, she takes a moment to wipe them off with Danvers' t-shirt sleeve. Once satisfied with her cleanliness, she staggers her breathing.

PAST JACKIE

Oh my god.

Past Jackie starts heaving her shoulders, her face emotionless. She stares down not blinking. She strains until finally her eyes tear up. Once she's worked up she turns around and address the livestream.

PAST JACKIE (CONT)

Oh my god, oh my god! Chat! I didn't mean to. He hit me, and-and, I just panicked.

The chat feed is an endless feed of shock emojis, support and viewers debating how real the incident looked.

PAST JACKIE (CONT)

Yes, you're right, I was just protecting myself. Thanks chat, I knew I could count on you.

Past Jackie snuffles and wipes her eyes.

PAST JACKIE (CONT)

Hey chat, I could really use some help. If you could all do me a favor, and subscribe--
