

EXT BESTIES FOR LIFE

ERICA
(walking down the side
walk and bumps into an
old friend named Tabitha)

ERICA (CONT'D)
Hey Tabitha, what's going on?

TABITHA
Girl, nothing much, nice to see you

TABITHA (CONT'D)
It's been about 15 years

ERICA
It's been about 15 years

TABITHA
What happened to Tanya? You are
always with her

ERICA
Tanya was hating on me. I started
working for * The Corbin
Corporation about three years ago.
I got a promotion on the job to be
the executive director. When I got
the promotion, Tanya started
spreading false rumors about me.
She started saying things like I
slept with the boss to get the
promotion. She texted all of
our friends and told them lies.
When I went to confront her, she
denied everything. I showed the
text messages that our friends sent
me.

ERICA (CONT'D)
I told Tanya that our friendship
was over with and I did not want to
speak to her anymore. I haven't
spoken to her in three years and
I'm glad!!!!

TABITHA
Wow that's awful. Girl with friends
like that, you don't need enemies.

ERICA
Tell me about it. Well enough about
her, what have you been up to?

TABITHA

I just moved back to Los Angeles. I was living in Phoenix Arizona and was working as an office clerk at a dentist office. The job paid well, but I decided to move back here in LA because I became homesick. I was missing my friends and family. I got a job working at * Lyle Dentist.

ERICA

Wow, that's wonderful,. Do you want to get something to eat? I was on my way to the mall anyway to go shopping to get some more clothes, I'm wearing reruns.

TABITHA

Sure, I will go with you to the mall, I will just get a mocha, I already ate.

Erica and Tabitha are **eating and drinking** and **talking about old times and old friends** they have not seen in a while.

While leaving the mall, Erica and Tabitha **exchange phone numbers**.

It is the next day and Tabitha is at Erica's house

ERICA

(knock knock knock, Erica asks who it is and the person is Tanya and Erica answers the door)

TANYA

Hey girl what's up, it's been a minute

ERICA

What are you doing over here?

TANYA

I wanted to see you girl, it's been three long years. I decided to come see my best friend. I got us some concert tickets to the neo soul concert. Erykah Badu, Maxwell, and Jill Scott will be there.

ERICA

I thought I told you that I never wanted to see you are speak to you again

TANYA

That was three years ago. Girl you know you are my homegirl, besties for life. That was three years ago. Get over it, girl, let's go to the concert

ERICA

You're going to have to leave now. Get out of my house. (Tanya is walking out the door and closes it)

TABITHA

Wow what was that, girl is she stalking you?

ERICA

What is her problem. I don't give a damn about her anymore and her coming to my house after I told her not to is a no no. I don't play that.

It is the next day and Erica is at work. She sees some flowers on her desk and automatically assumes that it a guy named Carl , who she thinks has a crush on her.

She smells the flowers and walks to Carl's desk and ask him did she give him the flowers.

ERICA (CONT'D)

Hey Carl, did you give me those flowers?

CARL

No I did not. Those are not from me sorry. My girlfriend would kill me if I did something like this.

ERICA

Oh, ok, sorry to bother you.

CARL

No problem

Erica goes **back to her desk** in her office and Carl starts **doing work at his desk**. After her shift is over **she goes home**.

Erica arrives home and she calls Tabitha to tell her about the flowers she received at work.

ERICA
Hey, girl what's up?

TABITHA
Nothing much, what's going on?

ERICA
Girl, I received some flowers at work today. I thought it was a guy named Carl that works with me and he said it was not him.

TABITHA
Are you sure it was not Tanya? Girl you know she is crazy

ERICA
Why would she do anything like that, that is not Tanya, she would not give me flowers, that's not her style.

TABITHA
I don't trust her. You know she will do anything to be friends you.

ERICA
Girl, our friendship is over and she don't do flowers. I don't want to talk about her. Let's meet up at the McCoy Mall and get some lunch .

TABITHA
Ok, that will work. I will meet you there.

Erica and Tanya meet up at the mall and grab some lunch. They eat and talk and then when they are done they leave and go to the escalator. When they get off, they both start walking together and then all of a sudden Erica falls to the floor.

TABITHA (CONT'D)
Are you alright!!!

ERICA
(gets up) yeah I am am alright. I have had these shoes for about a year now and I cannot believe that I fell. I never fell in these shoes.

TABITHA

That is scary. I am glad you are alright. Girl you fell pretty hard.

Erica and Tabitha walk to their cars and both go home. Erica arrives home. When she gets in her house she starts checking her heels and starts talking to herself about her heels.

ERICA

I know that these are some good shoes .I never fell in these shoes. That is just strange. Oh well, I'm ok Thank-God.

Erica turns on her TV set and there is this stalker movie on and she starts talking about the movie.

ERICA (CONT'D)

Ain't this a bitch, I come home and there is a movie about a stalker. Bad enough I have had these strange incidents happen to me and now I see this. Man I am going to watch this movie because I am sure there is nothing on TV.

Erica goes to sleep and wakes up the next day. She is knocked out very exhausted.

ERICA (CONT'D)

Damn, I must have been tired. (She looks at the clock by the TV and realizes she is 45 minutes late for work).

Erica **arrives to work** and about an hour and a half on her lunch break **she calls Tabitha.

ERICA (CONT'D)

Hey girl what's up?

TABITHA

Nothing much. Today I'm taking a break. I am going to do some me time. I am tired. I don't have to go to work today, I'm off.

ERICA

Aren't you lucky. Girl when I came home yesterday, I started watching a stalker film on the Family Network Channel and I thought it was weird that film was on a family TV station. Also, when I fell asleep, I woke up the next day. It might have been that new wine that I bought yesterday before I came home from the store. I had a glass of it before I watched the movie.

TABITHA

Girl, be careful about wine. Wine can be very potent and it can make you go to sleep fast. Well, Girl I am going to go because I am very tired and I need rest ok. (Tabitha tells Erica bye and there is a man beside her, she hangs up the cell phone and tells the man beside her ,where were we and begins to kiss him).

ERICA

(She mumbles under breath and says Tabitha got a man over her house and when a woman says she has me time that means I got a man over. Erica still mumbling and says she does not blame her.)

After Erica is off her break she goes back to her desk and back to work. Erica sees something on her desk. It is flowers (this time it's roses)and candy and now knows that it is Tanya.

Erica is off work and goes home and when she arrives home and she sees her voicemail flashing. She checks it and it is Tanya and she leaves a voice mail.

TANYA

It's me girl. Did you like the roses and the flowers I gave you at work? Nice isn't it. I told you before that you can't stop me. I don't play that. We are besties for life.

(MORE)

TANYA (CONT'D)

Oh by the way, I heard you were going to get a restraining order on me I suggest you would not do that. (The voicemail ends and Tanya hangs up the cell phone).

It is the next day and Tabitha is over Erica's house. The talk about Tanya and her leaving the voicemail on phone. After they are done talking they go to the movies to see a zombie movie they heard about that had good ratings.

ERICA

Girl, Tanya left a voicemail on my phone last night. She is crazy she is the one who bought me those flowers and candy. She said we will be besties for life and she knows about me getting a restraining order.

TABITHA

I told you she was crazy. You need to purchase a gun. Crazy people like her only respond to violence. You need to buy a gun for protection.

ERICA

I need to buy a gun. As a matter of fact, I'm going to go to the gun store near my home and purchase a 45 revolver.

TABITHA

Yes get your gun after you get off work and go to the gun store and file a restraining order against Tanya.

ERICA

OK , girl we got 15 minutes to get to the movies . We are going to see *The Zombies are Among Us. Hurry girl we got to go.

Tabitha and Erica go to the movies in their cars. Tabitha follows Erica to the movies and when they both arrive the begin to watch the movie. When the movie finishes they both walk out the movie together discussing the movie.

TABITHA

That movie was garbage. That movie really sucked.

(MORE)

TABITHA (CONT'D)

Everybody said it was a good zombie even the critics.

ERICA

Girl, that movie was trash, I almost fell asleep. Zombie movies are usually scary and this was not at all. Hell I could have watched *The Walking Dead* at home.

It is still daytime. Tabitha and Erica went to the early matinee about 11:30 AM. After the movie was over, Tabitha and Erica left in their cars and Erica decides to stop at the local police station near her home to file a restraining order on Tanya.

After filing a restraining order, Erica goes home and takes a shower and after she takes her shower. She starts watching TV at her home. Erica spends the rest of the day at home watching TV and doing some house cleaning.

Erica Cannot help but wonder if she is being watched. She feels as though someone is watching her. She starts walking around her house to see if anyone is in there (Mainly Tanya), but she does not see anyone. After she walks around her house , she goes back on the couch and starts watching TV. She falls asleep on the couch.

It is the next day and Erica wakes up. Luckily it is her day off because she slept until 9:30 A.M. Erica cannot help but wonder if Tanya was in her home last night because she felt that Tanya was watching her. Erica feels that Tanya has been in her house. She can't help but wonder if Tanya is responsible for some strange incidents that have been happening in her house.

Erica takes a shower, eat some breakfast, puts on her clothes and then calls Tabitha on the phone. They have a conversation about Tanya.

ERICA (CONT'D)

(calling Tabitha. Tabitha answers her cell phone). Hey girl, what's up.

TABITHA

I'm doing fine, You must be off from work because you are calling me early in the morning. I am off too. So what's up with you today.

ERICA

Girl, last night when I went home, I felt that Tanya was in my house watching me. I felt I was being watched by Tanya.

TABITHA

You mean to tell me you felt that heffa was in your house? Girl that is hella crazy. Tanya probably was in your house. She is a psychopath. What are you going to do about her?

ERICA

I know she is cray cray. Girl I felt she was watching me the whole time I was in my house. I believe she is responsible for the strange incidents that went on in my house.

ERICA (CONT'D)

I am going to get that 45 revolver. If I get that gun I will have some protection. It is going to be me or her and it won't be me.

TABITHA

I thought you went to get the gun already? Girl, you need to get you a gun today before the situation gets out of hand and Tanya ends up coming back to kill you for real.

ERICA

I know, she will stop at nothing to get me to be friends with her again and I don't want to have anything to do with her. She slandered my name three years ago and she is not to be trusted.

TABITHA

Tanya must be stopped girl, you need to get you some heat asap. I don't trust Tanya either.

ERICA

I am going to go now to the gun store and get me a 45 revolver. A 22 ain't gonna work. I need a real gun to stop her.

(MORE)

ERICA (CONT'D)

Hell, if I use a 22 on her she will just keep walking towards me like *The Terminator(Tabitha laughs at her comment). Girl, I'm going to go and get my gun. I will talk to you later.

TABITHA

OK, I will see you later (Tabitha hangs up the phone with Erica).

Erica goes to the gun store and when she arrives there, she starts talking to an employee about purchasing a gun. Erica talks to a bald , tall about 6'4 kind of built white male about the 45 revolver she saw when she walked in the store.

They both engage in a conversation about then 45 revolver and he tells Erica that this is a good gun and this will definitely will stop anyone from harming her. The man informs Erica that 45 revolvers are the most used guns for protection.

Erica decides to purchase the gun and after she purchases the gun she leaves the store and goes back home. After she leaves the store, she goes to a shooting range not far from her home and registers for target practice.

Erica returns home and she calls Tabitha.

ERICA

Hey girl, what's up? I went to the gun store and bought me a 45 revolver. I registered for gun classes so now I will be ready.

TABITHA

I am glad you decided to get a gun. I am so proud of you. You have to be ready at all times. It is too many crazy people out there and you live by yourself too, girl it is too scary out there for women nowadays. Especially for black women, we are the most unprotected and disrespected women on the earth and America.

ERICA

Tell me about it, I am not going to take anymore chances. Forget using mace, that don't work , you must put a hole in their asses.

Erica and Tabitha hang up the phone and Erica decides to read a book and listen to some Jazz music on Sirius Radio. While listening to the music and reading her book, she notices that she picked up a Stephen King novel. She starts reading *The Stand and realizes that it is a horror novel. Now thinking about Tanya , she puts the book down and starts watching TV. She turns her music off as well. The TV set is talking about a black male to look out for because he has been stalking and killing women. Erica sees this and starts thinking about Tanya.

ERICA (CONT'D)

(Thinking about Tanya, she starts talking out loud to herself). Damn, more fo this mess, I am so sick of this. First I watch a stalker film on TV and then a black male has been stalking and murdering women, this is just really strange. I am glad I got my gun because I need protection. I am not worried about the man , I am more worried about Tanya.

It is the next day and Erica is getting dressed for work and she goes into her closet to get her shoes. She starts noticing the shoes she wore to the mall. Erica looks at the shoes and notices that the shoes (Well the right shoe heel is broken). She cannot believe her shoe is broke and wonders how it broke. Then she just ignores the shoes and put on some more and heads out the door for work.

Erica arrives to work and notices something strange. She notices that Corey is not at work. That is not like him.

Erica's desk phone starts ringing and she goes to answer it.

It is Corey. Corey said he will be late to work and apologizes for being late. Erica tells Corey ok and they hang up the phone.

Corey arrives to work and everything is fine.

Erica goes back to work and sees something on her computer. It is you tube video Tanya made. Erica clicks on the link and Tanya starts talking.

TANYA

Hey girl, it's me. Yeah I made a video. I see you went to the gun store and bought you a 45 revolver. That don't scare me.

(MORE)

TANYA (CONT'D)

You cannot kill me , and you are not going to be friends with Tabitha any longer. I gave you three years to think about our friendship. Now it is time for us to be friends again.I told you nothing you can do to stop me. Remember we are besties for life. (Tanya starts laughing loud saying hahahahahah).

Later on in the day Erica gets off work and goes straight home. She calls Tabitha and tells Tabitha about the video she got at work from Tanya. She tells Tabitha she is going to forward the video to her email. She ask Tabitha for her email address. Tabitha gives her the email address and she forwards the video to Tanya by going to her computer by the TV in her house.

ERICA

You see this crazy heffa, I can't believe she would trip like this.Girl what is up with her. I never heard of a person going obsessed over a friendship that is crazy.

TANYA

Girl what is her deal, she is off the chain!!! She needs to be stopped girl she is just too spooky. It's like you are in a real life stalker film.

ERICA

Was scared at first, but now I got my gun and I am not scared anymore. I am ready for her ass.

TABITHA

Girl, use your gun, you will be alright.

ERICA

I don't know about her man. She is full of it.

TABITHA

Look, let's take your mind off of Tanya today. Let's go out on a double date.

(MORE)

TABITHA (CONT'D)

There is this guy I met a few weeks ago on a dating site called We All Meet Up. His name is Tony, I am going to ask him if he has any friends.

ERICA

Girl, I am happily single, I am good on the men. I am breathing now, I don't want to go out with a man and he starts feeling me.

TABITHA

Girl, it is just a date. Let's go have some fun and get your mind off of Tanya for a while.

ERICA

I guess you are right. Call your friend and we can do a double date.

TABITHA

Cool, I will call Tony.

Tabitha and Erica are at a restaurant .They are having dinner with a Tony and man named Donovan. They both are very nice looking and now Erica is feeling some type of way.

They start having conversations about their careers and their families. They were having a good time and all of a sudden out of nowhere Donovan starts asking Erica questions about Tanya. Donovan said that Tanya is his cousin. The conversation started by talking about families.

DONOVAN

I know how it feels too have crazy ass family members. I have a cousin that I have not seen in a long time named Tanya, Tanya Harrison, she is crazy.

ERICA

Tanya, I know her, she is crazy, she is stalking me. OMG.

DONOVAN

Stalking you, What happened?

ERICA

Three years ago I broke up a friendship with her. She started talking slanderous stuff behind my back.

(MORE)

ERICA (CONT'D)

I got a promotion on my job and Tanya was spreading rumors saying I got the promotion because I slept with the boss. I confronted her about it and I told her our friendship is over. We have not spoken in three years and then all of a sudden she pops-up at my door. She wanted to be friends again and I told her no. Now she is stalking me wanting us to be friends again.

DONOVAN

Who stalks a friend? I can understand an ex boyfriend or girlfriend stalking someone but a friend, that is strange.

ERICA

Tell me about it. I never knew that stalking someone because of friendship would be deadly. She is crazy.

DONOVAN

I am sorry to hear that.

They keep talking and the dinner date ends .They leave the restaurant and Erica goes home and so do the rest of them.

Erica arrives home and starts talking to herself. Then she calls Tabitha. They talk about the awkward moment when Donovan said that Tanya was his cousin.

ERICA

(Calls Tabitha, phone is ringing, Tabitha answers the phone.) Girl, that was wild .Donovan is Tanya's cousin. Now that was strange to me.

TABITHA

Tell me about it, How often do you bump into people related to someone you know like that on a date.

ERICA

That was strange about all of this. When Donovan said that Tanya was his cousin my mouth almost dropped. I kind of wonder was that Tanya in disguised or did she pay him to go out with us. You know Tanya is sneaky.

TABITHA

I wonder about that too. That whole dinner date was going great until he mentioned Tanya being his cousin.

ERICA

There is no way that was just a coincidence. Tanya had something to do with that trust me. I am not mad at you for hooking me up with Donovan . I have to admit there is something strange about this night. I kind of felt like she was watching me or either it was her playing Donovan in disguise.

TABITHA

Could be Tanya in disguise. Well, girl I am tired and going to bed. I have to go to work in the morning and I am out of it.

ERICA

Girl, I know Tony is there, go get your freak on with Tony OK. Yaw go do the grown folks thing Ok.

TABITHA

Damn, was it that obvious?

ERICA

Yes it was. Now I will holla at you tomorrow. See you tomorrow. Bye bye(They both hang up their cell phones).

Donovan is at home, but he starts unmaking himself. It turns out to be Tanya dressed up pretending to be Donovan.(The real Donovan is on the floor. He is knocked because Tanya drugged him. Tanya was in disguised dressed up as Donovan. Tanya is taking off the mask. It is a Donovan look-a-like mask.)

It is the next day and it is the weekend (Saturday to be exact) Tanya is awake and sitting on the couch in the living room thinking about the dinner date from last night. She can't help but wonder how she ended on a date with Tanya's cousin. She still thinks that is so bizarre. She thinks that Tanya might have something to do with Donovan being on a date with her last night.

She gets up from the couch and turns on the TV.

The next scene is Tony from the dinner date calling Donovan. Tony calls Donovan and tells him thanks for the dinner double date last night. Donovan tells Tony that he did not go out with them last night. He tells Tony he thinks someone drugged him and probably went out with them last night and was using him as a disguise. Tony is like talking to Donovan in a scared voice and said man are you sure. Donovan tells Tony yes because he just got off the floor from his house and he is just got a call from you. Tony tells Donovan that he should call the police and file a report. Tony also tells Donovan it could have been a lady named Tanya. Donovan ask Tony who is Tanya and Tony tells Donovan it is along story and He is going to get back with him later on. Tony hangs up the phone and calls Tabitha and explains to Tabitha what happened last night.

TONY

(Calling Tabitha) Hey Tabitha, I got some very disturbing news to tell you. I called Donovan and he told me that it was not him at the dinner date last night. I told him that I believe it was a woman named Tanya. He told me that someone came into his house and drugged him and he just woke up and he heard his cell phone ring just now. I told him I would call him back and explain later on on. what really happened.

TABITHA

OMG, I knew it was something wrong with that whole picture last night. It just felt like it was not your friend. It just felt like some imposter to me but I did not want to say anything until so called Donovan mentioned he knew Tanya. I am going to call Erica now and let her know what truly happened.

Tabitha calls Erica on the cell phone and Erica answers the phone. They start talking and all of a sudden Tabitha tells Erica she got a phone call from Tony and he told her (Tabitha) that Donovan was not at the restaurant with us last night. Tony said that Donovan told him he was getting ready for the date. All of sudden he fell to the floor. He said that he believes Donovan was drugged. Tabitha is also telling Erica that Tony told Donovan the he believes that a lady named Tanya drugged him. Tabitha keeps talking to Erica on the phone Telling Erica that the real Donovan was drugged and that was Tanya posing as Donovan last night.

ERICA

That is wild. That bitch is crazy, she needs to be stopped. She is sick in the head. Drugging a man and posing as someone else is just really weird and sickening. She needs to be arrested. I am glad she did not kill Donovan. I knew it was something about him last night. I kind of felt uneasy , I was playing it off. It seems as though I am really in a real life stalker movie. I am not scared anymore. I am going to fight back.

TABITHA

You got a gun now. You need to carry it at all times because you never know if she could be lurking around ready to attack or kill you. Be ready for her psycho bitch ass!!!!!!
She has to be stopped.she is really going crazy. She acts like a bat out of hell.

ERICA

I don't want to have anything to do with her .She ain't shit to me. Find her a new friend not my ass old crazy THOT!!!!

They both keep talking and after they are done talking they both hang up then phone. This is just so upsetting to Erica.

Erica goes into her kitchen cabinet and gets a bottle of gin.She opens it up and drinks it straight. She is so angry at Tanya that she needed to pour some gin.

Erica at this point and time gets into Charles Bronson mode and starts talking about Beating Tanya's ass.

ERICA (CONT'D)

I am going to whoop her ass whenI see her. She has got to be taught a lesson. Coming to the dinner date last night and leaving messages at work among other things she has done. Trust me I am going to deal with her.

It is the next day and Erica decides to go to the gun range and start target practice.

Erica is practicing with a light-skinned African American male, he is showing her how to use the 45 revolver. They start talking and the gentlemen is asking her questions like what made you get a gun. Erica tells the man that she is being stalked by an ex friend of hers. She won't leave me alone. We were not lovers just good friends and she betrayed me three years ago so I stopped fooling with her. Erica starts shooting the gun again and this time she has a very serious look on her face.(She is picturing Tanya being the target and starts shooting.

After Erica is done shooting, she then goes back home. When she gets in her house, she sees her voicemail light blinking off and on. Tanya left a voicemail and Erica starts playing the voicemail of Tanya.

TANYA

Girl, I told you that you cannot hide from me. Yeah that was me at the dinner date last night. Poor Donovan he was drugged. I drugged him and I pretended to be Donovan.

Erica starts getting angry and she shuts off the voicemail in anger. Erica starts yelling.

ERICA

You bitch, I am going to get you. I am not scared or afraid of you anymore. I got my 45 revolver and I am going to be ready for your ass!!!

Erica goes into her bedroom and takes a long nap and after her nap she gets up and calls Tabitha.

ERICA (CONT'D)

Hey, girl. I got a voicemail from Tanya. She said she pretended to be Donovan and she drugged him. I am not about to go to the police because they are not going to do a damn thing about this. I am ready for her. She thinks she can keep on stalking me and threatening me, she has another thing coming. That ole ghetto bitch!!!!!!!!!!

TABITHA

I can't believe her. I wish there could be more done about her ass. She is just insane. I wish I could do more to help you.

(MORE)

TABITHA (CONT'D)

Maybe we need to set a trap for her to fall in then we can catch her.

ERICA

There is no way Tanya is going to fall into a trap. She is too smart for that and she is constantly watching me and waiting for her next move to harm me.

TABITHA

We must do something real quick because she is this close to killing you. If we set up a plan then she can fall into it and we can trap her and get her arrested.

ERICA

Tanya is watching me now and she knows we are planning a trap. You got to get smarter than planning a trap. We have to meet up somewhere and discuss how to get rid of Tanya in a very private place.

TABITHA

We should meet somewhere private and we need to move and act now we do not have a lot of time. Let us meet up somewhere tomorrow. We can meet up in a private place like a park. Let's do that tomorrow ok.

ERICA

That is a good idea. We must meet up and take and get rid of Tanya for good. I am tired of her. We can meet up tomorrow.

It is the next day and they meet up at a small cafe. It is a small cafe that they feel Tanya would not find them. While in the cafe they start discussing how to stop Tanya from harassing Erica. While in the cafe they see Donovan. They start getting Donovan's attention by saying hey to him. When Donovan sees them he immediately comes up to Tabitha and Erica and starts talking to them. Donovan starts talking.

DONOVAN

Man I glad to see you guys. that was not me at the dinner date. I am sure Tony told you what happened.

(MORE)

DONOVAN (CONT'D)

I believe a lady named Tanya that Tony mentioned could have possibly drugged me. That night, I was getting ready for the date. Tony asked me if I wanted to double date that night and I said sure. That night I was getting ready for the date and then hours later I was on my bathroom floor. I got off the floor thinking I passed out . I believe Tanya must have put on some type of disguise pretending to be me. I am so sorry about all of this.

ERICA

Donovan, Tanya is an ex friend of mine. We were friends for along time until three years ago. She started talking about me behind my back and saying slanderous things about me. I broke off our friendship three years ago. Tanya left me alone for three years and now she is back. She came over my house trying to restore our friendship. I told her no, and since then she has been stalking me.

DONOVAN

OMG, she is crazy, whoever hears of someone stalking anyone over a friendship. If someone does not want to have anything to do with you anymore then. You move on. She is insane. She sounds like a person that needs to have a restraining order.

TABITHA

Erica has done that, and Tanya still stalks her. I told Erica to get a gun and she has a gun. She has a 45 revolver and she is ready to use it if she has too. I told her to be prepared.

DONOVAN

Please take all the precautions you need to take Erica. Tanya sounds like a very deranged person.

(MORE)

DONOVAN (CONT'D)

Some people don't realize they are obsessive. sometimes their obsession takes over them and they do not realize it until it is too late for them. Most people who are stalkers end up dead because they refuse to stop stalking someone and the person who stalks them ends up killing them out of self defense.

ERICA

I don't want to have to kill Tanya but, I will if I have to. She is driving me nuts and she has to be stopped. She has been really harassing me and doing all sorts of odd things to me.

TABITHA

Look I think you will be alright Erica, You are going to be prepared for Tanya.

They all finish talking and after they finish talking and eating their food they immediately leave the cafe.

It is the next day and Erica goes to her voicemail because she sees it flashing. She knows it is Tanya leaving voice email and she decides to listen to it. Tanya leave a voicemail message. It turns out to be Tanya anyway.

TANYA

I see you are tryin g to get a plan to get rid of me. It will never work. You see I am not playing with you. For the record, I drugged Donovan and pretended to be Donovan. I do a pretty good impression of Donovan ha. I really had you guys fooled. By the way, if you decide to do a double date again, I am going to kill Donovan next time. He got off lucky with the drugs, next time it will be death. I have given you so many chances to reconcile our friendship but you keep ruining it and unfortunately I have to keep on stalking you or harming people that get in my way. I am warning you Erica, stop it or else!!!!!!!
hahahaha.

Erica slams the button non the voicemail and she starts screaming no no no out loud.

It is the next day and Erica remembers that Donovan gave him his phone number to her. Erica calls Donovan on the phone to tell him what Tanya said on her voicemail.

ERICA

Hello, hey it's me Erica. I'm calling you to tell you Tony left a voicemail on my machine and she told me that if she sees you with me she is going to kill you next time. She said that you got off lucky being drugged but next time you will die. Donovan that bitch is cray cray. I don't know what to do.

DONOVAN

Are you serious? She said she is going to kill me next time she catches me with you? Man no, she won't trust me I will have something waiting for her ass!!!!!! I am from the streets too. Don't let this conservative dress fool you. I carried a dessert eagle when I was growing up. In the hood and trust me I will carry one again and use it if I have too.

ERICA

She is crazy. Look Donovan I suggest for now you just keep your distance from me until I get a chance to deal with Tanya face to face. I am so sorry I about all of this but I am going to get Tanya very soon. I am not running from her crazy ass anymore.

Erica tells Donovan she has to go and then she hangs up her cell phone with him. She decides to call Tanya back. She decides to find Tanya and confront her. She decides she is going to find Tanya.

The next day Erica decides to look for Tanya on her own. She has her 45 revolver ready. Erica goes over Tanya's house. Erica still remembers where Tanya lives. Erica is at Tanya's house and Erica sees a shadowing figure. She knows its Tanya. She starts coming close to her and then Erica begins to shoot her 45 revolver. Tanya is nowhere to be found. All of a sudden she hears Tanya start to laugh.

Erica starts getting more angrier and starts shooting again.
Erica starts cussing Tanya out.

ERICA (CONT'D)

You bitch, I am not going to be
afraid of you anymore. I am ready
for you bitch!!!!!!!!!!!!

TANYA

(Tanya starts laughing and then
next thing you know she disappears
in sight) hahahahah!!!!!!!!!!!!

ERICA

Bitch you not gonna get away with
it!!!!!!!!!!!!

Erica leaves Tanya's house and goes back to her home. She
calls Tabitha and tells her what she did.

ERICA (CONT'D)

Girl, I went to Tanya's house and I
started shooting at her ass!!!!!!
Girl I am done with her I will
shoot her crazy ass in a minute.
While I was shooting she was hiding
and started laughing like it was a
joke to her. I am not going to be
playing with her anymore .

TABITHA

You went to her house, girl you
can't do that. You are lucky Tanya
did not kill you.

ERICA

She brings her ass to my house so
now I can bring my ass to her
house. I am not playing. I went
Charles Bronson on her ass!!!!!!

TABITHA

Girl, still when you go over
someone's house they have a right
to shoot you. You are very
lucky. Don't let your emotions get
in your way. You use strategic thin
king to catch Tanya not some
emotional motion. picture cray cray
crap!!!!!!

ERICA

You cannot be strategic with that bitch!!! You got to go cray cray on her ass!!!!!! I am not about to use some type of strategic Columbo bullshit TV detective tactics on Tanya. I am going to put a whole in her ass!!!!!!!!!!!!!! I'm sick of this bitch!!!!!!!!!!

Erica and Tabitha hang up their cell phones.

Tony calls Donovan on the phone. Donovan answers. He starts talking to him about Tanya.

TONY

Hey, man. I got a call from Tabitha she told me that Tanya could have possibly drugged you.

DONOVAN

Man I was drugged. I remember getting ready for the date and then I woke up about 5 hours later in my bathroom in my house. Tanya must have been following me .She came in my house and drugged me. When I woke up I remember me getting ready for the date. I looked on my cell phone and realized that I was too late for the date. I thought I had just passed out. Turns out Tanya drugged me.

TONY

Look, I got a call from Tabitha, I think we need to distance ourselves from Tabitha and Erica until they catch Tanya. Man I am sorry for getting you mixed up in this, but I did not know about this until the date. I just cannot get put ourselves in jeopardy. You can't either.

DONOVAN

Man I got to watch my back now. There is no telling what she is capable of doing to me. I am going to pack some heat for now on. I got to protect myself. Tanya is a psycho nut.

TONY

Please be careful. Don't let her get you or possibly kill you. I am going to get me some heat too. I don't trust her at all.

Both Tony and Donovan hang up their cell phones .

Erica is watching her voicemail in her house. She sees the flashing light. She fears its Tanya but it turns out to be Tabitha. She checks her voicemail and hears Tabitha's voicemail.

TABITHA

Girl, how are you. I am just giving you a call. I know I rarely call you on the landline but I spoke with Tony and Told him the whole story about Tanya. I told Tony that he should keep his distance from us because of Tanya. I don't want Tony nor Donovan caught up in this shit.

Erica quickly shuts off Tabitha's voicemail and calls Tabitha

Immediately. While calling Tabitha, Erica is shaking frantically like she is about to have a nervous breakdown.

Tabitha answers the phone and they begin talking.

ERICA

Hey girl, I got your voicemail. I am afraid you are right but I am also afraid that Donovan and Tony are already caught up in it. I am afraid tanya is going to get them one day. Trust me Tanya is watching them too and she is just waiting for them to slip.

TABITHA

OMG you are right, she is going to try to catch them slipping. I told Tony and Donovan to get some heat and watch their backs because Tanya is crazy.

ERICA

I wish they never met us now2 they are caught up in. This. I swear I am going to catch Tanya and when I do I am going to put a whole in her narrow ass!!!!!!!

TABITHA

I wish she would just let you go.
She is full of shit and she thinks
she can just be friends with anyone
at anytime because she can. Why
can't she find her a new friend.
You don't care about her anymore.

ERICA

I know and Tanya just does not get
it at all. I don't want to have
anything to do with her at all. I
will call you tomorrow ok. I am
tired and I am going to bed.

Erica and Tabitha hang up the phone and Erica goes into her
bedroom to go to sleep. It is the next day and she wakes up
getting ready for work.

Erica goes to work and when she goes into her office, she
cannot help but sees what is on her computer screen. She sees
a message on her computer saying besties for life all across
her screen. Erica starts screaming and starts panicking.

ERICA (CONT'D)

OMG no she didn't. That's it I am
calling security.

Erica calls security and they are in her office and she
starts talking to them about Tanya harassing her and stalking
her. She tells security to look out for Tanya and starts
describing the way Tanya looks. She lets them know that if
they see her to contact her immediately and the security man
agrees.

The security man leaves Erica's office and she starts getting
back to work. Her work phone rings on her desk and she
answers it. Erica answers the phone with her professional
voice. After she answers the phone , then Tanya begins to
speak.

TANYA

I see you called security, man you
cannot stop me. Girl I am
everywhere and don't you forget it
hahahahaha!!!!!!!!!!!!

Erica slams the phone down and starts cursing

ERICA

Bitch, I am not running from you
ass anymore, I am going to find
you!!!!!!!!!!!!!!!!

Erica begins to go back to work and continue on with her normal day.

After work is over Erica decides to go over Tabitha's house and visit her and talk to her about what Tanya did to her at work.

ERICA (CONT'D)

Girl , Tanya left a message all across my computer at work stating beesties for life. Then she calls me at work telling me that you cannot stop me from stalking you. I called security and told them about Tanya.

TABITHA

I am glad you told security about this. I hope they do something about this. She has lost her mind.

ERICA

I am tired of her doing this. She has crossed too many lines. Now I am going to fight back. I will not run from her anymore as I stated before. She is going to get what is coming to her.

Erica and Tabitha leaver her house and go get a bite to eat at a burger joint named Johnny's. They both order their food and when they get their food they start eating. Tabitha all of a sudden turns around and sees a woman with cornrolls from the back of her head. She thinks it is Tanya . Tabitha decides to see if it is her so she tells Erica that she is going to the bathroom and starts walking towards the bathroom.

Tabitha is walking to the bathroom and she glances at the lady with cornrolls from her side eye. When she walks pass her she realizes it is not Tanya, she goes to the bathroom and looks in.the mirror to check on her hair. After she checks on her hair she leaves the bathroom. She goes back and sits with Erica to finish eating her burger.

TABITHA

I went to the bathroom to see if that lady with the cornrolls is Tanya and it is not Thank- God.

ERICA

I was kind of wondering is that her too. It is not her Thank God and I am relieved.

TABITHA

I still would not put it past her.
She might be here lurking
around. Hell that could be her in
disguise. I don't put nothing
past her she is a psycho nut!!!!

ERICA

After we are done let's leave. I
don't want to see her at all. She
could be in here like you said just
lurking around.

Erica and Tabitha leave after they eat. The lady with the
cornrolls goes to the bathroom. She takes off her mask and it
turns out to be Tanya. She starts laughing out loud saying
hahahahah!!!!!!

Erica and Tabitha leave and get in their cars and go home.

Erica arrives home and goes into her house. She goes into her
house and she sees something on her TV set. It is an image of
Tanya having sex with Donovan. Erica looks at her voicemail
and checks it. It is Tanya.

TANYA

Hey girl, you like video. Yeah girl
I am having sex with your man girl.
I could have told you he ain't no
good. Girl I told you these men are
dogs and they are out for blood.
(Tanya starts laughing hahahaha!)

Erica starts screaming and starts panicking.

ERICA

OMG (Erica is crying) This bitch
is crazy. I got to stop this bitch
once and for all or else she will
end up killing me and the rest of
my friends.

Erica goes to sleep and wakes up the next day.

When she wakes up she calls Tabitha and tells her everything
what has happened to her when she got home. Tabitha responds
by saying OMG.

TABITHA

OMG are you serious? What are you
going to do about this fool. Girl
she is starting to piss me off and
I am not the target.

ERICA

Tanya chopped a video of her having sex with Donovan. Girl it was scary. I screamed out loud. How dare she does something like this.

TABITHA

It is time for you to really fight back this time. You must find her and put an end to her. She has crossed too many lines. She got a video of her having sex with Donovan. I wish she would have a video of her having sex with Tony. Girl I would find her and ring her neck.

ERICA

I am going to call Donovan and tell him what happened. Let me call Donovan.

Erica hangs up the phone and calls Donovan. She tells Donovan what happened.

ERICA (CONT'D)

Yeah , Tanya put a video of you having sex with you on my TV set.

DONOVAN

OMG she is crazy. I don't even know her and she made a video of me and her having sex. I wonder how she did that. Am glad you believe me instead of Tanya.

ERICA

I know you would not do some shit like that, but Tanya would. She is that crazy. I am going to find her once and for all and end her ass for good!!!!!!!

Erica hangs up the phone with Donovan and starts thinking a plan to trap and get Tanya once and for all.

Donovan is in his souse and get his gun. He starts talking to himself about he needs to be strapped just in case Tanya comes around.

Tanya is in Donovan's house lurking around. Donovan does not see Tanya because she is hiding i his closet. Donovan steps out of his house. Tanya gets out of his closet and she waits for about 5 minutes and leaves his house too.

Donovan leaves his house and Tanya starts walking around his house. She sees his laptop on the kitchen table. She goes in the kitchen to his laptop and starts forwarding a photoshop video of Donovan having sex with her and she forwards the video to Erica. As a soon as she forwards the video to Erica, Tanya leaves Donovan's apartment.

Donovan comes back in to his apartment . He ran to the mailbox to check his mail and he comes back to the kitchen and he notices his laptop is open and sees the video of supposedly him having sex with Tanya.

Donovan sees the video and calls Erica immediately. He calls Erica and they have a Conversation about the video on his laptop.

DONOVAN

Erica, she has been in my house. I went out to check the mail and I came back in my apartment and went to the kitchen. I saw a video of Tanya having sex with me. She has been in my house. She must be stopped. You come in my house then you crossed the line.

ERICA

OMG she must have been following you because I never thought she would go there and into your apartment. This bitch is crazy. Please get your gun and use it next time Tanya comes to your house.

DONOVAN

Look Erica, you are gonna have to do something about this because Tanya has dragged me in it and I don't have anything to do with You guy's friendship years ago. That is not fair to me that she's stalking me over a situation that I was not involved in. Please get you girl or else I will end the bitch!!!!!!!!!!

ERICA

Look Donovan, I am trying my best to catch her.

DONOVAN

Look, you are not trying hard enough.

(MORE)

DONOVAN (CONT'D)

Look Erica I like you and all that, but getting stalked is not worth it. Unless you stop her now, she is going to continue to stalk you and possibly kill you and the rest of us.

ERICA

You act like this my fault. It is not my fault she is doing this to us.

DONOVAN

She is going to have us killed. It is not your fault but we are all dragged into this now. Let's work together to get rid of her OK.

ERICA

OK, let's work together.

Donovan and Erica hang up their cell phones and then go about their way.

The next thing is Tony calling Donovan and they discuss Tanya and how they both can stop her because they are all in danger. Tony agrees that their lives are on the line so Tony tells Donovan he needs to have his gun with him at all times because Tony is going to do the same thing.

Tony calls Tabitha and tells her the same thing he told Donovan.

TONY

Tabitha, please have your gun with you at all times. Tanya just went into Donovan's apartment and forward a video of her having sex with Donovan. It is photoshop.

TABITHA

She did what!!! Is she crazy?!!!! how do you go over someone's home and forward a sex video. This bitch is crazy and needs to be stopped. She is getting to me Tony and unfortunately she has dragged all of us into her mess.

ERICA

I am tired of her. What I am going to do. Donovan wants me to do something about all this mess.

(MORE)

ERICA (CONT'D)

At first he was not worried about it and did not blame me but now Tanya has harassed him and he is tired of it.

TABITHA

Look , it is not your fault. Donovan may be tired of the mess but he has to understand it is not your fault. Tanya is just crazy and does wants to be friends with you again . She is jealous of our friendship and now she is angry.

ERICA

I dragged you and the rest of your friends including Donovan into this mess. This is really my fault. I must stop Tanya once and for all.

TABITHA

Look girl, I got your back. We are friends so I am going to do whatever I got to do to protect us. If she harms you then she is going to have to deal with me. We are in this together.

Tabitha and Erica hang up the phone and Tabitha goes into her closet and gets her gun. She looks at her gun and unloads her gun. She realizes that her gun does not have any bullets so she goes to her drawer and get some bullets and starts loading her gun.

Erica starts relaxing in her house and starts watching TV. She has her gun beside her. All of a sudden Erica hears a noise. She thinks its Tanya and she starts walking around her house with her gun.

ERICA

Tanya I know it's you. Get out of my house Tanya I got my gun.

Erica goes to her living room and sees a box on her couch. She opens the box and sees there is a note in the box.

Erica starts reading the note out loud . The note is from Tanya. Erica reads out loud.

ERICA (CONT'D)

Erica, I tried to give you a chance , but you blew it.

(MORE)

ERICA (CONT'D)

If you don't reconcile our
friendship your friends are going
to end up dead.

Erica starts screaming and starts crying. She is just hurt at
this point about Tanya harassing her.

ERICA (CONT'D)

I'm done crying now I want revenge.
I am going to be ready for you
Tanya. I'm going to get you first
before you get me and my friends.

It is the next day and Tony is at Tabitha's house spending
the day with her. They are talking in her living room couch
and all of a sudden her cell phone rings and it is Erica. She
starts talking to Erica.

ERICA (CONT'D)

Tanya but a box in my living room
couch. I opened the box and there
was a note stating if I don't
reconcile our friendship she is
going to kill us.

TABITHA

Girl, you should have never opened
up that box. It could have been a
bomb and you could have ended up
dead. Girl don't go to the police ,
you must take matters into your own
hands.

ERICA

I started not to open the box
because I thought it would have
been a bomb , but I know Tanya
would not do that. She is going to
have to be stopped. I want revenge
now and I am going to find her.

TABITHA

Don't go and do that .That is
dangerous to go and find your
attacker. If you do that than Tanya
will be expecting that and she will
have something waiting on your ass
if you know what I mean.

ERICA

I got to do something, Tabitha, the more I run from her the more she comes after me and she has you guys in danger and I'm really scared that she will hurt all of us now.

TABITHA

Girl this is awful, poor Donovan ,Tanya sees you with Donovan and she just goes crazy.

ERICA

I must stop her immediately. I swear if she kills Donovan , I will kill her with my bare hands.

TABITHA

You need to try to set a trap for Tanya. Maybe she will fall into the trap.

ERICA

Trust me I thought about that but Tanya is too smart for traps. She will find out she is being trapped and escape the trap. I got other ideas to stop Tanya. I got to tell you about it off the phone. I am going to call you back later ok.

Erica hangs up the phone with Tabitha and she heads to the gym by her house and goes there and starts working out. She goes to the boxing bag and starts punching the bag. Out of nowhere Donovan shows up and goes up to Erica and starts talking to her.

DONOVAN

Erica man you really working that punching bag. I know you are stressed out about Tanya. Look I am sorry I got snappy with you the other day. It is not your fault . I know one day Tanya is going to get arrested.

ERICA

Donovan you're good. I never see you here. What brings you here? I only go to the gym on occasion.

DONOVAN

The gym by my house is packed so I decided to come to this gym. I am glad to see you Erica. I still like you and want to get to know you well besides Tanya harassing you.

ERICA

I am at the gym venting out my frustrations. I got to get this anger out that I have for Tanya. I have all this anger boiled inside of me that I just want to choke her with my bare hands. She is just playing all these games with me to make me be friends with her again.

DONOVAN

I hear ya. I am going to work out for about an hour, after the work out if you are still here ,do you want to go get something to eat after the workout?

ERICA

Sure, I am getting hungry anyway. Once I am done with my workout I am going home, but you can come over my house after your workout.

DONOVAN

OK, I am going to go workout for an hour then I am going to come over and pick you up ok.

Donovan goes over Erica's house after his workout. Once Donovan arrives at Erica's house, they start talking on the couch. One thing leads to another then they start kissing and then the next thing you know they both end up in Erica's bedroom making love. They make love for about an hour. After they stop making love they begin to start talking.

DONOVAN (CONT'D)

This was wonderful. I enjoyed this. I hope you don't think I am moving fast.

ERICA

Look Donovan, if I did not want this to happen it would have never happened. Look I needed this. It has been a while since I made love to a man. I am glad I met you. Thanks for being there for me.

While they are talking, they don't know that Tanya is in the hallway closet looking at them. They have no idea Tanya is in the house watching them.

Donovan and Erica leave their house and finally get something to eat. They end up going to a fancy steak house restaurant called The Steak Keeper. They begin a conversation.

DONOVAN

You're so beautiful, I am surprised you're not married. You are so beautiful and you are ambitious. Well if those men don't want you hell I do.

ERICA

You're making me blush. I feel the same way about you. I really like you a lot. I want a man. A career is all good, but sometimes you want a man to come home to and and talk too and make love too. I needed that. I felt like a woman that was wanted and needed. To be honest, I am single because I got burned a lot by these men so I decided to bury myself in my work. Turns out I was still wanting a man and I would go home and cry because I come home to an empty house.

DONOVAN

You don't have to come home to an empty house anymore. I want to be with you and be your man. I think you are good for me and I can see myself with you. Don't worry about Tanya , she will eventually get arrested and go to jail for harassing you. I will protect you from Tanya.

Donovan and Erica continue to talk and then after they finish their dinner they leave.

After they leave, they both go home to their own homes. Donovan cell phones starts ringing and when he answers it , it is Tony they begin talking.

TONY

Donovan, man I need to talk to you. Tanya has been calling me and harassing me too.

(MORE)

TONY (CONT'D)

I don't know how she found my number but she called me and told me to stay away from Erica or else I will kill you. I cussed her ass out then I hung up the phone.

DONOVAN

Is she crazy. How did she get your phone number.

TONY

I don't know but she has my number and she got to be stopped. The last thing you want to do is threaten me and I don't take threats. We got to stop her immediately man .If we don't stop her she is going to kill all of us.

DONOVAN

The hell she will, she is not going to kill us. We have to get to her first. It is getting to the point where we are going to have to set a trap for her so she will not harm us.

While they are talking on the phone , Tanya is outside in her car parked far from Donovans apartment. Donovan has no idea that Tanya is outside of their house listening to their conversation through her cell phone. After Donovan and Tony hang up the phone, Tanya drives off.

Donovan hears her car but still does not have any idea it's Tanya. He goes to his door and opens up the door to see who it was. He opens up his door and sees nothing. Tanya had drove off by then and after he sees nothing he goes back in the house.

It is the next day and Tabitha calls Erica on the phone and they begin a conversation.

TABITHA

Hey girl, what's up. Just calling to see if you are OK. I am doing fine. I also haven't heard from you in a couple of days.

ERICA

Girl, I have been spending time with Donovan. I was going to call you today. I am glad you called. Me and Donovan finally made love.

TABITHA

Girl, what ,how did this happen.

ERICA

Girl, he came over my house yesterday.I saw him at the gym by my house. He came to my house after he worked out. We started talking and one thing led to another and boom it happened.

TABITHA

Don't you think you're moving a little too fast girl. You just met him. Girl got to take your time with these men today. These men will go ghost on you in a minute when you give them some.

ERICA

I know they will go ghost on you but girl I could not help it.He likes me a lot and I like him. It has been a while.

TABITHA

Just be careful girl, you know how men are.That is why I am taking my time with Tony.

ERICA

Girl sometimes you got to let your guard down and live. If it does not work out then there are other men out there. Trust me he ain't the only men out there, he ain't. I must live girl.All Im do is work and come home to an empty house.

TABITHA (CONT'D)

Yeah you got to live girl. I decided to get back into the dating game myself. I got tired of being alone and single.At first being single did not bother me.After a while, it started bothering me so I got on a dating site and met Tony. It's good so far.

ERICA

I am still hurt that I dragged guys into my mess. I still don't know why she wants to harm you guys as well. You guys don't have anything to do with it.

TABITHA

Girl, it is going to be alright.
She is going to get arrested in the
end. She is not going to harm you
anymore. I guarantee you that.

ERICA

Girl, I hear ya. Let's go the Super
Lounge tonight. Just me and
you .Some girls not out.

TABITHA

That sounds good. I will meet you
there at 8pm tonight OK?

ERICA

Sounds like a winner. I will meet
you there at 8PM.

Erica and Tabitha hang up the phone. When 8pm rolls around, they are at the Super Lounge. They are both drinking Chardonnay and having a conversation. All of a sudden They see Corey, Erica's co-worker. He is with a beautiful African American lady. She has a tight and slender maroon dress on.

Erica starts telling Tabitha that Corey is her co-worker and that must be his girlfriend. She also informs her that this is the first time she has ever seen his girlfriend. Erica rambles about how beautiful she is but she did not think that a woman that looks like that would be his type.

ERICA (CONT'D)

Girl, That does not look like
Corey's type. He is not into those
trophy wife looking women. not
look . That does not look like his
type at all.

TABITHA

Girl, if that even is a woman, you
know we live in LA. Even if it is a
woman, she looks overly dressed.

ERICA

I would like to know who she is. I
mean to be honest with you, I have
never seen Corey go out anywhere I
hang out, this is a first for me.
Oh, look Corey is coming our way.

Corey walks to Erica and Tabitha and starts talking to them.

COREY

Hey Erica, how are you? I see your
are with a friend.

ERICA

Hey, Corey, nice to see you. This
is my friend Tabitha. She is having
drinks with me.

COREY

Oh, cool. This is my girlfriend
Melissa. This is the first time
meeting my girlfriend. It is nice
to see you guys.

ERICA

Nice to meet you Melissa. Corey,
this is the first time I have seen
you here. I usually see you at
work.

COREY

I go out with Melissa a lot I just
don't come in this area. I heard
about this place and me and Melissa
wanted to give it a try. Very
classy.

COREY (CONT'D)

Well, ladies I was just saying hi,
me and Melissa are going to dine
out now so I will see you ladies
later.

Erica starts talking to Tabitha about Corey and his
girlfriend. Erica still thinks something his wrong with that
picture. She still thinks Corey would not date that type of
woman. After they finish their drinks they leave and go home.

The next day Erica goes to work and he sees Corey. She starts
talking to him about last night.

ERICA

Hey Corey, what's up?

COREY

Nothing much, what's going on?

ERICA

You tell me. I met your girlfriend
last night. At the Super Lounge,
remember?

COREY

I was not there last night. I was at my girlfriends house. I heard about that lounge but never been.

COREY (CONT'D)

OMG, you think that could have been Tanya, dressing as me as a disguise and got another woman to make it look like I was on a date?

ERICA

OMG, that was Tanya, she came up to me and my friend Tabitha and told us that a lady named Melissa as your girlfriend. Melissa was beautiful and she looked like a trophy wife.

COREY

Trophy wife!!! That is not my type at all. I would never go with women that look like that. I have heard too many stories about those type of women and trust me those women are not my type.

ERICA

I figured that. When I saw supposedly you at the lounge with Melissa I thought to myself that she did not look like your type.

ERICA (CONT'D)

You're a nice looking man and I know you can get any woman you want but I just knew you were not into those types of women.

ERICA (CONT'D)

OMG, now she is stalking you now. Tanya is doing everything in her power to stalk me until I become friends with her again.

COREY

Look, Erica, you are going to have to do something about Tanya, I cannot afford to lose my job and jeopardize my relationship with my girlfriend over some stalking shit.

COREY (CONT'D)

Now I like you a lot Erica, you are a cool friend and co-worker but you must do something about this. If you don't do something about this, I will find Tanya myself and deal with her personally if you know what I mean.

ERICA

I am doing everything in my power to stop her. Trust me Corey she will not bother you anymore.

COREY

Let's hope not for her sake. Well I am going to my desk and get to work. I will speak with you later.

Erica walks off and leaves too and go to her desk and starts her day at work. When her break time comes up she calls Donovan. Donovan is over Tony's house watching porn and drinking beer.

ERICA

(Donovan answers his cell phone)
Hello, Donovan how are you?

DONOVAN

I'm chillin at Tony's house watching porn LOL.

ERICA

You are nasty LOL. Yesterday me and Tabitha were at the Super Lounge and we saw what I thought to be my co-worker Corey. It turns out that it was Tanya in disguise. I spoke with Corey yesterday at work and he told me that was not him. I was like what. Tanya is still stalking me and she won't quit.

DONOVAN

She what!!!OMG now that right these is scary disguising as your co-worker and then bringing someone else with him as his girlfriend. She needs to be stopped immediately.

ERICA

I am just tired of her stalking me pretending to be someone else just so she can stalk me. I told Corey about it and he was kind of upset and was like you have to do something about it. He told me he does not want to loose his job because of Tanya. Now she is going to stalk him now. This bitch must be stopped.

DONOVAN

OK calm down, we are going to do something about this.

Donovan and Erica keep talking on the cell phone about Tanya and then she hangs up and goes back on her office.

Corey is in his office but goes to the paper work to get some more paper for his printer. He ran out of paper. When he gets to the paper room he hears a noise. He turns around and sees no one. He goes and gets the paper and goes back is is office. It turns out to be Tanya hiding behind the closet.

Corey backs into his office and starts back drinking his coffee. He takes another sip and all of a sudden he starts coughing real hard. The next thing you know he starts choking and starts running out of his office saying help I'm choking. Erica hears him and starts giving him. Water and he starts drinking the water and stops choking.

Corey stops choking and Erica and Corey starts talking. He starts telling Erica thanking for saving me.

COREY

Thank you for saving me!!!!

ERICA

OMG!!! I am glad I came on time you could have died!!!!!!!

COREY

I was drinking coffee earlier and I was alright, I went to the paper room to get some paper for my printer and I came back in my room and all of a sudden I came back and

COREY (CONT'D)

I started drinking my coffee again and started choking. I was not choking earlier.

ERICA

I am glad you are ok. Thank God you are still here.

COREY

Well I am going back to my office. I am alright.

ERICA

OK I will see you later on today.

Erica and Corey go back to their offices and Erica goes to her office and sees her light flashing on her desk telephone.

She presses the red light button flashing and then it is a voicemail from Tanya. Tanya leaves a voicemail about Corey.

TANYA

Yeah girl, you boy Corey almost choked. Yeah I put some poisoning in his coffee. Lucky for him he did not die. That is just a warning. If you go to the police about this, your ass will be next.

ERICA

Not if I get you first bitch!!!!T his is war now.

Time goes by and Erica is finally off from work. She goes home . She walks into her door and goes to the living room. She sees her voicemail flashing and automatically thinks its Tanya. It is Donovan. Donovan starts talking on the voicemail.

DONOVAN

Hey Erica, I want to see you tonight. I want to come over and see you.

Erica listens to voicemail and when it is done she calls Donovan. She tells Donovan he can come over.

Donovan goes to Erica's house and they start talking about having a relationship with each other.

DONOVAN (CONT'D)

I want to be with you. I think you are so pretty and beautiful. I am glad I met you. Don't worry about Tanya, I am here to protect you.

ERICA

I don't think anyone not even you
can protect me from her crazy
ass!!!I want to be with you too.

ERICA (CONT'D)

You make me smile and you make me
feel good. I needed that. I felt I
was making love to you. I did not
feel like I was a one night stand.

DONOVAN

I don't do one night stand .I have
always been a one man woman. I am
not the player type. When I see a
woman I want to be with I go for
it.

Erica and Donovan start kissing and hugging.They both end up
making love in Erica's bedroom. They start making love and
then all of a sudden Erica starts making loud noises. She
starts moaning and groaning and calling out Donovan's name in
the heat of passion.

They make love for about 30 minutes on and off and then
Erica's cell phone starts ringing. It is Tabitha.

Erica tells Tabitha she cannot talk right now and Donovan is
here. Can you call me back later.Tabitha agrees and she calls
back later on in the day.

Erica and Donovan get back to making love for about 30
minutes off and on.

Donovan tells Erica that he needs to go to work. He does not
have the day off.He tells her that he will call her later and
Donovan leaves Erica's house to go home and get ready for
work.

After Donovan leaves for work , she calls Tabitha.

ERICA

Hey girl, I am so sorry I could not
talk at that moment , Donovan was
at my house.

TABITHA

Oh oh, Getting your groove on ha. I
know that is what you guys were
doing. Girl, I ain't mad at ya. I
just called and wanted to know if
Tanya did anything today.

ERICA

No she has not called today or done anything so far. I am at war with her now, I am going to find and get that bitch for real.

TABITHA

She is so off the chain . She needs to let it go. You got new friends and a man and she wants to jeopardize your relationships with us so she can become friends again. If you become friends with her again she will stab you in the back . People like her cannot be trusted at all. If she betrayed you once she will keep doing it. Never let people like her back in your life ever!!!!

ERICA

My mom always said never let people who use you back in your life. They will make your life even worse.

TABITHA

Make sure she stays out of your life.As I said before we are your new friends.

ERICA

Tell me about it. Tanya hurt me real bad. How could someone who said that they are your friend and do this type of shit to you.

ERICA (CONT'D)

Haters come in all forms but I never thought she would make nasty remarks about me.

TABITHA

Jealousy comes in all forms, shapes and colors. People will get jealous when you start moving up in life.

TABITHA (CONT'D)

To be honest with you, I always thought Tanya was jealous of you.She seemed fake to me when I saw you guys hanging around. She seemed as if she was just mad at your success and your career.

(MORE)

TABITHA (CONT'D)

When you started moving up she finally showed her true colors.

ERICA

She sure did. Well, girl a I am going to go. I got the day off and I am just going to stay at home and have some me time today. Don't worry, I got my gun near me and Tanya better not come in my house while I'm here.

Erica hangs up the cell phone and starts watching TV in her living room. She gets a phone call from Donovan from work on his lunch break.

Donovan and Erica begin talking and the next thing you know, Donovan burst out Yelling about Tanya.

DONOVAN

I think Tanya, was in you house when I was there. I felt as if someone was watching us make love.

ERICA

She has been in my house when I was not there so I believe you. That sneaky bitch is watching my every move.

DONOVAN

Man, I felt as though someone was just in the house. I know it was Tanya. If it is your day off be careful. Make sure you have your gun and be ready to shoot her if you have too.

ERICA

I have my gun right next to me. I am ready for her to just do something. She will do anything in her power to hurt me. She is for a rude awakening because I am ready for her ass!!!!

DONOVAN

Just be careful, she can't be trusted. She will keep on stalking you until you give in. You must be on guard at all times.

ERICA

I know, she will do anything. You guys have to stay on guard too. She will try to kill you guys as well. You guys are a threat to her and she does not like that at all.

Donovan and Erica continue to talk for about 5 minutes about Tanya. Donovan tells Erica he has to go back to work and his lunch break is up and he will call her back later on today to check on her.

They both tell each other bye and hang up their cell phones.

Erica gets another phone call right after she hangs up with Donovan. It's Tanya , she starts talking to Erica and warning Erica about being with Donovan.

TANYA

I see you are still fooling with Donovan. I told you to leave him alone. If I see you with him again, next time I am going to kill him.

ERICA

Bitch!!! If you put a hand on Donovan I swear I will kill you first, I am done with you. I will find you Tanya.

TANYA

You will never catch me because I am invincible. I told you that I am not playing with you. I gave you a chance to become friends again and you blew it and now you and your friends got to pay. I am your only bestie for life, remember that (Tanya begins to laugh) hahahahaha!!!!

Erica hangs up her cell phone and begins talking to herself about Tanya.

ERICA

This bitch thinks she can get away with this but she is dead wrong. I am going to find this bitch once and for all.

It is the next day and Erica is at work on her lunch break. She decided to eat her lunch at her desk. She decides to do research on Tanya. She does a search on Tanya and decides to get information.

She gets her credit card and pays to have information about Tanya disclosed to her. Erica finds out that Tanya was harassing a woman named Elaine Page. She had to file a report on her because Tanya kept harassing her. Elaine ended up moving to Seattle Washington to escape Tanya.

Erica is in shock and can't believe she has done this before. Apparently, she met Elaine shortly after she stopped speaking to Tanya.

Erica decides to call Tabitha and tell her about the police report she found on Tanya.

ERICA (CONT'D)

Hey girl, I am on break. I decided to get a police report on her. Girl I used my credit card to pay for the information. I found out she met a woman named Elaine Page and she had to file a report on Tanya. She was harassing her, like she is doing me. Elaine moved to Seattle Washington to get away from Tanya.

ERICA (CONT'D)

I guess Tanya never bothered to look for her. I think when Tanya could not find her, she started to harass me.

TABITHA

Girl, that is scary, she really tried to harass her and now she is harassing you. This heffa is crazy!!!! So all she does is harass people when they don't want to be bothered with her.

ERICA

Girl she is off the chain. She did the same thing to Elaine. She probably got jealous of her and started talking shit about her.

TABITHA

Girl, I bet Elaine is dead. I bet she probably went to Seattle and killed her. I don't trust her.

ERICA

You ain't lying about that. I would not put it past her to kill Elaine.

(MORE)

ERICA (CONT'D)

Well, girl my break is up and I
have to get back to work OK. I will
talk to you later OK bye.

Erica ends her call with Tabitha and gets back to work. She gets back on her PC and she sees a message from Tanya. The message says that I saw you pull up a police report about me. Elaine Page did the same shit to me. She kicked me to the curb because she got a new boyfriend. She stopped calling me and started spending more time with him. I called her out about it and she said that she was just wanting to get to know him more. I started harassing her and she moved to Seattle. That's OK because I found the bitch and I killed her. Yeah girl she is dead. The cops have no idea that I killed her. By the way, you go to the police about this, you know I will kill you too.

Erica can't believe what she has read and erases the message.

It is the end of the day and Erica goes home from work. Once she gets home she gets her gun and waits for Tanya to come in the house. Erica becomes paranoid at this time because of the message she received from Tanya.

She goes to the living room and cuts on her TV. When she cuts on her TV she sees a news report about Elaine Page. She sees news report stating there is a manhunt for a man named Rodney Lambert. They believe he is a suspect that might have killed Elaine. Erica starts talking to herself.

ERICA (CONT'D)

OMG They got the wrong person.
Tanya killed Elaine. This bitch
must be stopped. Erica cell phone
rings ,its Tanya.

TANYA

Yeah I see you are watching the
news report. I told you if you go
to the police I
am going to kill you and your
friends. Erica you better learn
quickly I am not playing with you.

Erica hangs up the phone and starts screaming.

ERICA

You bitch!!! You are going to die,
I am going to kill you trust
me!!!!!!!

Erica begins to call Donovan. She tells Donovan what happened to her at work. She also starts telling him about the news report she saw today.

ERICA (CONT'D)

Yeah Tanya told me she killed Elaine page. She literally killed that woman and if I go to the police.

DONOVAN

That bitch killed that woman. OMG, Are you serious?!!! Naw, she can't get away with that. You got to go to the police.

ERICA

I can't. She will kill me and you guys. I am not going to put you guys in jeopardy over Tanya.

DONOVAN

She must be stopped. She murdered somebody. She needs to be in prison. If she goes to prison she won't harass us anymore.

ERICA

But she will kill you guys. Tanya is crazy and I am not going to put you guys at risk, I just can't do that.

DONOVAN

Ok Erica if you say so. Please have your gun ok and make sure she does not get into your house. If she comes in your home, start shooting immediately. Don't hesitate because she will kill you first if you let her.

ERICA

I got my gun with me right now. Trust me I am ready for her.

DONOVAN

I have to go now ok. I got some errands to run but I will call you back later Ok, bye.

They both hang up their cell phones and Donovan leaves his house to run errands. Donovan arrives to the grocery store.

When he gets there he sees this woman. The woman is nice looking and comes up to Donovan and has a conversation with him. They just start talking about simple stuff and when they are done they both leave the grocery store.

Donovan goes to his car to go home and when he gets home it dawns on his that it was Tanya that he spoke with. Tanya followed Donovan to the grocery store pretending to be some pretty woman flirting and talking to him.

Donovan calls Erica back and tells him that he saw Tanya.

DONOVAN (CONT'D)

Erica, I saw tanya at the grocery store. She came up to me trying to flirt with me and talk to me. It dawned on me that is her in disguise.

DONOVAN (CONT'D)

OMG this bitch is psycho!!!! She came up to me talking to me asking me if I had a girlfriend and shit like that. I told her yes I do.

ERICA

That was her. she is trying to get next to you. OMG Donovan watch your back, I think she is going to get you first. I don't put anything past her.

DONOVAN

She did that shit to me and I did not even realize it was her. I am going to have to keep my eyes wide open. I am not the one to be messed with.

ERICA

Keep your eyes open because she will try you. Bitch mad because I got new friends and a man. Ain't my fault she can't keep any friends and can't get no man.

DONOVAN

To hell with that. She got to go. She came up to me and now I got to be on guard. I can't believe this is happening to me. I am ready for this bitch.

ERICA

We got to get her now!! If we don't get to her she will kill all of us!!!!

DONOVAN

I got to go now. I am going to get back with you tomorrow. I got to figure out how to stop this bitch. I will call you later.

Donovan hangs up the phone with Erica. Erica is in a paranoid state again. She is wondering what to do stop Tanya from killing her and the rest of her friends.

Erica grabs her gun and sits on her living room couch waiting on Tanya. She starts crying and starts realizing that her life is truly in danger and she could die any moment.

ERICA

My life is in danger. I can't believe my former best friend would do some shit like this to me. Why would she do this.

Erica falls asleep on her living room couch. She wakes up and realizes she has been sleep along time .She realizes she slept for three hours. It is now 5PM. Erica gets hungry and decides to make her something to eat.

She goes and turns on her TV again and the report about the Elaine Page appears again. She starts watching the report again.

There is a knock on her door and it is the police.

Erica opens the door and she lets the police in her home.

The start asking questions about Elaine Page. They tell her that Rodney Lambert(the guy that is on the run) is her ex boyfriend and might be in this area and if she sees him to call the police immediately.

Erica tells them that she will.

The police inform her to be careful because this man is dangerous. They also tell her to lock your doors at night and be safe. The police leave her house and Erica goes back in her living room.

She calls Tabitha and tells Tabitha the police came by the house. She gives her the details of what the police told her and Tabitha is just in shock of what Erica is telling her.

She hangs up the phone with Tabitha and she starts watching TV again.

It is the next day. Erica fell asleep on her couch. She gets up and she realizes its her day off and she just starts making coffee. Her landline starts ringing and it is Tanya. She sees the name on the caller ID. She does not answer the phone and lets Tanya leave a message.

TANYA

I see the police came to your house. Yeah girl, you did the right thing by not telling them I killed Elaine. You are still not off the hook. Remember I will kill you and your friends if you go to the police. Hahahahah!!!!

Erica starts talking to her self

ERICA

You crazy bitch, do you realize that the cops could have been listening in. One day Tanya I am going to get you. You will die one day.

Erica hears a knock on her door. She ask who is it and it is Donovan. She lets him in. As soon. As he comes in they start talking.

ERICA (CONT'D)

The cops were at my house asking me questions about Elaine the woman that Tanya killed. They think it is her ex boyfriend that killed her. They told me to be careful and he is on the run and in my area.

ERICA (CONT'D)

I did not tell them Tanya did it. That poor man is on the run and he did not even kill Elaine.

DONOVAN

Man, Tanya must be stopped. You mean to tell me the police has no idea that Tanya killed Elaine? Tanya is very smart. She is outsmarting the cops.

ERICA

Tanya left a message on my answering machine telling me that it was a good thing I did not go to the cops. How long is she going to keep this stuff up before she gets stopped?

DONOVAN

She is eventually going to get killed. One way or another she is going to get hers. She will not get away with it. You are on to her and we got your back.

ERICA

I will spend the night with you for a while ok. Don't worry about Tanya. I am going to protect you because I care about you deeply and I damn sure don't want Tanya harming you.

ERICA (CONT'D)

I would love it if you stayed with me for a while. I am so scared. I am just always on guard. I sleep with my gun so that she will not do anything to me and I can get to her first.

Donovan starts staying with Erica for a while until Tanya is caught. Donovan and Erica start spending more time together and getting to know each other more.

Donovan spends the night with Erica and they are both asleep. It is about 2 AM and Tanya is in the house. She is in Erica's bedroom watching them sleep with a sinister look on her face.

Tanya leaves the room and eventually out of Erica's house

It is the next day and they both wake up in the morning. Donovan wakes up first and then Erica wakes up five minutes later. Erica goes into the kitchen and they both begin to talk.

ERICA (CONT'D)

Are you hungry? Do you want any breakfast and coffee?

DONOVAN

Yes make mine sugar with no cream. The cream dilutes the taste for me.

DONOVAN (CONT'D)

I will have about two pancakes. I don't eat breakfast much. I usually drink coffee in the morning.

ERICA

Damn, we did not make love last night. I was not in the mood. I'm glad we just slept together.

DONOVAN

I did not want to do anything either. In was not in the mood and I was just in protection mode. I wanted you to be safe.

DONOVAN (CONT'D)

I believe Tanya will eventually get caught. there is no way she can continue to harass you like this.

ERICA

Donovan, Tanya is not going to stop at all, She is in a bad place in life and now she is mentally unstable and unhinged. People like that need to get caught and put in jail. She has jeopardized my insanity and I can barely concentrate on my own life thanks to Tanya.

DONOVAN

Look Erica, she will eventually get caught. The cops will get her.

ERICA

That is easy for you to say. She is harassing me and stalking me not you!!! You are just in the middle of it thanks to me but I am her main target. This bitch is dangerous and I need for her to be caught and put in prison because she is evil and she will continue to harass me until we become friends again. I become friends w. She crossed the line and I am done.

ERICA (CONT'D)

I never heard of anyone harassing someone into friendship. This heffa cray cray. She crossed the line and I am not gong to have it anymore.

DONOVAN

I believe everything will turn out fine. She is going to get caught. I am here to protect you, she is not going to harm you while I'm here.

ERICA

I am still glad you are here with me. I really need you here right now next to me. It is very hard for me (Erica starts crying).

DONOVAN

Don't cry baby, I am here. I am going to protect you at any cost. That is what men do, protect their women. I'm starting to fall in love with you. You are special to me.

ERICA

I am starting to fall in love with you too. You have been so good to me since I met you. I want to get closer and closer to you.

ERICA (CONT'D)

I thought I would never fall in love again. It has been a while since I had a man. I really need a man in my life period. It has been a while since I made love. When we made love that day I felt so special like I had a connection with you. I felt some type of spiritual connection with you.

DONOVAN

I did as well. I want you to be my fiance'. I want to be with you and no one else. I know I found my soulmate. I want to put a ring on it and later on we can get married.

Erica begins to cry tears of joy, then she starts kissing Donovan. Then they end up going to Erica's bedroom and begin to make love. They make love for about five hours on and off.

Once they are done making love they go back into Erica's living room couch and begin to watch TV. Erica notices a shoe print in her living room that does not look like hers. She starts talking about the shoe print too Donovan and they both end up in another conversation about Tanya.

DONOVAN (CONT'D)

OMG, Tanya has been in here. I am sure that is her shoe print.

ERICA

OMG, it is her shoe print. She will not quit stalking me.

DONOVAN

I promised that I would protect you and I did not. I am going to my house. I'll be back because I am going to get my gun. I know you have a gun but I want to get my own gun just in case.

ERICA

OK, just hurry up and come back, I really don't like to be alone. You never know what Tanya will do next.

DONOVAN

Don't worry, I will be right back, you have nothing to worry about.

Donovan leaves Erica's house and goes home to get his gun. He opens his door and goes to his hallway closet and gets his gun. While opening up the hallway closet, Tanya appears out of nowhere and starts stabbing Donovan, she ends up stabbing him to death and he falls down to the floor. Donovan is dead and Tanya ends up leaving the house after she stabs him.

Tanya gets Donovan's cell phone and starts texting Erica telling her that Donovan had to go to the store and get things for the house and he has other errands to do and he will come over later.

Erica starts texting back and says Ok. She puts the cell phone on the kitchen table after she stops texting Donovan.

Erica starts watching TV in her living room.

Tanya goes to Tony's house to kill him. Tony is in his room putting on his clothes after he gets out of the shower. Tanya comes out of nowhere and stabs him to death too. Tony falls down dead to the floor. There is blood all over the floor and Tanya just walks out and leaves his house.

Erica continues to watch TV. Her cellphone starts ringing and she goes to the kitchen table where she left her cell phone. She answers her phone and it's Tabitha and they begin talking.

ERICA

Hey girl, what's up?

TABITHA

Nothing much. Hey girl I want to come over to visit.

ERICA

Yeah girl, you can come over, Donovan was over here earlier but he left he said he had some errands he had to run and he will be back later.

TABITHA

Cool, I am on my way over there.

Erica and Tabitha hang up the phone and Tabitha begins to leave her house and goes over Erica's house.

Tanya is leaving Tony's house but she has his cell phone and begins to text Tabitha acting as Tony and starts texting her by saying he is at work, he cannot talk now. Has a lot of paperwork to do at work and he will talk to her later.

Tabitha begins texting Tony by telling him ok.

Erica and Tabitha begin to start talking.

ERICA

Donovan spent the night at my house. Tanya was in my house also, we woke up this morning and went to the living room and there was shoe print. We knew it was Tanya's because no one was in the living room last night. She is still stalking me.

TABITHA

Wow Donovan was at your house and she still came over. She is bold. This has to stop girl.

ERICA

Donovan is going to stay with me for a while and he is going to protect me until Tanya is captured and arrested. We talked last night and he really likes me a lot and wants a serious relationship with me. I am falling in love with him and he wants to be exclusively with me.

TABITHA

That is so sweet. Congrats to you and Donovan.

ERICA

He is worried about me and wants me to be safe. Tanya and her cray cray ass is not making this easy. I have got to catch her before she ends up killing all of us.

TABITHA

I know, she is that cray cray to do that type of shit. She is not giving up. She thinks she can just talk about someone and think that is cool. She tried to ruin your reputation by saying mean things about you getting promoted. That is not cool.

ERICA

You damn right it ain't cool. She literally slandered my name to our friends. Just a damn hater and we were supposed to be best friends.

TABITHA

She looks like the jealous type anyway. She just looks like she would hate on someone.

ERICA

Well hating on your so called best friend is a no no in my book and I don't like anyone slandering my name.

ERICA (CONT'D)

Let's have a drink of red wine girl. I don't want to talk about tanya anymore.

TABITHA

Yeah girl, I am done talking about her too. Well me and Tony are doing fine. I am taking it slow with him. He does not know this but I think his ex girlfriend keeps calling him.

TABITHA (CONT'D)

He does not know this but one time i picked up his cell phone and i saw his text messages. It was his ex girlfriend named Heather. She was still tryin g to get him back and he kept texting her no and he is seeing someone else that is none of her business. I don't think it is Heather his ex, I think it is Tanya. I believe she got his phone number and she found out that he had an ex girlfriend named Heather.

TABITHA (CONT'D)

I know we said we are not going to talk about her but, I believe it's her pretending to be Heather. Heather never texted tony until he started talking to me and hanging with us.

ERICA

Now she is pretending to be Heather his ex, girl that is too scary. The nerve of her trying to be Heather.

ERICA (CONT'D)

Girl, we are going to catch her and once we do she is going to the police. Trust me she is going to get caught!!!!!!

TABITHA

She is crossing the line by pretending to be Heather. I never told Tony about it because I never wanted to alarm him.

ERICA

Girl, you need to tell him, he has every right to know it's Tanya doing this.

TABITHA

I am goin g to tell Tony later on Today when he gets off of work.

TABITHA (CONT'D)

I'll be damned if she will kill Tony, over my own dead body will she get a chance to that.

ERICA

Yeah girl, she has to be stopped.

Erica tells Tabitha she is going to her mailbox to check her mail and she is coming right back.

Erica goes to her mailbox to check her mail. While she goes and gets her mail. Tanya comes out of nowhere in her house. She sees Tabitha but Tabitha does not see her. Tabitha is sitting on Erica's couch in her living room and when Tanya sees Tabitha sitting there she gets her gun out and it is a silencer and she takes her guns and shoots and kills Tabitha in the back of her head.

When Tabitha is dead, she puts her under Erica's couch. After she puts Tabitha under her couch, she hides in Erica's living room closet.

Erica goes into her house after checking her mailbox and notices that Tabitha is not there. She figures that maybe Tabitha is in the bathroom.

Erica goes to the couch in the living room. And she starts watching TV. She looks down and notices an image of a foot. She looks under her couch and finds Tabitha underneath her couch dead. Erica begins screaming out loud.

ERICA (CONT'D)

(starts screaming) OMG Tabitha is dead, where are you Tanya, I know you are in my house. I want you to come out.

Tanya comes out of Erica's closet in the hallway.

Tanya begins to talk.

TANYA

Yeah, bitch, I killed Tabitha.

TANYA (CONT'D)

I killed Tony and Donovan.

ERICA

Girl, you did what, bitch you are cray cray. (Erica begins to cry).

TANYA

I told you that I was going to kill you and your friends. You did not listen to me or do as I say. When I told you we need to become friends again, I meant it. You cannot ignore me.

ERICA

Bitch, you are gonna die to night.
We are not friends anymore you blew
that three years ago.

Erica and Tanya start screaming and hollering at each other and then they both end up in a fight. They both fall on the ground.

Erica and Tanya continue to fight. Finally, Erica gets up and goes to the kitchen drawer to get her gun. She gets her gun and pulls it out and shoots and kills Tanya. Erica shoots four rounds of her 45 revolver to her head and tanya falls to the ground.

Tanya is falls to the ground and she is dead. Ericka looks on the ground and realizes Tanya is dead and she starts crying.

Erica calls the police and tells the police arrives at her house about 10 minutes later and when they arrive she starts telling them what happened and she killed Tanya in self defense and she also tells the police that Tanya has been harassing her for a while now.

Erica tells police that Tanya started the whole thing by forcing her to be friends with her after she ended the friendship three years ago.

The police stay at Erica's house for a while asking more questions about the killing of Tanya. By that time They take pictures of the bodies of Tabitha and Erica and the next thing you know they take Erica to the police station for questioning.

Erica arrives at the police station and she is questioned about the killing of Tanya and they make her take a DNA test to see if it was a murder or self defense.

One month later there is a trial. The trial is called the Tanya vs. Eric a case and Erica is on trial for the killing of Tanya.

The trial last for about a month and at the end of the month the jury makes a decision and they find Erica not guilty of murder and was found the killing of Tanya was self defense.

One month later Erica is at her home and packing to move. She decided to move from her home because the memories of Tanya, and her friends are too painful and so she dec ides to move to another residence.

While Erica is packing to leave, she starts remembering how Tanya and her were friends and how their friendship led up to her killing.

She starts laughing about her earlier friendship with tanya and how they were so close and how they use to hang with each other and did just about everything together.

Then Erica begins to cry because she starts to remember how Erica begins to cry very hard to the point where she almost

Tanya made nasty rumors about her and how she started stalking her and her friends.

Erica starts crying very hard to the point where she had to stop crying and calm her self down and finish packing.

The phone rings and it is her mom. She calls Erica to see how she is doing and holding up. They begin to have a conversation.

ERICA'S MOM

Hey baby, How are you holding up? I know you are trying to move but I just had to give my baby a call.

ERICA

I am doing good mom. I am crying and packing up at the same time.

ERICA'S MOM

Baby, listen to me. I love you always. I always said in the past that I never did like Tanya and I knew there was just something about her. You are grown and you have your own mind of what friends you can hang with. I never knew that you would end up killing her in self defense because of her stalking you.

ERICA'S MOM (CONT'D)

I understand why you never told me about this because you know I would have put a whole in her ass messing with my baby. Now I realize that what I was saying about her was right and you never wanted to admit that. I always thought something about her was never right. Even her mom Desire' was just weird to me too that is why I never got close to her.

ERICA

(she begins to cry again)
Mom, Tanya really hurt me bad and the stalking was the icing on the cake. I never told you about the stalking because I did not want to upset you and wanted you to go kill Tanya. I know how you are and I know you want to protect me but I thought I had Tanya under control and it turns out I didn't and my friends got killed and I almost got killed in the process.

ERICA (CONT'D)

I love you mom but Tanya and my situation was just something i wanted to handle on my own.

ERICA (CONT'D)

Mom how did a long time friendship end up in a self defense killing?

ERICA (CONT'D)

How did I ever thin k that a close friend of mine would end up being killed by me. Mom, Tanya hurt me real bad spreading rumors about me. I just had had to end our friendship three years ago after she said terrible things about me.

ERICA'S MOM

Sweetheart, you are not supposed to put up with that. No real friend slanders there so called best friend. Look baby, it's over with. You are moving out of that house and getting ready to start a new chapter. Move on and move forward.

ERICA'S MOM (CONT'D)

I wish this would have never happened either. You got to put this behind and move on with life. Tanya did this shit to herself. She put herself in a position that she knew she could've gotten killed.

ERICA'S MOM (CONT'D)

This is not your fault Erica. Promise me that you will move on in life and put tis behind you.

ERICA'S MOM (CONT'D)

I love you baby and I just called to see how you were doing. I am going to go now and let you finish packing into your new house ok. Bye baby.

Erica and her mom hang up the phone and Erica goes right back into packing her stuff so she can move into her new house. She goes back into remembering how she was friends with Tanya and became friends with Tabitha and Tony and how she and Donovan were together.

Erica starts crying again and hoping and wishing she could all take it back and knowing that she can't so she continues crying.

Erica starts reminiscing on how she bumped into Tabitha and how they became friends after not seeing each other for years.

Tears continue to flow from Erica's eyes and she continues to pack up. Erica eventually stops crying and continues to pack her furniture and her belongings. She starts reminiscing about how her and Donovan could've gotten married in the future and have kids and have a family. She knows none of this will ever happen so she stops remembering her past and just keeps packing up her stuff.

The house looks so different and Erica is almost done packing. She takes a break and goes to the kitchen to make her something to eat.

After Erica is done eating, she goes back and finish packing.

It is the next day and the movers are at her house packing her things in the moving truck. It takes the movers about five hours to pack up her things and move it to the her new home.

Erica finally arrives to her new home and it is gorgeous. It is much bigger than the house she lived in before. The movers start putting her things into her new home and Erica has a big smile on her face because she knows she is about to start a new life in a new location and she is going to make new friends and she does not have to worry about Tanya anymore.

Erica's new home is beginning to look real good, the movers start unpacking her things and they start moving her couch and the living room into her home. Erica takes a look at her new home and realizes that it is more beautiful than the house she lived in before and she has more room in her new home than her old home.

Erica goes to her back yard and sees that it is huge and her new home has a pool in the back yard vs. Her old home that did not have a pool. She realizes that she can have back yard barbecues and pool parties at her new home now.

She now knows she can have a lot of fun now. Erica goes back into her new home and starts checking out her kitchen which is huge as well and she has even more space to move around her kitchen.

She later goes upstairs to her bedroom and it is huge also. Her bedroom has double closet so she can put even more things into her closet. That really makes Erica smile and she realizes she she got a good deal on her new home. her home looks more like a celebrity home.

It takes about two days for Erica to unpack her stuff and put everything in order and two days later her home is done. It looks so beautiful and extravagant that she takes a picture of her home and sends a text to her mom telling her that her home is done and she shows her mom a picture of her home in the text.

Erica's mom text back and informs Erica that her home is beautiful and she will be over there sometime this week to visit her and her new home.

It is night time and Erica is getting ready for bed and gets ready for the next day.

The next day arrives and it is about 8 AM in the morning. She wakes up and makes her a cup of coffee. She has vacation time from work so she is at her new home relaxing watching TV. She is watching the news.

The time goes by and it is about 12 pm. Erica receives a knock on her door. She goes to the door to answer it and she figures it must be her new neighbor.

Erica and her new neighbor begin to talk and have a conversation

ERICA

Hello, how are you?

CHARMAINE (NEW NEIGHBOR)

I am doing fine, I am your new neighbor, my name is Charmaine.

ERICA

It is so nice to meet you, may you come right on in.

Charmaine introduces her self and they begin to talk in the living room of Erica's new home

CHARMAINE

I saw you moving in and I just had to meet you.

ERICA

Oh, that is so sweet of you. I moved to this neighborhood because of a bad incident that happened to me.

CHARMAINE

Wait a minute. Were you on the news about a stalker that you killed?

ERICA

Yes that was me. Her name was Tanya and we use to be best friends years ago and three years ago I stopped our friendship. She started gossiping bad things about me behind my back so I ended the friendship. She came back three years later and tried to work out the friendship and I told her no. She could not take a hint. She got mad so she started stalking me until we became friends again.

CHARMAINE

What?!!, that is crazy. I never heard of someone stalking you because they don't want your friendship anymore. Girl that is off the chain.

ERICA

Tell me about it, we were friends for so long and then she decided to talk about me saying stuff about a promotion I received on my job and she said that I only got then promotion because I slept with the boss. She told all our friends this mess. I confronted Tanya about it and she denied everything. I showed her the text messages that were sent to me about what she said. I told her I did not want to be friends with her anymore.

ERICA (CONT'D)

She left me alone then three years later which was recently she started stalking me. SMDH!!!!

CHARMAINE

That is scary to have someone do you like that. Stalkers are very dangerous and narcissistic people on the earth. They feel they can just control and run people.

CHARMAINE (CONT'D)

That happened to a friend of mine years ago. Her ex-husband kept stalking her and she had to get a restraining order put out on him.

CHARMAINE (CONT'D)

Unfortunately, it did not work and he broke into her house one day and he tried to beat her. She got her gun and shot and killed him in self defense. She went to trial and she was found not guilty and proved that is self defense.

ERICA

Wow! I hate to hear that happened. Stalkers are scary. I never thought I would be a victim of a stalker. I always thought that was in the movies or ex girlfriends or ex boyfriends.

ERICA (CONT'D)

What hurts me the most is she was my best friend for years. Who ever thought you would kill a friend.

CHARMAINE

It's over and done. You have to put it in the past and move on with life. It was not your fault it was her fault. You have a right to live. She lost her right when she stalked you. You just moved into a brand new home and you are beautiful.

CHARMAINE (CONT'D)

I am so glad I met you and I am looking forward to being your new friend. Don't worry I am not like Tanya I won't stalk you. Haaaaa!

ERICA

I am looking forward to along and lasting friendship with you too. It is going to take some time for me to get over this but I will eventually will move on with life.

ERICA (CONT'D)

I have a good job with wonderful company. I love the people at my job. They are nice and friendly and I'm an executive. I got a high ranking position.

CHARMAINE

Yeah girl, that's the spirit!! Don't let your past haunt you because you are going to rise up in life. It is going to get better for you trust me.

ERICA

I got to get me a new man because Tanya killed my boyfriend. I was really feeling him and he was a good man. He tried to protect me from her. I was at a point in my life that I was wanting a man in my life. When I finally get one she kills him.

CHARMAINE

You will find love. Love is out there and trust me he will find you. Once he finds you he will love you.

ERICA

Yeah he will, (Erica begins to cry).

ERICA (CONT'D)

I just have been through the worst. God will help me overcome this. It felt like my life just passed me by. God is going to see me through this.

CHARMAINE

I am your new friend and I will help you get through this. I am by your side. You will get through this.

ERICA

Thanks Charmaine, I really need a new friend, I am trying to put my life back in order. I think I did the right thing by moving and getting a fresh start. I believe it will get better.

CHARMAINE

This is your new life and new beginning. You don't have to worry about Tanya anymore. She is gone and you are now free. No more worrying about getting killed by her, no more stalking, nothing, you are free!!!!

ERICA

I am free. Well, Charmaine, you are my new friend. I believe our friendship will be a long one.

Erica goes to her kitchen and gets two wine glasses out of the cabinet. She also goes into the cabinet again and gets some red wine. She pours two glasses of Roset'. she goes to the refrigerator and gets some Oreo Cookie Cheesecake that she made earlier and she begins to cut two slices. After she is done she goes back into the living room and gives Charmaine and glass of wine and the cheesecake.

They both begin talking again and Charmaine keeps telling Erica that she will be alright and she is there to help her.

They both begin to eat their cheesecakes and drink their wine and start talking about where they are both from and how long they have been living in LA. They are just having a good conversation getting to know each other. Then they talk about how good the cheesecake is.

CHARMAINE

This cheesecake is good. Did you bake this?

ERICA

Girl yes, I sure did.

CHARMAINE

It's real good and I love it and the wine comes in handy. I feel like letting loose.

ERICA

Let's get loose and drink some more wine. I don't have to work tomorrow , I am on leave because of my incident with Tanya so I am going to get torn up.

CHARMAINE

Me too, Let's have some fun .

Erica and Charmaine keep drinking wine and start getting drunk and laughing. Erica is feeling good and she realizes that she has found a new friend. Erica has a big smile on her face while getting drunk and they start talking about men, sex, shopping, and African American TV shows they like to watch.

Erica is slowly letting go of Tanya and is now having fun with a new friend. Now she feels her life is going to get

Better.

They keep drinking and laughing and they both eat up all the cheesecake.

Erica starts to realize things are going to change. She no longer has to worry about Tanya stalking her.

Charmaine begins talking about about how glad she met Erica and how her old neighbor was not friendly and how she barely spoke and said just hi.

CHARMAINE (CONT'D)

Girl, you are so friendly, the neighbor that lived here before you was stuck up. Girl, she was a black woman and I am thinking we gonna be tight, girl, all she would say is high to me and go in the house SMDH.

Erica responds

ERICA

Girl, it is like that sometimes. There are some black women i work with and they only say hi to me and that's it. I just say forget them and go to my office and do my work.

Charmaine and Erica keep talking about their jobs and how much they love their careers. They both talk about how they went to college. Charmaine tells Erica she went to Pepperdine University and got her bachelor's degree psychology.

Erica tells Charmaine she got her masters degree from UCLA at Berkley in business administration.

Charmaine tells Erica that she does not have to worry about Tanya anymore and that when will be her new friend and that she would never slander her name and will not ever harm her.

CHARMAINE

I would never slander your name. I want to be your new friend. Tanya is dead and gone. It was her fault and she is the one to blame for her own demise.

Erica responds

ERICA

We were best friends for 20 years and all of a sudden our friendship is gone!!!!!!!

Erica starts crying and talking at the same.

ERICA (CONT'D)

I wish I could take it all back. If I would have started to become friends with her again, none of this would have not happened.

CHARMAINE

It is not your fault, you had to defend yourself.

ERICA

I could not imagine in a million years that my former best friend would end up dead.

CHARMAINE

As I stated before, I am your friend now.

Erica and Charmaine continue to talk and Erica tells Charmaine that she has a new bestie for life.

Erica and Charmaine give each other a hug and continue to talk about their new friendship. They go back to drinking wine, getting drunk, and eating more cheesecake.
