1 INT.HOTEL ROOM- NIGHT

1

The room is dark. A woman more beautiful than you can imagine dressed in a BLACK LACED BOY SHORT and BRA SET and wearing eye glasses sits at a corner table silhouetted by the the dull lamp light that sits on the table top.

A HALF BOTTLE OF TEQUILA sits on the table besides an ashtray with a LIT CUBAN inside.

The BEAUTIFUL WOMAN totes on the Cuban and chases it with a shot of Tequila.

She stands and parades over to the bed where we see a half nude man sprawled out strapped hand and feet to the bed and a gag ball strapped to his mouth.

The BEAUTIFUL WOMAN unstraps her bra,drops it to the floor and straddles the strapped man.

WE CLOSE on the man face as it's filled with sexual excitement.

The BEAUTIFUL WOMAN start kissing the mans face and slowly rubs her hands over the man's chest.

She lends over and opens the night stand drawer. She slowly reaches in and pulls out a LARGE SHINY MEAT CLEVER.

WE EXTREME CLOSE ON THE MANS FACE...

His eyes widens with fear.

ANGLE ON THE BEAUTIFUL WOMAN

She slams the meat clever down on the man. Blood erupts into the air splattering the woman. She continues unleashing the meat clever into the man.

2 INT.BATHROOM.NIGHT

2

Steam fills the bathroom as the woman showers. Blood disappears into drain as the woman washes.

BEAUTIFUL WOMAN

(narrating)

3 INT.HOTEL ROOM- NIGHT

WE CLOSE UP...

Blood covers the bed as the man lays dead. He's covered in deep open wound lacerations from the meat clever.

WE CLOSE ON...

The meat clever left driven in the mans head skull between his eye's. Dead eye's open.

4 INT.HOTEL HALLWAY-NIGHT

4

The BEAUTIFUL WOMAN calmly strolls down the hall.

BEAUTIFUL WOMAN  
(continues narrating)  
Why did I just carve this ass hole open like a slab of beef? I met him earlier at a bar. He offered me a drink and I accepted it. At the end of the night as I was leaving he ask to exchange numbers. I kindly thank him for his drink, but had to refuse exchanging numbers. And then... and then he went and did the ultimate. He called me a bitch. So instead of excepting his number I offered to fuck and like any all dog men he accepted. BITCH? No he's the bitch. I'm a PSYCHOTIC BITCH!
