INT. SKYLER'S CHILDHOOD HOME - NIGHT

Skyler, Victoria, Carly, and Candace are huddled together without clothes, with Skyler embracing Candace and Victoria holding Carly as they sleep. The doorbell rings, but no one stirs. After a second ring, Candace lets out a sleepy groan.

CANDACE

Daddy, please answer the door.

Skyler groans as he wakes up.

SKYLER

Okay, okay.

CUT TO:

EXT. DOWNSTAIRS

As Skyler yawns, he slips into his white robe. Suddenly, the doorbell chimes.

SKYLER

(Shouts)

Hold on, I'm coming! Shit, my girls are about to go on a fucking vacation and I gotta deal with crazed fans.

CUT TO:

EXT. FRONT DOOR

As Skyler opens the door, he rubs his eyes in surprise. He gazes in confusion as the visitor enters. Before him stands an elegant older Hispanic woman with flowing black hair, dressed in all black attire from head to toe, carrying her bags and meeting Skyler's gaze.

WOMAN

Skyler?

SKYLER

Yes, who are-

As he falls silent and gazes intently at her, she lets out a gasp and fights back tears welling up in her eyes. A slight twinkle catches his eye as he notices a diamond necklace around her neck. In that moment, Skyler clutches his chest as memories of the woman come flooding back to him.

SKYLER (CONT'D)

(In shock)

Mom?

She smiles and starts crying.

ALYSSA

(In Spanish)

Hola mi hijo.

SUBTITLE: Hi, my son.

Skyler is awestruck as he watches his mother, alive and well, in slow motion. Tears streaming down her face, she stands frozen, unable to believe what she is seeing. In a moment of overwhelming emotion, Skyler swiftly retreats back inside, violently closing the door in her face, leaving her stunned and confused. Despite his abrupt reaction, she continues to knock frantically, hoping to be let back in.

ALYSSA (CONT'D)

(Shouts)

Sky! Please listen to me!

SPLIT SCREEN: INT. HOME/EXT. OUTSIDE

On the left, Skyler's breath quickens as he slumps down. On the right, Alyssa continues to knock on the door, her tears falling freely.

.

SKYLER

(Shouts)

NO! YOU'RE NOT REAL! GET THE FUCK
AWAY FROM MY HOME!

ALYSSA

(Shouts)

Son please! I can explain
everything!

Victoria, Carly, and Candace rush down the stairs in their robes, spotting Skyler on the brink of a panic attack. Without hesitation, Carly reaches out to comfort him.

CARLY

Babe, what the fuck?

Candace peeps out of the window and sees Alyssa.

CANDACE

Holy shit, this milf is hot.

VICTORIA

(To Candace)

Not the time Candy.

Victoria kneels down to Skyler.

Right: Alyssa bends down to the door and rests her head against it.

SKYLER

(Shouts)

PROVE IT!

ALYSSA

(Shouts)

PROVE WHAT?!

SKYLER

(Shouts)

PROVE TO ME THAT YOU'RE MY REAL
FUCKING MOTHER!

ALYSSA

(Shouts)

YOU USED TO BE SCARED OF "BARNEY"
WHEN YOU WERE A KID!

SKYLER

(Shouts)

LUCKY GUESS!

ALYSSA

(Shouts)

I USED TO KISS YOU AND YOUR BROTHER
EVERY SINGLE NIGHT BEFORE GOING TO
SLEEP! YOU ARE A VIRGO, TYLER IS A
PISCES! ME AND YOUR FATHER FIRST
MET AT THE SAME ELEMENTARY SCHOOL
WHERE YOU MET VICTORIA!

Left: Skyler rises to his feet gradually with the assistance of Victoria and Carly, turning to face the door.

ALYSSA (CONT'D)

(Keeps shouting)

I HAD NO FAVORITE SON BECAUSE BOTH
OF YOU ARE THE LOVES OF MY LIFE!
YOU LOVE KNIGHT HISTORY AND VIDEO
GAMES AND I TOOK YOU OUT FOR TRICK
OR TREATING WHERE YOU FIRST THREW
UP FROM EATING TOO MUCH CANDY AND
YOUR BROTHER LAUGHED AT YOU WHEN
YOU WERE 8 YEARS OLD!

The split screen disappears as Skyler opens the door and spots her sitting on the ground. With tears in her eyes, she looks up and sees Carly, Candace, and Victoria standing behind him. Extending his right hand, he offers it to her. She reaches out for it, and he assists her in getting up carefully.

.

SKYLER

It really is you.

Covering her face and nodding, she continues to cry. He embraces her tightly, pulling her close. She is in complete shock as she reciprocates the tight hug. Victoria, Carly, and Candace exchange amazed looks as they witness the unfolding events.

WALLACE

Ugh! I'm gonna miss my Beth guys!

SKYLER

Don't worry buddy, they'll be okay, if something happens, Tori's got them.

DANNY

I just hope Lizzie actually learns the meaning of being chill for once. She's been stressed between work and the babies.

SKYLER

You're doing a good thing by agreeing to let her go on the trip buddy. This will do her some good.

ELIZABETH

We haven't talked in a while,

everyone as much except for Carly
and Sky.

VICTORIA

You're saying you miss being on the
team and with the whole squad?

ELIZABETH

Yeah. Like, work is great and I
would kill anyone for Danny. I
just...miss having everyone by my
side.

VICTORIA

You know the times when we were
together were the ones where the
world was in danger and we all had
a common enemy. This is our chance
to actually try to live normal for
once and chill without stressing
about who's trying to kill us. If
we can get through this trip well,
then we can keep hanging out like
this more often.

ELIZABETH

Even the holidays?

VICTORIA

Of course.

ELIZABETH

Just don't back out on me bitch.

VICTORIA

I won't, I promise.

She calms down.

ELIZABETH

I remember, you were bullied when you were younger. You told us when we first met. I honestly felt some type of way when I saw you.

VICTORIA

Why?

ELIZABETH

You reminded me of myself when you walked into the classroom in college. I was like that in high school. I didn't give a fuck about what anyone thought of me as long as I got my way.

REBECCA

You changed yourself for the better though, at least some parts for Danny and Ty.

ELIZABETH

It wasn't easy but yeah. Also, revealing that Sky is my ex fiancée had me worried that Tori and Carly, didn't want anything to do with me anymore. The moment I got close to Sky first, I was overthinking about "What if Carly hates me because I was about to Marry Sky first instead of Danny?" I'm just all over the place.

VICTORIA

Lizzie, that's bullshit. We were all fucked up at the time and had different shit going on, you have your right to feel how you want to feel and you saved him, without him or you, none of us would be together right now.

Elizabeth holds back tears and shakes her head in disbelief.

ELIZABETH

I truly don't deserve you girls.

ELIZABETH (CONT'D)

You know the deal bitch; you got my homework done?

CARLY

Actually, fuck no.

ELIZABETH

Excuse me?

CARLY

You fucking heard me. Perra culo chupapollas.

SUBTITLE: Cock sucking ass bitch.

Elizabeth steadily approaches Carly as Carly remains motionless.

ELIZABETH

You wanna run that shit by me again? Huh coño?

CARLY

(Shouts)

GO, FUCK, YOUR, SELF, BITCH!

Elizabeth gives her a psychotic smile.

ELIZABETH

Death it is then.

She gives her an intense headbutt to her face making her fall down in pain while blood comes from her nose. Elizabeth laughs as she takes off her jacket.

ELIZABETH (CONT'D)

I'm gonna enjoy this.

Carly stomps her right foot making her scream.

She turns her body to her left side and gives Elizabeth 10 really fast kicks to her chest very hard. She kicks her in between her legs. She slams into the front door leaving a dent in it. Elizabeth gets up but she slightly struggles. She makes a charge for Carly. Carly stands up quickly.

In slow motion, She dodges Elizabeth's right hook without hesitation.

She jumps over her, and she quickly wraps her arms around her neck. Elizabeth chokes as Carly has her in a tight grip. Carly drags her over to the nearest lockers.

She slams her head into the lockers repeatedly as she screams with rage. Elizabeth elbows her in her right hip knocking her down on the ground again. She gets on top of her and starts punching her with both of her fists very hard repeatedly. Covered in a bloody face, she blocks her punches with her hands. They scream more with rage at each other then Carly makes Elizabeth punch herself in the face with her left fists.

She flips her off of her then goes back to her choke hold move. Elizabeth grunts and gasps for air as she struggles to try to hit Carly, but she keeps failing.

CARLY
(With Anger)
TAP OUT FUCKING BITCH! TAP THE FUCK
OUT RIGHT FUCKING NOW!

She keeps gasping for air as she tries to remove her arms from her neck. She lets go of her arms and taps out on the floor with her right hand 3 times. They lay on the ground breathing heavily from exhaustion in the same position.

ELIZABETH
(Exhausted)
You're...a...tough bitch.

CARLY
(Exhausted)
S...so are you.

Elizabeth rises to her feet gradually as Carly stays grounded.

Elizabeth reaches her hand out for her. Carly gazes up at her. She reaches for her hand as she stands up.

TERESA

You ladies had a fun night last night?

CANDACE

I definitely did, I threw up this morning but now I'm satisfied because I got my wish.

TERESA

What was your wish?

Simultaneously, Carly and Victoria both place their hands over her mouth.

CARLY

Just all of us hanging out together finally.

VICTORIA

We never took a vacation because we were saving the world so much so we needed this girl time.

TERESA

We can't thank you girls enough for your sacrifices you had to go through. You girls wanna check out more waterfall areas like this?

BETHANY

Absolutely, I didn't know there were more.

TERESA

Oh yes, let's go back to the tour bus and I'll show you more of the island.

Everyone proceeds to walk back to the ship. Victoria and Carly pinch Candace's ear and she shouts "OW" Repeatedly.

Confused by a sudden soundwave vibration, Alexis gazes at the jungle as Bethany catches her attention, prompting Bethany to approach her.

BETHANY
Hey sis, you good?

ALEXIS
I just had a weird feeling, not like, the fun type of feeling, but something pounded against my ears.

CANDACE
No promises.

CARLY
Do it or we'll tell Wally how you
hooked up with Beth.

CANDACE
My lips are sealed but it was worth
it.

BETHANY
It really was.

ELIZABETH
Hey, is it getting hotter to you
guys?

REBECCA
Yeah, It's weird, I feel it too.

CANDACE
Hey, where's Teresa?

Alexis glances over her shoulder and realizes that Teresa is
nowhere to be found.

ALEXIS
She probably went off to find gas

 Who the fuck are you?

STELLA
 Ah, so Earth does have defenders,
 the rumors were true.

VICTORIA
 (Annoyed)
 I SAID WHO THE FUCK ARE YOU CUNT?!

STELLA
 The Name's Artemis, I personally go
 by Stella. I have a deal to make
 with you all.

VICTORIA
 (Angry)
 Why the fuck should we listen to
 someone who just fucking attacked
 us?!

STELLA
 Well you're gonna listen either way
 so...

She raises her hand forward to their direction and Alexis gets levitated up by the fire Force Field as she screams.

BETHANY
(Shouts in fear)
LEXIE!

She jumps on top of the hot force Field and punches it very hard to break through repeatedly.

STELLA
Here's the deal, you have 24 hours to find Draco Apollo on this planet and bring him to me. Your friend here will fix my ship so I can return home with him as a prisoner. If all goes smoothly, I won't unleash a lava monster on this place.

ELIZABETH
You barked up the wrong tree motherfucker!

She grabs Victoria's sword and her powers come back to her as the "S" appears on her arm. She quickly transforms into her first metallic golden suit.

VICTORIA
(To Elizabeth)
Lizzie, wait!

Golden Goddess flies up to Stella and PUNCHES her in the face with her right fist. Stella's eyes flicker, sending Golden Goddess into a trance. She destroys her incoming vines with fire and punches her in the right side of her head 4 times, knocking her out and throws her into the jungle.

VICTORIA (CONT'D)
(In fear)
LIZZIE!!!

Rebecca almost breaks Alexis out of the force Field as Alexis appears to have passed out from the heat. Bethany continues to break through the shield as she cries with help from Rebecca. They get struck by fire from Stella and pass out from the flames after they scream for 5 seconds. They slam very hard into the ground. Victoria, Carly, and Candace look up in worry.

STELLA

Meet me at the biggest volcano,
with Draco in handcuffs, no one
else will be harmed, and y'all can
go back to your stupid little trip.
If you don't, this whole place
fucking burns with you on it. See
you around, The defenders of Earth.

She flies away with Alexis in the Force Field.

CANDACE

Ugh, I already don't like that
fucking bitch.

CARLY

We need to get the girls, where's
Teresa?

VICTORIA

Let's look around for her and
Lizzie. Let's wait a while before
going back to the resort, we can't
risk her showing up and fucking the
place up.

island within a day.

CANDACE

I just hope she's alright.

REBECCA

Hey, I may have gotten my ass
kicked but I'm still strong.

Candace giggles.

CANDACE

You haven't changed since high school either Becky. Don't change yourself, not like how you did for that guy Flynn.

REBECCA

I won't, that I definitely can promise.

CUT TO:

INT. CENTER OF THE VOLCANO

Alexis wakes up and breathes heavily in shock as she scans her surroundings. Stella stands in front of her with her arms crossed gaze fixed on her.

ARTEMIS

If your friends are smart, they'll cooperate with me.

ALEXIS

You really think they'll cooperate when you hurt my friend and you're holding me as a hostage?

ARTEMIS

I do yet I'm betting that they won't. If they don't I'll kill you and them.

ALEXIS

So why do you want Draco so badly?

Stella turns off her helmet.

ARTEMIS

Because I'm his childhood friend, other than Zion before he left Nebula.

ALEXIS

He never mentioned you before.

ARTEMIS

He was always good at keeping secrets. Tell me, what happened to Xron?

ALEXIS

We defeated him, and Draco finished him off by cutting him into pieces in front of us.

ARTEMIS

Not bad, he was always good at fucking shit up. Did he tell you that he cut off my father's right arm in battle while under Xron's rule?

ALEXIS

No...he didn't.

ARTEMIS

While under Xron's control, he killed every army from across the galaxy within 10 seconds. Who got him off of the planet?

ALEXIS

(Nervously)

Z..Zion.

ARTEMIS

Hold up, did you, Zion and other people take Draco off of Nebula?

ALEXIS

Yes we did and I don't regret it.

ARTEMIS

You must be Zion's girlfriend if you're defending him like this too and You just let a psychotic assassin on your team.

ALEXIS

I am and I love him. Look, Draco is a different person now, and trying to change for the better. He's still tough as fuck but he's learning to have a good heart kind of. People can change here, it's not too late for things to change for the better for you too.

ARTEMIS

It seems like you're defending his actions and yet You sound like you speak from experience of change.

ALEXIS

Well, My sister helped me with that but look, no guarantee that we can get him for you, we were on a trip and you cut us off by taking me. Don't let your personal shit fuck up our plans.

ARTEMIS

I'm aware, you humans are very odd with how you handle relaxation. I'll make you a deal, if you fix my ship, I'll spare your life since you didn't attack me while talking to you. Deal?

ALEXIS

I guess there's no changing your mind then, Okay I guess.

ARTEMIS

Better hope that your friends pull through, for the sake of this place at least.

Alexis gazes at her with a look of concern.

CUT TO:

INT. CAVE - NIGHT

Victoria and Elizabeth sit on opposite sides of each other.

Elizabeth appears to be feeling irritated. Victoria notices her staring.

VICTORIA

Got something on your mind bitch?

ELIZABETH

I actually do, fucking cunt.

VICTORIA

The fuck did you just call me, heffer?

ELIZABETH

(Shouts)

You fucking heard me!

Carly quickly gets to her feet.

CARLY

Woah woah, chill the fuck out two!

Elizabeth points to her.

ELIZABETH

(In Anger)

SHUT THE FUCK UP!

She remains quiet as Elizabeth and Victoria get up and walk in each other's faces.

ELIZABETH (CONT'D)

(Shouts in Anger)

Alexis got fucking taken, and we're just sitting here in sorrow?!

VICTORIA

(Shouts)

We can't do shit right now bitch!
We have to think of a full plan first to get her back!

ELIZABETH

(Shouts in Anger)

If something happens to her tonight, I'll never fucking forgive you!

VICTORIA

(Shouts, starting to get angry)

For what?! Over a bitch that started shit with us over some fucking beef with Draco?!

ELIZABETH

(Angry)

Because we're wasting time in this fucking shit hole rather than just making a plan now before she unleashes that lava monster on this fucking island!

VICTORIA

(Annoyed)

You can't go in headfirst you fucking dumbass! You're not even taking the others into consideration!

ELIZABETH

I guess I'll go in alone then, that bitch needs her sister, I'm not gonna sit here and wait on orders.

Bethany stands up and walks over to her. She puts her hand on her left shoulder. Elizabeth glances at her.

BETHANY

Lizzie, I know you care about us but don't let your emotions get in the way. There's always a simple solution when shit like this happens. Please don't go out there on your own.

ELIZABETH

I'm sorry Beth, but I can't do that. I'll do this without you... Victoria.

Elizabeth starts to walk out but Victoria grabs her right hand. She gazes back at her.

VICTORIA

You're not fucking going anywhere.

ELIZABETH

Who's gonna stop me? You? Queen of cunts?

VICTORIA

If I fucking have too.

Elizabeth walks back up to her face as both of them turn serious. The other girls stand back further in the cave.

Elizabeth balls her fist up.

VICTORIA (CONT'D)

Girl, Please Don't make me do this.

ELIZABETH

Mmm, too fucking late for that shit "sister".

The two have an intense stare down for 5 seconds. Elizabeth headbutts her first making her stumble a little.

ELIZABETH (CONT'D)

You thought I wasn't gonna sneak and get my powers back for something like this?

VICTORIA

You know...I wonder if Danny ever laughed at the choices y'all made together, because marrying you was one of the shittiest ones he's ever made.

Elizabeth transforms into Golden Goddess in her first metallic golden armor. Victoria transforms into Pandora as a red aura covers her entirely with her new red space-knight suit as her eyes light up white.

CARLY

Oh my god.

GOLDEN GODDESS

(In Anger)

Take that mothafucking shit back!
PEDAZO DE MIERDA DE PERRO!

Simultaneously, they both leap towards one another.

The fight is extremely savage, almost to the death as They crash through the cave and into the skies while punching each other. Golden Goddess kicks Pandora upside her head with her right leg making her fall downward. She flies upwards back to her. She punches Golden Goddess with her left fist in her chin. Pandora pulls out the word as lightning strikes behind her. Golden Goddess spits out a little blood and glances back at her.

Pandora grabs her face and digs her nails in her face as they scream at the same time.

In slow motion, Pandora smacks Golden Goddess across the face with her flail breaking off some armor.

Golden Goddess knees her in her gut repeatedly as Pandora tackles her back down towards the woods.

EXT. WOODS - CONTINUOUS

They slam into the ground as they cause a red and gold explosion. Pandora has Golden Goddess in a headlock with her left arm as they struggle.

PANDORA

(In Anger)

YIELD NOW YOU FUCKING BITCH! I
DON'T WANNA FUCKING KILL YOU!

GOLDEN GODDESS

(In Anger)

FUCK YOU VICTORIA!

Golden Goddess takes the sword from her side quickly.

Golden Goddess stabs Pandora with her dagger in her right leg making her scream as she pushes in deep inside her. Pandora suddenly grabs her left arm and breaks it with her left knee.

She screams with agony as thunder rages in the background.

She twists and knees her arm more making it worse then takes the sword from her and stomps her in her chest into the ground 10 times. The ground quakes with each powerful stomp.

Pandora stops and kneels on top of her. She punches her with her right fist 15 times so powerful, making her face swell. Golden Goddess' armor is brutally beaten and bloody as we see half of Elizabeth's face. Pandora turns off her helmet as she breathes heavily.

VICTORIA

(Exhausted)

Once you get back to the states, I hereby discharge you completely from the team. You will be stripped of your title and powers for good. I'm sorry I wasted my time trying to get closer to you in the first fucking place.

Elizabeth remains silent as she cries while in pain and her arm appears twisted and broken. Victoria crawls out of the small crater and gazes up. Rushing to the scene, the girls run swiftly. Carly lets out a gasp and tears fill her eyes.

CARLY

(In fear)

WHAT THE FUCK?!

Candace gazes at the sky above her.

CANDACE

(Shouts)

BABY LOOK OUT!

In confusion, Victoria gazes at the girls before realizing she has been impaled in the stomach by one of Elizabeth's daggers.

STELLA

I gotta say, that fight was fucking brutal, let's talk it over with Alexis, shall we?

Stella appears hovering over the scene while giving an evil smirk and PULLS Victoria in the air as the sword drops out of her hand. Carly catches the sword and raises it in the sky to get her powers back.

Victoria gazes at her with a puzzled expression.

VICTORIA
(Amazed)
Lexie?!

ALEXIS
Hey hot stuff.

Embracing with tears of joy, they smile in relief.

VICTORIA
(Crying)
FUCK! I thought I lost you!

ALEXIS
(Crying)
I thought I lost you guys too, and
Beth.

They let go of each other.

VICTORIA
Where are we?

ALEXIS
In a volcano, located on the
outskirts of the city.

VICTORIA
Where's...

Peering down, she observes the healed wound on her stomach.

ALEXIS
You were really fucked up when you
were brought here. Something tells
me that Artemis didn't do this.

VICTORIA
I fought Elizabeth and nearly
killed her.

ALEXIS
No way, you actually used your
Pandora powers?

VICTORIA
Yeah, I broke her arm and stomped
the fuck out of her Chest and
stabbed her leg with the sword.

ALEXIS

Holy shit, why did you guys fall out?

VICTORIA

She wanted to look for you without our help.

ALEXIS

Damn, she's really a dumbass bitch.

VICTORIA

Even Beth tried to convince her to stop but of course she wouldn't listen. The land suddenly froze with ice before I fainted, and I know Artemis did it.

ALEXIS

Rebecca was with us, knowing her, she can melt the ice with her water powers.

VICTORIA

My sword is gone too, Sky's gonna kill me.

ALEXIS

He wouldn't do that. He cares more about our safety than the sword.

VICTORIA

That's true, I just...I wanted this to be our first girls trip together, then this cunt fucked it up for us.

ALEXIS

I've been looking out for Beth most of my life and..what I know is that when someone truly cares about you, they'll have your back no matter what you go through.

VICTORIA

I said things I shouldn't have. I shouldn't be using these powers.

ALEXIS

You have them for a reason, life works out in weird ways for everyone, even us.

(MORE)

ALEXIS (CONT'D)

Shit, we almost lost Wally and Candy, I can't imagine how life would be different for Beth and Carly.

VICTORIA

Looking on the brighter side of shit is something I need to work on. We did defeat Daryl...as a team.

ALEXIS

Fuck yeah. If anyone has your sword right now, it's more than likely Carly.

VICTORIA

You're really good at pep talks more than I am.

ALEXIS

I'm just Speaking from experience, girl, it's what I'm here for.

VICTORIA

Zion's got a good woman.

ALEXIS

So does Astro.

They chuckle at each other.

CUT TO:

INT. HOTEL ROOM

Elizabeth slowly wakes up covered in scars and a cast.

In a state of confusion, she gazes around at her environment.

ELIZABETH

W...What happened?

Carly and Rebecca are standing on her left side.

CARLY

Give me the room girls. I need to speak to Elizabeth alone.

REBECCA

Are you sure?

BETHANY

We got your back.

CARLY
I'm sure...I got this one.

CANDACE
Okay boo.

She walks to her and gives her a deep kiss. After just 10 seconds, she steps back to look at her.

CANDACE (CONT'D)
Smack her once for me.

CARLY
Will do babe.

They all walk out of the room together and Bethany closes the door behind them. Carly smacks Elizabeth with her left backhand very hard.

SUBTITLE: DON'T FUCKING "HEY" ME! THIS BEAUTIFUL BITCH WORKS
 HER ASS TO PUT THIS DAMN VACATION FOR US! HE ALMOST ISOLATED
 FROM US BEFORE WE MET CANDY! YOU KNOW THE HARD SHIT WE'VE ALL
 BEEN THROUGH, BUT YOU JUST HAD TO MAKE THE SHIT FUCKING
 HARDER!

ELIZABETH
 Alright I'm-

Using her right hand, she delivers a sharp smack to
 Elizabeth, who stays silent.

CARLY
 (In Spanish)
 ¡CALLATE CUANDO HABLO!

SUBTITLE: SHUT THE FUCK UP WHEN I'M TALKING!

She nods.

CARLY (CONT'D)
 We're gonna fight Artemis at noon.
 Becky helped your healing process,
 you can choose to stay here and
 mope around or get your ass up and
 save the people who call you your
 fucking friends, your emo ways are
 still with you, you need to a
 fucking grip on yourself Elizabeth.

She starts to walk out as she opens the door but stops to
 look back at her.

CARLY (CONT'D)
 If you choose to stay here while we
 fight, then you will no longer be
 my best friend. Let me know if
 you're willing to sacrifice that
 shit too since you don't wanna
 listen.

She walks out and slams the door behind her. Elizabeth
 remains silent as she starts crying while covering her face
 with a pillow.

CUT TO:

INT. SECRET LOCATION

Alexis gazes up at the light overhead.

ALEXIS
I wanna try something.

VICTORIA
What is it?

ALEXIS
You're not gonna like it. Do you
trust me?

VICTORIA
With my life.

She smirks.

CUT TO:

EXT. SECRET LOCATION - UNDERGROUND CAVE

Artemis takes off her goggles as she looks at her repaired
ship.

ARTEMIS
Finally, now I'm gonna fuck this
place up for real.

She closes the hood and checks her right arm to see the
countdown.

CUT TO:

INT. HOTEL ROOM

The girls except Elizabeth sit around the table discussing
the plan.

CARLY
Evacuating the city would be
extreme, we'll have to take better
precaution.

REBECCA
We're not gonna tell her where he
is, we gotta put this bitch in her
place and send her back home.

CANDACE

Even if we do, there's no telling what she'll do. She could possibly send her people back to us and wage a war on us. Who will she take out first? Us because she came to us first with this shit.

CARLY

She's right. We gotta trap her ass, catch her off guard.

REBECCA

FUCK! Why did this bitch even bother coming to us? Why didn't she just find Draco?

CARLY

Best guess is that she couldn't actually track him, and we're the ones closer to him. She probably did some research while she's been here.

REBECCA

I truly hope Tori and Lexie are okay, I know they're strong girls but that bitch is ruthless.

CANDACE

She has no idea what she's getting herself into. Who was that one chick your sister fought Beth?

BETHANY

Crystal Carter.

CANDACE

Oh I know her, that's my boo! She's my childhood friend, it would be great if we could have her help.

CARLY

She's on house arrest Candy, she can't leave the country for 2 years.

CANDACE

Fuck, so it's just us then.

BETHANY

I forgot to mention another power that my sister has.

REBECCA

What's that?

3 knocks are heard at their door. Candace gets up and goes to answer it. She opens the door and appears in shock.

CANDACE

(With Excitement)

OH MY GOD, WHAT THE FUCK?!

BETHANY

What is it?

Alexis enters the room where Candace embraces her, returning the hug. Bethany breathes a sigh of relief and rushes over to hug her tightly.

BETHANY (CONT'D)

I knew you'd come back.

ALEXIS

I'll always come back to you.

With a smile, she embraces her even more closely.

CUT TO:

INT. SECRET LOCATION - 48 HOURS LATER- MORNING

Artemis stands on top of the volcano waiting for the girls to come.

ARTEMIS

I knew some bullshit was brewing.
Such a shame I'll have to fuck this
nice place up.

She hovers into the volcano slowly as she watches the lava rage.

BETHANY

(V.O.)

How do you defeat this bitch?

ALEXIS

(V.O.)

We'll call this plan, "Destination
Destruction", and Artemis is about
to get her ass whooped for fucking
with us. She's an elemental alien
who can control different surfaces.

(MORE)

ALEXIS (CONT'D)

She can predict our moves if she wants too but of course, her real mission isn't us.

CUT TO:

INT. CAVE

Victoria sits up slightly to see if the coast is clear.

VICTORIA

Okay girls, it's time.

CUT TO:

EXT. VOLCANO VIEW

The ground rumbles as lava starts brewing out of the volcano slightly.

CUT TO:

EXT. CITY STREETS

Civilians feel a sudden quake as everyone walks into the middle of the street and looks in the direction of the volcano in confusion.

ALEXIS

(V.O.)

Step One, Rebecca shields the streets with a water cover, it'll take half of your strength to do it.

Hydro slams down in the middle of the street with her new metallic light blue suit with blue eyes.

HYDRO

(Echoes)

CITIZENS! PLEASE, EVACUATE OUTSIDE OF THE CITY LIMITS!

Her voice echoes throughout the streets and homes through medium sized bubbles. She breathes in and out slowly as she places her hands on the ground. Her eyes turn bright white.

CUT TO:

EXT. CITY VIEW

She manipulates water from the ocean to flow as a protective wave above the entire city.

CUT TO:

EXT. CITY STREETS

All residents and business owners swiftly exit their homes and establishments without hesitation.

Astrid slams next to her in her new gray and magenta metallic suit.

ASTRID

I missed this action, yet I didn't want this to interfere with our vacation.

HYDRO

Remember what Luna taught you Astrid, focus on who you want to protect.

Astrid takes a slow breath in and then exhales in a close-up view, done in slow motion.

She generates circular rings from her arms as she charges them. A massive beam of energy shoots from Astrid upwards into the sky.

CUT TO:

EXT. SKY

The erupting volcano produces intense lava, creating a collision of energy and molten rock.

CUT TO:

INT. VOLCANO

Artemis looks at the chaos in confusion.

ARTEMIS

What the fuck?

She hovers over the lava to see why it stopped moving.

Looking out over the city, she can see the water barrier and the pulsating purple energy coming from the center.

ARTEMIS (CONT'D)
 (Irritated)
 UGH, FUCKING KNIGHTS ARE
 IRRITATING!

ORION
 Yeah, we have a knack for that.

With a shocked expression, she gazes upward before pivoting with confusion written on her face.

In slow motion, Artemis gets an uppercut by Orion out of the direction of the volcano, and she flies backwards.

She grunts as she falls into the lava and then falls onto the jungle below. Orion is her new black and white metallic armor with her bows on her back.

ORION (CONT'D)
 That's for fucking with my friends
 and girlfriends bitch.

ALEXIS
 (V.O.)
 Step Two, Candy will locate Tori
 inside of the cave. A trick I
 learned from Wally is to duplicate
 myself, I'm stronger on Earth than
 in space with this ability.

CUT TO:

FLASHBACK - INT. HOTEL ROOM

Carly paces back and forth.

REBECCA
 When will you join the fight Carly?

CARLY
 Right after Candy gives us the
 signal that she's really inside of
 the volcano looking for Tori. That
 way we know she's safe.

CUT TO:

INT. VOLCANO

Orion takes out a bow and places her arrow on it. She raises it into the sky and shoots it. The arrow explodes and words spread out across the sky "H E R E."

CARLY

(V.O.)

I haven't used my powers in so long, so this will be my first public appearance in a long time.

CUT TO:

FLASHBACK - INT. HOTEL ROOM

Rebecca sighs in relief.

REBECCA

We missed seeing you in action girl.

BETHANY

You are a badass, It wouldn't be the same without you.

CARLY

Thanks girls, it means a lot. Once we've taken down Stella the first time, more than likely, she won't be done. She's gonna come back for Tori and Candy.

CANDACE

It'll be okay babe, if you get the chance to give Tori the sword back, she'll definitely be ready for some payback. Becky and Beth should protect the civilians, at least so we can hold off Artemis.

REBECCA

That will work, the more lives we protect, the lesser the critical damage. We can't risk anyone dying on us while we were supposed to be on this trip.

BETHANY

I Agree also, we gotta do this carefully, so we can also get back to our guys in one piece.

Everyone nods in agreement.

REBECCA
I'm down for it.

CANDACE
We're ready when you are for the
third step baby.

CARLY
Lexie is gonna be our wild card for
step three.

ALEXIS
How so?

Carly smirks.

CUT TO:

EXT. JUNGLE

Artemis BURSTS out of the lava in full rage. As she gazes at the city, she engages her "Stella" armor.

ARTEMIS
Fuck this shit.

She manipulates lava and rocks onto her body. She slightly hisses but her body grows larger.

EXT. SKY - CONTINUOUS

She transforms into a massive lava monster over 400ft and roars extremely loud. The roar echoes across the city and shakes the ground.

CUT TO:

EXT. CITY STREETS

The girls look through the water shield to see Artemis' monster appearance.

ASTRID
Why does Stella remind me of that
Spy kids movie?

HYDRO
Damn bitch, you just unlocked a
childhood memory.

A figure flies over them really fast.

ASTRID
Ah, The OG returns.

HYDRO
(With Excitement)
WOO!!! KICK FUCKING HER ASS!!!

CUT TO:

Her eyes are bright purple and she ignites the turbo boost on her back. Stella's' lava monster roars as she sees Solar Bolt flying in her direction.

Solar Bolt flies up Stella's monster body. She Vomits lava in Solar Bolts direction.

In slow motion, She blocks it with the sword as her purple aura.

She draws out her left whip from her hand and twirls them very fast. Stella vomits more lava at her but Solar Bolt continues to be unphased by it. Stella swings her fists at her but she dodges them.

CUT TO:

INT. VOLCANO

Orion finds an open area and she sees Artemis' ship.

ORION
That's a wicked ass ship.

She walks past the ship and detects Luna's energy through her eyes.

ORION (CONT'D)
Lexie repaired it, I hope this bitch Artemis suffers.

VICTORIA
Candy!

Orion gazes towards the horizon, spotting Victoria and Alexis inside a cave.

Rushing over, she swiftly pulls out her bow and arrow, aiming it at the entrance. With a loud explosion, she disables her helmet.

CANDACE
(With Excitement)
BABY!

Hurriedly, she enters and witnesses the sudden vanishing of Alexis's replica near Victoria. Immediately, she embraces her tightly.

CANDACE (CONT'D)
Hey you beautiful bitch!

VICTORIA
Hey baby, I'm happy to see you.

Shit! She's going into the city!

ASTRID

Not for long. Keep holding the
shield!

EXT. SKY - CONTINUOUS

Astrid flies upwards into the sky really fast. She charges her right fist as she stops to look at the ground as she watches Stella approach the city. Stella's eyes change to white as she gets put in a sudden trance. Luna appears to have hypnotized her with her hypnotic vocal abilities.

Solar Bolt holds the sword as tight as she can while flying next to Astrid. Hydro flies in next to both of them as they all brace their right fists. Stella struggles to get out of Luna's trance and lava accidentally spills across the jungle.

In slow motion, the girls give her a massive uppercut, Solar Bolt slices off Stella's monster head revealing her real body underneath.

Luna's vocals get higher as she clouds Stella's ear drums as she struggles to gain control of herself. Astrid gives her extreme punches while her lava monster's body tumbles underneath her.

Hydro generates enough water from her hands and creates water tornados and spreads them across the jungle area before the lava reaches the city. Astrid grabs her by her neck, Headbutts her 4 times until she bleeds and throws her towards Solar Bolt.

Solar Bolt supercharges herself along with the sword and swings it against Stella back to the volcano. Hydro flies down back to the city to protect the remaining civilians. Luna looks at Solar Bolt.

LUNA

(Shouts to the girls)
TIME FOR THE FINAL STEP!

Solar Bolt nods and throws the sword at the volcano.

CUT TO:

INT. VOLCANO

Candace flies Victoria back into the lair. Candace gazes up and sees Stella slam into the wall across from them. The sword hurdles into the volcano and aims for Victoria.

CANDACE
Big boy at your six.

In a swift motion, Victoria gazes upwards and grabs the sword. The strike from the sword turns her back into Pandora as her flail appears in her left hand as the energy cloud fully transforms her. Her transformation finishes as she appears holding the sword and flail in her hands. Candace gazes at her with disbelief.

CANDACE (CONT'D)
You are just incredibly sexy baby.

PANDORA
Babe, focus on the mission, play

SOLAR BOLT

Solar Bolt catches up to them as she twirls and slices through the remaining army in front of them. Luna lets out a powerful wail across the jungle while following the girls.

The creatures roar and melt in agony as some struggle to regenerate. Astrid stomps on a creature and puts her hands up and breaks apart its molecules alive as she laughs maniacally.

Solar Bolt slices the creatures in half on her right and left. One jumps over her but she jumps and kicks the monster in half then slices its head off immediately.

She helps her up carefully. The ground quakes under their feet making them lose balance.

STELLA
 I expected more from you girls

 your boys next anyway. I was hoping
 for some real competition.

She sits on her knees as she prepares to unleash even more lava on the city.

FEMALE VOICE FROM ABOVE

 HEY DICK MUNCHER!

Stella gazes up in confusion.

In slow motion, She gets fully slammed into the ground by two mysterious legs.

Victoria and Candace uncover their faces and gaze up in shock.

REVEAL: Crystal Carter's Bellatrix stands with her staff in her right hand standing on top of Stella's body.

CANDACE
No fucking way.

VICTORIA
The queen of warriors has arrived.

Bellatrix grabs her by the hair in order to make her look directly into her eyes.

BELLATRIX

STELLA

himself, he's a fucking badass and
he's been through a lot of shit
more than you think you know.

Bellatrix repeats the same process as torture to Stella while turning her body inside out at the same time.

PANDORA (CONT'D)

You came to Earth with a vengeance thinking you wouldn't have consequences. Thinking that there were no protectors. You fucked with me and my girls on our FIRST FUCKING VACATION!

Bellatrix continues to slam and drag her body around repeatedly.

PANDORA (CONT'D)

You fucking almost killed me and 2 of my other close friends! And you fucked with the most peaceful state on Earth!

Bellatrix stops and pulls her up to Pandora's face. Pandora has the look of disgust on her face.

PANDORA (CONT'D)

Draco is an assassin. Get this through your fucking head. You're not gonna go after him, we're gonna hold your ass prisoners here for a while. If you break out, he'll come after you, and it won't be me...but her too.

BELLATRIX

And I enjoy a good fight honey so please break out.

PANDORA

If you don't want that action, I suggest you stand the fuck down right now, and let whatever you got going on inside of your head, stay fucking dead. Everything we told you about him was the fucking truth. If you come after my man or my friends, I'll have your head and heart on a fucking wall. Do I make myself clear, cunt?

She giggles while wiping her tears. Carly scans around for Candace.

CARLY
Babe, where's Candy?

Victoria has a sudden worried look on her face as she remains silent.

CARLY (CONT'D)
Please Tell me she's okay.

VICTORIA
I...I don't know Hun.

VICTORIA
Thanks for the assist, I guess.

ELIZABETH
I know I owed you plus...I couldn't stand the thought of you losing you and Carly after everything we've been through. So, are we good?

VICTORIA
Yeah...we're good.

Elizabeth lifts her face to her neck, embracing her once more, tears streaming down her cheeks. Carly and Candace walk over to Bellatrix while holding hands.

CARLY

You sure you don't wanna consider joining the squad after your house arrest? You'll get to see Draco every day.

CANDACE

He's so hot too. His training is intense, but he'll get you in the shape you want.

Bellatrix turns off her helmet.

CRYSTAL

It's tempting, I still have my own goals to accomplish with him and with this cunt behind me.

ARTEMIS

(With Anger)

CRISSY, WE HAVE TO RETURN TO THE
FORTRESS OF SOLITUDE.

Crystal glances back at the girls.

CRYSTAL

I know he means home, he's a quirky
one. Quirky yet cute, Enjoy the
rest of your trip ladies.

Crystal walks over Under the center of the ship. A white beam teleports her into the ship along with Artemis in handcuffs.

CUT TO:

EXT. SKY

The ship slowly flies away from the scene.

ARTEMIS

(V.O.)

Suck my fucking clit knights!

CRYSTAL

(V.O.)

Bitch, can you PLEASE shut the fuck up!

WALLACE

(V.O.)

Ah jeez, This is gonna be a hell of a ride.

The ship zooms away from Hawaii.

CUT TO:

EXT. CITY STREETS

The girls walk through the streets as firefighters and police are taking care of the scene.

BETHANY

Looks like we're still making our mark on the world I see.

CARLY

I didn't even want to fight anymore yet it felt good. I still wanna put the fighting days behind though.

VICTORIA

We don't have to fight unless someone brings the fight to us. That's the time when we truly break the pact.

CANDACE

It was more fun having the OG's around for a while. At least come by and see us train and give us some pointers without Draco's assassin training.

VICTORIA

That we can do, without our powers. For now, we're gonna do what we should have been doing before we got cut off.

ELIZABETH

What's that?

VICTORIA

Enjoying our fucking vacation!

EVERYONE
 (Cheering)
 WOOO!!!!!!

Everyone pauses to look at the destruction. They glance back at each other.

ELIZABETH
 (Shouts)
 After we help clean the island!

EVERYONE
 (With Excitement)
 WOOO!!!!!!

CUT TO:

FAST FORWARD - EXT. BEACH - EVENING 1 WEEK LATER

We see the girls laying in chairs while laying in the sun with their shades and hats on.

ELIZABETH
 This...is...THE SHIT!

VICTORIA
 You can say that again.

CANDACE
 I can say for once, I'm actually happy to be alive to be able to enjoy this.

CARLY
 As you should boo.

They hold hands as Candace smiles.

CANDACE
 Thanks for saving me too Lizzie.

ELIZABETH
 It's all good, you saved Danny in battle so now we're even.

ELIZABETH (CONT'D)
 How are you enjoying yourself Teresa?

Teresa is sitting next to Alexis.

TERESA

Quite fun actually, I needed this break too especially after that Artemis girl knocked me unconscious.

VICTORIA

It's the least we can do, you guys wanna go to a sauna?

BETHANY

I'm down for that.

ALEXIS

Absolutely.

REBECCA

That sounds legit relaxing right now.

ELIZABETH

Yes bitch, my pores are screaming and muscles.

CUT TO:

EXT. BEACH

The squad walks together as Carly and Candace catch up to them.

ELIZABETH

What do you think the guys are doing right now?

VICTORIA

Probably dealing with Skyler's mom still, it was trippy that she came back after Daryl's death.

REBECCA

Yeah, they have a lot of explaining to do with that one. I hope my Tyler is okay.

CANDACE

Hey girls, do you wanna do something fun?

VICTORIA

What did you have in mind babe?

She smirks.

CUT TO:

EXT. SUNSET - ROOFTOP POOL

Candace, Carly, Alexis and Bethany are in their bikinis playing volleyball in the pool. Victoria, Elizabeth, and Rebecca stand together against the railing while looking at the waves.

ELIZABETH

Thanks for this vacation bitch, I needed this. I'm still sorry for how I acted, it wasn't right of me.

VICTORIA

Yes, you were in the wrong, but I already forgave you, stop apologizing.

Elizabeth lays her head on Victoria's shoulder.

REBECCA

She acts so tough but she's sensitive.

ELIZABETH

I could be worse.

REBECCA

That's true, to think we could be married to the people we wanted the most.

VICTORIA

Ha, I'll be Victoria Williams.

REBECCA

And I'll be Rebecca Williams.

ELIZABETH

If it means anything, you girls are a much better fit for Ty and Sky. Those two are total nerds. I was always tough on Ty because I wanted him to not grow into the world to be a pussy, he needs to be strong. I never intended for him to hate me in the process. I just wish I said things more carefully than I should have.

REBECCA

That sounds like a true sister right there. If you keep opening yourself up to him, you two will be unstoppable together. Just like you and Sky.

ELIZABETH

I guess, I'll try to be more open.

VICTORIA

If anything happens, you know you can come to us. Any of us. Regardless if we're on the team or not.

ELIZABETH

I don't deserve to have friends like you all.

VICTORIA

Very true, Emo bitch. However, We've been through too much to stay sad, it's time to look forward to the future Hun.

REBECCA

I say amen to that girl.

ELIZABETH

Let's plan our next trip.

VICTORIA

Where too?

REBECCA

How about Tokyo?

ELIZABETH

What about Paris?

VICTORIA

Fuck yeah.

REBECCA

I'm down for that.

"7 Rings" by Ariana Grande starts playing again.

They glance at the other girls splashing around in the pool before turning their attention towards each other.

REBECCA (CONT'D)

You guys wanna take a selfie?

VICTORIA

Hell yeah.

As they draw near each other, Rebecca pulls out her phone to capture a moment on the front camera. In the background, the girls notice and join in the pose. Suddenly, Candace hurls the ball towards Elizabeth by mistake. In a snap, Rebecca captures the image of everyone smiling, except for Candace looking shocked as Elizabeth gets hit in the head by the ball, causing her sunglasses to fall off.

CUT TO:

INT. AIRPORT - MORNING - 2 WEEKS AFTER THE TRIP

The girls return to the airport in Los Angeles, California carrying their luggage. Skyler, Dexter, Wallace, Tyler, and Danny appear to be waiting near the door while sharing each other's earbuds. Wallace glances up as he makes eye contact with Bethany approaching.

WALLACE

(With Excitement)

BABY!!!

BETHANY

(With Excitement)

WALLY!!!

With eager enthusiasm, they rush towards each other and lock in a warm embrace. Bethany jumps into his arms as he holds her tightly, igniting a passionate kiss between them right away. The rest of the group approaches one another, embracing tightly and exhaling in relief. Skyler gently pulls away from Victoria, Carly, and Candace after they all embrace each other tightly and breathe a sigh of relief.

SKYLER

We heard what happened in Hawaii,
I'm so glad you girls are safe.

VICTORIA

I guess the sword came in handy
after all babe. How did it go with
your mom?

SKYLER

It went weirdly well.
Unfortunately, Daryl's plan worked,
he brought her back with the sword
when he altered our solar system,
and he used a piece of Nebula's
diamond to mix it with the sword,
which affected our timeline without
using knowing.

CARLY

Holy shit, so he still won even
though he's dead.

SKYLER

Mhm.

TYLER

It was a hell of a sit down,
especially with Dad there. I'm
still in disbelief but...it's
really her.

ALEXIS

There's no telling what else is
gonna happen so we have to be
cautious.

SKYLER

I agree to that Lexie.

Danny glances at Elizabeth.

DANNY

So, who did you fight?

ELIZABETH

Damn, you don't trust me that much
because of our bet?

DANNY

Nope, answer the question babe.

ELIZABETH

Ummm..

He squints his eyes at her then he glances at Rebecca and
Tyler.

DANNY

Becky?

ELIZABETH
 (Shouts)
 NO!

REBECCA
 She fought Tori and got her ass
 handed to her.

Elizabeth catches the guys' attention with a stunning
 expression of astonishment.

DANNY
 (In shock)
 YOU FOUGHT VICKY?!

SKYLER
 (Yelling)
 HAVE YOU LOST YOUR FUCKING MIND
 ELIZABETH CHELSEA GARCIA WILLIAMS
 MILLER?!

Elizabeth quietly mumbles to herself.

ELIZABETH
 Awe fuck.

Skyler and Danny fuss together at Elizabeth as she crosses
 her arms and pouts as she gazes down in embarrassment in the
 background. The rest of the squad walks up to Victoria,
 Carly, and Candace, minus Wallace and Bethany continuing to
 make out in the background.

DEXTER
 Well, Danny just gained \$500 bucks.

VICTORIA
 So, what exactly did you guys have
 a meeting about while we were gone?

CARLY
 I actually wanna know that too.

Nervously, Dexter and Tyler exchange glances with each other
 before turning their attention back to them.

TYLER
 Umm...

DEXTER
 Which girls on the team we think
 are the most attractive.

CARLY
 Oh really? Who did you pick?

The men exchange worried glances.

CUT TO BLACK.

VICTORIA
(V.O.)
Oh shit, I'm honored.

Bethany in the background.

BETHANY
(Cheers with excitement)
Woohoo! I made the list!

CANDACE
(V.O.)
YAY! LET'S GO!

REBECCA
(V.O.)
HA! Fuck yeah!

CARLY
(V.O.)
Wow, I'm actually shocked.

END.

TAG

FUTURE - NEW YORK CITY RUINS - 2702

Earth is now in total darkness and ruins as some buildings remain standing while futuristic aircraft search the city.

CUT TO:

INT. UNDERGROUND HOME - OUTSKIRTS OF THE CITY

A figure wearing a black and red jacket with long white and red striped hair appears to be coming into her home. They turn on the light in the kitchen.

WOMAN
Haven't seen you in 6 years,
Pandora.

The figure quickly draws out the sword at the direction of the voice.

The other hooded figure takes off their jacket revealing an older version of Elizabeth(45) with lime green and black hair with two scars across her face. The main figure with the sword takes off her hoodie appears to be Victoria(45) with a scar across the left side of her face.

VICTORIA

E...Elizabeth? Is it really you?

She lowers the sword. Elizabeth stands up and walks up to her.

ELIZABETH

It's really me bitch.

She tears up and drops the sword and they embrace each other tightly while crying.

VICTORIA

I thought I lost you too! I thought I lost My entire family!

ELIZABETH

You still got me Hun, you still got me.

Victoria buries her face in Elizabeth's neck as she cries more in pain.

CUT TO:

INT. KITCHEN/DINNER TABLE

Victoria and Elizabeth sit at the table together.

VICTORIA

Is he still looking for you too?

ELIZABETH

No, he really didn't go back on his word, he's not after the kids, they're all safe.

VICTORIA

Thank god, I miss them so much.

ELIZABETH

They ask about you every day.

VICTORIA

I never intended for them to have this kind of future.

ELIZABETH

No one did, did you go to your wives and husband's grave again? I see you have reserved flowers covered.

VICTORIA

Yeah, luckily I didn't get caught. I miss them every day. I've been thinking about how to reverse this shit a lot lately.

ELIZABETH

Me too, you know we still have time travel.

VICTORIA

As much as I think about it, I still think there's no real way to work this out. Without a proper team, there's no way to carry out a proper plan. There's not many survivors here in the city.

ELIZABETH

Who says we need a proper team?

She glances at a picture of the past solar Knights together in front of the knight base.

VICTORIA

No. Not them, not our past selves.

ELIZABETH

It's worth a shot, Tori. Like we have a better option? We can fix all of this if we work together and stop him from killing everyone.

VICTORIA

You know he'll be there too. What makes you think they'll help us? Going to them will affect their timeline. They'll try to kill us on sight.

ELIZABETH

You know what happened to your husband and wives before the fallout and genocide. We got to at least try. All three of us before anyone dies.

VICTORIA

Three?

Throat clearing comes from the shadows. The girls glance in the direction of the voice. Tyler (41) stands with longer hair and beard walks in with also a robot arm for his right arm.

ELIZABETH

Freezing yourself in a time chamber really has its benefits.

TYLER

What do you say Pandora, are you in?

Wiping her tears, she glances at both of them before returning her gaze to the group photo years ago.

VICTORIA

Fuck yeah, let's kill this motherfucker.

Everyone nods in agreement while smirking.

ELIZABETH

Let's get started then.

CUT TO BLACK.

END.
