INT. THE KNIGHT BASE - EVENING

Draco, Crystal, Artemis, Fiona, Dexter, Wallace, Alexis, Bethany, and Shawn form a circle and are prepared for combat with their fists raised.

DRACO

Sky...I don't know what the fuck is about...but I seriously need you to chill out.

Victoria, Carly, Danny, Rebecca, Candace, Jason, and Tyler are arranged in a circle with Skyler in the middle.

SKYLER

You know what you fucking did Draco. I shouldn't have had a funeral at all if your evidence wasn't found at the scene.

TYLER

Just come quietly and we won't have any problems.

CRYSTAL

(Annoyed)

We told you he was with us the entire fucking time! Are you hard of hearing now Sky?!

ELIZABETH

(With anger)

SHUT THE FUCK UP BITCH FULL OF TRICKS!

CRYSTAL

Oh, You're gonna eat your fucking words bitch.

ELIZABETH

Fuck off with that shit cunt!

SKYLER

I'm gonna ask you this one more time...Draco Apollo...where the fuck were you that night?

DRACO

I stand by my words. I have nothing else to back it up except my girls.

ARTEMIS

It's okay Draco, we're with you.

WALLACE

If they wanna throw down, we get it on right now.

CANDACE

You're on the wrong side Wally.

WALLACE

You should be smarter, Candy.

CANDACE

I'm smart enough to know that you're a dumbass.

SKYLER

I'm done talking...knights...let's finish them.

Everyone's eyes light up and they all instantly activate their powers, but not their suits.

DRACO

I really don't wanna fight you all.

SKYLER

You left us no choice...Zero.

He straps his shield on his right arm and has his sword in his left.

SKYLER (CONT'D)

(Shouts)

G...guys...MOVE THE FUCK OUT OF THE WAY!

WALLACE

I'm sorry Sky.

BETHANY

We can't do that.

DEXTER

You're gonna have to fight us or
kill us to get to him.

VICTORIA

You're not gonna make this easy.

CRYSTAL

No we're absolutely not...so it's
your call.

LOUD FEMALE VOICE

(Echoing)

EVERYONE...HOLD YOUR FUCKING POSITION
RIGHT FUCKING NOW!

They scream as everything drops to the ground and the rooftop suddenly transforms into a swirling white portal.

JASON

(In Shock)

A time machine portal?!

DANNY

(Shouts)

There's no fucking way that's
possible!

Three figures with dark hoods quickly come down through the portal. In slow motion, Everyone is blown away as they all hit into the ground. A hooded figure wearing a hood extends their hand. In Slow motion, Everyone freezes in an instant before safely falling back to the ground.

Time returns to normal, and everyone is shocked by what they are seeing. Above them, the portal closes, and the roof returns to its original state. Angry, Skyler approaches them.

SKYLER

(In Anger)

Who the fuck are you?!

One hooded figure grabs him by his neck and picks him up as he chokes. Victoria, Carly, Danny, Elizabeth, Tyler, Rebecca and Candace stand their guard.

VICTORIA

He asked you a fucking question!

He gasps for air as the hooded figure throws him to the ground. His eyes widen in amazement as they remove their hoodies. It looks like Tyler and Danny are shocked.

TYLER
 (Shouts in Complete Shock)
 YO, WHAT IN THE ABSOLUTE FUCK?!

CUT TO IMMEDIATELY:

The title "The Solar Knights: Chrono Quest" abruptly appears on the screen without any background color or music, and the logo appears slightly distorted. INSERT BOOM SOUND EFFECT.

FADE OUT.

CUT TO:

INT. SKYLER'S HOME - BEDROOM - MORNING - 1 WEEK BEFORE ARRIVAL

Victoria and Candace are sleeping on Skyler's chest, holding hands, and Carly is snuggled next to Victoria, who is holding Candace tightly. Skyler appears to be sleeping naked while holding Candace in his right arm. As Candace awakens, she gives Skyler a soft neck kiss.

CANDACE
 Hey big boy.

SKYLER
 Good morning, Candy.

VICTORIA
 Hey babes.

CARLY
 Good morning baby.

SKYLER
 Hey my girls, it's Carly's turn today.

VICTORIA
 It'll be my turn tomorrow since Candy went first yesterday.

SKYLER
 Of course, baby.

CANDACE
 Ha ha, he likes me best!

VICTORIA
 Shut up Candy before I bite you.

CANDACE

Go for it, you already know I like
to wrestle.

Carly bites Victoria's neck making her squeal.

VICTORIA

C...Carly!

CARLY

You know the drill, Vicky.

She sighs.

An original song, "Mi Amor" by Karol G starts playing.

CUT TO:

EXT. LIVING ROOM

Candace and Victoria cuddle while watching TV together, and
Skyler makes love to Carly in the bedroom.

CANDACE

Do you wanna fuck too?

VICTORIA

You know I'm always down babe.

CUT TO:

INT. SKYLER'S BEDROOM

As she sits between Skyler's legs, Carly has passionate sex
with him.

CARLY

Fuck! I missed you so much!

She returns the kiss as he leans into this to give her a
passionate kiss. They stare each other down as he picks her
up and Smashes her against the wall, thrusting in and out of
her even more fast.

CARLY (CONT'D)

Don't fucking let go of me.

SKYLER

It's gonna be a long morning then
baby.

She bites hard at his neck while they give each other a tight hug. She cries in his ear and holds his head as he repeatedly slams her against the wall. She continues to scream louder as he carries her across his desktop and thrusts her in more forcefully, causing the computer to tremble.

CUT TO:

INT. LIVING ROOM

With a blanket wrapped around them, Victoria appears to be lying top on of Candace on the couch while they make out. Victoria gently leans back to give her a look.

VICTORIA

You're mine now bitch.

CANDACE

Right now, I belong to Carly so you're gonna have to make me yours then Mami.

VICTORIA

You're about to find out real quick then babe.

They exchange a smile and a giggle before returning to their kissing, with Victoria putting her hands in Candace's hair and them moaning in between.

CUT TO:

INT. SKYLER'S CAR/EXT. SKY

Candace, Victoria, Carly, and Skyler are all suited up for the practice wedding. Skyler has a silver tie and a light blue flower in his shirt pocket. Carly, Victoria, and Candace are dressed in light blue.

CARLY

Babe please...

SKYLER

Go for babe, you too Vicky.

In the background, Victoria quickly ties her hair while Carly follows suit. Candace gives them both a confused look.

CANDACE

What are you two doing?

VICTORIA

Shut the fuck up and lean back.

CANDACE

Oh shit.

As soon as he puts the car on autopilot, Carly quickly removes his underwear and pants, jumps up in front of him in the driver's seat, and begins sucking his crotch. Victoria spreads Candace's legs and takes off her panties and starts licking in her private area, making Candace moan immediately.

CANDACE (CONT'D)

(Moaning)

OOOOH shit! That fucking tongue!

She holds Victoria's head on her as she breathes heavily while Arching her back. Skyler moans while Carly keeps going up and down while licking him.

Song fades.

CUT TO:

INT. HARMONY LUXURY HOTEL - LOBBY - 10AM

Tyler(25) and Rebecca(25) wait patiently to start their practice wedding as they appear to be dressed in proper wedding attire.

REBECCA

Are you sure it was okay to Ask sky and his girls to come as a practice audience?

TYLER

Yeah, my mom is busy looking for jobs and David is upgrading the DLC's for the game. It's still gonna be perfect though. This is the happiest I've seen my brother, and soon he'll have a badass sister in law.

She giggles and shakes her head.

REBECCA

I knew what I was getting myself into. I love you, my robot nerd.

TYLER

I Love you more my water goddess.

She kisses him and he kisses her back.

REBECCA

When do we tell them that we're planning on having kids?

TYLER

After the ceremony before we go on our honeymoon.

REBECCA

Sounds like a plan, mi amor.

He smiles.

REBECCA (CONT'D)

I can actually say that I'm happy for him too. I saw him only once in that depressed state and it wasn't fun.

TYLER

I love seeing my brother happy as much as I care about my happiness too. I'll always support him no matter what crazy ass decisions he makes.

REBECCA

You're a good brother and will be a great husband and father.

Placing his head on hers, he grabs her hand. With Victoria on his left side and Carly by her right arm, Skyler walks into the room. Candace smiles and holds Victoria's hand. Once Tyler sees them, he joins her in standing up.

TYLER

Hey Sky!

Skyler sees Tyler waiting by the luggage cart area and they all walk over to them. Tyler runs up to him and Skyler reaches his arms out for him and they hug each other.

SKYLER

Hey little brother.

TYLER

Hey big brother, I'm glad you were able to make it.

SKYLER

My little bro is getting married, I
wouldn't miss that shit for
anything.

Rebecca squeals as Candace and Carly tackle her, and she
gives them hugs.

CANDACE

(Excited)

Hey my bestie!

REBECCA

Hey Candy, it's good to see you.
Hey Carly.

She squeezes Carly tight and she squeezes her back. Victoria
walks up to them.

VICTORIA

Hey boo.

REBECCA

Hey boss lady.

Rebecca jumps up and puts her legs around Victoria as they
give each other a firm hug.

CARLY

She has 10 seconds to get off
before we jump her.

CANDACE

Ease up off of my other future wife
Becky!

VICTORIA

Let's piss them off.

Rebecca giggles.

REBECCA

(Sarcastically)

That'll be fun. "Oh Tori, I love
your hugs sooo much! I'll wanna use
my water abilities on you!"

VICTORIA

(Sarcastically)

"Be careful! You still have Tyler,
Becky!"

Victoria squeezes Rebecca's ass making her squeal.

CARLY

Oh no, I draw the line at that honey.

CANDACE

Sorry bestie, I gotta fuck you up.

Rebecca and Victoria giggle at them. Skyler and Tyler chuckle as they watch and walk off together.

CUT TO:

INT. BALLROOM

Skyler and Tyler walk together into the ballroom and Skyler gasps in amazement.

SKYLER

(Amazed)

Holy shit dude!

TYLER

Yeah, my girl is gonna love it. She hasn't seen it yet. This is how the beach will look. I wanted it to be in an actual building but she preferred the beach.

SKYLER

I'm so happy for you little brother.

TYLER

I'm happy for you too. You've been on a fucking rollercoaster with Carly and Candace. Tori truly brought you peace too. Carly and Candy slowly made you whole too.

He sighs in relief and wraps his left arm around his shoulder.

SKYLER

I know I'm gonna have to get you a big ass wedding gift.

TYLER

Then it'll be my turn when you marry them.

SKYLER

You're on!

They walk in further together as Rebecca, Victoria, Carly, and Candace walk behind them.

CUT TO:

INT. ARTEMIS'S JAIL CELL - MORNING

Artemis sighs as she watches tv.

ARTEMIS

I Wish my boyfriend and girlfriends were here.

ELIZABETH

Artemis Vega.

She jumps up quickly and looks out of her window, into the hallway and she sees Elizabeth, Alexis, Bethany, Wallace, Danny, and Dexter standing in front of her.

ARTEMIS

(Nervously)

Oh fuck. W...what do you want?! I haven't even escaped!

ELIZABETH

We know you didn't. We're here to talk.

ARTEMIS

Okay, just don't jump me, I'm willing to apologize. I already apologized to Crystal and Draco for my actions.

DEXTER

Hey Artie.

ARTEMIS

Who are you?

He transforms into Zion.

ARTEMIS (CONT'D)

Zion?

ZION

I go by Dexter on Earth but yes, it's me. It's been a while.

ARTEMIS

Y...Yeah. Look about fucking up your vacation-

BETHANY

Even though we'd love to jump you right now for that, luckily for you, that's not the case here.

ARTEMIS

So what is this about?

ARTEMIS (CONT'D)

What am I looking at?

DANNY

This figure broke into Skyler and Tyler's home last night. He appeared to have a similar style to...Draco.

She looks at the screen again. Wallace takes out a tablet, flips on a video of a break-in, and holds it up to her window. A figure dressed in black and gold, with two swords fastened to their back and a bandana wrapped around their head, is seen in the video slowly opening the window.

ARTEMIS

T...this isn't Draco.

DANNY

As far as we know, he's our only true suspect. It's not a coincidence that this happens before Tyler and Rebecca's wedding.

ARTEMIS

I don't know them. I'm dating him now though, he's been seeing me every day, along with Laura and-oops.

Dexter and Alexis quickly shake their heads, but as soon as the others notice, they stop and turn away.

ELIZABETH

Who else is fucking Draco?

ARTEMIS

I'm not at liberty to say.

BETHANY

It's Crystal isn't it?

Dexter and Alexis remain quiet.

DANNY

Oh shit! I knew it!

WALLACE

You called it Danny.

ELIZABETH

There goes \$300 dollars. Artemis, as far as we know, Draco sliced my dad's back almost wide open.

ARTEMIS

That's a lie, he wouldn't do that, he's cold blooded but not that cold blooded. I grew up with him, I was also with him the past few nights. They let me out more since I've been good. Draco could have killed me and Crystal if he wanted too at any time but he chose not too because he's changed, you guys know this.

DEXTER

As much as I hate to agree with Artie, she is right. He's changed a lot since he came to Earth, you saw that for yourself too Lizzie when he didn't kill Crystal.

Elizabeth sighs.

ELIZABETH

You're right, but this doesn't explain why he showed up to our parents house.

WALLACE

My guess is it's a clone or time travel.

DANNY

I believe in the clone theory.

ALEXIS

Time travel for sure.

ELIZABETH

Whatever the case, we gotta keep a close eye on him now. As far as they know, he's in the hospital due to a work related injury but we haven't told them the real reason he's there for the sake of Tyler's wedding but they do know he's there.

ARTEMIS

I'll be keeping this in mind then.

DANNY

We'd appreciate the help, Artemis.

ARTEMIS

Of course, see you around I guess.

Wallace, Bethany, Danny, and Elizabeth leave. Alexis and Dexter remain behind.

ARTEMIS (CONT'D)

You guys should have told them.

ALEXIS

They're very strict on this kind of stuff if it involves the OG's, this is another Draco for sure, this is what he was trying to talk to them about but everyone else has been so busy.

DEXTER

In the meantime, don't raise attention to yourself. We got his back. We know he's innocent, so we got your back too and Fiona's.

ARTEMIS

Thanks guys. It means a lot, especially from you Z.

DEXTER

No problem, just be good to Laura too, Artie.

ARTEMIS

Yes sir.

ALEXIS

We'll keep in touch, and Fiona says hey.

ARTEMIS

Where is she now?

CUT TO:

INT. UNDERGROUND FIGHT CLUB - LOS ANGELES, CALIFORNIA

A male fighter is knocked unconscious as he falls to the ground after Fiona gives him a kick to the face.

She's wearing a silver tank top and black shorts, looking half-beaten, and she's showing off her muscles by punching the air while proudly displaying her muscles.

DAKI

(V.O.)

Winner! The Princess Of
Destruction, Fionaaaaa
Apolloooo!!!!

Draco and Crystal cheer from the crowd with excitement.

DRACO

(Shouts with excitement)
That's my fucking sister!

CRYSTAL

(Shouts with excitement)
You go girl!

Fiona surveys the crowd with a smile. The crowd pats her back while she uses a towel to wipe her forehead. She notices Draco and Crystal approaching her.

DRACO

Good job little sis.

FIONA

Thanks, I learned from the best.

He smirks.

CRYSTAL

How do you like Earth's customs?

FIONA

I honestly don't want to leave, I'm enjoying myself here. My DNA changing was weird but it's growing on me.

DRACO

It happens a lot but you get used to it.

FIONA

How are the knights doing?

DRACO

They're pretty busy at the moment. They're getting ready for Tyler and Rebecca's wedding pretty soon.

FIONA
You're definitely going.

DRACO
I hate formal clothing.

CRYSTAL
I'll rip it off of you later.

DRACO
I like formal clothing.

Fiona giggles.

FIONA
How are those other science
knuckleheads doing?

DRACO
Jason and Shawn? Those two are
quite the pair. Jason has been
quiet with experiments since being
out as far as we know. I didn't
know humans can be just as crazy as
us.

CRYSTAL
You still have a lot to learn Z.

CUT TO:

EXT. JASON'S LAB - DESERT - HOUSTON, TEXAS - AFTERNOON

Jason Frasier, early 20s, is dressed in a prototype silky dark green suit and is given a small bulky watch by Shawn Smith, early 20s, who is wearing a white shirt, black jeans, and blue and white Nike shoes.

JASON
Time travel experiment number
fifty, location laboratory outside
of Houston, Texas, Time: 10:20am.

SHAWN
Destiny is gonna kill you dude.

JASON
Eh, she broke up with me a week
after I asked her out, said I was
too dangerous for her to handle.

SHAWN
Oh shit, I'm sorry buddy.

JASON

It's okay, it'll be a true miracle
if I find a crazy science nerd like
me.

SHAWN

On the lighter side, Do the knights
know you're making this machine?

JASON

No, not yet at least. If this
works, I'll get the Nobel prize
I've been after since I was little.
You know how close I was to just
giving up on everything.

SHAWN

Yeah, you've come a long way buddy.
I'm rooting for you so fire it up.

JASON

Would you do the honors?

When Shawn touches the ground with his right hand, rocks start flowing in his direction. He quickly slams his left fist into the ground, creating a massive dome of rocks to cover the experiment area as the rocks form across his right fist.

INT. ROCK SHIELD - CONTINUOUS

The rock shield completely covers them. Shawn stands up and backs up to the computer area.

JASON

Initiating time travel experiment,
transferring atoms into the watch.

Jason closes his eyes as he transfers his atoms into his watch, and glows a dark green along his arm. He sets the time to "July 7th, 2021" in a hurry. He screams in agony, his arm stinging from his watch. He strains to lift his arm and looks forward. His fists erupt with dark green lightning as he tries to control the energy.

SHAWN

(Shouts)
Hold it up Jason!

Suddenly, the watch reverses direction as he recovers control of his arm and carefully raises it. When he turns on the watch to the fullest extent, a portal slowly opens and a white energy infused with his atoms shines brighter.

In slow motion, He fires a blast from his watch and the portal fully opens and Shawn gets blown backwards onto the ground.

SHAWN (CONT'D)
 (In shock)
 HOLY FUCK!

Jason walks forward with determination as he blasts again at the portal and it expands 10 inches bigger, revealing "Jacksonville, Florida".

JASON
 (In shock)
 I fucking did it...I truly fucking did it!

SHAWN
 (Shouts with excitement)
 FUCK YEAH JAY! YOU PSYCHOTIC MOTHERFUCKER!

Jason turns the watch backwards, and the portal slowly shuts. Shawn stands up and shows a shocked look.

SHAWN (CONT'D)
 (Excited)
 You're a fucking genius dude!

JASON
 W...What did I just do?

SHAWN
 You created a fucking time travel bitch!

JASON
 I...I did.

The rock shield slowly dissolves from above them.

SHAWN
 We gotta tell the knights.

JASON
 Not yet, not until it's fully completed. Promise me you won't tell them Shawn.

He sighs.

SHAWN
 Okay, I promise.

He smirks and hugs him tightly.

JASON

Thanks for not giving up on me.

SHAWN

I'd be stupid as fuck to do that,
come on, let's game for a while.

They walk to the lab together.

CUT TO:

INT. LAURA'S OFFICE - LOS ANGELES, CALIFORNIA - EVENING

Wearing formal attire, 33 year old, Laura Stevens, gets ready to leave while grabbing her purse. She searches her desk drawer for her files on "The Solar Knights," but she is unable to locate them.

LAURA

Where the fuck?

CUT TO:

EXT. HALLWAY

Laura walks through the crowd of employees to make her way to the hovering escalator.

CUT TO:

EXT. PARKING GARAGE

Laura crosses the street to get to her white car. It beeps as she presses her car key to turn it on. She comes to a stop to look around as the lights around her flicker. She continues to walk until she reaches her car and gets inside.

CUT TO:

INT. LAURA'S CAR

A Dark figure appears to be in her backseat as she sits in her driver seat and puts her purse down next to her.

LAURA

Where the fuck are those files?

She checks her purse one more time but she suddenly stops as she feels a presence is in her car.

LAURA (CONT'D)

Awe fuck.

She attempts to punch the figure behind her. He stops her in her tracks as she struggles to punch him.

LAURA (CONT'D)

(Shouts)

Who the fuck are you?!

FIGURE

An old flame.

She looks confused but she quickly Kicks him in his gut but he slams her head into the car window. She elbows him in the face with her left arm but he quickly Slices her back making her scream in pain. He quickly jabs her in her neck as she gasps for air. He grabs her and puts her in a tight chokehold. She manages to punch him in the face with her right fist but she keeps struggling.

FIGURE (CONT'D)

Lights out Laura.

He activates his right gauntlet as it turns dark golden.

He begins to strike her in the face.

QUICK CUT:

INT. HOSPITAL ROOM - DOWNTOWN NEW YORK CITY

David Williams wakes up and seems to be regaining consciousness. By his bedside are Skyler, Tyler, Elizabeth, Alyssa, and Deborah. Elizabeth sighs with relief as she looks up.

ELIZABETH

Finally, he's awake!

DEBORAH

Baby!

SKYLER AND TYLER

Dad!

DAVID

Hey everyone, You look good.

DEBORAH
You've looked worse.

DAVID
Very funny dear.

DAVID (CONT'D)
Hey Ally.

ALYSSA
Hey Davy, glad to see you're awake.

David chuckles as Skyler, Tyler, and Elizabeth walk over to him and hug him tightly.

DAVID
Hey my heroes.

At the same time, They let go of him.

ELIZABETH
Hey dad, how are you feeling?

DAVID
In pain but it could be worse.
How's the superheroing business going?

SKYLER
It's been a wild ride but I have something to tell you.

DAVID
What's up?

SKYLER
I'm dating Victoria, Carly, and Candace.

David looks confused then looks at Alyssa.

ALYSSA
Hey, he has your looks, this was bound to happen eventually.

He chuckles.

DAVID
You're right.

He looks back at Skyler.

DAVID (CONT'D)

(To Skyler)

Just do right by them son okay?
That's gonna be a lot of
responsibility. Keeping all 3 of
them happy will be a bigger
challenge than managing your team.

SKYLER

Yes sir, I promise. I love them
all. I don't see myself leaving
them anytime soon. Other than my
family, and Danny, they're the ones
I'll die for too.

ALYSSA

We raised you kids right, but don't
forget if you need advice, we'll
always be here, you know that
right?

SKYLER AND TYLER

Yes mama.

DEBORAH

We're happy for you too, always
have been. It's crazy that all of
this started because of a video
game.

TYLER

I've been saying the same thing for
a while now. Finding our place was
difficult at first but, it's slowly
working out in the end.

ELIZABETH

I remember hating you the most Ty,
I hate you a little less every day.

TYLER

That's one of the nicest things
you've ever said to me sis.

ELIZABETH

You're ever so welcome.

DEBORAH

Come on kids, let's let your dad
rest. I still gotta find a wedding
cake, if I book it now, I'll get a
great price at my favorite sweets
shop.

(MORE)

DEBORAH (CONT'D)
 He should recover before the
 wedding. Ally, can you help me out
 with picking one out?

ALYSSA
 Of course I will, Davy, will you be
 okay?

DAVID
 I'll be fine honey, take care of
 yourselves, I love you guys.

SKYLER
 We love you too.

Everyone gets up and walks over to him and hugs him tightly.

ELIZABETH
 So I'm the favorite right dad?

TYLER
 Lizzie!

CUT TO:

EXT. SECRET LOCATION

Laura appears to be tied up in a basement as a bag is taken
 off of her. She slowly awakens and realizes she is tied, but
 she is unable to free herself.

LAURA
 (Confused)
 W...where the fuck am I?! HEY!

GINA
 Don't bother trying to break free,
 he'll be back in a while.

When she turns to look to her right, she sees Gina Lopez, 28,
 who is restrained but somewhat beaten up.

LAURA
 Who are you?

GINA
 Gina Lopez.

LAURA
 Lopez? In relation to Carly Lopez?
 Solar Bolt?

GINA
Ding ding, that's my cousin, Ms.
FBI Detective.

DESTINY
(Shouts)
Hey! Did that asshole kidnap you
too?!

As Laura looks to her left, she sees a beautiful african
american woman, Destiny Jones(24), tied up next to her.

LAURA
Apparently we've all been kidnapped
by the same person.

DESTINY
Yeah, I'm Jason Frasier's ex.

GINA
Nuclear Neutron?

DESTINY
Yeah that's him.

LAURA
I remember when they had him
arrested for blowing up half of the
university.

DESTINY
He's hardcore as fuck yet still a
dumbass who likes to fuck around
and find out.

LAURA
That sounds like my boyfriend
Draco.

GINA
No way, Draco as in Zero? The one
who's dating Bellatrix?

LAURA
Yeah, that's my boyfriend and
girlfriend. My other girlfriend is
locked up, her name is Artemis.

DESTINY
Damn girl, you're really down bad
for the knights.

LAURA

I'm only down bad for them, and maybe Carly, but that's not the issue. Have any of you figured out where we are?

GINA

Nope. I've been here for 2 days with Destiny. Luckily, They've been feeding us.

LAURA

I gotta contact the knights somehow.

DESTINY

Good luck, there's no sign of communication down here.

LAURA

Luckily for you girls, I'm an FBI Detective, we'll be getting the fuck out of here soon.

GINA

Okay, but if this place is rigged, don't complain.

LAURA

I'm fucking counting on it.

CUT TO:

EXT. WALLACE'S APARTMENT - EVENING

Wallace lifts a brand-new television behind Dexter, Alexis, and Bethany as they help with settling a new couch into his apartment.

BETHANY

Babe! We really should have thought this shit through better!

WALLACE

(Sarcastically)

We have powers, hello? Super strength? Girlfriend who can take objects apart?

BETHANY

That's Bellatrix Wally.

ALEXIS

You can do that shit too sis. You took out most of the army at area 51.

BETHANY

Well...ugh shit you're right.

Everyone steps back and Bethany activates her powers as her eyes turn magenta and she raises her right hand. She spits the couch apart and brings it into the apartment as everyone else walks behind them.

CUT TO:

INT. WALLACE'S APARTMENT

Bethany puts the couch back together and deactivates her powers.

BETHANY

Wow that was easy.

DEXTER

Work smarter not harder Beth.

BETHANY

Whatever Alien boy.

DEXTER

Hold up now-

As everyone else argues in the background, Wallace gets a sudden call from "Danny" then he answers.

WALLACE

Hey Danny, what's up?

DANNY

(V.O.)

Wally, we got a serious problem here, are Dex, Lexie, Beth, and Candy with you?

WALLACE

Yeah, everyone's here, why?

DANNY

(V.O.)

Come to the knight base immediately, we discovered something big.

WALLACE

We're On our way.

As Wallace hangs up, he turns around and sees Zion against the wall with Alexis and Bethany with their fists preparing to strike him but they all turn their heads to Wallace. He crosses his arms.

WALLACE (CONT'D)

OH MY FUCK! Guys, How many times
are we gonna keep doing this?

In silence, each person looks back at the other before turning back to Wallace.

CUT TO:

INT. THE KNIGHT BASE

Elizabeth, Carly, Skyler, Tyler, Candace and Victoria are standing at the monitor. Wallace, Alexis, Dexter, and Bethany approach the monitor.

WALLACE

Hey guys, what's up?

SKYLER

Thanks for coming Wally, we got a situation.

WALLACE

What's wrong?

CARLY

I lost contact with my cousin 2 days ago while she was home in Mexico. Her security footage in her home basically glitched out before we were able to see who took her.

BETHANY

Have you tried freezing the footage?

ELIZABETH

We tried. Every time we did, it showed up blank. Not even Ty can crack it.

TYLER

Whoever did this knows exactly who our friends and loved ones are.

(MORE)

TYLER (CONT'D)

They picked the time to do it before our wedding, coincidentally, how Daryl did the same thing when it was time for Lizzie and Danny to get married.

SKYLER

So we have more than one suspect here. By some shred of a weird possibility, Daryl, and Draco.

ALEXIS

I just talked to Draco and Crystal yesterday though, they're still in LA with Fiona while she's doing underground fighting.

DEXTER

Jason and Shawn are still in Texas, they haven't moved for a while.

SKYLER

Laura's phone also went down 2 days ago. Crystal and Artemis should have figured it out by now. We gotta bring in everyone for this.

ELIZABETH

Bring everyone in Sky?

SKYLER

Everyone. Have them meet us here as soon as possible.

Elizabeth unexpectedly receives a call, pulls out her phone, and discovers three missed calls from "Mom" and three from "Hubby." She looks at the team confused.

ELIZABETH

G...Guys.

Skyler and Tyler look at her in concern. Tyler walks up to her and nods. She calls Danny as she holds the phone to her ear. He answers.

ELIZABETH (CONT'D)

Babe...what's wrong?

DANNY

(V.O.)

H...He's gone Lizzie.

ELIZABETH

(Emotional)

Don't say "he" like that! Be more specific babe!

DANNY

(V.O.)

Y...Your dad is gone...Lizzie. Doctors found him covered in blood a few hours after you guys left...I...I'm sorry.

In Slow motion, Elizabeth drops her phone to the ground and collapses in shock.

They all place their heads on top of each other and cry together as she screams and starts to cry in heartbreak. Carly gives Victoria a tight hug while she sobs and covers her mouth in shock.. Dexter, Wallace, Alexis, and Bethany look at each other in disappointment as Bethany wipes her tears.

CUT TO:

EXT. GRAVEYARD - MORNING - 1 WEEK LATER

A group of people are wearing all black as they watch David's casket get sent into the ground. Skyler, Tyler, Rebecca, Danny, Elizabeth, Victoria, Carly, Alyssa and Deborah are standing in the front row. Danny holds Elizabeth as she cries into his chest.

Skyler hugs Alyssa and Deborah tightly as he cries as Carly and Victoria hug him from behind while watching it go down slowly. Rebecca gently kisses Tyler's cheek and wipes his tears. David's former boss Frank throws a photo of them together on top of the casket as he covers his mouth in shock and walks away.

SKIP TO:

In slow motion, The crowd of people behind Skyler, Tyler, Rebecca, Danny, Elizabeth, Victoria and Carly walk away as it starts raining. Alyssa throws a flower on top of his casket. She walks back over to Skyler and he hugs her.

CUT TO:

INT. THE KNIGHT BASE - THE NEXT DAY

There's silence in the command center as Draco, Fiona, Dexter, Alexis, Jason, Shawn, Bethany, and Wallace sit down. Draco appears stressed, and Crystal gives him a back pat.

FIONA

Don't worry big brother, we know you know didn't do it.

DRACO

I know I didn't I-, I know Sky, he's gonna try to kick my ass.

CRYSTAL

No matter what happens, we got your back.

DRACO

Thanks, it just seems like I can't catch a break. I miss Laura too.

FIONA

We'll get her back and everyone else who's been taken.

He sighs. The front doors open and Skyler, Elizabeth, Victoria, Danny, Carly, Candace, Wallace, and Rebecca walk in. Everyone else stands up quickly.

ALEXIS

Oh no.

When Skyler, Elizabeth, and Tyler approach Draco, he immediately stands up and raises his fists in self-defense. Crystal and Fiona walk next to him on both sides as they stand their ground.

SKYLER

I'm gonna give you options...Draco. One: You admit that you killed my fucking dad and we can go at a much smoother pace. Two: If you don't admit to killing my dad, you're off of the team and you'll be forced to go home.

DRACO

(In Shock)

T...that's not fucking fair dude!

ELIZABETH
(Screaming with rage)
YOUR FUCKING EVIDENCE WAS AT THE
CRIME SCENE DRACO! HOW THE FUCK DO
YOU EXPLAIN THIS SHIT?!

She slams Draco's bloody ninja stars on the table in front of them and everyone in the room gasps.

DRACO
For the last fucking time, I DIDN'T
FUCKING KILL YOUR FUCKING FATHER!

TYLER
Watch your fucking tone in front of
my sister.

DEXTER
Guys guys guys, cool it, let's not
jump to conclusions immediately. We
still have to find Laura and Gina.
Even he doesn't know where Laura is
because normally they'll all be
with Artemis right now.

VICTORIA
You're very defensive of him, makes
sense coming from a ugly ass lizard
man.

DEXTER
Back the fuck off Victoria!

SKYLER
You don't talk to my fucking woman
like that.

ALEXIS
Chill the fuck out Skyler and Tori!

SKYLER
I'm not listening to any more
helpful tips. You all need to get
the fuck out of here, we'll deal
this shit ourselves.

CRYSTAL
That's really not the best move
dumbass, we don't even know what
we're up against. I understand you
guys just had a funeral but now's
not the time for fucking fighting.

SKYLER

There's no need to fight if you all don't leave in five minutes.

WALLACE

Sky man, please really think this through.

SKYLER

I already did, now it's four minutes.

VICTORIA

We'll happily kick ya'll out ourselves.

CARLY

Guys just please listen to him.

BETHANY

Fuck off Carly.

CARLY

Excuse me?

BETHANY

I didn't fucking stutter.

CARLY

You got a lot of balls bitch.

Artemis comes through a portal dressed in regular clothes as Crystal puts her left hand down.

ARTEMIS

Babe, what is it?

CRYSTAL

Time to defend Draco babe, they lost their shit.

ARTEMIS

(Shouts)

Have you all lost your fucking minds?! My Laura is still fucking missing and call yourselves fucking heroes right now?!

DANNY

Don't make it harder than it has to be Artie.

ARTEMIS

You're picking a fight with my
boyfriend and girlfriend, the fight
has already started.

With their fists raised in preparation for battle, Draco,
Crystal, Artemis, Fiona, Dexter, Wallace, Alexis, Bethany,
and Shawn form a circle and surround one another.

JASON

Shawn, you're really on his side?

SHAWN

I am. I'm sorry Jay.

DRACO

Sky...I don't know what the fuck is
about...but I seriously need you to
chill out.

Skyler stands in the center of the line with Victoria, Carly,
Danny, Rebecca, Candace, Jason and Tyler.

SKYLER

You know what you fucking did
Draco. I shouldn't have had a
funeral at all if your evidence
wasn't found at the scene.

TYLER

Just come quietly and we won't have
any problems.

CRYSTAL

(Shouts)

We told you he was with us the
entire fucking time! Are you hard
of hearing now Sky?!

ELIZABETH

(With anger)

SHUT THE FUCK UP BITCH FULL OF
TRICKS!

CRYSTAL

You're gonna eat your fucking words
for that.

ELIZABETH

Try me bitch!

SKYLER

I'm gonna ask you this one more time...Draco Apollo...where the fuck were you that night?

DRACO

I stand by my words. I have nothing else to back it up except my girls.

ARTEMIS

It's okay Draco, we're with you.

WALLACE

If they wanna throw down, we get it on right now.

CANDACE

You're on the wrong side Wally.

WALLACE

You should be smarter, Candy.

CANDACE

I'm smart enough to know that you're a dumbass.

SKYLER

I'm done talking...knights...let's finish them.

Everyone quickly activates their powers but not their suits as their eyes light up.

DRACO

I really don't wanna fight you all.

SKYLER

You left us no choice...Zero.

He straps his shield on his right arm and has his sword in his left.

SKYLER (CONT'D)

G...guys...MOVE THE FUCK OUT OF THE WAY!

WALLACE

I'm sorry Sky.

BETHANY

We can't do that.

DEXTER

You're gonna have to fight us or
kill us to get to him.

VICTORIA

You're not gonna make this easy.

CRYSTAL

No we're absolutely not...so it's
your call.

LOUD FEMALE VOICE FROM ABOVE
EVERYONE...HOLD YOUR FUCKING POSITION
RIGHT FUCKING NOW!

The rooftop suddenly turns into a swirling white portal and
everything falls to the ground as they scream.

JASON

(In Shock)

A time machine portal?!

DANNY

(In Shock)

There's no fucking way that's
possible!

3 dark hooded Figures fly down quickly from out of the
portal. In slow motion, They all slam into the ground,
causing everyone to get blown away. One hooded figure reaches
their hand out.

In Slow motion, Everyone suddenly freezes then reverses back
to the ground safely. Time goes back to normal and everyone
looks around confused. The portal closes above them and the
roof repairs back to normal. Skyler walks to them with anger.

SKYLER

(In Anger)

Who the fuck are you?!

One hooded figure grabs him by his neck and picks him up as
he chokes. Victoria, Carly, Danny, Elizabeth, Tyler, Rebecca
and Candace stand their guard.

VICTORIA

He asked you a fucking question!

The hooded figure throws him on the ground as he gasps for
air. They take off their hoodies and his eyes widen in shock.
Tyler and Danny appear to be in shock.

TYLER
 (Shouts in Complete Shock)
 YO, WHAT IN THE ABSOLUTE FUCK?!

JASON
 Well, That's something you don't
 see every day.

The hooded figure slowly takes off their hood and reveals
 Future Victoria.

FUTURE VICTORIA
 Long time no see...my husband and
 wives.

Everyone including Skyler looks at her completely baffled.

FUTURE VICTORIA (CONT'D)
 Go ahead guys, reveal yourselves.

The other figures take off their hoodies to reveal Future
 Elizabeth and Tyler.

SKYLER
 (Confused)
 I...uh...what?

FUTURE TYLER
 Hey big brother.

JASON
 Oh no.

FUTURE VICTORIA
 "Oh no" is right Jay because not
 only is your time machine popular
 further in the future, but now it's
 in the hands of a clone of Draco
 Apollo.

The team looks amazed at Future Victorias' response then they
 turn their attention to Jason.

TYLER
 Jason...is she telling us...that YOU
 invented...time travel?

JASON
 Possibly.

Shawn lightly punches Jason's arm then he makes a head motion
 over to the team twice, Jason sighs.

JASON (CONT'D)
Yes...I...I created time travel
everyone.

ALEXIS
(In Shock)
Holy shit.

DANNY
How long have you been working on
this dude?

JASON
After my first year of being locked
up in the mental institution while
also working on my Neutron
material.

CRYSTAL
Um, Future Victoria, what does
Jason's invention have to do with
Draco's clone?

FUTURE VICTORIA
This Draco is a fucking menace, he
kill our future Draco in front of
us. He came in with a blink of an
eye.

CANDACE
That means that-

FUTURE VICTORIA
Yes, a majority of you die except
for your kids and ours.

CARLY
(Amazed)
W...we have kids?

FUTURE VICTORIA
I shouldn't go too much into detail
on that, but this clone messed up
our mission but everything started.

BETHANY
What was the mission?

FUTURE TYLER

To save the world from a black hole, the plan needed Wally, You, Danny, Candy, Crystal, Fiona, Vicky, and Sky.

CUT TO:

FLASHBACK - EXT. EARTH - 2169

Bellatrix(38), stands on top of the knight ship with Solar Shadow(32).

FUTURE TYLER

(V.O.)

A black hole entered our solar system. It was our mission to shrink it down to stop it from coming to Earth.

BELLATRIX

Astro, We're in position.

ASTRO KNIGHT

(V.O.)

Okay, knock it out you two and come on home.

SOLAR SHADOW

I'll try to contain it, you close the portal with your staff.

BELLATRIX

Roger that.

Flying toward the black hole, Solar Shadow leaps off while charging himself. Bellatrix uses her abilities and swings her staff around, causing blue lightning to strike all around her. As Bellatrix covers the ship with her on top, the ship comes to a stop. She is stunned by a strange noise that emerges from deep space.

BELLATRIX (CONT'D)

What the fuck?

The black and gold figure, Dark Zero, Strikes her from behind with his gold sword and she screams in pain, he slices her neck, killing her then he Kicks her off of the ship and she falls into deep space.

FUTURE TYLER

(V.O.)

He started with Crissy then Wally,
he got rid of the black hole only
to come back to Earth and fuck up
more shit.

As Solar Shadow freaks out inside of the ship, He Slices the
entire ship without hesitation then flies off immediately,
the ship explodes killing Solar Shadow inside.

CUT TO:

OUT OF FLASHBACK

INT. THE KNIGHT BASE - COMMAND CENTER

Everyone appears to be sitting together while listening to
the future Victoria, Tyler, and Elizabeth.

CRYSTAL

So, his clone killed me and Wally
while we were on a mission?

FUTURE VICTORIA

Yes, this is the work our old
common enemy.

SKYLER

No...Not him again...

FUTURE VICTORIA

Yes, it was Daryl. The one
responsible for bringing your mom
back and causing the ripples in our
dimension.

DANNY

I hate hearing his name with a
passion.

TYLER

Me too fam.

CARLY

What happened to our kids?

FUTURE VICTORIA

Our kids are safe. They're on
Planet Nebula for the time being
with Draco's mother.

ELIZABETH
How did we die?

Their future selves look at each other in worry.

FUTURE TYLER
It was...a massacre.

CUT TO:

FLASHBACK - EXT. NEW YORK CITY - MORNING

Smoke reigns across the city of New York as sirens sound off across the city.

CUT TO:

EXT. THE KNIGHT BASE

Dark Zero, walks across everyone's corpses as he chuckles. Zion's arm is completely crushed under the rubble. Luna's arm chopped off as we see half of her body completely crushed.

Solar Bolt and Orion's head and arms cut off. Jason's body remains as it hangs across the water with the head missing. Rexmoth appears to be sliced in half entirely with his eyes still open.

Skyler's body is completely crushed with the sword in front of him. Rebecca's eyeballs are covered with Water completely as she appears to have foamed from her mouth with her head snapped. Bethany's back appears to be broken and twisted to the left with her left leg sliced off.

Victoria is limping while crying and covered in blood.

VICTORIA
(Crying)
You...you're a fucking..monster.

DARK ZERO
I will spare your life...because I want you to watch as I fucking burn this world to the ground.

VICTORIA
(Crying)
You...are a pure son of a fucking bitch. I hope you truly get what's fucking coming to you.

He stabs his sword into the ground and activates his gauntlets and raises his left hand. She screams as she levitates over to him and he grabs her by her neck to look at her in the face.

DARK ZERO

You have 24 hours...to grab your fucking kids...and mine. Explain to them everything that's fucking happening...and send them far away from here as possible. Take your trash with you, no punk ass pussies will be allowed on my planet.

VICTORIA

(Struggling)

This isn't...your planet dumbass!

DARK ZERO

It is now...and there's not a goddamn fucking thing you can do...to stop me...or anyone.

He throws Victoria as she flies towards the destroyed statue of liberty. Draco levitates Tyler and Elizabeth out of the rubble and throws them in Victoria's direction. He walks over to Jason's dead body and steps on Shawn's stone hand.

He takes off Jason's time travel watch and puts it across his arm. He looks over at where Victoria's body was and sees that she took the sword.

DARK ZERO (CONT'D)

Fuck...no matter...Time to see some old friends and old enemies.

He sees Military helicopters and tanks coming towards him in the distance. He puts away his gauntlets and pulls out his Golden sword as lightning strikes from it. He watches as Helicopters and police cars start approaching from the distance.

CUT TO:

OUT OF FLASHBACK

Future Elizabeth cries into Tyler's chest as he hugs her tightly. Draco looks at Crystal and Artemis in concern. Skyler looks at Victoria, Carly, Danny, Tyler and Elizabeth.

He gets up and walks up to them and kneels down in front of them. Future Victoria looks at him.

SKYLER

We understand that you guys lost a lot. Way more than we have. You lost a lot of time and...it took a lot for you to get here. You came to the right place at the right time. This version of Draco sabotaged ours to make us split up faster. He doesn't know that you're here because he's too focused on rage.

Tyler, Elizabeth, Danny, Carly, and Victoria walk over to them and kneel down in front of them.

ELIZABETH

Our fates have collided for this moment and not only are we going to stop him, we're gonna fucking kill him.

TYLER

You guys deserve better than what the future has done to you.

DANNY

One thing we can't deny is that we love you guys. We would do anything to protect you, even if it means saving our future and risking our past.

VICTORIA

We're gonna help you as much as we can.

CARLY

That's something we can definitely promise, if it involves risking our lives or not, we love you no matter where or when in history.

Future Elizabeth hugs Danny as she cries. Future Victoria and Tyler hug Skyler, Victoria, and Carly.

SKYLER

Don't worry anymore, we got you.

FUTURE TYLER

I told you they'd help Tori, you just gotta have hope.

FUTURE VICTORIA

I know now that choosing Skyler, Carly, and Candy was the best decision I ever made.

They all let go of each and turn to the rest of the team.

Skyler approaches them as everyone surrounds him in a circle and he stands in the middle.

SKYLER

This psycho mad man thinks he can come into our time and fuck with us. He may be Draco, but he's not our Draco. Not by a fucking long shot.

Draco looks up at him in shock.

SKYLER (CONT'D)

Our future lives in our hands, not his. We were just nerds who wanted to find our place in the world even if it meant not having superpowers. This world is our home and It's where we have loved ones. This fight will be bigger than all of us. He took Gina, Laura, Our Dad, and more than likely Destiny.

Jason looks up in concern.

SKYLER (CONT'D)

Our mission is to track down a futuristic genocidal maniac. I'm not asking for all of you to join me, only a small few. However, if you all are with me on this, I promise you we can go back to our normal lives after this mission...all of us. We all had dark days that led us up to this moment but...in times like this there's one thing that we need to overcome our dark days the most.

SHAWN

What's that?

SKYLER

Hope.

Everyone gives each other a quick glance and a nod of approval.

SKYLER (CONT'D)

Draco...

Draco looks at him and walks up to him slowly.

SKYLER (CONT'D)

This is your fight too. You don't have to join us if you don't want to yet...it's your clone.

DRACO

I vowed when I joined the Dark Zero corps that anyone who stands in my way will be dealt with. Even if it means dealing with my future self because no one...not even me...will allow anyone to hurt my friends and loved ones.

SKYLER

Are you down to help us?

DRACO

Fuck yeah I am.

Skyler reaches his right hand out for him. Draco reaches his left hand out for him. They shake hands as they smirk at each other.

ALEXIS

Astro Knight and Zero teaming up? That'll be hella fun.

TYLER

That'll be a badass team up dude, I'm down for that.

CANDACE

My panties just got wetter from watching that.

CARLY

I agree with that baby.

JASON

I can create more watches as a part of a complicated plan, this copycat won't see it coming.

DEXTER

We'll need help from Nebula too.

FIONA

I can make more weapons for everyone on the team.

JASON

My technology can help with that Fiona.

FIONA

And now I'm in love already.

Jason squeals, completely baffled by Fiona's response.

CRYSTAL

I can put up a barrier that'll stop him from interfering with us.

SHAWN

My stones and diamonds can help with that too.

Everyone starts talking to each other with excitement as they come together.

FUTURE VICTORIA

It's like we never left.

FUTURE ELIZABETH

I told your dumbass they would help.

FUTURE VICTORIA

Well, here's to hope then.

They watch as the team talks among themselves.

CUT TO:

INT. SECRET UNDERGROUND LOCATION

Gina, Laura, and Destiny are sitting against the wall while looking at the small window.

GINA

I wanna try to see what's out there.

DESTINY

Good luck, it's not like we can break out of it.

GINA

Please, I wasn't an acrobatic
champion in high school for
nothing.

LAURA

Be careful of any trip wires! Take
this.

Gina jumps up and hangs onto the pole tightly as she looks
up. She breathes in and out. She climbs on the poles as
quickly as she can. Laura and Destiny watch her in amazement.

She lets out one more deep breath and jumps up to the ledge
but she accidentally dents a pipe.

GINA

Shit!

LAURA

Not bad.

DESTINY

It was okay.

Gina lifts herself up and looks out of the window. Her eyes
widened in shock.

GINA

Oh fuck no.

LAURA

What do you see?!

GINA

We're definitely not home anymore
girls...at least...not in our time.

CUT TO:

EXT. FORMER KNIGHT BASE - 2177

Helicopters roam the city as explosions go off in the
distance.

CUT TO:

INT. FORMER KNIGHT BASE

Gina jumps down and lands in front of Laura and Destiny.

GINA

We're in the former knight base,
not far from the statue of liberty.
The outside view is far different
from what we know.

LAURA

So...basically time travel?

GINA

It looks that way or another
universe.

LAURA

There's something bigger here than
we think if this version of Draco
is a villain and ours is a hero. We
need to get back home.

GINA

How are we gonna do that? Send out
a Morse code?

LAURA

That's exactly what we're gonna do.

CUT TO:

INT. THE KNIGHT BASE- UNDERGROUND GARAGE - NIGHT

Jason and Fiona are building new weapons with heavy
machinery. He looks over at Fiona but he looks away quickly.

FIONA

You know, you can just talk to me
Jay. I don't bite unless you want
me too.

Caught off guard at her response, Jason accidently drops a
hammer on his foot and shouts.

JASON

Awe fuck!

He holds his foot in pain. She runs over to him quickly and
helps him over to a chair and sits him down.

FIONA

Come on Neutron, let me check it
out.

JASON

I...it's alright Fiona really.

She takes off his right shoe and sock and sighs in relief.

FIONA
It's just a bruise ya big baby.

JASON
My atoms can help me heal.

FIONA
For real?

JASON
Yeah, look.

They look down and see his injury heal within 30 seconds.

FIONA
That's incredible, did you do this?

JASON
Yeah, regular people attend to look down on others who are smarter than them.

FIONA
That's how I feel on my planet. I own my own shop with technology yet...my mom is the only one who's proud of me and my brother.

JASON
That's all you need. Your smarts and technology are what make you, you. Don't give up on yourself no matter what others think of you.

She looks at him and smirks.

FIONA
You Earthlings are very interesting indeed. Sometimes cute too.

He looks at her and smirks.

JASON
You're pretty hot yourself...
Valentina.

She giggles.

FIONA
Come on Neutron, let's finish these inventions.

He nods in agreement and she helps him up.

CUT TO:

INT. COMMAND CENTER - 11 AM

Future Victoria, Tyler, and Elizabeth stand in front of the entire team.

FUTURE VICTORIA

The team will be split into groups of 3. Team one will be led by Skyler. Members include Crystal, Danny, Artemis, Jason, Candace, and Wallace.

FUTURE TYLER

Team 2 will be led by Victoria. Members include Alexis, Bethany, Elizabeth, Dexter, Shawn, and Rebecca.

FUTURE ELIZABETH

The final team will be led by Carly. Members include Draco and Fiona. Another unwelcome surprise has emerged for you all too so brace yourselves for this.

Future Victoria pulls an image of Future Draco, Xron, and Vortex teamed up. Tyler and Rebecca's eyes widen in shock.

TYLER

No fucking way.

REBECCA

That's fucking bullshit.

VICTORIA

Like a fucking virus, it keeps coming back.

WALLACE

Oh...I'm so fucking ready to kill them even more now.

FUTURE VICTORIA

Jay, the watches.

JASON

Oh right, I created 3 more time machine watches. Fifi, show them the inventions.

Jason pulls out the 3 watches and hands them to Skyler, Victoria, and Carly. Fiona takes off her heavy bag and takes out Skyler's upgraded sword, Victoria's sharpened flail, Her new ion cannons, Laser cannons for Carly, Stone Blasters for Shawn, New weaponized arrows for Candace, a minigun for her and grenades, Sharpened brass knuckles for Crystal, Power boost for Dexter, enhanced poison for Elizabeth and Artemis, Skyler's upgraded and sharpened Shield, and Danny's big ion cannons.

FIONA

Santa came just in time for the squad and even for big momma.

CRYSTAL

Did Jay just call her fifi and she agreed to that?

DANNY

They're definitely cute together.

CRYSTAL

Yeah, you're not wrong about that. It's Jay that I'll be worried about when it comes to her.

DANNY

I'll be worried for both of them.

SKIP TO:

Jason suits up in his nuclear Neutron suit and lets his hair down as he stands in front of the team.

FIONA

Fuck, I'm definitely feeling this guy.

Tyler, Draco, and Dexter glance at her quickly in confusion.

She catches them staring at her. She quickly activates an ion blaster from her suit and points it at them.

FIONA (CONT'D)

(Annoyed)

WHAT BITCHES?! WHAT?!

They turn away quickly and talk at the same time.

TYLER

Oh the ceiling! The ceiling is so great! It's so lovely! The Sky is also up!

DRACO
It's definitely a great day!

DEXTER
I just want to fuck Lexie.

Alexis smacks the back of his head and blushes as she looks away. Skyler walks up to Future Victoria.

SKYLER
You still look hot even with scars.

FUTURE VICTORIA
You're just saying that.

SKYLER
A husband has to be honest with his wife. Even if he has 3 of them.

He looks back at Carly, Victoria, and Candace and they wave at him. He smirks and looks back at Future Victoria.

FUTURE VICTORIA
C...Can I...papi?

SKYLER
Of course, My love.

She grabs him and they kiss each other as he hugs her tightly. Future Elizabeth walks up to Danny and Elizabeth.

FUTURE ELIZABETH
Hey hubby.

DANNY
Hey wifey, you've seen better days huh?

She chuckles.

FUTURE ELIZABETH
Yeah. It hasn't been the same without. Our kids miss their daddy.

DANNY
We'll make it right for you babe, for us because no matter the universe or timeline, you're the only goddess for me.

Both Elizabeth's start crying and smiling at the same time. Elizabeth punches his arm and he looks at her.

ELIZABETH

You better fucking Kiss her you
dumbass then me.

He smirks and picks her up as he wraps her legs around his waist, making her squeal and they kiss each other. Future Tyler walks up to Rebecca and Tyler.

FUTURE TYLER

Mi amor.

REBECCA

Hey papi, You look like shit.

FUTURE TYLER

Well, That's what happens when you
get your arms cut off by an
assassin's alien sword.

REBECCA

You truly deserve better babe. The
future did you too fucking dirty.

FUTURE TYLER

I'm not gonna get anyone as great
as you baby. You're my wife, and a
badass mother. I truly couldn't be
more grateful for you. I missed you
so much and my brother.

He looks at Tyler and they fist bump each other. She tears up and hugs both of them tightly.

REBECCA

(Emotional)

We'll make it right for you, I
promise.

FUTURE TYLER

I know you will.

They embrace each other as they cry.

SKIP TO:

Skyler stands in front of everyone with the devices ready as he stands next to Jason.

SKYLER

Alright, Team One will consist of
Me, Crystal, Artemis, Candace,
Wallace, and Tori. Team Two, led by
Tyler with also Rebecca, Dexter,
Alexis, Bethany, and Shawn.

(MORE)

SKYLER (CONT'D)

Fiona.

He pulls up the list on screen.

ON SCREEN:

TEAM TITAN - VORTEX

Tyler, Rebecca, Dexter, Alexis, Bethany, Shawn

TEAM GODDESS - XRON

Elizabeth, Danny, Draco, Fiona, Jason, Carly

Skyler turns around back to the team.

SKYLER (CONT'D)

We have to protect our future no
matter where we are or when we are.
We defeated some of these guys on
our own, but now we'll do it
together. Team leaders, front and
center.

Tyler and Elizabeth walk up to him. He gives a watch to Tyler
first then Elizabeth as they take them.

SKYLER (CONT'D)

Be careful with these and watch
yourselves. You're not just Titan
and you're not just Golden Goddess,
you're my family and we have our
loved ones to get back too. Let's
make this worth it guys.

Elizabeth becomes emotional and tightly embraces him, while
also linking hands with Tyler and having Skyler wrap his arms
around both of them. The team smiles in the background.

TYLER

You be careful yourself dumbass, I
can't have another funeral.

ELIZABETH

Please be safe you two, for
everyone's sake. I love you two
with all my heart. I always have.

TYLER

I love you too Lizzie.

SKYLER

I Love you too.

They loosened their grip on one another, but Skyler quickly takes hold of them again. He rests his head on Tyler's, their gazes locked. He playfully fist bumps him before planting a gentle kiss on Elizabeth's forehead. She closes her eyes and sheds a few tears.

SKIP TO:

Jason opens up 2 portals leading into the future. Everyone finishes hugging each other and they get into their groups.

CRYSTAL

Defend yourself my Dragon.

ARTEMIS

Or we'll fuck you up in the afterlife.

DRACO

I will my loves. I love you both,
let's get our third future wife
back.

CRYSTAL

Yes baby.

ARTEMIS

Fuck yeah my dragon.

They let go slowly as they walk to the portals. Team Elizabeth stays behind as they watch the other teams prepare to jump through the portals.

SKYLER

On my mark everyone.

Everyone quickly suits up into their superhero alter egos.

The portals grow bigger as they get closer.

ASTRO KNIGHT

Three...

Titan's eyes lock at the portal with his team behind him.

ASTRO KNIGHT (CONT'D)

Two...

Pandora and Orion's eyes lock onto the portal.

ASTRO KNIGHT (CONT'D)
 (Shouts)
 ONE!

CUT TO:

EXT. NEW YORK CITY - 2269

Portal One opens in a ruined field quickly. The first team flies out behind Astro as they scream.

ASTRO KNIGHT
 (In Shock)
 HOLY SHIT!

Everyone slams onto the ground together as the portal closes behind them. Astro helps Pandora and Orion as Bellatrix helps Stella and Solar Shadow. Astro stands on top of a small hill and looks outwards.

ASTRO KNIGHT (CONT'D)
 Hey guys, you'll wanna see this!

Everyone walks to him and stops immediately.

BELLATRIX
 Oh fucking hell.

CUT TO:

EXT. CITY VIEW - NIGHT

The destroyed dystopian city has helicopters and random explosions going off in the background. Dark Zero Corps soldiers stand their ground side by side with guns in their hands. Solar Shadow gulps nervously.

STELLA
 Why didn't the future Tori, Tyler,
 and Lizzie come with us?

ASTRO KNIGHT
 They need to stand guard at the
 base with team goddess in case
 Daryl shows up. Everyone has a
 habit of going back to where they
 started.

BELLATRIX

What if he goes back to kill your mom and stepmom?

ASTRO KNIGHT

That's the least of my worries, It's Lizzie who'll be the bigger problem for him. We gotta secure Gina, Destiny, and Laura while the other team protects our future children. First, we gotta figure out where they are.

PANDORA

I just realized that we can't fly. Those helicopters will catch us and will draw unwanted attention.

ORION

Bellatrix, can you teleport us into the city without being detected?

BELLATRIX

Of course but we'll have to hide so we can do it.

ASTRO KNIGHT

Remember, our time limit is 48 hours before the portal reopens in the same spot.

SOLAR SHADOW

Then we gotta move, especially if Daryl's involved in this too.

ASTRO KNIGHT

Let's move it out.

Everyone runs away from the scene quickly to avoid detection.

CUT TO:

EXT. CITY GROUNDS - APARTMENT COMPLEX

A Portal opens up and everyone screams as they fall out then slam on the ground. The portal closes behind them.

TITAN

Not as cool as "Back To The Future" and "The Avengers" made it seem.

HYDRO

Come on, we gotta find everyone's
future kids.

In a flash, the entire group springs to their feet and surveys the partially demolished home.

ZION

Wait a minute, this is my home.

Luna sees Zion's apartment number 383.

LUNA

I wonder...

She flies up to the apartment door immediately and everyone flies after her.

CUT TO:

INT. DEXTER'S APARTMENT

Luna kicks the door open and walks in. Everyone sees the apartment was untouched by the destruction.

SOLAR STONE

This is very depressing. It's a
nice place Zion.

ZION

Thanks, I only had 3 guests over
before I joined the knights. Laura,
Alexis, and Bethany.

ASTRID

I'm still sorry for knocking you
out Z.

ZION

It was a good hit though. Your hits
are powerful like Draco and
Crystal. Your sister trained you
well.

As Astrid averts her gaze, Luna can't help but let out a soft giggle. Suddenly, a loud crash echoes from the kitchen, causing everyone to snap their heads in that direction. With a flick of a switch, Titan activates the night vision in his eyes, illuminating the dark room. Taking careful steps, he moves forward while Hydro follows closely behind.

A small growl rumbles from the kitchen then Zion walks next to him ready to fight.

ZION (CONT'D)

(Shouts)

Come out with your hands up!

TITAN

You sounded like a police officer
Zion.

ZION

Well what else am I supposed to do
just start blasting my apartment?

FEMALE VOICE

Z...Zion? As in Dexter Wilson?

ZION

Yeah, how do you know my name?

Aurora Wilson (18) emerges gradually, exposing herself as she rises from her crouched position. With her short green hair and a torn white shirt, she stands with her hands raised. Zion relaxes his clenched fists and Luna steps forward to stand between them.

LUNA

Are you...our daughter?

AURORA

Y...Yes. You're my mom and dad from
the past?

ZION

I..I guess so, they never told us
our kids names.

AURORA

(Emotional)

My brothers and sisters are with
the other children but on Planet
Nebula. I...I missed you two so much.

She starts crying then Zion and Luna run to her and hug her tight as she hugs them back.

SOLAR STONE

They really weren't lying after
all.

HYDRO

We gotta find those kids before
Vortex does.

TITAN

Excuse me Ms-

AURORA

Aurora Wilson but I also go by
Lynx.

LUNA

That's so badass.

TITAN

We're here to secure your future
and save the timeline from being
messed up. Do you have a ship?

AURORA

Hell yeah I do, come on.

CUT TO:

EXT. HARLEM - NEW YORK CITY

Bellatrix stops running suddenly as she picks up a familiar
scent. Everyone looks behind her and walks back to her.

STELLA

Baby, what's wrong?

BELLATRIX

I Can sense Laura but it's very
faint.

ASTRO KNIGHT

Can you locate her?

BELLATRIX

I can try.

She puts her staff in front of her then closes her eyes and
breathes in and out slowly.

STELLA

Stand back everyone, her power is
intense.

Everyone stands back carefully. Her eyes widen as they turn
Lighting blue and she looks into the staff.

ZOOM INTO:

INT. BELLATRIX'S STAFF

The ball shows Laura pacing back and forth with Destiny and Gina sitting against the wall.

ZOOM OUT:

EXT. BELLATRIX'S STAFF

She opens her eyes and gasps.

BELLATRIX
Well I'll be damned it was right in
front of us.

SOLAR SHADOW
Where are they?

BELLATRIX
The place where it all started.

ASTRO KNIGHT
Awe shit.

CUT TO:

INT. UNDERGROUND - FORMER KNIGHT BASE

Laura keeps pacing back and forth nervously.

LAURA
(Annoyed)
UGH WHERE THE FUCK ARE WE?! This is
making me lose my shit!

GINA
I agree, I miss my Netflix. I
wonder what it's doing right now.

DESTINY
Now I know how the knights felt
when their trip got interrupted.

Low rumble. Laura stops pacing and looks at the corner of the room.

LAURA
Did you guys hear that?

GINA
Okay great, I'm not losing my
fucking mind!

The room rumbles again but stops immediately. Laura falls back as a portal opens in front of them.

DESTINY
(Annoyed)
Oh great, Now what?!

Bellatrix slams her fist into the ground very hard as she jumps out first. Gina gasps in amazement.

GINA
No fucking Way!

In slow motion, Bellatrix stands up as the rest of the knights walk in behind her.

Destiny rubs her eyes twice.

DESTINY
Yup, I'm not dreaming.

BELLATRIX
(Shouts)
Lou Lou!

LAURA
(Shouts)
Crissy!

She runs up to her and jumps up and wraps her legs around her waist as they hug each other tightly. Bellatrix deactivates her helmet and looks at her.

CRYSTAL
I knew we'd find you baby.

LAURA
Took you long enough! You're lucky
I won't kick your ass.

Stella deactivates her helmet.

ARTEMIS
Well, we couldn't risk leaving our
girl behind dumbass.

She grabs both of them and hugs them at the same time. Gina and Destiny get up and walk to them slowly.

GINA
Y..you're the Solar Knights.

ASTRO KNIGHT
Yes ma'am.

GINA

I see why Carly likes you so much.

He clears his throat nervously.

DESTINY

Thanks for the save heroes.

PANDORA

No problem, we gotta move quickly
before Draco finds us.

GINA

Draco? Draco Apollo?!

DESTINY

No need to tell me twice.

Destiny quickly walks into the portal along with Solar Shadow, and Orion. Astro Knight stops suddenly. Pandora looks back at him.

PANDORA

Babe, what's wrong?

A loud high pitched noise comes from out of nowhere and strikes into his ear drum. He hisses and groans in pain. Pandora and Orion quickly grab him and drag him away.

SOLAR SHADOW

(Shouts to everyone)

Come on! Hurry up!

Astro Screams in agony as he struggles to cover his ears. Orion quickly pulls out an arrow and puts it on her bow and aims it at the darkness.

ORION

Baby, move your ass now!

Gina, Destiny, Laura, quickly go through the portal back to the base. Astro Screams in agony as he struggles to cover his ears. Orion quickly pulls out an arrow and puts it on her bow and aims it at the darkness.

ORION (CONT'D)

Baby, move your ass now!

Gina, Destiny, Laura, quickly go through the portal back to the base. The portal closes behind them and Bellatrix quickly opens another portal.

In slow motion, She ducks quickly as poisoned ninja stars dodge her by 5 inches.

They slam into the wall and everyone looks forward. Dark Zero approaches from the darkness as he's dark golden and black with his golden alien sword. His gauntlets are active and Jason's time travel watch on his right arm.

BELLATRIX

It was a fucking set up.

DARK ZERO

You're correct My love. Welcome to my playground knights...or should I say...Past Knights.

BELLATRIX

Nice try, but we know you're not our Draco. You're a wannabe version of him who has his memories.

SOLAR SHADOW

You fucked with the wrong people you know that?

DARK ZERO

Said every single knight throughout every fucking timeline. Your friends...are in for a hell of a fucking surprise.

He looks at Bellatrix and Stella.

DARK ZERO (CONT'D)

Your enemies are gonna have fun with y'all, so kiss my fucking ass and go fuck yourselves.

He teleports out of the room.

In slow motion, Bellatrix's eyes active and she sees invisible ninja stars hurtling towards Orion.

In slow motion, She makes a run for her immediately as she screams in fear.

Astro turns to see Bellatrix making a run for Orion.

In slow motion, The ninja stars appear right to Orion's chest as Bellatrix almost makes it to her.

Orion gasps and her helmet deactivates. Astro and Pandora gasps in shock and deactivate their helmets quickly and Bellatrix catches her quickly. She falls to her knees as she catches her.

SKYLER

(In fear)

NO! NO! NO! NO! NO! CANDY! FUCK NO!

VICTORIA

(Emotional)

Baby! No! What the fuck?!

Wallace runs up to her and kneels down next to Crystal as he starts crying.

WALLACE

(Emotional)

Candy! You better pull through for me bitch! Do you fucking hear me?!

CANDACE

(Struggling)

You...don't have to fucking scream at me...Wally.

She holds him in her left hand and Skyler in her right hand. She cries as she starts breathing heavily and Victoria starts crying.

SKYLER

Baby...

CANDACE

(Struggling)

Sky...Tori...Wally...I...love you all.

WALLACE

(Crying)

Candy please! Hang on! Don't fucking leave me your the only family I have left! Please!

CANDACE

(Struggling)

I...I'll always...be with you Wally.

She tightens her grip on his hand as she cries. Skyler and Victoria kneel down to her and kiss her on her lips at the same. Wallace cries into her hair.

BELLATRIX

I...I don't have healing Abilities... but we know someone who does.

SKYLER
(Emotional)
Who?

CUT TO:

EXT. SECRET UNDERGROUND LOCATION UNDER DEXTER'S APARTMENT

SHAWN
(Amazed)
Yo that's badass!

DEXTER
Thanks, I guess future me kept it up.

AURORA
You did dad, but I'm almost not the oldest. Jared is the oldest.

ALEXIS
We have an oldest son too?

AURORA
Yes mom. They're annoying but I love them.

TYLER
I didn't know you had a ship dude.

DEXTER
She's a beauty. It's where I keep some of my planets' healing medicine.

ALEXIS
I didn't know that.

AURORA
This is as far as I'll go dad. I gotta hold them off in case they spot you guys coming in.

ALEXIS
Thank you sweetheart.

AURORA
You're welcome, the diamond will take you guys to Nebula.

(MORE)

AURORA (CONT'D)

We've been avoiding Vortex for a while so please be careful.

DEXTER

We will, we love you.

AURORA

I love you guys too.

They hug each other tightly as everyone else walks into the ship.

REBECCA

Guys come on! I wanna see our future kids too!

He kisses her forehead then walks into the ship after Alexis.

Aurora smiles as she watches them.

FIONA

Dragon, stop worrying please?
They'll come back.

DRACO

I Can't, this my clone we're talking about, I Can't believe that motherfucker made another version of me while I was being tortured. This fucker killed everyone on the team.

FIONA

And you are OUR Draco, The superhero assassin who's no longer out for blood while being Daryl's bitch.

DANNY

Fiona is right, Dragon. You're a badass already, you shouldn't be worried at all.

ELIZABETH

If the team needs us, they would let us know, if not, then we jump into action like how we rightfully should.

He sighs.

DRACO

You're right...you're right.

REBECCA

I can't believe I'm in space.

Bethany lays across the seat on the side in the background and pulls out her magazine.

TYLER

That's right, you didn't come to space with us during the war. You were on the ground.

REBECCA

I always wondered what it would be like. I just hope we make it back in one piece.

ALEXIS

I honestly hope we do too. We've been through too much bullshit for this to keep happening to us the moment we try to live our lives.

TYLER

For what it's worth, we got a badass team. Let's do our best to make sure that our future kids are secured, everyone.

BETHANY

CLONE DRACO

They are persistent...I'll give them
that.

XRON

We accomplished a lot together.

CLONE DRACO

I enjoyed killing them in cold
blood, I know you made me, but I'm
still in charge, don't forget that
shit. Where's Vortex?

XRON

He's on his way to Nebula as we
speak, tracking them down.

CLONE DRACO

I know some didn't come with them.
They're still in the past defending
the base.

(MORE)

CLONE DRACO (CONT'D)

They've more than likely made 3 more time watches, if we get them, we'll be able to fuck up time as we speak...be at ANY point in time as we choose and rewrite our own history.

XRON

Good shit. I'm still amazed that you managed to kill David and Orion.

CLONE DRACO

More bodies will drop in due time. Take my watch and go to the past, say hi to past me for me...and send his sister's head back to me as a fucking trophy, I'll have 2 Fiona's on my wall.

XRON

Sounds like fun, I'll get started.. Overlord.

PANDORA

You're the last person who I want to be with right now.

STELLA

I know what it's like...to...lose someone you love.

PANDORA

If you're trying to relate to me after the shit you pulled in Hawaii, now's not the best time. Not when I just lost one of the best girlfriends I ever had.

STELLA

NO! It is the right fucking time. I feel bad for what happened to Candace even though I didn't know her like that. I lost my mom after she gave birth to me and One thing to take away from this is that our loved ones never truly leave us, they're closer than you think.

Pandora slightly turns her head to her.

PANDORA

Anything else?

STELLA

And...I'm sorry for what I did to you and your friends. I should have just come forth regularly but I was filled with hurt and rage. Everyone had someone to love and I was just... there being out of place.

Pandora turns off her helmet then Victoria fully turns to her.

VICTORIA

I guess...I can relate to that too in some ways. All of My girls need to be protected as much as the guys do. Our team is bigger now than before. There's no one I wouldn't die for if it means to save them because I know they would do the same for me too.

STELLA

So...can you please forgive me for being a total bitch to you and everyone?

VICTORIA

Take off your helmet.

Stella turns off her helmet.

VICTORIA (CONT'D)
 Alright, I forgive you bitch.

The ship lands on the outskirts of the city and locks in place outside of a circle. The rear doors open as Titan walks out first with Zion behind him.

ZION
 It's okay, the planet's air is 90% breathable.

TITAN
 It's a dope planet dude.

ZION
 Thanks, I was next in line to be king but I didn't want the position so they changed their rules for the planet's sake.

LUNA
 It's like we never left.

TITAN
 We gotta be careful though right?

ZION
 No, as far as my planet knows, more than likely they know I'm dead along with Artie and Fiona.

TITAN
 Let's approach with caution. Is this where our kids are?

ZION
 Yup. Let's hope my future daughter is right.

Everyone walks off the ship together and heads towards the floor door. Everyone suddenly stops.

TITAN

Hold up everyone.

A square camera opens slowly from the ground and scans them as a green light appears. It stops after 5 seconds.

FEMALE VOICE

State your name and business.

TITAN

Tyler Williams...Of The Solar Knights.

FEMALE VOICE

Impossible...The Solar Knights are dead.

ZION

We're not your Solar Knights.
We're...from the past.

The voice stops then the camera goes back to the ground. The door rises slowly as everyone takes a few steps back. The circular door rises halfway then locks. A figure comes out slowly and walks up to the team.

Oh Wow.

The figure appears to be Lyra Williams(21), Daughter of Skyler & Carly Williams, very muscular with long black hair, wearing a blue shirt, tight black shorts and blue shoes.

LYRA

Uncle Titan?

Everyone looks at Titan and he deactivates his helmet.

TYLER

Um...yes.

LYRA

(Crying)

Oh my god! I never lost hope uncle!

TYLER

Um...it's okay Miss?

LYRA
 (Emotional)
 I'm sorry...I'm Lyra, daughter of
 Skyler and Carly Williams.

Everyone's eyes widened in shock.

ASTRID
 Now I've seen everything.

LUNA
 She definitely has her looks.

SOLAR STONE
 Wow, she's hot.

Hydro smacks him upside his head.

HYDRO
 (Whispers to him)
 Don't say the obvious thing we're
 thinking of.

He nods in agreement.

LYRA
 Come on, I'll introduce you to the
 kids you guys will have. I can't
 tell you when but just look forward
 to it. Especially my dumbass
 brothers and sisters.

HYDRO
 She Definitely has her mother's
 personality.

TYLER
 And her dad's hair and nose.

Time to get his attention.

Bellatrix uses her staff as she points it at Astro and fires her magic around him, making him invisible.

ASTRO KNIGHT

Just like old times huh?

Astro Knight holds his shield in front of him and he starts walking past the robot guards carefully. He looks forward and sees a beam of light coming from the center of the city.

ASTRO KNIGHT (CONT'D)

Shit, that's probably what's controlling this army. I gotta get there fast, hopefully they placed my girlfriend's body somewhere safe.

He walks in between two armored trucks carefully as he lowers his shield. He runs quickly through the line of robots split into two lines. He flies up into the sky.

EXT. SKY - CONTINUOUS

He flies towards the direction of the beam across the city. He gets struck by a red energy blast suddenly and gets knocked out of the sky.

EXT. ROOFTOP - CONTINUOUS

He slams into a nearby building. He grunts in pain as he struggles to stand up.

ASTRO KNIGHT

What the fuck? How did they detect Bellatrix's magic?

DARK ZERO

(From the distance)

Because they can detect Bellatrix's magic!

Astro looks up and sees Dark Zero hovering above him as lightning strikes in the background. He flies down and lands a few feet from him.

DARK ZERO (CONT'D)

Hello, Past Skyler.

ASTRO KNIGHT

Fuck off, you hurt people who did nothing to you, even your own self!

DARK ZERO

I'm nothing like that pussy, I'm stronger and faster than him. I will conquer all of space and time. I already destroyed this dimension, and I'm gonna enjoy fucking up yours.

ASTRO KNIGHT

You really are a fucking delusional douchebag.

DARK ZERO

He senses danger approaching from above. Dark Zero appears out of thin air and strikes at Astro's shield as he blocks his attack. Astro grunts as Zero's sword strikes down his shield very hard.

In slow motion, Astro gets blown backwards as the energy from the sword creates a massive shockwave. Dark Zero lands and twirls quickly and kicks him from his right side to his right hip.

In slow motion, He performs a jump kick and Kicks Astro in his face and partially breaks off his helmet making him fall to ground again.

He gets up quickly and swings his sword at Zero's right side, catching him off guard making him shout in pain. He struggles to remove the sword but Astro uses all of his strength as their energies collide.

Zero teleports out of the area quickly but Astro Catches him without hesitation. Dark Zero gasps then Astro picks him up and starts punching him super hard with his right fists.

ASTRO KNIGHT
(With anger)
YOU FUCKING KILLED MY FUCKING
FUTURE WIFE MOTHER FUCKER!

He picks him up by his right arm and body slams him into the ground creating a medium crater. Dark Zero punches him off of him then starts punching him in his gut 10 times.

In slow motion, He performs a massive uppercut to his chin as Astro's armor breaks off, sending him in the air.

I must say, I'm impressed to see you fight when you're angry. You and other members are a threat, I'll give you that. You're a virus to my plans, to my life, any last words?

SKYLER

Yeah...you must have forgotten about my other future wife.

He looks confused.

Good, my helmet is gonna take time to regenerate.

PANDORA

Hold on.

She quickly Blocks Draco's punches from his gauntlets as he fails to punch her while her flail shields her. Skyler looks at her in amazement.
