EXT. PLANET TARA - MORNING

Darkness and lightning storms loom across the ruined planet of Planet Tara. BAM! The big muscular green scaly alien, Zion slams back into debris as he growls in anger, badly wounded.

He fixes his gaze upwards and sees 2 female heroes, mid 20s, Diamond Dynasty, in silver and turquoise knight armor, adorned with a diamond emblem at the center, and Bellatrix, wearing Excalibur metallic armor as the colors appear to be mixed with White and black as she holds a white and black sword.

BELLATRIX

Is he always this stubborn babe?

DIAMOND DYNASTY

Unfortunately, yes, I grew up with him.

BELLATRIX

I'm telling Dragon about this.

Zion ignites both of his claws, and he charges headfirst for them. Bellatrix stands ready as her magical aura forms across her body as she braces herself, Diamond generates a massive diamond encrusted sword from her hands as it channels blue lightning across her body.

Zion runs faster as small breathes of fire comes from his nose. Suddenly, BOOM! Everyone gets blown away by a massive beam of white light, Zion gazes up at the beam in shock as he clenches his right fist. The girls also gaze up at the beam as they stand up quickly with their swords in their hands.

After the beam concludes, a woman emerges.

She possesses dark purple hair and is adorned in a samurai cloak with knight armor that combines the colors black and purple. The cloak is covered with Chinese symbols. In her right hand, she holds a sword that is a blend of black, white, and purple colors. The sword emits a radiant purple fiery aura. She pivots her head slowly as she glances at Zion, he looks confused yet amazed at the figure's appearance.

INT. GUEST BEDROOM - MORNING - HONOLULU, HAWAII

Dexter Wilson, mid-30s, currently adorned with a muscular build and possesses long, black hair flowing down to his shoulders, maintaining his human appearance as he sleeps peacefully. He suddenly tosses and turns in his sleep and begins pulling on the sheets. He breathes in and out slowly as he lets' out a moan, getting awoken from his sleep.

DEXTER

(Moaning)

Oh shit!

He fully opens his eyes as he has a sudden orgasm and moans loudly, he slightly sits up to see a female body underneath the sheets down to his private area moving her head up and down. He flops back and chuckles.

DEXTER (CONT'D)

You damn sure know how to wake me up in the morning Lexie.

The beautiful and stunning woman appears to be Alexis Anderson, late 20s, now with black hair, completely naked, crawls up to him as she licks her lips.

ALEXIS

Yes, I fucking do baby.

He smiles.

DEXTER

You know if Bethany found out about our extendable dicks and our ability to split em into multiple dicks, we'd be in trouble.

ALEXIS

I know, which is why I haven't told her. That's my secret, Luckily Crissy or Artie haven't ruined it.

DEXTER

I've been thinking lately.

ALEXIS

About moving back to Earth?

DEXTER

Yeah, I mean, we helped rebuild Nebula over the years and...I'm ready to have a family with you.

She giggles.

ALEXIS

You know we still have to have a wedding first babe.

DEXTER

I know, I'm just...I'm just really glad to have you in my life. I wouldn't trade this for anything.

She appears shocked at first, but then her face flushes a bright red with embarrassment. Quickly looking away from him, she rests her head on his chest as he chuckles.

ALEXIS

(Flustered)

D...Dumbass...making me blush and shit.

DEXTER

Oh yeah? What are you gonna do about it?

She swiftly nibbles on his right nipple, eliciting a soft moan from him, before proceeding to simultaneously lick and suck. She then rapidly pinches his other nipple, causing him to moan even louder.

ALEXIS

I actually wanna talk to you about that, I-

DEXTER

Wanna come back to Earth?

She looks stunned by his response.

ALEXIS

Yes, I do. Beth and I have been talking about it for a while and we both want to raise our families in a proper environment whenever we start one and we already helped rebuild nebula and we defeated Draco's brother in the process so-

DEXTER

I agree.

ALEXIS

You do?

DEXTER

Yeah, I still have family here too. Karla is a big girl and can handle herself with the girls and Dragon, luckily, I still have good connections with the FBI so I can come back at any time. So I'm down for it babe.

She smiles.

ALEXIS

I'm so fucking happy right now, thank you baby.

She embraces him firmly and he reciprocates, pressing a gentle kiss onto her left cheek then he let's go of her.

DEXTER

I wonder how my family is gonna handle meeting you today.

ALEXIS

I guess we'll find out, won't we?

Dexter smirks, and he and Alexis turn their heads to witness Maya and Teresa cheering with enthusiasm. Maya jumps around in excitement, while Shawn appears perplexed as he gazes at the screen in defeat.

KARLA

Hey baby.

CRYSTAL

Hey my boo.

KARLA

I'm already nervous for today.

CRYSTAL

Don't be, remember, they're your family, if they love you, they'll accept this side of you and I'm gonna be right there by your side.

KARLA

I know, a part of me still thinks that Zion hasn't accepted that fact that I'm in a poly relationship either.

CRYSTAL

Of course he's not going too at first, he's your brother, but like I said, the truth is better than keeping a secret that'll haunt you. Plus, if he fucks up, I'm telling Dragon.

Karla giggles.

KARLA

Thanks for doing this for me hun.

CRYSTAL

You know I got you baby. You did a lot for Dragon and Nebula, you're such a strong and beautiful bitch.

KARLA

Don't talk like that, you're playing with fire with me baby.

CRYSTAL

I do love to start fires with my girls.

Karla laughs.

KARLA

Then help me put this one out then babe.

CRYSTAL

Oh, I definitely will baby.

Crystal and Karla share a passionate kiss while Crystal takes the lead and gently squeezes Karla's chest, eliciting a soft moan from her.

KARLA

(Whispering)

Quietly, my parents are probably still sleeping.

Crystal nods and slips under the sheets down to Karla's waist. As Karla covered her mouth, pulling on Crystal's hair, Crystal starts to lick inside her, causing her to moan.

However, she soon muffles her own sounds by covering her mouth.

Song fades.

CUT TO:

ZORAX

(In the background)

I didn't forget!

VEXAR

(To herself)

He's gonna forget.

Zorax stands on the ladder as he has a hammer in his right hand then he proceeds to use it as he slams it into the wall forgetting his own strength then he accidentally falls off the ladder and hits the ground, she rolls her eyes already ignored.

VEXAR (CONT'D)

(Annoyed)

Dumb Accident pronged ass.

ZORAX

(In the background)

I'm good!

VEXAR

Honey, we have to make sure that Zion has a good time while he's here.

Zorax walks into the kitchen while holding his hip then he looks into the fridge.

ZORAX

I know, you shouldn't have pushed him so hard when he was a kid otherwise, he would have embraced his true name.

She sighs.

VEXAR

Don't remind me, plus he's bringing his girlfriend.

(MORE)

VEXAR (CONT'D)

I have to make sure I leave a good impression on her too.

He discovers a cold brew coffee, then approaches her after shutting the refrigerator door.

ZORAX

Relax, I'm sure it'll go smooth. At least Karla is in her right mind.

VEXAR

Yeah, her friend is nice, weirdly close with her but she's nice.

ZORAX

That's how best friends work. Maybe if we're lucky, Zion will give us a grandson or granddaughter before she will.

Vexar chuckles.

VEXAR

Well fingers crossed.

ZORAX

You know we'll have to tell them about...the other thing, right?

Vexar looks at him.

VEXAR

Honey...we talked about this.

ZORAX

I know but you know there's a war coming. It's only a matter of time.

VEXAR

Don't...just don't. We did what we have to do but when the time is right, we'll tell them, I promise okay?

He nods agreement then he kisses her forehead, and she smiles softly then he walks off and he smacks her butt, causing her to squeal.

When he hears rustling in his room, he positions himself against the bedroom door, gun at the ready, prepared to investigate. With determination, he kicks open the door.

DEXTER (CONT'D)

(Shouts)

FREEZE MOTHERFUCKER!

His eyes grew wide with surprise as he lowered his weapon.

DEXTER (CONT'D)

Lexie?

The suspect seems to be Alexis Anderson when she glances back at Dexter.

ALEXIS

Hey Dex, I just came to talk.

CUT TO:

OUT OF FLASHBACK

Alexis snaps out of her thoughts.

DEXTER

There was a better way that
situation could have gone down.

ALEXIS

Yeah, but Beth wanted to see you
fight since you didn't join the
knights during their live stream
fight from the knight base.

DEXTER

I couldn't risk anyone knowing my
true identity at the time since I
worked with the FBI.

She faces him, and they lean in close, placing their heads together to look deeply into each other's eyes.

ALEXIS

No matter what happens, even if the Olympian war is truly coming, I don't regret meeting you one bit.

He smiles as he strokes her cheeks gently.

DEXTER

Neither do I.

As they engage in a passionate kiss, he firmly grasps her butt while they embrace. They lean back gently to look at each other.

Vexar, wearing a green dress and black earrings, walks into the living room from the kitchen and looks at the decorations.

VEXAR

That's perfect.

Zorax gazes at her, his jaw dropping in astonishment.

VEXAR (CONT'D)

Close your mouth dear, that's how we winded up with Karla.

Suddenly coming back from his daydreaming, he strolls towards her to join her, standing alongside to admire the decorations together.

VEXAR (CONT'D)

Good work, I hope he'll accept my apology.

He looks at her.

ZORAX

Don't worry, he will. Our boy is strong.

VEXAR

And my girl.

They glance back into the kitchen to see Karla and Crystal playfully throwing streamers at each other.

VEXAR (CONT'D)

They're awfully close for "best friends" aren't they?

ZORAX

I noticed that too, but hey, as long as we get grandkids in the future, I'll be okay.

After kissing her forehead, he heads upstairs. She briefly looks at his butt before following him, but her attention shifts back towards Karla and Crystal.

TERESA

Don't worry, it's gonna be okay, and your sister is here so she'll back you up.

He sighs.

DEXTER
Thanks Teresa.

Maya looks at him.

MAYA
Hey, I know what it's like to be away from home for a while...a long while. When I accidentally came to Ridon, I was taken in by Hendrix's adopted family. What I'm trying to say is, cherish your moments together and let go of your past, everyone is capable of redemption and growth in some way.

He looks amazed by her response then he glances at Teresa.

TERESA
I know right? Strong, Beautiful, and all mine.

Maya blushes, gripping her hand tightly as she turns her gaze away. Dexter smirks.

DEXTER
Thanks Maya, I hope our friends can meet one day.

She snaps out of her daydreaming.

MAYA
Well, with that Olympian bullshit about to happen, it looks like it'll come true.

Shawn beeps his car horn and waves from the window, the girls wave back before turning back to Dexter and Alexis.

TERESA
Did you already say bye to Shawn?

DEXTER
Yeah, have fun on your trip girls.

TERESA
We damn sure will, good luck you two.

Teresa and Maya embrace Dexter and Alexis simultaneously before leaving with a wave, then head back to Shawn.

Shawn honks his car one more time and waves to Dexter and Alexis then they wave back at him. As Shawn drives off with the girls, Alexis looks toward the house then back at Dexter.

ALEXIS

Ready?

DEXTER

Yeah.

They walk up to the house together with their luggage in their hands. They walk up to the backdoor, Dexter knocks 4 times then Karla quickly answers the door.

DEXTER

Um, mom?

VEXAR

(Crying)

Just let me have this moment
honey...please.

As Alexis approaches Crystal, Karla, and Zorax, he eases the tension in his face and embraces her tightly. Zorax appears confused by Alexis's arrival.

ZORAX

You must be Zion's girlfriend.

She glances at him.

ALEXIS

Yes sir, it's nice to meet you. I'm
a big fan of your son.

They shake hands as Karla and Crystal watch Dexter hug his mom.

ZORAX

DEXTER

Yeah, we're bringing Wally and Beth with us too.

VEXAR

You made a big move, well multiple big moves, Leaving Nebula, living on Earth, leaving Earth, living on Nebula. What changed over the years with you?

She sighs and covers her eyes, completely disappointed.

VEXAR

I really don't know what came over

Then why did you attack me?

NAOMI

I needed no witnesses, you would have told on me.

NAOMI

Maybe Hercules will still be happy that he has a knight in his possession too.

ALEXIS

Hercules? As in Son of Zeus Hercules?

NAOMI

Hm, you do have some brains up there, maybe I can use you for myself.

She stands up and straps her sword back to her back.

Wait, what are you going to do with Zion's parents? Why didn't you kill me?

NAOMI

Zion's family was my mission, dead or alive for stealing a powerful weapon from the underworld and I intend on retrieving it so they can have their war.

He gasps.

ZORAX

How dare you use sex against me!

VEXAR

Do I ever joke around about not wanting to fuck though?

He thinks to himself for a moment.

VEXAR (CONT'D)

Babe!

ZORAX

(Shouts)

Alright! Alright! Shit! I can't believe I'm doing this.

He jumps over the ledge and heads towards Cerberus as Vexar follows suit, jumping over the ledge and running in the opposite direction. Vexar pulls out her green and black gun as she runs head first behind the gate.

As Cerberus begins to turn around, a rock is suddenly thrown at him then he glances back to see Zorax standing there frozen in fear.

ZORAX (CONT'D)

I should have thought that through.

Cerberus growls at him.

CEBEREUS
(Shouts)
YOU DO NOT BELONG HERE!

With a mighty roar, he sends Zorax running in fear as Cerberus chases after him.

CUT TO:

INT. HADES CASTLE

With a grunt, Vexar opens a side door and casts her gaze around the area. Retrieving a flashlight from her left pocket, she turns it on and proceeds to scan the surroundings.

Following that, she removes a small tablet from her left pocket and begins to follow the given directions before shutting the door behind her.

As she walks further into the castle, the tablet beeps as she gets closer to the destination. As she walks further into the hall, the directions lead her to the left of a clear wall.

She feels around her a secret button then she finds one towards the bottom, she presses it and the wall transforms into a "A" as the line within the a pops out, it reveals a black weapons case with the key attached to it. She takes the key off and unlocks it, as she opens it, it reveals the necklace with a "Z" attached to it.

VEXAR
And bingo was his nameo.

She smirks in satisfaction.

CUT TO:

OUT OF FLASHBACK

INT. PRISON CHAMBER #2

Vexar and Zorax, wearing green robes, are sitting next to each other as they nap.

FEMALE AI SHIP
Ship has arrived to Planet Tara.

They wake up at the same time as Zorax wipes the slob from his mouth with his shoulder.

ZORAX
Oh, we made it somewhere.

VEXAR
No shit babe.

The door opens as Naomi, wearing a dark purple jumpsuit and black gloves, walks into the room with weapons strapped to her back.

ZORAX
(Amazed)
You look less scary without your armor.

Vexar elbows him in his left arm.

ZORAX (CONT'D)
Ow! It wasn't meant to sound weird hun!

NAOMI
Anata wa watashi ni shirubeki koto
o oshiete kurerudeshou.

SUBTITLE: You are going to tell me what I need to know.

VEXAR
(Shouts, Annoyed)
We don't know your language! Can you please speak plain English like us?

Naomi looks at her and chuckles. She quickly withdraws a sword from her backstrap and aims it at her neck, startling both of them.

NAOMI
I guess I can talk normal for a while.

They look at her amazed at the same time.

ZORAX
And she has a soothing voice, see it's always the hot ones that are the fucking supervillains, every single fucking time I-

She turns and aims the sword for him.

ZORAX (CONT'D)

And for that I'll shut the fuck up.

NAOMI

Now, I'm a woman of time and business so can you please just tell me where exactly did you hide it?

ZORAX

You're going to need to be more specific than that.

NAOMI

Where is "The Thunder Buster"?

VEXAR

What kind of name is that for a weapon?

Naomi gives her a strong backhand smack to her face, as she grunts with aggression, Vexar inhales deeply then exhales, she chuckles then turns back to face her with a slightly bloody handprint on her face.

VEXAR (CONT'D)

Really?

NAOMI

I'm really in the joking mood, my contact will be here momentarily and I need this information now.

VEXAR

It's gonna be a disappointing payday for you then sugar tits.

She punches her in the face extremely hard, knocking out some of her teeth.

ZORAX

Alright! Alright! I'll tell you where it is just don't hurt my wife anymore!

Vexar struggles to look at him.

VEXAR

Babe, don't you fucking dare tell her!

Naomi drops her sword then she grabs Vexar by her neck then she slams her into the wall as she yells out in pain.

NAOMI

Tell me where the weapon is or I'll
kill this bitch right now where she
is.

Vexar lets out a cry of pain while attempting to deliver a kick to her opponent. Naomi forcefully begins to choke her, causing intense discomfort. Zorax appears concerned and hesitant to speak, he has a worried look on his face. Vexar struggles to turn her head to him but Naomi chokes her even harder as her face turns purple.

ZORAX

(Shouts)

IT'S WITH MY KIDS!

Naomi drops Vexar as she struggles to gasp for air. She walks over to him and kneels down in front of him as she puts on her silver sharp brass knuckles then she aims her left fist at his head, he closes his eyes.

ZORAX (CONT'D)

I swear...they're with my kids but
they don't know they have it.

She scoffs.

NAOMI

Then if they have it and they don't
know, it means they're more than
likely coming to me to find you.

Without hesitation, she BRUTALLY punches him in his thighs with both fists, causing him to cry out in pain then she headbutts him extremely hard twice to knock him out as his nose bleeds, then she gets up and walks over to Vexar and pulls her by her hair as she drags her over to him then she throws her on top of him. She shakes her in head in disappointment.

NAOMI (CONT'D)

All of this shit could have been
avoided if you just spoke up
sooner.

She picks up her bag of weapons then she walks out of the room. Vexar cries as she turns around slightly to look at Zorax's unconscious body and she starts crying in heartbreak.

CUT TO:

INT. BEDROOM - THE KNIGHT SHIP - NIGHT

Karla and Crystal are holding each other close, gently running their fingers through each other's hair as they look into each other's eyes.

CRYSTAL

Am I really that dangerous babe?

KARLA

No the fuck you're not, My brother is just being a dramatic dick.

CRYSTAL

What if I hurt you?

KARLA

You won't. I know for a fact that you two will get along just like how everyone else does. You have to be real patient with him, he went through a lot when he was a kid, I was there before he left too and it was intense, it's hard for him to willingly trust people.

CRYSTAL

I guess I can relate, I just don't want this to fuck up our relationship.

KARLA

From the bottom of my heart baby, I promise you that it won't.

Crystal smirks.

CRYSTAL

You love me that much huh?

KARLA

I'm pretty sure it's obvious by now dumbass.

"No Ordinary Love" by Sade starts playing.

After a brief chuckle, they exchange serious looks and embrace in a heartfelt and intense kiss. Karla gets on top Crystal, and they softly moan in between kisses. Crystal quickly removes Karla's bra and panties as Karla gently kisses her neck.

SKIP TO:

NO SFX - JUST MUSIC

Crystal moans in ecstasy while gripping Karla's head tightly between her thighs, feeling the deep sensation as Karla passionately licks her.

SKIP TO:

Karla's body undergoes a dramatic change as her lower half morphs into a captivating green reptilian appearance, with a tail appearing above her buttocks. Crystal firmly squeezes her buttocks while they begin rubbing their genitals against each other.

SKIP TO:

Crystal's moans of ecstasy grow louder as they move their bodies together more forcefully, while Karla's fangs emerge from her mouth and she sinks them into Crystal's neck.

Crystal then tightens her grip around Karla's waist and pulls on the bedsheets. She screams "OH FUCKING SHIT!" in between Karl's rough thrusting.

SKIP TO:

Karla pleasures Crystal from behind, eliciting more moans of ecstasy as she grasps the bedsheets and experiences intense orgasms, while Karl's tail wags in delight.

Song fades.

EXT. OUTSIDE OF PLANET TARA - SPACE

TEXT ON SCREEN: PLANET TARA

Across the abandoned planet, darkness reigns and lightning storms rage on the massive world. The knight ship flies out of hyper speed and has a course headed straight for the planet.

CUT TO:

INT. COCKPIT - THE KNIGHT SHIP

Dexter, dressed in casual clothing, listens to music from his phone as he watches the ship enter the planet's atmosphere.

CUT TO:

FLASHBACK - INT. HANGAR - DARK ZERO CORPS - PLANET NEBULA - NIGHT

INT. SHIP

Karla slides into the ship with Zion as she runs up to him and hugs him tightly and he hugs her back tightly as they cry.

KARLA

(Crying)

I know why you're leaving big brother, don't worry about me.

ZION

(Crying)

You could come with me.

KARLA

(Crying)

No, go...you need to live, they won't listen to you and it's not fair.

They look at each other.

ZION

(Crying)

We'll meet again.

KARLA

(Crying)

I Know we will big brother.

He hands her a family photo, which she accepts, and they give each other another strong hug before she heads out.

VEXAR

(Shouts)

ZION!

He looks forward at his parents as Karla slides down back to them.

VEXAR (CONT'D)

(Shouts)

HONEY PLEASE DON'T GO!

DEXTER

(Shouts)

SCREW ALL OF YOU EXCEPT FOR MY SISTER AND DRAGON!

VEXAR

(Shouts)

I'M SORRY! PLEASE FORGIVE ME! YOU
DON'T HAVE TO LEAVE!

DEXTER

(Shouts)

YOU SHOULD HAVE THOUGHT ABOUT THAT
SHIT BEFOREHAND BITCH!

As he shuts the door, he skillfully maneuvers the ship to retreat from the ledge. Seeking comfort, he steals a final glance at Karla, who nods in assurance. In response, he nods back before soaring into the sky as the ships' blast blows everyone back making them fall, while Karla remains unaffected, observing the spectacle.

KARLA

Good luck big brother...I love you.

CUT TO:

OUT OF FLASHBACK

Dexter's train of thought is interrupted as he witnesses the ship descending into the planet's atmosphere. Karla and Crystal, wearing robes, emerge from their rooms with disheveled hair and approach him with a sense of urgency. He glances at them once, then again, noticing their tousled hair which suggests they have just engaged in sexual activity.

KARLA

Don't say shit about this, what's
going on?

He snaps out of it.

DEXTER

It looks like we're here, I'm going
to turn the ship off of auto pilot
then I'm landing it.

KARLA

Good, we need to get ready, come on
babe.

With a nod of agreement from Crystal, they quickly run back to the room in unison. Dexter, in a state of disbelief, shakes his head. Not aware to him, his necklace begins to glow bright white as soon as they emerge in the planets' atmosphere.

CUT TO:

EXT. SKY

The Knight ship flies above the ruins of the destroyed and abandoned Planet Tara.

CUT TO:

INT. THE KNIGHT SHIP

Karla and Crystal, adorned in their superhero attire, along with Dexter in his casual attire, gaze in wonder at the intense surroundings of the planet. Crystal's attention shifts towards Dexter, and she becomes confused upon noticing the bright glow shining from his necklace.

CUT TO:

EXT. THE KNIGHT SHIP - PLANET TARA

As Dexter carefully operates the controls, the ship touches down firmly, completing a successful landing. The ships' rear doors open wide as Dexter leads Karla and Crystal.

DEXTER

The planets' atmosphere is 50% breathable so be careful, don't wander too far in some areas.

Everyone walks together as Dexter pulls out his flashlight to point the way.

KARLA

I heard about this planet, rumors have it that "The Olympians" used to have their battles here a long time ago, they didn't care about the species that lived here, this planet was just big enough for them to fight on.

DEXTER

That doesn't surprise me. The fact that one of the monsters from the underworld was willing to fuck up Paris just to come after the girls really speaks volumes.

KARLA

We don't even know what she wants with mom and dad, and she has Lexie too.

He stops walking and sighs.

DEXTER

I know, I wish I knew what it was.

CRYSTAL

Dex, what's around your neck?

He looks down at the necklace.

DEXTER

Oh, it's something that my mom gave me before they got taken, I didn't even notice that it's been glowing.

CRYSTAL

Can I see it? I won't break it I promise.

He thinks about it for a few seconds then he nods.

DEXTER

Alright.

Taking it off, he hands it over to her, and she accepts it gracefully. As she carefully analyzes the necklace, her eyes undergo an incredible change, turning into a deep blue color, and emitting a radiant beam of blue light.

CRYSTAL

(Amazed)

Oh shit.

She turns off the lights from her eyes then looks at him.

CRYSTAL (CONT'D)

Dex, I have something to show you.

DEXTER

What?

Tapping a small button located at the edge of the "Z" pendant, she witnesses a breathtaking sight. The pendant shifts from a small Z into a massive lightning bolt, causing everyone to step back in astonishment. The lightning bolt changes to a dark golden color, then into a dark golden shotgun, finishing its transformation before dropping to the ground.

KARLA

(In shock)

OH-

DEXTER
(In shock)
FUCK!

A plume of fresh smoke rises from the Thunder Buster.

DEXTER (CONT'D)
(Confused)
What the fuck is that?

KARLA
It's...a lightning bolt? A gun?

CRYSTAL
No...this is something related to
"The Olympians", we need to get rid
of this.

DEXTER
Are you insane? This probably what
Naomi is after, we need a plan. She
probably wants us to trade this for
our family and Lexie.

CRYSTAL
We need to get rid of it, this
doesn't belong to us, plus we're
not far from her ship and we can
just go there right now, kill the
bitch, and save your family and
Lexie.

KARLA
I actually agree with Crissy on
this.

DEXTER
I Swear I'm the only one with
common sense here today.

KARLA
Big brother please, we don't know
what that weapon is capable of or
why the fuck did mom give it to you
for sure, but we need to get rid of
it.

Dexter takes a few steps back from them in disbelief.

DEXTER
You're going to see that you should
have listened to me.

Crystal scoffs.

CRYSTAL

I Knew this was a long shot,
there's no way that he would have
went along with this.

DEXTER

What are you talking about?

Karla sighs.

KARLA

We should have told you from the
beginning...It was intended on mom
to make up with you but she also
had a plan to give you the weapon
in case that they were being hunted
down.

DEXTER

(Confused)

What the fuck?

KARLA

She told me and Crissy when we got
there Before you did.

CUT TO:

FLASHBACK - INT. ZION AND KARLA'S PARENTS HOME - MORNING

Vexar and Zorax sit on the couch together with Karla and
Crystal as everyone is dressed in their pajamas.

KARLA

What is this about mom?

VEXAR

Your father and I have something
important to discuss with you. We
know that the Olympians are
starting a war with you all,
including other beings that we
don't know about, we want to do
everything in our power to help you
guys and also make it up to Zion
but it won't be an easy task.

ZORAX

We are aware that you all are apart of the team "The Solar Knights", so we have a proposition for you guys...just in case if something happens, we're going to give a weapon that we stole from the underworld to Dexter.

KARLA

How will he come into this?

ZORAX

Your mother will have to decide whether or not to inform him. If she decides against it, the assassin chasing us will catch up and potentially kidnap or kill us. However, she will most likely choose to abduct us to lure you into pursuing us. In order to win this war, we had to journey to Hades' castle in the underworld, bypass Cerberus, and locate Ares' concealed armory to obtain the thunder buster. Even though I prefer she'd tell him anyway so she doesn't kidnap us.

VEXAR

She's going too either way if I tell him or not, she's a fucking psychotic assassin, DEAD OR ALIVE dumbass!

ZORAX

Not the time hun.

CRYSTAL

He's not going to go for it, he's tough but he's not going to go for it.

VEXAR

We know it'll be hard for him to accept this but...please remember what's at stake, get rid of the weapon for us and use it to your advantage for the war, can you girls do that?

They look at each other and nod in agreement then they look back at them.

KARLA
We'll try our best.

CUT TO:

OUT OF FLASHBACK

Dexter observes both of them with disbelief and confusion.

KARLA
Zion, just breathe.

DEXTER
Fuck off! You fucking weren't going
to tell me until later!

KARLA
We didn't know how you were gonna
take it but we're going to keep
that weapon for ourselves to help
the knights.

DEXTER
(Shouts)
We need to save them!

Karla snickers, growing frustrated.

KARLA
I know this fucker didn't just
raise his voice at me.

DEXTER
I just did...so what do you wanna
do?

KARLA
Don't even think about it.

Dexter looks at the weapon quickly and Karla and Crystal notice, reacting fast, he transforms into his superhero alter ego Zion and runs off with the weapon.

KARLA (CONT'D)
(Shouts)
UGH! DAMN IT!

Karla and Crystal quickly become Diamond Dynasty, in silver and turquoise knight armor, adorned with a diamond emblem at the center and Bellatrix, wearing Excalibur metallic armor as the colors appear to be mixed with White and black as she holds a white and black sword then they take flight after him, leaving a massive crater behind.

A cinematic cover of "Bad Blood" by Taylor Swift ft Kendrick Lamar starts playing.

EXT. PLANET TARA - CONTINUOUS

Zion, now in his big muscular reptilian superhero form, runs off immediately with the thunder buster across the landscape as he growls.

Bellatrix fires blue energy blasts from her hands but Zion quickly jumps and twirls as he dodges her blasts. Diamond creates a diamond shield from out of the ground to stop him in his track but he quickly jumps over it with ease, but with quick thinking, her and Bellatrix use their energy blast on him at the same time.

Out of nowhere, an energy beam from Bellatrix hits him in the back, causing him to suddenly stop running. He presses the button on the end, transforming it back into a necklace, which he quickly puts on.

Bellatrix and Diamond crash onto the ground behind him, leading him to turn around quickly and unleash a roar of anger towards them.

Bellatrix quickly approaches him, ready to deliver a right hook, but Zion swiftly strikes her in the face, taking her by surprise and causing her to fall to the ground. After getting back up, the two engage in a fierce exchange of punches to the face and uppercuts.

With a forceful stomp, Bellatrix crushes his feet, causing him to roar in agony. In response, he sinks his teeth into her neck. Seizing the opportunity, he tackles her and relentlessly stomps her into the ground with powerful force, repeating the action multiple times.

Upon Diamond's entrance, she ambushes him from behind and executes a forceful body slam. Following this, she aggressively stomps on his private area and restrains him using diamond chains. Bellatrix then emerges with great fury from the ground and delivers a powerful punch to his gut, resulting in a slight earthquake.

Upon being attacked by Bellatrix, Zion's anger intensifies as he successfully breaks free from Diamond's strong chains. Diamond gasps in astonishment as he swiftly kicks Bellatrix away from him.

ZION
(Shouts)
I'M FUCKING DONE WITH YOU!

With his right hand, he firmly grasps Diamond and propels towards a nearby rock formation, forcefully smashing her into it. The impact causes her to let out a piercing scream of agony. In a brutal display of strength, Zion relentlessly delivers powerful punches across her body, simultaneously shattering fragments of the rock formation.

Bellatrix flies at Zion at full speed as she lets out a battle cry while charging her hand with powerful blue energy from her hands, In slow motion, Zion reacts quickly and performs a strong right hook punch to her gut making Bellatrix cough up blood in the process.

BOOM! She gets sent flying away from him but Diamond regains consciousness and stabs him in the left side of his chest with a diamond spear as she breathes heavily while looking at him fueled with anger.

DIAMOND DYNASTY

(Shouts)

Can we please just talk about this?!

He catches himself from tumbling.

ZION

(Shouts)

FUCK NO! I'M DONE TALKING!

He breathes fire at her but she reacts fast and creates a powerful diamond shield to protect herself, he beats on his chest and runs for her at full speed, he jumps in the air preparing to strike her shield but Bellatrix flies in to save her right on time by savagely kicking him in the face with her right foot, sending him flying away from her.

BAM! Zion slams back into debris as he growls in anger, badly wounded. He fixes his gaze upwards and sees Diamond and Bellatrix standing together.

BELLATRIX

Is he always this stubborn babe?

DIAMOND DYNASTY

Unfortunately, yes, I grew up with him.

BELLATRIX

I'm telling Dragon about this.

She turns her attention to Zion.

BELLATRIX (CONT'D)
 (Shouts to Zion)
 COME ON! WE DON'T HAVE TIME FOR
 THIS! PLEASE JUST STAND DOWN!

ZION
 (Shouts back)
 FUCK YOU!

Zion ignites both of his claws, and he charges headfirst for them. Bellatrix stands ready as her magical aura forms across her body as she braces herself, Diamond generates a massive diamond encrusted sword from her hands as it channels blue lightning across her body.

Zion ignites both of his claws, and he charges headfirst for them. Bellatrix stands ready as her magical aura forms across her body as she braces herself, Diamond generates a massive diamond encrusted sword from her hands as it channels blue lightning across her body.

Zion runs faster as small breathes of fire comes from his nose.

Song cuts.

Suddenly, BOOM! Everyone gets blown away by a massive beam of white light, Zion gazes up at the beam in shock as he clenches his right fist. The girls also gaze up at the beam as they stand up quickly with their swords in their hands.

After the beam concludes, a woman emerges.

She possesses dark purple hair and is adorned in a samurai cloak with knight armor that combines the colors black and purple. The cloak is covered with Chinese symbols. In her right hand, she holds a sword that is a blend of black, white, and purple colors. The sword emits a radiant purple fiery aura. She pivots her head slowly as she glances at Zion, he looks confused yet amazed at the figure's appearance.

ZION (CONT'D)

Slowly lifting her head, her eyes glint with dark purple lightning, hidden behind a completely covered face. She gives an evil chuckle as a thunderstorm starts raging above her.

Bellatrix gasps in shock as she looks at the figure.

BELLATRIX

Ronin glances back as she turns her attention to Bellatrix, she stands up slowly as she keeps chuckling.

Zion roars in anger and prepares to throw a punch at her but without warning, she holds her hand up without a flinch creating a powerful purple energy barrier, stopping him in his path.

She looks back at Diamond and Bellatrix with an evil smirk.

Taking everyone by surprise, she mercilessly stabs Zion in the left side of his chest, leaving him wide-eyed with shock.

Reacting quickly, Bellatrix and Diamond quickly switch off their helmets.

KARLA
(Shouts, Emotionally)
ZION!!!

Ronin glances back to them.

RONIN
Remember this meeting...Knights.

She throws Zion away from them as she pulls her blade out of him then she punches the ground, creating a smoke cloud and she disappears.

INT. MEDICAL ROOM - THE KNIGHT SHIP - A FEW HOURS LATER

Dexter, in his human form, lies in a hospital bed, heavily injured and wrapped in bandages, while the monitor emits a steady beep. Karla and Crystal are seated beside him, with Karla sobbing and hiding her eyes, resting her head on Crystal's shoulder.

KARLA
(Crying)
This is my fucking fault!

CRYSTAL
Shh, it's not your fault, we didn't truly know what we were getting ourselves into.
(MORE)

CRYSTAL (CONT'D)

We definitely underestimated how strong this chick is, hell she even led an army into battle.

KARLA

(Crying)

I gotta make it up to him.

CRYSTAL

We both do babe. I know we were hard on him but she didn't have to do that shit.

Karla wipes her face as she sits up and she calms down and breathes in and out slowly.

KARLA

I'm gonna make a call, I'll be back.

Crystal nods, followed by Karla planting a gentle kiss on her forehead before walking away. She then takes hold of his left hand, gazing at him with a sense of guilt.

CRYSTAL

I know you probably hear me...I know you were scared to take me on back in New York, you were originally assigned to me by Laura, but you saw my footage and called Dragon instead. I know now what you were trying to do...you were trying to bring us together because you were on Earth longer than him. You know what it means to be human. I didn't have that much of a good past myself dealing with appearance, I was bullied for my weight and caused harm to myself, but...I'm sure you can remember that from the court hearing. I know how dangerous I can be, but I do love your sister Zion, in my eyes, she's not just another girl to fuck with, she's special among everyone else. She means the world to me and there's nothing I wouldn't do for her. I know you would lose your shit if something were to happen to her, but I can promise you...for as long as I live, that I will fight for her with everything that I have.

(MORE)

CRYSTAL (CONT'D)

Some people can be redeemed, some can't, but you definitely redeemed me...lizard boy, so thank you.

She leans up to him and kisses his forehead softly then she walks out of the room.

CUT TO:

EXT. HALLWAY

Crystal wipes away her tears, only to be caught off guard by Karla, who pulls her to the side and engages in a deep, unexpected kiss. Initially shocked, Crystal gradually eases into the moment and returns the affection. They eventually break apart, their gazes locked in a meaningful exchange.

KARLA

Thank you baby.

CRYSTAL

No problem baby.

Karla blushes as she takes his hand, and together they make their way back to their bedroom.

CUT TO:

INT. PRISON CHAMBER - RONIN'S SHIP

Alexis, without handcuffs, scans the room with a bored expression on her face.

ALEXIS

(In her mind)

I wanna break out of here but I'm afraid that this bitch will kill me on sight.

She looks to her left and sees a window with bars on it as thunder reigns outside. She walks over to the window and sees the darkness of Planet Tara, she sighs.

ALEXIS (CONT'D)

(In her mind)

Great, now I damn sure don't know where the fuck I am. I still want to know how exactly am I pregnant.

Her stomach gurgles then she covers her mouth.

ALEXIS (CONT'D)
 (In her mind)
Oh shit!

She runs away and proceeds to vomit.

ALEXIS (CONT'D)
 (In her mind)
Welp, that's definitely one way.

ZORAX
 (In the distance)
 Alexis?

Startled, Alexis sits up and gazes around in confusion as she wipes her mouth, trying to locate the voice.

ALEXIS
 (Confused)
 Mister Juniper?

ZORAX
 (In the distance)
 Yes! Follow my voice!

After standing up, she runs towards the wall, glances below, and discovers a small hole. Following this, she crawls down and starts talking through it, The scene transitions into a split screen.

SPLIT SCREEN:

INT. PRISON CHAMBER/PRISON CHAMBER #2

ALEXIS
 (Amazed)
 Mister Juniper!

ZORAX
 (Behind the wall)
 Lexie! Thank goodness you're okay!

VEXAR
 (Behind the wall)
 I thought I heard her voice but I wasn't too sure.

ALEXIS
 Are you guys okay?

VEXAR

(Behind the wall)
 Could be better, we're fucked up
 but we're alive for now.

ALEXIS

It looks like we're on a very dark
 planet with lightning storms.

BOTH OF THEM

(Behind the wall)
 Tara!

ZORAX

(Behind the wall)
 Ugh fuck! This is the last place I
 want to be.

ALEXIS

Before I threw up, I saw a small
 glance of the knight ship in the
 distance, it looks like they made
 it.

VEXAR

(Behind the wall)
 So they made it, that's great and
 bad but also It Sounds like you're
 pregnant honey.

ZORAX

(Behind the wall)
 Definitely pregnant, I'm gonna be a
 grandfather!

She starts talking to Alexis again.

VEXAR

(Behind the wall)
 We'll celebrate you later honey.

She glances back to Zorax.

VEXAR (CONT'D)

Zorax, it's only a matter of time
 before her contact arrives...

ALEXIS

(To herself)
 How the-

ZORAX

(Behind the wall)

We need to break out of these

Infused with white energy from her Luna powers, Alexis
smashes through the wall with a powerful punch. Her eyes glow
brightly as Vexar and Zorax are amazed by her impressive
display of strength.

As she looks at their direction, she effortlessly takes off
their handcuffs, causing them to stand up and hug her at the
same time, leaving her shocked by their unexpected reaction.

VEXAR

Thank you sweetheart.

ALEXIS

No problem, future mother in law.

They let go of her.

ZORAX

Any ideas on how to get out of
here?

ALEXIS

I have one in mind.

Without warning, the ship is jolted by the impact of
something landing on its surface, leaving everyone in a state
of confusion as they glance around.

ZORAX

Was that apart of the ideas in
mind?

ALEXIS

No, this is new to me sir.

CUT TO:

EXT. RONIN'S SHIP

In a sudden burst of energy, the roof was violently torn off, capturing Alexis's attention as they eagerly looks up at the figures standing on top of the ship as Zorax and Vexar are stunned by their appearance.

Uh, friends of yours?

Alexis giggles.

ALEXIS
Oh yes they are.

DEXTER
Hey...Crissy.

Covering her mouth, she breaks into tears, her eyes widening in shock. Out of the blue, he walks towards her and envelops her in a tight embrace. Overwhelmed, she hugs him back, burying her face in his chest as she continues to cry.

Karla peeps in on them as she smiles then she walks back to the room.

CRYSTAL
(Crying)
I'm so sorry! I'm so fucking sorry
Z!

DEXTER
Shut up and just keep hugging me.

She giggles and keeps crying into his chest.

CUT TO:

KARLA
(Slightly Emotional)
I'm sorry big brother.

DEXTER
I'm sorry too little sis.

She pulls back gently to face him.

KARLA
(Slightly Emotional)
You were right, I should have
thought this through better.

DEXTER
Stop it, you two were right. We
need this weapon for the battle.

CRYSTAL
But we need to get your parents and
Lexie back safely. I also wanna
throw some hands with that bitch.

KARLA
Well, while you were out big
brother, momma made an important
call.

DEXTER
Who did you call?

The back of the ship knocks loudly, prompting everyone to look to the rear doors of the ship.

CUT TO:

EXT. THE KNIGHT SHIP

The knight ship's doors creak open, unveiling Wallace Matthews and Bethany Anderson, both in their late 20s, clad in their Solar Shadow and Astrid superhero suits. They stand alongside Alexis, Vexar, and Zorax at the ship's entrance.

Dexter and Crystal are taken aback by their sudden appearance, while Karla chuckles.

KARLA
Surprise bitches.

BETHANY
That's my line Karla.

With laughter and excitement, they all run towards each other, embracing tightly. Vexar and Zorax hug Dexter and Karla tightly as they reunite.

DEXTER
(Emotional)
I'm so glad you're okay.

ZORAX
(Emotional)
We look like shit champ.

DEXTER
(Emotional)
Good!

They all look at him amazed then relax their faces as they agree.

VEXAR
We deserve that.

DEXTER
Yes, yes you do.

He looks to Alexis as she walks up to him. She smiles.

ALEXIS
Hey lizard boy.

They hug tightly as she leaps into his arms, wrapping her legs around him.

WALLACE
Karla, Big man is also on his way.

KARLA
Good, we're going to set this bitch up for failure big time.

Alexis and Dexter stop hugging as he sets her down to look at her.

DEXTER
You have something in mind sis?

KARLA

Oh yeah, and it's gonna be epic,
Crissy, Z, you're with me, Wally,
Beth, take them back to Nebula
where they'll be safe then come
back to us.

WALLACE

Yes ma'am.

BETHANY

Yes mommy.

Everyone walks inside as Bethany pinches Karla's butt,
causing her to blush. Dexter stops Wallace to pull him aside.

DEXTER

Hey, thank you man.

WALLACE

I always got your back dude.

They fist bump each other then everyone walks inside except
for Alexis.

ALEXIS

I have something important to tell
you, so come back in one piece
motherfucker.

He smirks.

DEXTER

Ma'am yes ma'am.

After exchanging a quick kiss, she heads back inside the ship
while it initiates its launch sequence. Everyone steps back
as they witness the ship ascending into the sky and
eventually vanishing into the depths of space. Dexter looks
at Karla.

DEXTER (CONT'D)

Okay sis, what's your plan?

KARLA

It'll be challenging, but this one
involves Crissy.

CRYSTAL

Do I get to beat her ass?

KARLA

Yes you do baby.

She smirks at her.

CUT TO:

EXT. MOUNTAIN TOP

Amidst the roaring thunder above, Ronin searches the planet for the knight ship, her eyes shining with a bright purple hue.

Bellatrix hurtles towards Ronin with incredible speed, undeterred by the fact that Ronin is wielding her sword.

Meanwhile, Ronin also propels herself towards Bellatrix, emitting a fierce battle cry. Bellatrix readies her gauntlets, preparing for a powerful punch.

The clash of their energies evaporate through the sky as Ronin lets out a scream, desperately fighting against Bellatrix's intense attack.

Unexpectedly, Bellatrix delivers a forceful headbutt, catching Ronin off balance. With even greater strength, she ruthlessly strikes Ronin's face with powerful punches, before forcefully bringing her down to the ground and continuing her relentless assault.

Unleashing a series of brutal punches, Ronin relentlessly strikes Bellatrix's face with intense left and right hooks.

However, Bellatrix retaliates quickly, delivering a forceful kick to Ronin's face, causing her to let go of her.

As her armor appears to be half destroyed, Ronin quickly uses her sword to break her fall as she looks at Bellatrix in anger as she generates a purple dragon aura from her body, the dragon unleashes a powerful roar at Bellatrix but she quickly creates a massive energy shield from her sword to protect her.

Song cuts.

Ronin receives a strong kick from behind, causing her to tumble across the battlefield and collide with a large rock.

CUT TO:

EXT. CENTER OF THE FIELD

Bellatrix looks behind her and smirks. Zion jumps from behind a rock as he stands next to Diamond as she prepares to strike with her sword. Bellatrix chuckles and walks over to them.

BELLATRIX

That was fun, I could end this quickly you know, I didn't even get to split her body up like how I did Artie.

ZION

I know, but it's going to be worth it, I promise.

BELLATRIX

Sir yes sir.

Bellatrix kisses Diamond's left cheek.

BELLATRIX (CONT'D)

Have fun babe.

DIAMOND DYNASTY

I definitely will my dear.

After Bellatrix walks away, the two siblings position themselves for battle. Ronin breaks free from the rubble, breathing heavily with intense anger as she locks eyes with Diamond and Zion standing together.

RONIN

(Shouts)

IS THAT ALL Y'ALL FUCKING GOT HUH?!
A HOT MAGIC BITCH?! IS THAT REALLY
THE BEST YOU CAN DO?!

DIAMOND DYNASTY

(Shouts)

NO! THIS IS!

Suddenly, a massive amount of thunder erupts from the sky, prompting Ronin to look up.

CUT TO:

EXT. SKY

A strong red beam hurdles into the planets' atmosphere at full speed as it aims for Ronin's direction.

CUT TO:

EXT. CENTER OF THE FIELD

Zion looks confused at the sight of the red beam coming for them.

ZION
Sis, is that-

Ronin prepares herself, quickly retracting her sword. The approaching beam morphs into an immense dragon-like energy, unleashing a fiery breath towards her. Startled by the sudden manifestation, she is forcefully propelled backwards by the scorching flames, while the figure crashes onto the ground.

The siblings shield their faces as the red cloud dissolves, unveiling Draco Apollo's Original Zero assassin suit, complete with weapons and ammunition. Diamond bites her lip, seemingly intrigued by his presence, while Zion appears shocked.

ZION (CONT'D)
Bestie!

KARLA
My Big Dragon.

Ronin struggles to stand up as she takes off the rest of her broken helmet and she looks stunned by his appearance.

NAOMI
(Shouts in anger)
YOU! You're the one who killed my
whole fucking army years ago!

Zero rises to his feet as he withdraws his sword.

ZERO
Then you already know what I'm
about to do to you...for fucking
with my friends family and
girlfriends.

Naomi experiences a slight flinch, feeling a sense of nervousness, yet she readies herself for the impending battle.

NAOMI
You all will not get in my fucking
way.

ZERO
It's not them you should be worried
about.

An epic cinematic cover of "That Energy" by Zayde Wolf starts playing.

Naomi's fury erupts, causing her body to radiate a vivid purple energy, while blood trickles down her face and rain starts to pour. Zero looks back at Zion and Diamond as they approach him, walking on opposite sides of him.

Naomi cracks her neck as she laughs psychotically and she rises to her feet. Zero withdraws his sword with his right hand from his back and it turns bright fiery red. Zion beats on his left chest as he lets out a roar at her.

She aggressively charges towards them, causing them to run towards her simultaneously. Zero swings his sword simultaneously as her and their swords collide, causing an intense ripple effect across the area.

Zion swoops in and punches her in her left side and Diamond punches her in her right side extremely hard but she doesn't budge. Zero retracts his sword to dodge her energy from her sword and delivers a powerful punch to her face, sending her flying across the field.

Diamond flies after her brutally kicks her off of her tumbling path to Zion and Zion breathes heavy fire at her from his mouth as she screams in pain, Zero comes from above and smashes her into ground and he begins brutally delivering strong punches across her face.

Diamond forcefully pulls her by the hair and throws her towards Zion, who reacts by biting her leg. The scene unfolds in slow motion as Diamond leaps into the air, conjuring her diamond-themed sword, and stabs Naomi in her left arm.

Despite her injuries, Naomi regains her strength and skillfully evades Zion and Diamond's powerful karate attacks, quickly dodging and weaving with both arms.

Suddenly, Zero teleports behind her and ruthlessly strikes her in the back of the head, causing her to tumble across the field again. Zion leaps into the air, his eyes emanating green lightning, and delivers a strong punch to Naomi's back, resulting in a massive crater being formed in the ground.

With her powers, Diamond creates a slide for Zero to ride on towards the crater. Meanwhile, Naomi viciously headbutts Zion and demonstrates her increased strength with a powerful knee kick to his face. She then skillfully twists his left arm over her shoulder and slams him down to the ground.

Diamond and Zero make a synchronized jump from the slide, intending to strike their opponent with a combo punch. Yet, she reacts swiftly by grabbing them and forcefully slamming them into the ground. Following this, she delivers a series of kicks to Diamond's left side, resulting in her crying out in anger.

Zion gets to his feet and firmly grips Naomi's face, forcefully dragging her away from Diamond. Zero puts away his sword and retrieves his original gauntlets, placing them on his hands. He lends a helping hand to Diamond, who grunts in agony while getting up.

Zion forcefully pulls Naomi away by her hair, but she firmly plants her feet on the ground, generating a powerful ray of purple lightning that stops him in his tracks, causing him to groan in pain.

Zero prepares to strike but Diamond holds him back as they watch.

In a slow-motion spectacle, Naomi's rage erupts as she manages to partially escape his clutches, her screams piercing the air, yet he remains unyielding, refusing to loosen his grip.

Zion gazes up at the ridge and spots Bellatrix making her way down towards him with a smirk on her face. His eyes widen in surprise before he takes a moment to collect his thoughts.

Eventually, he returns her smirk and looks back at her and nods. She nods in return.

In slow motion, Zion's eyes met Naomi's, and in that moment, he released his hold on her. The sudden release caused her to stumble backwards, completely taken aback by the immense strain she had put on her powers.

In slow motion, With a graceful leap from the ridge, Bellatrix creates a striking blue and white aura around her body as she readies her lightning-charged fist, while Naomi watches in fear and Zero races towards her, breaking the sound barrier, Zion runs out of the way as he runs for Diamond's direction.

Amidst the unfolding scene in slow motion, Diamond reacts quickly by raising a diamond shield as she screams in pain, prompting Zion to dash towards her at full speed.

Bellatrix shouts a battle scream as her aura takes shape, revealing a strong female knight gripping a sword with both hands. Attempting to shield herself, Naomi finds Zero closing in on her, ready to strike her from behind.

Zion takes cover behind Diamond's shield as Bellatrix and Zero launch a powerful attack, causing a massive explosion of red and white energy to spread halfway across the planet.

CUT TO:

EXT. PLANET TARA - SPACE

The tremendous beam spans halfway across the planet, only to dissolve as the planet experiences a slight tremor caused by the explosion.

Song fades.

CUT TO:

EXT. CENTER OF THE FIELD

Diamond's shield dissolves as she collapses but Zion quickly catches her, she looks up at him and he smirks.

ZION

You did good sis, you did good.

DIAMOND DYNASTY

Thanks big brother.

She closes her eyes as she proceeds to rest from the battle. Zion picks her up and holds her in his arms, he looks through the smoke as he walks through.

ZION

(Shouts)

Bella! Zero! Where the fuck are you?!

ZERO

(Shouts)

Over here!

Zion quickly runs towards them and observes Bellatrix holding Naomi in a tight chokehold with her right hand, while Zero stands over her, pointing his sword at her heart.

ZERO (CONT'D)

It's your call Zion, what do we do with her?

Zion moves closer to them, and Naomi, her armor is destroyed and her body bruised and bloody, looks at him, unable to utter a single word as Bellatrix keeps her in a strong hold.

ZION

Let's hear her out first, release your grip Bella.

Letting go of Naomi, Bellatrix proceeds to swiftly smack her across the face with a backhand from her left hand before standing up.

ZION (CONT'D)

Talk now before I run out of
patience.

NAOMI

(Struggling)

You all have everything...a person
truly wants...a family. I never had
that. Nebula was always cruel to
me, from being raised in a homeless
shelter, to being an outcast in
school...kids were cruel even
though I just...I just wanted to
have a friend...someone who I can
at least consider family.

QUICK TO:

FLASHBACK - EXT. ELEMENTARY SCHOOL - PLANET NEBULA - MORNING

As she walks through the halls, Naomi, an 8-year-old girl
with black hair and dragon scales on her face, carries her
books. Her eyes are focused on the floor, while other alien
students look at her in confused, looking at her appearance.

CUT TO:

FLASHBACK - EXT. HALLWAY - MIDDLE SCHOOL - PLANET NEBULA -

hall, her face showing a menacing look, causing the other
students to quickly scatter, fearful of her presence.

CUT TO:

FLASHBACK - EXT. HALLWAY - HIGH SCHOOL - PLANET NEBULA -
MORNING

Wearing all black, now age 16, still with a menacing look on
her face, causing other students to quickly scatter, however
two students, Karla Juniper 16, and Draco Apollo, 16, are
talking to each other and Naomi bumps into him, causing him
to look in her direction.

DRACO

Hey watch yourself girl!

The moment Naomi stops to glance back at him, it results in
everyone else doing the same.

Letting out an irritated chuckle, she flips her hair and advances towards him, while he shows no reaction.

NAOMI
Tough guy huh?

She looks at Karla.

NAOMI (CONT'D)
Are you his bitch?

KARLA
No, not yet anyway, who the fuck
are you?

She grabs Karla by her neck and slams her against the locker and Karla tries to remove her arm but she struggles. Draco walks up to Naomi and puts his left hand on her arm, everyone else in the background gasps in shock and Naomi glances at him.

DRACO
Get your hand off of her and no one
gets hurt.

NAOMI
Cute, it almost sounded like a
threat.

DRACO
It is bitch.

He removes her arm with strength and he proceeds in walking up to her, causing her to back away from Karla and she leans against the wall, trying to keep her composure as Draco gives her a serious look.

DRACO (CONT'D)
Fuck with her again, and it's your
ass...Do you got me?

Naomi laughs.

NAOMI
Wow, you'll really hit a girl?

DRACO
Answer my FUCKING QUESTION BITCH!

Naomi relaxes her face as she stares him down.

NAOMI
You better Watch your
backs...cunts.

Naomi doesn't look away from him as he stares back, Karla walks towards him and tugs on his shoulder.

KARLA
Dragon, let's go.

Without a word, Draco maintains his intense stare at Naomi before departing with Karla. Naomi's laughter turns into a psychotic cackle as a bolt of lightning flickers in her eyes.

CUT TO:

OUT OF FLASHBACKS

Naomi's tears fall as she looks up at the sky. Bellatrix and Zion share a brief glance before turning back to her. Zero sighs and puts away his sword and takes off his gauntlets.

ZERO
And here I am thinking you were emotionless, but I guess I can be wrong sometimes.

Naomi sits up as Zero steps off of her.

NAOMI
(Emotional)
Who are you?

Zero switches off his helmet, revealing Draco Apollo with his dreadlocks pulled back and secured as he looks at her. Naomi's eyes widen in shock as she looks at Draco's stunning appearance.

NAOMI (CONT'D)
D...Draco.

DRACO
You really were a bitch back then Naomi but nothing's changed. Instead of letting your anger towards your past consume you, you definitely would have had some friends who would have considered you family. From fucking with me and Karla to becoming a ruthless leader of an armada, now a dangerous assassin, Nebula didn't screw you over, you screwed over yourself from growing up to be the better version of yourself.

She sighs and covers her face in disappointment then Draco kneels down to her.

NAOMI
(Emotional)
Are you going to kill me now?

DRACO
(To Zion)
What do you think buddy, should we kill her?

ZION
No, I have a better idea in mind for her.

NAOMI
(Confused)
What are you going to do?

Zion smirks.

DEXTER
I can't believe it, I'm actually going to be a dad.

Alexis giggles.

ALEXIS
It sure looks that way.

He looks at her.

DEXTER
Do you have a name in mind?

ALEXIS
Yeah...I was thinking Aurora, if it's a girl.

He chuckles.

DEXTER

That's perfect, however if it's a boy I'll have to think of something.

ALEXIS

Beth is gonna flip out.

DEXTER

Without a doubt, I'm just glad that you're here in one piece.

ALEXIS

Me too baby.

They kiss each other gently as he strokes her left cheek.

CUT TO:

EXT. DARK ZERO CORPS ENTRANCE - AFTERNOON

Crystal and Karla, dressed casually, walk Naomi, who is in handcuffs, now healed from her injuries, up to her repaired ship as Naomi looks confused.

NAOMI

(Confused)

I don't understand, I'm a criminal and you helped me?

CRYSTAL

It wasn't our call, it was Zion and Dragon.

NAOMI

Dragon?

KARLA

Our boyfriend Draco.

Naomi scoffs.

NAOMI

You girls are a piece of work, what do I tell my contact about the weapon?

KARLA

Don't worry, you'll have it.

In a tight red and black jumpsuit, Draco carries the necklace in his right hand as he makes his way over to them, leaving Naomi impressed and intrigued by his outfit.

DRACO

Uncuff her.

Naomi is freed from the handcuffs by Crystal, and she massages her hands while Draco approaches her, with Crystal and Karla walking away hand in hand.

DRACO (CONT'D)

You came after my buddies family and it was fucked up, I could have killed your ass on the spot but luckily they were holding me back. We're going to need all of the allies we get can for this war, and I need to know that I can somewhat rely on you.

NAOMI

Why are you doing this for me when we had beef?

DRACO

Some people are capable of redemption, Zion helped me see that myself, if I can change despite the torture I went through, maybe you can too.

NAOMI

I guess I'll see what I can do.

He smirks and gives her the necklace and she takes it.

DRACO

Enjoy your payday, Ronin.

Naomi quickly grabs him and kisses him deeply, his eyes widen in shock but he relaxes and kisses her back as he grabs her ass tightly, she gently stops kissing him after 15 seconds to look at him.

NAOMI

I'll see ya around, Zero.

They let go of each other and she walks to her ship as Draco watches. She throws up the peace sign as she walks.

NAOMI (CONT'D)

(Shouts)

TELL ZION I SAID THANKS!

He chuckles.

DRACO
 (Shouts)
 I WILL!

He watches as she enters the ship and the rear doors close then the ship begins to take off. Dexter and Karla walk up to him, Draco notices and grabs Karla's hand as they watch.

DRACO (CONT'D)
 Will they be able to replicate the
 weapon?

DEXTER
 Yup, Jay and Fifi will be done with
 it within 2 weeks in their store.

DRACO
 Good shit, the Olympians won't see
 this shit coming at all, now it's
 time to do some important business
 on Earth.

KARLA
 What's that?

Draco turns his attention back to Dexter and he looks confused.

ALEXIS
 Shut up Wally!

BETHANY

It's gonna be my turn after our wedding.

CRYSTAL

Not if Carly or Artemis beat you to it with Dragon and Sky.

BETHANY

Ha! We'll see about that.

SHAWN

Okay guys, we're going to start game night soon! The controllers are being set up so grab your shit.

Wallace, Maya, Bethany, and Draco rush over to the couch quickly while playfully pushing each other.

MAYA

Watch out, the pink one is mine!

BETHANY

Whatever Guardian! Knights first!

DRACO

I got the red.

WALLACE

Yeah that's a no brainer buddy, Sky and others should be here in a few minutes too.

Draco cheers with excitement.

DRACO

Let the games begin!

CUT TO:

EXT. SHAWN'S BALCONY

Alexis walks outside as she sees Dexter admiring the view of the beach. She comes up to him and hugs him from behind.

DEXTER

It's gonna be interesting living on Earth again.

ALEXIS

Yeah, Beth and Wally will be moving back with us too.

DEXTER

I just hope we have a better
outcome of our future.

ALEXIS

We will.

He kisses her left hand. Vexar, Zorax, Crystal, and Karla
walk onto the balcony with them.

VEXAR

Thank you kids...for everything.

DEXTER

No problem mom.

KARLA

Mom, I have something to tell you.

VEXAR

That you're dating Crissy and
Dragon?

She looks shocked by her response.

KARLA

How did you know?

ZORAX

We noticed the way Laura and
Artemis ran up to you when you were
pasted out but also when Crystal
was wearing your shirt at our home.

Karla blushes.

VEXAR

It's okay honey, as long as you're
truly happy then we're happy for
you, no matter what.

KARLA

(Amazed)
T...thanks guys.

VEXAR

Of course sweetheart.

CRYSTAL

You have awesome parents babe.

KARLA

Yeah I do.

Zorax chuckles and shakes his head.

ZORAX
We have some wild kids hun.

VEXAR
Yes we do, so was it worth going to
the underworld now?

ZORAX
Yes...It was.

With a smile on her face, Vexar leans in to kiss him, and he responds in kind as they hold each other close. The camera pans to show the couples admiring the beach view, while Vexar and Zorax share a lingering kiss.

FADE OUT.

END.

TAG - EXT. PLANET TARA

Thunder roams over the empty dark planet of Tara as Naomi stands in her Ronin outfit to wait on her contact to arrive at her ship. Suddenly, a brown beam crashes down a few feet from her but she doesn't move an inch.

The beam finishes, revealing An alternate version of Draco's older brother, Duncan Apollo as Hercules, son of Zeus, dressed with a brown scarf around his neck and shiny brown knight armor as he holds his sword in his left hand. He walks up to Naomi.

HERCULES
Where's the family?

NAOMI
I launched them into deep space,
they got on my nerves, but here's
the weapon that Ares wants.

Upon receiving the necklace from her, he smirks with a satisfied expression.

HERCULES
Your loyalty has been
admirable...Ronin. Here's your
reward.

In a display of grandeur, he tosses her a hefty bag of gold, resulting in a smirk forming on her face.

NAOMI

Pleasure doing business with you.

With a nod of agreement, he watches as Naomi loads the gold onto her ship. Hercules fixes the earpiece on his left ear.

HERCULES

Ares, we have it.

ARES

(Over Coms)

*Good shit, bring it back to
Olympus, it's time to get this war
started.*

HERCULES

Fuck yeah brother.

With a concerned look on her face, Naomi observes from her ship as the beam lifts him up and then returns to its initial position.

NAOMI

Good luck knights...you're
seriously going to need it.

CUT TO BLACK.

END.
