FADE IN

EXT. SCHOOL YARD - DAY

It is the last day of school. The kids have been given a free day to play outside or watch movies inside.

DEIDRICK "BULL" MITCHELL (age 9, the loud one) plays dodgeball with MOSES (9), JAMAAL (10), LYNNLIE (9), EVERETT (9), ISABELLE (10) and LYON (9).

Deidrick is on a team with Isabelle, Everett and Jamaal. Moses, Lynnlie and Lyon make up the opposing team.

Instead of following the 'official' rules of the game, they use their unique powers to hit each other with one of three balls. Lynnlie and Everett don't have any powers; Deidrick's power is unknown.

DEIDRICK

Ready...set...throw balls!

Jamaal uses telekinesis to hurl a ball at Moses. Moses has superspeed and is able to dodge it. By dodging the ball, Moses has unwittingly allowed Lyon to get hit in the face.

DEIDRICK

Face shot! Face shot! Lyon is out!

Isabelle grabs a ball. Her power allows her to duplicate the balls. She turns one ball into six.

LYNNLIE

That's cheating!

DEIDRICK

There is no cheating! Anything goes.

MOSES

That's not fair!

Isabelle proceeds to aim a ball at Moses. Deidrick touches her shoulder. The six balls become eighteen and all fly straight at Moses.

Lynnlie is caught in the crossfire, taking five of the balls to the face, head and chest. Moses drops down to the ground and covers his head.

MR. ABBOTT (30ish, athletic, dorky), the PE teacher has had enough. He rushes into the middle of the game.

Lynnlie is on the ground crying. Bruises have already popped up on her face and forehead.

MR. ABBOTT

Game over! Game is over.

DEIDRICK

But--

MR. ABBOTT

But nothing. You're all going to spend the first day of summer in the hospital. Knock it off already. Isabelle, what in Zeus' name?

ISABELLE

I didn't do that. I only made six. Then Bull touched me and--

MR. ABBOTT

Blaming other people for your missteps will not get you very far in life, young lady. Inside. All of you.

Mr. Abbott picks Lynnlie up and carries her inside, while the others follow behind him.

INT. SCHOOL HALLWAY - SAME

Deidrick and Isabelle walk side by side. She pushes him into the wall.

ISABELLE

Why did you do that?

DEIDRICK

Do what?

ISABELLE

Don't play stupid. I only made six balls. You made me make more.

DEIDRICK

I made you do nothing. It's not my fault.

Deidrick runs ahead and turns left. He sticks his head in the door of the second classroom on the right.

DERRICK "DOZER" MITCHELL (age 9, introverted and lazy) sits in the corner asleep while a few other students watch a documentary about dinosaurs.

There is no teacher in the room and the light is still on. Deidrick takes a shoe off and hurls it across the room at his brother. Derrick catches it without opening his eyes and sends it flying right back.

Derrick stands up, does a quick stretch and yawn. He joins Deidrick out in the hall.

DERRICK

What's up?

DEIDRICK

Nothing. I'm bored. Let's go find
Destiny.

INT. SCHOOL GYM - SAME

DESTINY MITCHELL (days away from 11, mature, friendly) sits on the bleachers reading a book. There are multiple games of basketball, table tennis and jump rope/double dutch going on.

Derrick and Deidrick climb the bleachers to sit next to Destiny. Derrick sits to her left and Deidrick to her right.

DESTINY

Bull. Dozer.

Destiny gives each of them a peck on the cheek. ROMA (11) and MALLORY (10), the two girls playing table tennis, laugh and point.

ROMA

Yuck! Destiny just kissed her own
brothers.

MALLORY

That's gross. Brother kisser!

Every game/activity comes to a stop. All eyes are on the Mitchell three.

MALLORY

Brother kisser!

DEIDRICK

Shut up, Mallory. You're just
jealous because your brother
doesn't like you.

MALLORY

Shut up, freak! You three are
gross! I would never kiss my
brother. Ever!

ROMA

They're going to marry each other.

All the other kids in the gym burst out laughing. Destiny loses her cool. All the light bulbs explode and the gym floor cracks.

Roma, Mallory and all the other kids scream and run out of the gym. Mallory has the ability to jump very high. She bounds up and over every student in her path.

MALLORY

Freaks!

Deidrick jumps down from the bleachers and touches Mallory just as she lands. When she propels herself upward, she moves too fast and too high.

MALLORY

What the--

Mallory is sent flying through a skylight. Deidrick goes back to his seat.

The fleeing students run faster and scream louder. Mr. Abbott pushes his way through the crowd and sees the Mitchell three on the bleachers.

MR. ABBOTT

(to Deidrick)

Am I imagining things, or does trouble go wherever you are?

DEIDRICK

It does. Tell it to stop following me.

Destiny and Derrick laugh. Mr. Abbott finally notices the crack in the floor and the busted out skylight.

MR. ABBOTT

Please tell me it was a ball of some sort that caused that.

Derrick yawns and stretches.

DERRICK

Yes. A ball named Mallory.

Destiny and Deidrick both laugh. Mr. Abbott runs from the gym in a panic.

EXT. SCHOOL - SAME

The last bell of the day and year rings. The kids who are already outside cheer and high five to celebrate.

Ecstatic kids come pouring out of the building. Buses and parents are lined up all the way around the school. Destiny, Deidrick and Derrick walk across the lawn together.

An ambulance pulls up onto the grass and parks. The Mitchell three watch as a gurney is rolled around the side of the school.

DESTINY
Somebody got hurt?

DERRICK
D sent Mallory flying. Didn't you see it?

DEIDRICK
We should probably leave now.

The paramedics come back around with Mallory on the gurney. She sees the Mitchell three and points at them.

DEIDRICK
Run.

Destiny, Deidrick and Derrick take off running. Mallory screams after them.

MALLORY
You won't get away with this, Bull!
My brother will get you. I know where you live!

EXT. MITCHELL RESIDENCE - SAME

Destiny, Deidrick and Derrick arrive at home still giggling about Mallory's misfortune.

DEIDRICK
You didn't invite that ugly dog to your birthday party did you?

DESTINY
Of course not. She's not my friend.

Destiny checks the mail. There is nothing except a flier for Isle Supra X, also known as 'God Girl Island'.

Before they can reach the front steps, their father comes outside and blocks the door.

DONOVAN MITCHELL is around 38, tall, in good shape and very professional. Also former Navy. He doesn't appreciate their shenanigans.

DEIDRICK
Should we run?

DONOVAN
Run if you want. I can catch you.
Go on. I'll give you a head start.

Deidrick hides behind Destiny. Derrick yawns and tries to get around Donovan.

DONOVAN

Excuse you.

DERRICK

Excuse me.

Donovan holds Derrick by his shirt.

DONOVAN

I got a call from the school to inform me that one of my offspring launched Mallory something through a skylight in the gym.

DEIDRICK

I didn't mean to. I mean I thought it would happen, but I didn't know. Because I was playing dodgeball before and Isabelle made six balls and then I touched her and she made way more. I was just testing it out. Please don't kill me.

Destiny runs up to Donovan and wraps her arms around his waist.

DESTINY

She was making fun of me for kissing them on the cheek.

Donovan calms down. He never says it, but he has a soft spot for Destiny. Destiny has the power to influence the emotional state of other people among other things.

Donovan releases Derrick's shirt and hugs Destiny.

DEIDRICK

So, I don't die today?

DONOVAN

Not today. Maybe tomorrow if you get out of line.

DEIDRICK

I won't.

Derrick yawns again.

DERRICK

I'm going to take a nap. Wake me at dinner time.

DONOVAN

No naps this late. I have a job for you two goons.

DERRICK

Work? No thanks.

DONOVAN

Wasn't asking. You two are cleaning out the basement. I've put colored sticky notes on everything already.

INT. MITCHELL RESIDENCE, BASEMENT - SAME

The basement is unfinished. There is a door that leads directly to the side of the house.

Old furniture, several plastic totes full of papers, old baby gear, toys, exercise equipment and boxes of clothes are everywhere.

The sticky notes are coded as blue to keep, pink to donate and yellow to throw out and orange to sell.

Derrick and Deidrick wait for further instruction from Donovan.

DONOVAN

Move everything that is sell, donate or throw away outside. Put sell or donate in the garage. Leave throw away at the curb. Everything that is to keep is staying in here for now. Got it.

DERRICK

Yup.

DEIDRICK

Uhuh.

DONOVAN

Good. No snack until you finish.

Destiny comes down into the basement just as Donovan goes up. He pats her on the head.

DONOVAN

Don't help them. They need to learn some work ethic.

Destiny waits until Donovan has left the basement and closes the door. She is on the fourth step from the top and jumps down to the bottom in one movement.

DEIDRICK

Cool. Can you move this stuff?

DERRICK

Dad just told her not to help us. And she can't move this heavy stuff by herself.

DESTINY

Open the door.

Derrick opens the door and stands aside.

DERRICK

You can't do it.

DESTINY

What's going out? Everything?

DEIDRICK

Everything except blue. Pink and orange go to the garage.

Destiny goes around the basement taking a mental inventory of all the labels. She closes her eyes and points at the open door.

Everything except the items with blue/keep labels disappears.

DEIDRICK

Holy crap! How did you--No. No. No!

Derrick closes the door and locks it. He and Deidrick stare at Destiny with sullen faces.

DESTINY

What?

The door at the top of the stairs opens. Donovan comes down the stairs, his face too is unhappy.

DONOVAN

Destiny, please tell me you didn't just do that?

DESTINY

What did I just not do?

DONOVAN

I have a camera set up in the garage. I just saw all of that stuff appear out of nowhere. Did you do that?

DESTINY

Yes. I know you said not to help them, but I--

DONOVAN

That's not the problem.

Donovan gives Destiny the flier for Isle Supra X.

DONOVAN

We're going to pick up your mother from the airport tomorrow. Don't tell her about this. I don't want to give her a heart attack or aneurysm.

Donovan goes back upstairs, but leaves the door open.

DERRICK

You're a god girl? They're going to take you away from us.

DESTINY

I'm not. I was just helping.

INT. MITCHELL RESIDENCE, DINING ROOM - NIGHT

Donovan, Destiny, Deidrick and Derrick eat in silence. They all have a glass of iced lemonade. Deidrick wipes sweat from his forehead with his napkin.

DEIDRICK

It's hot in here. Can I turn the air on?

DONOVAN

It comes on when summer starts officially. June 21st. Not one day sooner.

Destiny picks up her glass and blows air across the ice cubes on top. Donovan and Deidrick shiver as cold air circulates around the room. Frost appears on their silverware.

The house phone rings. Donovan gets up to answer it.

DESTINY

(to Deidrick)

Better?

DEIDRICK

And worse. What else can you do?

DESTINY

That's all.

DERRICK

It'll be something else tomorrow.

Donovan returns to the dining room.

DONOVAN

Change of plan, offspring. Your mother caught an early flight home. We're going to get her now. So, hurry up and finish eating.

INT. AIRPORT WAITING AREA - SAME

Derrick and Deidrick sit on either side of Destiny. There are only five other people there who aren't employees.

DESTINY

I'm not going away.

DERRICK

But you can do too much. And if the light thingy happens to you, somebody will call--

DEIDRICK

The Wranglers. They call them wranglers. What does 'wrangle' mean?

Destiny disappears and reappears in a flash of light.

DESTINY

Wrangle: to round up or herd. Specifically of livestock.

DERRICK

Did you just leave?

DESTINY

Yes. I went to find a dictionary and looked up 'wrangle'.

Donovan returns to them with DIAMOND ATKINS, his partner and the kids' mother. Diamond is 41, a photographer, blogger and successful novelist.

They are not married and don't plan to be.

DEIDRICK

Mommy-san!

DERRICK

It's 'sama' you doofus.

Deidrick and Derrick hug Diamond.

DIAMOND

How are my men doing? Are you two monsters behaving yourselves?

DONOVAN

Of course they aren't.

DERRICK

We didn't do anything.

Diamond notices that Destiny hasn't gotten up or acknowledged her in any way. Destiny appears to be in a trance and stares blankly ahead.

Diamond waves a hand in front of Destiny's face. Bright lights have formed where Destiny's pupils should be.

DIAMOND

No. Destiny? Can you hear me?

Donovan picks Destiny up and shakes her.

DONOVAN

Destiny? Destiny wake up!

The other people waiting take notice of the commotion. DALE MANNING (40ish) takes out his cellphone to record.

DONOVAN

(to DALE)

Excuse you, we didn't give you permission to film us.

DALE

I don't need permission. This is a public space.

The lights take over Destiny's eyes, pour out of the sockets and explode. Dale continues recording as the others scream and run for cover.

Donovan tosses Destiny over his shoulder.

DONOVAN

Run! We have to get out of here.

Donovan, Diamond, Deidrick and Derrick run for it. Dale is still recording. Once they are out of sight, he ends the video and sends it to his contact saved as: Agent Berry.

INT./EXT. DONOVAN'S CAR - SAME

Donovan drives; Deidrick rides in the passenger's seat. Derrick and Diamond are in the backseat, with Destiny between them.

Destiny's eyes are closed and she is slumped over.

DIAMOND

Should we take her to the hospital?

DONOVAN

No. They'll call the Wranglers.
That jackass that recorded us
probably already contacted them.

DIAMOND

Language, sir.

DONOVAN

Pardon me.

INT. MITCHELL RESIDENCE, LIVING ROOM - SAME

Donovan places Destiny on the couch and puts a throw pillow under her feet. He checks her forehead with the back of his hand and checks her pulse.

Diamond sits on the floor next to the couch and holds Destiny's hand.

Derrick and Deidrick stand at the entrance, looking concerned. Diamond lifts one of Destiny's eyelids; blinding light fills the room.

DONOVAN

Upstairs, goons.

DIAMOND

She'll be fine.

INT. MITCHELL RESIDENCE, BOYS' BEDROOM - SAME

Their room is neat and organized, as Donovan would have it no other way.

Derrick throws himself across his bed. Deidrick sits at their computer and searches for 'god girl'. The first result is a breaking story about a girl in Paris.

DEIDRICK

Come look at this, D.

DERRICK

Not moving. Too comfy. Read it to me.

DEIDRICK

'God Girl Syndrome continues to plague western Europe. In the past month alone, nineteen girls, all under thirteen years old, have been removed from their homes and placed in a facility on Isle Supra X, located in the Pacific.

(continued)

DEIDRICK

Most recently, ten year old Romane Beaumont, experienced Illumination at school, in view of the entire student body. French Wranglers were notified and the girl was taken before any damage or injury could be caused.'

DERRICK

No damage or injury caused and they took her anyway. That's not fair.

DEIDRICK

Is anything?

INT. MITCHELL RESIDENCE, LIVING ROOM - SAME

Donovan is on his cellphone, pacing the floor. Diamond still sits on the floor, holding Destiny's hand.

Destiny sits up suddenly. Her eyes have returned to normal. She is confused.

DESTINY

What happened? How did I get here? Weren't we at the airport?

DIAMOND

We were. An hour ago. How do you feel?

DESTINY

Great.

INT. MITCHELL RESIDENCE, BOYS' BEDROOM - DAY

Derrick and Deidrick are still asleep. Derrick hangs halfway off of his bed. Deidrick sleeps upside down with his head at the foot of his bed.

Donovan enters their room with an air horn. He squeezes the horn, effectively scaring them both awake.

DONOVAN

Up, goons. Breakfast in ten.

INT. MITCHELL RESIDENCE, KITCHEN - SAME

Derrick and Deidrick are at the island on bar stools. Donovan gives each of them a plate with two fried eggs, toast and three strips of bacon.

DONOVAN

Bon appetit.

DERRICK
Where's Destiny? Is she--

DONOVAN
She's perfect. She and your mother
went to get decorations for her
party.

INT. PARTY SUPPLY STORE - SAME

The store is moderately busy. Destiny and Diamond pick out party favors and balloons.

Diamond shows Destiny packages of mini cosmetics.

DIAMOND
What about these? They're cute.

DESTINY
Maybe we should just do candy.
Tiffany and Marlynn have sensitive
skin. They can't use those. And the
boys won't use those.

DIAMOND
Good point. Candy it shall be.

Roma comes into the store with her mother ROSE (mid 30s).
Destiny sees them and tries to hide.

Diamond yells at Rose to get her attention.

DIAMOND
Rosie! Rose, honey. Over here!

DESTINY
Crud...

Rose and Roma make their way over to Diamond and Destiny.

ROSE
Who's having a party?

DIAMOND
Destiny is. I sent an invitation to
you.

DESTINY
You did what? Why?

ROMA
I threw it away.

ROSE
What's going on with you two? I
thought you were friends.

ROMA
You thought wrong.

Roma leaves the store and sits on the hood of Rose's car.

ROSE

Oh well. I guess we can't force them.

DIAMOND

No. I guess not.

EXT. PARTY SUPPLY STORE - SAME

Roma plays a game on her cellphone. She receives a text message from Mallory containing a video link.

Roma watches the video. It is the recording from Dale of Destiny's Illumination.

Roma scrolls through her contacts and selects 'Uncle Edwin' from the list. She hits the call button.

ROMA

(on phone)

Hi. It's Roma. Duh! Don't you have my number saved? Did you see the video of that girl at the airport? I did. I know her. Her name is Destiny Adrianna Mitchell. Address? I don't have it with me. It's at home in my trash can. Uhuh. Okay. Bye.

INT./EXT. DONOVAN'S CAR - SAME

Diamond drives, while Destiny rides in the passenger's seat.

DIAMOND

What do we want for lunch?

DESTINY

Chicken.

DIAMOND

Chicken? Just chicken?

DESTINY

Fried chicken wings. Potato salad. Mac and cheese and rolls. I'm h--

DIAMOND

Hungry. Yeah. I can hear your stomach protesting. Chicken it shall be. Should we share with the men or let them fend for themselves?

DESTINY

Share. It would be really mean not to.

DIAMOND

Mean, yes, but funny to see their faces.

Diamond comes to a stop behind backed up traffic. A box truck has overturned and blocks three lanes.

DIAMOND

Crap bucket.

Destiny lets her window down and sticks her arm out.

DIAMOND

The ac is on. Roll that up.

Destiny waves her hand and the box truck is set upright and turned in the proper direction. Destiny does a quick sweeping motion with her arm to clear the debris from the initial overturn. Traffic is able to move freely again.

Destiny brings her arm back inside the vehicle. Diamond lets the window back up.

DIAMOND

I hope no one saw that. Have you any self control?

DESTINY

I did. Before.

EXT. MITCHELL RESIDENCE - SAME

Derrick pulls weeds from the flower beds. Deidrick uses a weed whacker around the edges of the sidewalk. Diamond and Destiny return.

Destiny and Diamond get out of the car and get bags out of the backseat and trunk.

Derrick and Deidrick stop working to help.

DEIDRICK

We'll get those.

DIAMOND

We got it. Thank you, though.

Derrick and Deidrick close in on Destiny.

DERRICK

Are you back to normal?

DESTINY
I've always been normal.

DEIDRICK
Last night, you weren't.

DESTINY
Don't worry about it. Nobody knows.

DERRICK
Some dude at the airport recorded
the whole thing. It's probably all
over the internet by now.

DESTINY
They would still have to prove it.
Videos can be faked. If anyone
asks, just say it's fake.

INT. MITCHELL RESIDENCE, KITCHEN - SAME

Destiny and Diamond unload bags of food into the fridge and cabinets. Donovan comes into the kitchen with his cellphone in hand.

DONOVAN
(to Diamond)
Look at this.

Donovan gives his phone to Diamond. She watches the video of Destiny's Illumination. The video has over 5k views.

DIAMOND
Let's not panic yet. It's not
'viral' yet. Maybe it'll get lost
in a mix of cat videos or fake UFO
sightings.

Destiny slaps the kitchen island once and the rest of their groceries move to the proper places.

DONOVAN
You're supposed to be hiding that,
not showing off.

DESTINY
I can't help it.

Destiny closes her eyes and points towards the front door.

DESTINY
Wrangler's here. Edwin Berry.

EXT. MITCHELL RESIDENCE - SAME

Derrick and Deidrick have finished the yard and play catch with an empty bottle of weed killer. A black sedan pulls up and parks on the street in front of the house.

AGENT EDWIN BERRY gets out and strolls right past the boys like he doesn't even see them. He has a large briefcase in hand.

DEIDRICK

Hello.

DERRICK

We're fine. Thanks for asking.

The front door opens. Donovan steps out and closes the door behind him.

DONOVAN

How can I help you, sir?

EDWIN

My name is Agent Berry. Edwin Berry. I am here regarding Destiny Adrianna Mitchell. Is she here?

DONOVAN

Why do you need to know that?

EDWIN

I am, what some people like to call, a Wrangler. You know what that means, so let's not prolong this. This is her?

Edwin takes his cellphone out of his pocket and shows Donovan the video of Destiny's Illumination.

EDWIN

You know there are penalties for hiding god girls. They are a dang--

DONOVAN

Danger to everyone. Yes. I've heard that nonsense before. Funny thing is, I can't find a single incident of them killing anybody.

EDWIN

So, we should just wait until they do? Leave them in populated areas until they snap? No. Where's the girl?

DONOVAN

Where she should be. That video could be fake. Unless you can prove that it's unedited and come back with papers signed by a judge, then she's staying right here. Have a nice day, Edwin.

Edwin nods and heads back to his car. When he's not looking, Deidrick prepares to throw the weed killer bottle at his head, but Donovan sees him.

INT. MITCHELL RESIDENCE, KITCHEN - SAME

Destiny, Derrick and Deidrick sit on bar stools at the kitchen island while eating lunch. Diamond and Donovan stand opposite them.

DIAMOND

How did he find us so fast? I thought it would at least take a week or so.

DONOVAN

That was really quick.

Destiny closes her eyes and puts her hand up to her ear as if listening to a conversation in another room. She's actually listening to Roma and Mallory on the phone while they are miles away.

ROMA

(os)

My uncle Edwin is a Wrangler. I still had the invitation her mom sent me.

MALLORY

(os)

They invited you? You aren't going are you?

ROMA

(os)

No. I don't even like her. Doesn't matter now. If she is a god girl she'll be put on a boat to Supra X and we never have to see that gross brother kisser ever again.

MALLORY

Wish we could get rid of those ugly brothers of hers, too.

ROMA

They would try to save her and maybe fall off the boat and get lost at sea.

MALLORY
That would be funny.

ROMA
Hilarious.

DIAMOND
(to Destiny)
Hello? What are we listening to.

Destiny jumps down from her stool. Her pupils have turned to lights again.

DONOVAN
Destiny. Don't.

DESTINY
Roma gave him our address. That's how he found me. She still had the invitation that I didn't ask to be sent.

DIAMOND
Destiny, I'm sorry. I didn't think--

Destiny has developed super speed. The wind caused by her departure is almost hurricane strength.

Destiny returns in another swift wind and takes a seat on her stool.

DONOVAN
What did you just do?

DESTINY
A thing.

Destiny crams a roll into her mouth. Derrick and Deidrick stare at her, amazed and scared.

INT. MITCHELL RESIDENCE, BOYS' BEDROOM - NIGHT

Derrick is stretched out across his bed. Deidrick is at their computer, looking at the top news stories for the day.

The door is knocked on twice.

DERRICK
Come in.

Destiny comes into their room and closes the door behind her. Deidrick clicks on a local story titled: Girl, age 11, Found On School Roof.

DEIDRICK
Holy crap! That's our school.

DERRICK

What? What's our school? Read it.
I'm not getting up.

DEIDRICK

'An eleven year old girl, who has not been named, was reported missing this afternoon by her mother, Rose. The girl had last been seen in her bedroom. Authorities were alerted to the presence of a child on the roof of Reid L. Cameron Elementary School by joggers.'

Destiny snorts and plops down on Derrick's bed.

DESTINY

She deserved it.

DERRICK

You left Roma on the roof?

Derrick and Destiny giggle, but Deidrick is not amused.

DEIDRICK

Are you trying to get caught?

DESTINY

No.

DERRICK

I wish I could go camping.

DEIDRICK

What does that have to do with anything?

DERRICK

I want to see the stars. The way they look at the planetarium.

The ceiling and roof over the boys' room disappears to reveal the night sky. The stars shine brighter than usual.

EXT. PARK - DAY

There are many people out, as the day is nice and sunny. Derrick and Deidrick spot Jamaal, Moses, Everett and Lyon playing volleyball. Moses and Everett have teamed up; Jamaal is on the opposite side with Lyon.

Deidrick yells at them across the park.

DEIDRICK

Yo! Can we play?

DERRICK

I didn't say I wanted to play.

DEIDRICK

If you don't the numbers won't be even.

DERRICK

I hate you.

DEIDRICK

You love me.

MOSES

Yeah. Come on.

Jamaal has the ball. He uses his telekinesis to send it over the net. Everett tries to hit it, but misses. The ball flies over to FIRE PUNK, a teen boy with pyrokinesis and pink hair.

Fire Punk picks the ball up with one hand and ignites his other hand.

FIRE PUNK

Thanks for the ball, turdlets.

Fire Punk tries to walk between Derrick and Deidrick, Derrick grabs his arm. Fire Punk's entire body is engulfed in flames.

Fire Punk drops the ball and rolls on the ground screaming.

FIRE PUNK

Put it out! Put it out!

Every person nearby with water bottles, water balloons and/or water guns come to the rescue. They empty their water onto Fire Punk and successfully put him out.

Deidrick picks the ball up and throws it back to Jamaal.

JAMAAL

You guys are bad luck.

Diamond and Destiny show up, just in time to hear Fire Punk rant. Diamond has a tray of three milkshakes; Destiny has her own milkshake in hand.

FIRE PUNK

(to Derrick)

You freak! You could have killed me.

DIAMOND

What is going on here?

FIRE PUNK

This little fart set me on fire!

DERRICK

Liar. You did that yourself.

FIRE PUNK

Yeah. To one hand. Just one. So how did my whole person end up ablaze? Hm? Explain yourself, freak.

PARK COP has arrived on scene. He twirls his baton around in a threatening way. A crowd has gathered around Fire Punk, Diamond and the Mitchell three.

PARK COP

What's the commotion here? What's the scandal? I don't really feel like doing any work today so if you could handle this yourselves, that would be excellent.

FIRE PUNK

I'll tell you what happened.

No one realizes it, but Destiny is gazing directly into Fire Punk's pupils. She scrambles his thoughts, causing him to forget what happened.

PARK COP

Okay. Let's hear it.

FIRE PUNK

This...this...person. Ball.

PARK COP

Ball?

FIRE PUNK

Water?

PARK COP

Have you been drinking, son?

FIRE PUNK

Drink? Yes. I would like a drink.

PARK COP

Okay. Let's go, kid.

Park Cop grabs Fire Punk by the neck and takes him away.

INT./EXT. DONOVAN'S CAR - SAME

Diamond drives; Destiny rides in the front seat. Derrick and Deidrick are in the back, milkshakes in hand.

DIAMOND

Dozer.

DERRICK

Yo.

DIAMOND

What happened? What did you do?

DERRICK

Nothing. He took the volleyball instead of giving it back to Jamaal. I tried to grab it when he walked by me.

DIAMOND

Why do I feel like part of this story is missing?

DESTINY

Nothing is missing. That's exactly what happened.

DIAMOND

And you know this how? Did you see it?

DESTINY

I didn't see it then, but I see it now.

DEIDRICK

You can see the past? Cool. Can you see the future?

DESTINY

I see...palm trees.

EXT. MITCHELL RESIDENCE - SAME

Diamond parks in the driveway. She doesn't realize it, but Edwin is parked on the street, several houses down.

DESTINY

He's back.

DEIDRICK

Who is?

DESTINY

Edwin Berry. Black car.

DERRICK

What should we do?

DESTINY

I'm bringing him to us.

The four of them sit in uncomfortable silence until Edwin shows up at the driver's side window. He has a thick manual style book in his hand.

EDWIN

Good afternoon, ma'am.

DIAMOND

Hello. Can I help you?

EDWIN

My name is Agent Berry. Edwin Berry. I am, what they call, a Wrangler.

DIAMOND

Okay. Who's being wrangled?

Edwin looks at Destiny and smiles.

EDWIN

Destiny Adrianna Mitchell. Nice name. Flows right off the tongue.

DIAMOND

Do you have proof that she's a god girl? I mean, that's why you're here isn't it? You think--

EDWIN

I know she is. Here you go, Destiny. Take this. Read it. Familiarize yourself with Isle Supra X so when you get there, it won't be a shock to you.

Edwin reaches across Diamond to give the book to Destiny. Destiny accepts it. Edwin communicates with Destiny telepathically.

EDWIN

You're not the only one with power. Don't ever forget that. I know what you are. Your time is running out.

INT. MITCHELL RESIDENCE, DESTINY'S BEDROOM - NIGHT

Destiny sits on the floor reading the book given to her by Edwin. She flips through the pages, reading the book from cover to cover in seconds.

EXT. MITCHELL RESIDENCE, BACK YARD - DAY

Destiny's birthday has arrived. The sky is overcast; rain threatens to ruin the outdoor event.

Derrick, Deidrick and Donovan set up the tables and chairs. Diamond hangs the last of the balloons. Destiny sits on a blanket in the grass with her eyes closed.

DONOVAN

Wasn't it supposed to be sunny today?

DIAMOND

Yeah. I checked the forecast yesterday and again this morning.

DONOVAN

So did I. I'm concerned about those clouds.

Destiny points at the sky, with her eyes still closed. She waves a hand and the clouds disperse. The sun comes into full view and a rainbow appears.

INT./EXT. EDWIN BERRY'S CAR - SAME

Edwin sits in the driver's seat with the window down and his arm hanging out. He's parked on the street across from the Mitchell house. Rose has parked behind him.

Rose runs up to Edwin's window and smacks his arm.

ROSE

Eddie.

EDWIN

Rose.

ROSE

What are you doing?

EDWIN

Keeping an eye out.

ROSE

You think Destiny left Roma on the school roof?

EDWIN

I know she did. I just need proof. My word is not enough.

ROSE

I know you have a job to do, but Diamond is my friend.

EDWIN

My job is way more important than your friendship.

ROSE

Jerk.

EXT. MITCHELL RESIDENCE, BACK YARD - SAME

Destiny's party is in full swing. Donovan serves as dj and Diamond as server for the food.

Derrick and Deidrick are off in the corner of the yard talking to MARIO (11), one of Destiny's friends.

DEIDRICK

How fast can you go? Fast like a race car or fast like a plane?

MARIO
Faster than a plane.

DERRICK
Can I experiment on you?

MARIO
Who? Me?

DERRICK
Yes. You. Just fly around the
block. I want to see how fast you
are.

Mario shoots up into the sky. No one pays him any mind, as his power is not unusual. Mario zooms around the neighborhood and comes back. His speed is mildly impressive to Deidrick.

When Mario lands, Deidrick applauds.

DEIDRICK
Cool. When you get old like our
dad, you won't even need a car.

DERRICK
Not bad. Do it again.

MARIO
What? Why?

DERRICK
On three. One...two...

Derrick touches Mario's arm.

DERRICK
Three.

MARIO
But--

Mario is propelled upwards. He screams as he is going too fast and can't control his power anymore. Mario is sent in a circle around the neighborhood, traveling so fast that it creates a hurricane like wind.

DEIDRICK
What did you do?

DERRICK
A thing.

Mario almost crash lands into Donovan's stereo set up, but is caught by Destiny. She snatches him out of the air with one hand, causing everyone present to stare at her in awe.

Destiny sets Mario down and goes inside the house. Diamond goes in after her.

INT./EXT. EDWIN BERRY'S CAR - SAME

Edwin is still there, bopping his head to the radio. Rose comes running from the rear of the Mitchell house and gets into the passenger's side without an invitation.

Rose shows Edwin her cellphone.

ROSE

Look at this.

Edwin watches the video of Destiny catching Mario. Destiny moves so fast that she appears to be a blur. It's not until she's holding Mario by his foot with one hand does her face and body become clear.

EDWIN

You have seen the light.

ROSE

In a way. Yeah.

INT. MITCHELL RESIDENCE, DESTINY'S BEDROOM - SAME

Destiny has her closet door open. She pulls armfuls of clothes out and dumps them onto her bed. Her shoes are in an organizer hanging over the back of her door.

Destiny chooses five of the twenty pairs of shoes and tosses them onto her bed. Diamond invite herself in and takes a seat at Destiny's computer.

DIAMOND

Running away.

DESTINY

Edwin is outside. I'm packing.

DIAMOND

Should I--

DESTINY

No. I'll cut the cake.

EXT. MITCHELL RESIDENCE, BACK YARD - SAME

The party is still going on. Mario returns to the corner of the yard with Derrick and Deidrick.

MARIO

What just happened?

DERRICK

Umm...nothing?

MARIO

What did you do to me? That was awesome! Can you do it again?

Deidrick nudges Derrick. Donovan gives the boys 'the look'. Diamond and Destiny come back outside. Diamond has a tub of ice cream in hand.

DIAMOND

Cake time!

All the kids in attendance, except Derrick, Deidrick and Destiny, run to the cake table and line up.

Destiny walks over to the cake and makes a 'karate chop' motion over it. The cake cuts itself into equal slices.

DEIDRICK

We can't touch her.

DERRICK

What?

DEIDRICK

We can't touch Destiny.

DERRICK

Ever?

DEIDRICK

Not ever.

Destiny makes eye contact with Derrick and Deidrick. She blows two kisses in their direction.

Diamond and Donovan notice the exchange. Donovan looks back and forth from the boys to Diamond, who is fighting back tears.

Destiny stands on a chair and holds her hands up to her mouth to amplify her voice.

DESTINY

Thank you for coming. Take a plate with you. See ya later.

Destiny walks around to the front of the house. Donovan, Derrick and Deidrick run after her.

Everyone stares at Diamond, waiting for an explanation.

DIAMOND

I'll be right back. Help yourself to the ice cream before it melts.

EXT. MITCHELL RESIDENCE, FRONT - SAME

Edwin has pulled his car closer to the driveway. Rose's car is gone. Destiny walks towards Edwin's car with Donovan, Derrick, Deidrick and Diamond behind her.

Edwin communicates to Destiny telepathically.

EDWIN

Are we ready?

DESTINY

They aren't. I am.

Edwin uses the remote on his keys to pop the trunk. Donovan runs in between Destiny and Edwin.

DONOVAN

Who told you you could leave?

DESTINY

I'm telling you, that I'm leaving.
I'll be back.

DONOVAN

But you're not a god girl. He has
no proof.

DESTINY

Eddie. Camera.

Edwin takes his cellphone out. He turns the camera on and aims it at Destiny.

Destiny snaps and makes four copies of herself. She snaps again and it starts snowing. The original Destiny and her copies quickly build a snowman that looks like Edwin.

Destiny and her copies take flight. They hover about eight feet off the ground. Derrick whispers to Deidrick.

DERRICK

Why is she doing that?

DEIDRICK

She wants him to take her.

Two of Destiny's copies fly over to where the boys are and land. They give Derrick and Deidrick a kiss on the cheek and disappear.

One Destiny copy goes to Diamond and hugs her around the waist.

DESTINY

Bye bye, Mommy-sama.

The fourth and last copy floats in front of Donovan so that they are eye to eye.

DONOVAN

Why?

DESTINY

You'll see.

The real Destiny is already in Edwin's car. She sits in the front passenger seat and snaps. All of her luggage appears in the trunk. Edwin closes the trunk.

The last two of Destiny's copies disappear. Edwin gets in his car and waves at Derrick and Deidrick.

EDWIN

Don't worry, boys. I'll take care of her.

Edwin pulls off. Mario peeks around the house.

MARIO

(to Derrick and Deidrick)

Where's Destiny?

Deidrick goes in the house via front door. Derrick sits on the ground with tears streaming down his face.

INT. MITCHELL RESIDENCE, BOYS' BEDROOM - NIGHT

The light is off. Deidrick sits at their computer, spinning around in the chair. Derrick is already in bed, staring up at the ceiling.

Destiny's voice echoes around their room.

DESTINY

(os)

Bull. Dozer. Please don't be mad at me. I had to do it.

Deidrick leaps up from his chair. Derrick jumps up and stands on his bed.

DERRICK

Destiny? Are you--

DESTINY

(os)

I'm on the plane to Supra X. I need you to help me. The guide book is in my room. Go get it.

Deidrick runs out of the room.

DERRICK

What are we helping you with?

DESTINY

We are going to have God Girl Island closed.

DERRICK

Why?

Deidrick returns with the book in hand. He closes the door, but doesn't lock it.

DEIDRICK

Destiny?

DESTINY

I'm here. Turn to the last page.
The plane is about to take off.
Read the last page and go to the
website. Don't tell the parents
anything. You have to come to the
Island. I'll be waiting for you.

Deidrick turns to the last page. He sits on Derrick's bed.
Derrick takes a seat beside him.

The last page has the website displayed across the top:
www.godgirlisland.org/visitationfaqs.

DERRICK

Visitation? I thought nobody was
allowed on the island except people
who work there. We should tell
Mommy.

DEIDRICK

No. Destiny just said not to tell
them.

DERRICK

I'm telling Mommy anyway. She would
want to know.

Derrick jumps up and runs out of the room. Deidrick tries to
grab him, but misses.

INT. MITCHELL RESIDENCE, HALL WAY - SAME

Derrick stops and flattens himself against the wall when he
hears Donovan and Diamond talking in the kitchen. Deidrick
is right beside him, purposely stepping on his toes.

DEIDRICK

(whispering)

You fart sandwich. Destiny said not
to tell them.

DONOVAN

(os)

All she had to do was be cool and
no one would have ever known.

DIAMOND

(os)

She's a smart girl. Smarter than
us, probably and wiser. She had a
reason.

DONOVAN

(os)

Bullcrap. She's eleven. How much foresight can a tween girl have?

DIAMOND

(os)

That was incredibly sexist. And ageist.

DONOVAN

(os)

I'm her father. I'm just worried that--

DIAMOND

(os)

She'll end up like your sister and not come back. She's not Adrienne. Give my girl some credit.

Derrick looks back at Deidrick and nudges him.

DERRICK

(whispering)

He has a sister?

DEIDRICK

I didn't know that. Let's go.

Deidrick and Derrick slide along the wall then tip-toe back to their room.

INT. MITCHELL RESIDENCE, BOYS' BEDROOM - SAME

Derrick and Deidrick return to their room. Deidrick locks the door and takes a seat at their computer.

DEIDRICK

Read me the web address.

Derrick checks the book before reading it.

DERRICK

www.godgirlisland.org/visitationfaq
s.

Derrick stands beside Deidrick and checks to make sure the web address has been spelled correctly. When the page comes up, Deidrick reads each question aloud.

DEIDRICK

Where is Isle Supra X located?

DERRICK

We already know.

DEIDRICK

Are planes allowed to land on Isle
Supra X?

DERRICK

No. We already know that, too.

DEIDRICK

Can anyone visit Isle Supra X?

DERRICK

Omg. We already know this stuff.

Derrick takes control of the mouse and scrolls down as far as he can. In the tiniest font, at the very bottom of the page are two notes with asterisks.

DEIDRICK

Enlarge it.

DERRICK

Shut up.

Derrick magnifies the text; Deidrick reads it out loud.

DEIDRICK

Visitors are allowed under the
condition that a resident has
suffered an illness or injury and
has been deemed unfit to relocate.

DERRICK

Illness or injury? Destiny isn't
sick or hurt.

DEIDRICK

Not yet. And what else...In the
event that a resident dies while on
Isle Supra X, her family will be
allowed to collect her body.

DERRICK

How does this help? We can't see
her unless she dies or almost dies?

Derrick hides the book under their desk and gets back in bed. Deidrick resumes spinning the computer chair.

INT. MITCHELL RESIDENCE, KITCHEN - DAY

Derrick and Deidrick sit on bar stools at the island while eating breakfast. There is one stool in between them, where Destiny usually sits.

Diamond leans against the counter, munching on an apple. She throws the core in the compost bin, before putting on a big, fake smile.

DIAMOND
What do you two have planned today?

DEIDRICK
Whatever chores dad has made a list of.

DERRICK
Yep.

DIAMOND
Well, that sounds exciting.

DERRICK
Where's Adrienne?

DEIDRICK
Derrick! You dummy.

DIAMOND
Someone was eavesdropping.

DEIDRICK
We didn't hear anything.

DIAMOND
You heard enough. It's not for me to tell. Maybe if you ask your da--

DERRICK
He'll yell at us for being nosy and give us even more work to do. Never mind.

DIAMOND
I'm going...out. To find some inspiration. I haven't written anything since I've been back. Must keep busy.

Diamond hurries out of the kitchen. Deidrick slaps Derrick upside the head.

DERRICK
Ow! What was that for?

DEIDRICK
For being a jelly brained buttchomper. She's gonna tell Dad we were listening. Then he's gonna yell at us.

DERRICK
No, she's not. Mommy wouldn't do that to us.

The front door opens and closes, then opens and closes again.

DONOVAN

(os)

Boys? Where are you?

DEIDRICK

In here.

Deidrick punches his palm in a threatening way. Donovan enters the kitchen, looking tired and deflated.

DONOVAN

Bull. Dozer.

DEIDRICK

Hi.

DERRICK

Good morning. You look sleepy.

DONOVAN

Couldn't sleep. Anyway, I need to tell you something. Some years ago, I had a sister, a half-sister. My father remarried when I was your age. He and his wife had a girl, named her Adrienne. She was normal at first. But around eleven or so she changed. She was one of the first god girls and the reason the facility was built on Supra X.

DEIDRICK

I thought they couldn't be made to stay once they turned eighteen? I heard somebody say that.

DERRICK

If she's old like you, she'd be way older than eighteen.

DONOVAN

I'm not old. Adrienne would be...twenty nine. Thirty next month. Not old. She chose not to come back. We got mail and updated pictures for a while, then they stopped.

Donovan hangs his head and sighs. Deidrick and Derrick wait for him to speak again.

DONOVAN

I just thought you should hear it from me instead of someone else.

Donovan gets a canned soda from the fridge and leaves. The front door opens and closes again.

DERRICK
You think she's dead?

DEIDRICK
No. Maybe Destiny knows.

DERRICK
If Destiny knows, wouldn't all the god girls?

DEIDRICK
Maybe not. Maybe Destiny is the most powerful of all of them.

EXT. ISLE SUPRA X, FERRY DOCK - SAME

The island looks normal from the water. There are palm trees as far as the eye can see. A few species of colorful birds nest in them. Frogs and a few insect species can be heard.

Destiny, PRISCILLA (12), and AUTUMN (10) wait by the sign that reads: God Girl Check-In. Priscilla is beside herself with excitement, but Autumn is on the verge of tears.

TIM and ALEXEI, both security guards and mid-20s, talk to FERRY CAPTAIN (early 50s), while the girls wait.

PRISCILLA
This is awesome. I'm Priscilla. Who are you?

DESTINY
Destiny.

AUTUMN
Autumn. I want to go home. Why do I have to be here?

PRISCILLA
Because you're a goddess. We aren't dangerous. They're just jealous.

Tim and Alexei salute Ferry Captain. They approach the girls.

TIM
Hello, there ladies. I'm Tim. This is Alexei.

ALEXEI
Bonjour.

TIM
Follow me.

Destiny, Priscilla and Autumn all have multiple suit cases and bags. Priscilla stacks hers one on top of the other and picks the whole teetering tower up in one hand.

Destiny's luggage floats about seven feet in the air and follows her every move.

Autumn has her bags form mechanical legs. They walk beside her in a neat line.

INT. DIRECTOR'S OFFICE - SAME

ADONIS M. BLEDSOE, Director of God Girl Island, sits at his desk with a stress ball in hand. He is around thirty, wears an expensive suit and has his office decorated in simple black and white.

MERCURY, his assistant (20ish, male, thin, nervous), alerts Adonis to new girls via telepathy.

MERCURY

Mr. Bledsoe, three more girls have arrived. Names Martinez, Priscilla, Miller, Autumn and Mitchell, Destiny.

ADONIS

I know.

MERCURY

Of course you do. Sorry.

ADONIS

Don't be sorry. Be useful. Make sure their rooms are ready.

MERCURY

Yes, sir.

EXT. ISLE SUPRA X - SAME

Tim leads, followed by Autumn, Priscilla and Destiny, with Alexei bringing up the rear. They march through the trees until they reach a single building that looks like a luxury beach house.

INT. GOD GIRL REHABILITATION CENTER - SAME

The inside of the house is decorated in teakwood and white. Very plain, but nice looking. Destiny, Autumn and Priscilla follow Tim to a door labeled 'Basement'.

He opens the door and reveals an elevator. They all pile in, luggage included. Alexei stays behind. Destiny notices Alexei and Tim share a grin.

There are no buttons. The elevator goes down on its own. Priscilla stretches and yawns...loudly.

PRISCILLA

You people are too quiet. Don't you ever talk? Aren't you excited to be here?

AUTUMN

Excited to be in prison? That's not exciting to anyone normal.

TIM

This is not a prison. It's a rehabilitation center.

They go down ten stories underground. When the door opens, a huge facility, that resembles a prison is revealed. There are at least nine floors, connected by two flights of stairs on either side of the main room.

AUTUMN

Sure looks like prison to me.

The younger girls there are all divided up into squads of nine. They all wear the same gray sweatpants and white t-shirt. The squad leaders are teen girls.

TIM

Follow me. Leave the luggage.

Destiny, Priscilla and Autumn follow Tim. The resident girls practice martial arts, yoga, etc. On one side of the main area, there is a tennis court, basketball court, swimming pool and gymnastics set up.

All of the residents and staff wear a silver cuff style bracelet.

AUTUMN

What are those bracelets for?

TIM

Identification.

Destiny communicates with Tim telepathically.

DESTINY

I know what they're for.

Tim stops in his tracks. He is unnerved, but tries to play it off. He responds via telepathy.

TIM

You should not have access to my mind.

DESTINY

But I do.

EXT. MITCHELL RESIDENCE - SAME

Derrick and Deidrick sit on the front steps. They see Jamaal walking down the street towards them. Neither of them move.

Jamaal waves when he sees the boys.

JAMAAL

Bull. Dozer.

DEIDRICK

Yo.

DERRICK

What up?

Jamaal notices how sad they look.

JAMAAL

What's wrong? Did somebody die?

DERRICK

We're dying.

JAMAAL

What?

Jamaal joins Derrick and Deidrick on the steps.

DEIDRICK

You'll hear about anyway. Destiny is gone.

JAMAAL

Gone where?

DERRICK

Isle Supra X.

JAMAAL

Oh snap. Sorry. Since I'm already here, can you do an experiment on me?

DERRICK

Mario told you that--

JAMAAL

Yes. I can't lift anything heavier than my own weight. I wanted to see if you can help me lift something heavier.

Derrick and Deidrick touch Jamaal.

DEIDRICK

Try that car.

JAMAAL

Whose is it?

DEIDRICK

Don't know. Don't care. Try it.

Jamaal aims both hands at a car parked on the street. He raises his arms slowly and is able to lift it about a foot off the road.

He eases the car back down and drops his arms. Jamaal holds his head and teeters as if dizzy.

Derrick and Deidrick stand up. They each put one hand on a shoulder of Jamaal's. Jamaal's balance, energy and focus return.

DEIDRICK

Try again.

Jamaal stretches forth his hands again and lifts his arms too quickly. The car goes flying skyward and hits a flock of birds overhead.

JAMAAL

No! The birdies!

Jamaal drops his arms and the car comes speeding back down.

DEIDRICK

Catch it! Catch it!

Jamaal regains control of the car, but not before CAR OWNER comes out a house across the street.

CAR OWNER

My car! What are you doing?

Jamaal places the car exactly as it was, gently.

CAR OWNER

You little punk! I should come over there and--

Jamaal lifts the car back up, around four feet off the ground, and flips it upside down. He lets it hover there.

CAR OWNER

I mean, that's some skill you have there. I hope you're able to make good use of it in adulthood.

Jamaal turns the car right side up and sets it down. Car Owner gets into his car and speeds away.

Deidrick pats Jamaal on the back.

DEIDRICK
Are we still bad luck?

INT. SUPRA X, PROCESSING ROOM - SAME

Destiny, Autumn and Priscilla stand in a bare white room. There is a set of doors marked 'Personnel Only' on one side.

Mercury emerges from the double doors with three milk crates on a hand truck.

MERCURY
Hello, My name is Mercury. I am
assistant to Director Bledsoe.
Welcome to Supra X.

Mercury gives the top crate to Destiny, the middle crate to Autumn and the last one to Priscilla.

Each crate contains a new tablet, a rule book, a journal, a hardcover copy of 'Goddesses of the New Earth' by Adrienne Mitchell, a silver cuff bracelet, and a bag of chocolates.

MERCURY
While you're here, you'll have to
complete your school work.

AUTUMN
It's summer now.

MERCURY
It's summer always here. But school
is not optional. The fall semester
starts August 28th. So, you have
plenty of time to goof around. The
bracelets, put them on, please.

Autumn and Priscilla put their bracelets on right away. Destiny presses her thumb and index finger into the sides of her throat before following suit.

MERCURY
Lovely. Now, follow me. I'll show
you to your rooms.

INT. MITCHELL RESIDENCE, BATHROOM - SAME

Derrick and Deidrick wash their hands. The door is wide open.

DERRICK
I'm tired of waiting.

Diamond sticks her head in the bathroom.

DIAMOND
Waiting for what?

DEIDRICK
Summer to officially start. It's
hot in here.

DIAMOND
You two are up to something.

DEIDRICK
Of course we are.

Diamond leaves them alone and Deidrick closes the door.

DEIDRICK
You talk too much and too loud.

DERRICK
Why hasn't Destiny said anything
else yet?

DEIDRICK
She might be too far away. Supra X
is like down the street from
Hawaii.

DERRICK
There are no streets in the ocean.

DEIDRICK
You know what I meant.

INT. SUPRA X, LEVEL 3 - SAME

Mercury stands in front of the cell marked 'L3-18'. There is no light on inside. Autumn and Priscilla are too amazed by their bracelets to notice Destiny sweating and losing her color.

MERCURY
You three will share this room.

Mercury waves his bracelet in front of the security code reader on the door and it unlocks. Several lights come on, revealing not a single room, but a suite with four separate bedrooms (with personal bathrooms) and a shared living room.

The decor in the living is plain white and teakwood.

PRISCILLA
Wow. This is nice. It's like a
hotel.

AUTUMN
I get my own room here? Sweet!

MERCURY
And bathroom. But you have to share
the living room and kitchenette so
be respectful of each other. Please
and thank you all very kindly.

Autumn and Priscilla go inside, crates in hand, to claim a bedroom. Mercury finally notices that Destiny looks ill.

MERCURY

Are you okay?

Destiny fans her face with her hand.

DESTINY

It's really hot in here.

MERCURY

You're not okay.

DESTINY

I'm fine. I just need to lie down.

Destiny picks a room. She drops her crate on the floor and closes the door.

INT. DIRECTOR'S OFFICE - SAME

Adonis is still at his desk, playing Solitaire on his computer and squeezing the stress ball with the other.

Mercury communicates with Adonis telepathically.

MERCURY

(os)

I'm on my way to you. We might have a problem.

ADONIS

I love problems. They give me something to do.

Adonis wins his game of Solitaire.

INT. SUPRA X, DESTINY'S ROOM - SAME

Destiny is stretched out on her bed. Her face is puffy and a rash is spreading across her chest and neck.

DESTINY

Almost time, goons.

INT. DIRECTOR'S OFFICE - SAME

Mercury comes in and takes a seat on the couch. Adonis uses his telekinesis to close and lock the door.

ADONIS

What problem are we having?

MERCURY

One of the new girls looked a bit ill.

ADONIS

Is that it?

MERCURY

I can't access her mind, either.
How often does that happen?

ADONIS

Which girl?

Mercury sends Adonis a telepathic image of Destiny.

INT. MITCHELL RESIDENCE, KITCHEN - SAME

Derrick and Deidrick sit at the island while having lunch. Diamond leans against the fridge while surfing the web on her phone.

DERRICK

Mommy-sama?

DIAMOND

Baby chan.

DERRICK

What happens to god girls when they
come back?

DEIDRICK

Why are you, you?

DERRICK

It's just a question.

DIAMOND

They go back to living life.

DERRICK

That's it? How boring. What's the
point of keeping them locked up
just to let them go later?

DIAMOND

This is why.

Diamond shows Derrick and Deidrick her phone. A breaking news story coming out of Canada, shows video of a god girl going on a rampage, setting fire to buildings and blowing up several cars.

DIAMOND

She's nine, by the way. Your age.

The video continues, showing police shooting at the girl. She deflects all of their bullets. There is an older lady trying to get the girl's attention, but the girl pays her no mind.

Diamond puts her phone in her pocket and blows a kiss at the boys before leaving the kitchen.

Derrick finishes his lunch and runs upstairs.

INT. MITCHELL RESIDENCE, BOYS' BEDROOM - SAME

Derrick leaves the door open and takes a seat at their computer. He searches for 'God Girls'.

Deidrick comes in and closes the door.

DEIDRICK

It's freaking hot in here. I wish Destiny was here so I could ask her to make it snow. What are you looking for?

DERRICK

Looking for old god girls that got off the island. At least one would have made the news, I think.

DEIDRICK

Why? Why would anyone care?

DERRICK

They interview survivors of kidnapping years after they're rescued. How is this any different?

Derrick reads page after page of search results. After page twelve he gives up and screams in frustration.

DEIDRICK

See? No one cares.

DERRICK

Berry!

DEIDRICK

Berries? The heat is cooking your tiny little brain.

DERRICK

Edwin Berry. The Wrangler. Roma told him our address. Maybe she knows why the god girls never come back.

DEIDRICK

Just because you can't find them, doesn't mean they never come back.

DERRICK

Is Roma's last name Berry?

DEIDRICK

Don't know. Don't care. Bye. I'm going outside.

Derrick spins around in the chair for a moment before jumping up. He's had an epiphany.

EXT. MITCHELL RESIDENCE, BACK YARD - SAME

Deidrick sprays himself in the face with the water hose. Diamond uses her feet to measure a space in the grass.

Derrick comes running from around the front of the house. He crashes into Deidrick and gets sprayed.

DEIDRICK

Watch where you're going!

DERRICK

Hey, Mommy! Can you take me to see Roma?

DIAMOND

Roma? You have a crush on her? How cute. You know girls have a rule against liking boys that are younger than them?

DERRICK

They do? Maybe she won't mind. Please.

DIAMOND

Sure. Soon as finish measuring this area. I'm getting a pool. I don't care what that man says.

Deidrick puts his arm around Derrick's neck and chokes him on the sly.

DEIDRICK

What are you doing?

DERRICK

A thing. I need to know where they are. They never come back.

DIAMOND

I see you, Deidrick. Let him go.

Deidrick releases Derrick and gives him the evil eye.

EXT. PARK - SAME

Rose, Roma and Mallory get ice cream. Diamond pulls up in Donovan's car and honks the horn at them. She yells out of the window.

DIAMOND

Rosie! Roma! And little person I
don't know. Hi!

Diamond parks. She, Derrick and Deidrick get out of the car.
Deidrick whispers to Derrick.

DEIDRICK

Was Mallory a part of your dumb
plan?

DERRICK

No.

Mallory glares at Deidrick. When they are all close enough,
Diamond and Rose give each other a one-arm hug.

ROSE

So, what's this I hear?

Rose pats Roma on the head.

ROSE

You have an admirer and you didn't
tell me?

ROMA

What admirer?

Deidrick pushes Derrick forward. He nearly bumps into Roma.
Roma cringes and backs away from him.

MALLORY

Eww.

ROMA

You admire me? Gross. I don't like
you. You're too young for me.

Rose and Diamond walk off in the direction of a picnic
table. They are both giggling.

Once they are out of ear shot, Derrick explains himself.

DERRICK

I don't like you. At all. I just
need to talk to Agent Berry.

ROMA

My uncle Eddie is too busy to be
bothered.

DERRICK

I want to know why the god girls
never come back.

MALLORY

They do come back. What are you
talking about?

DERRICK

They can leave Supra X when they turn eighteen, but there's no news story or interviews. Think about it, wouldn't at least one of them write a book or have a blog. None of them do. They all disappear.

ROMA

I guess so. I can ask him. Maybe they just don't want to be bothered. I wouldn't.

DEIDRICK

Your uncle doesn't mind being a bother.

Mallory snorts. Derrick and Roma stare at her.

DEIDRICK

Your uncle Eddie, what's he like? I mean, before he became a Wrangler.

ROMA

I don't know.

DEIDRICK

What is your earliest memory of him.

ROMA

He just showed up. When I was...six. He just showed up and everyone acted like they already knew him, so I did too.

INT. SUPRA X, L3-18 - SAME

Adonis and Mercury are outside Destiny's room. Autumn and Priscilla stand in the living area, waiting for instruction.

MERCURY

Anything?

ADONIS

No. How is she doing this?

Mercury knocks on the door.

MERCURY

Destiny? Are you okay in there?

There is no response. Autumn loses her cool.

AUTUMN

Is she dead? She didn't die, did she?

ADONIS

Be calm.

Autumn's posture and expression soften. She stares blankly ahead as if sleeping with her eyes open.

Priscilla waves a hand in front of Autumn's face.

PRISCILLA

Autumn? Hello?

ADONIS

You too.

Priscilla's arm drops. She stands with no expression and her shoulders relax.

EXT. PARK - SAME

Derrick and Deidrick stand on either side of Roma. Mallory eats her ice cream while continuing to shoot Deidrick evil looks.

DEIDRICK

How old is this uncle Edwin?

ROMA

You guys ask too many questions.

MALLORY

They are super nosy.

DERRICK

How old? Thirty?

ROMA

Twenty-three.

Deidrick counts on his fingers to determine Edwin's age upon 'showing up' in Roma's family.

DEIDRICK

You met him when he was eighteen.

Derrick and Deidrick hear Destiny's voice in their heads.

DESTINY

It's time. Come save me.

Derrick and Deidrick look at each other. They look at Roma and Mallory, who are both looking at Roma's phone.

Derrick notices that Diamond has her phone to her ear. She jumps up from the picnic table and runs to them.

DIAMOND

Boys! We have to go! Now!

Derrick and Deidrick run back to the car. Rose yells after them.

ROSE

What's wrong?

DIAMOND

Destiny. Something's wrong with
Destiny.

INT. SUPRA X, DESTINY'S ROOM - SAME

Destiny is on her bed, unconscious. Adonis, Mercury and DR. MASON BROOKS (27, laid back), the facility doctor and SCOUT (male, 22, big-boned, effeminate) the only nurse are around the bed.

Destiny's face is badly swollen; she is almost unrecognizable. A bad rash has spread over her entire body. She is also running a high fever.

ADONIS

What is this, Brooks?

DR. BROOKS

I don't know yet. We have to move
her upstairs in case it's something
contagious. Lockdown.

Adonis feels Destiny's wrist where her bracelet is. There is a thick layer of candle wax between Destiny's skin and the bracelet.

ADONIS

Clever. Who are you little girl?

SCOUT

Her family has been notified
already. They should be here first
thing in the morning.

ADONIS

Parents names?

SCOUT

Atkins, Diamond Star and Mitchell,
Donovan Case.

INT. MITCHELL RESIDENCE, BOYS' BEDROOM - SAME

Derrick and Deidrick quickly pack bags. They grab armfuls of clothes and shoes and throw them into two duffel bags, two rolling cases and a messenger bag.

DEIDRICK

You heard her, didn't you?

DERRICK

Destiny? Yeah.

DEIDRICK

'Come save me.' What do you think that means?

DERRICK

I guess we'll be finding out.

Donovan yells at them from down the hall.

DONOVAN

(os)

Out of here in five, goons.

DERRICK

We're coming!

Derrick grabs the guide book from under their desk and hides it at the bottom of his duffel bag.

INT. AIRPORT WAITING AREA - NIGHT

Derrick and Deidrick walk several paces behind Diamond and Donovan. The airport is still moderately busy, as it's not that late.

Deidrick and Derrick walk so close that their shoulders rub. They speak softly.

DERRICK

I don't want to go. I mean, I do, but I don't.

DEIDRICK

I know what you mean.

Donovan and Diamond come to an abrupt stop. Derrick and Deidrick look around them to see Edwin Berry sitting in the waiting area.

Edwin stands up and walks over to them.

DONOVAN

Why are you here?

EDWIN

I came to see you off. I was informed by staff on Supra X that Destiny was under the weather.

DONOVAN

If it was just 'under the weather' they wouldn't have called us.

EDWIN

I suppose not. Kind of interesting though. God girls never get sick. Ever.

DIAMOND
That is a load of--

DONOVAN
Nonsense.

DIAMOND
Yes. Nonsense. They're human, no
matter how much power they have.

EDWIN
Humans who can will themselves
healthy. Who can mend a broken bone
or collapsed lung just by thinking
it.

Edwin looks at Derrick and Deidrick.

EDWIN
You too don't look very concerned.

DEIDRICK
We are. Just because we aren't
crying like big babies, doesn't
mean we don't care.

DERRICK
Who are you really? Your name isn't
Edwin. You aren't really Roma's
uncle, are you?

Edwin maneuvers around them and walks on like he never
stopped.

INT. SUPRA X, VISITORS CENTER - SAME

Destiny is in a makeshift hospital room. Adonis sits in the
corner with stress ball in hand.

Scout and Dr. Brooks come in and check Destiny's condition.

DR. BROOKS
She could have healed herself if
she felt ill.

ADONIS
Could have, but didn't.

SCOUT
Maybe she missed her family and
wanted to see them.

ADONIS
Missed them? She just got here this
morning.

DR. BROOKS

(to Adonis)

Something's bothering you. I won't ask, because I know you won't tell me. Whatever it is, you can deal.

ADONIS

Yes, I can.

INT. ROMA'S BEDROOM - SAME

Roma sits on the floor looking through an old photo album of her mother's family. It shows Rose as an only child.

Roma notices one picture of a little girl who is not Rose, posing with her grandparents. The girl is around nine and her grandparents are old in the photo.

ROMA

Mommy! Come here!

Rose races into Roma's room and sits on her bed.

ROSE

Yes, ma'am? What's up?

Roma points to the photo of the mystery girl.

ROMA

That's not you. Who is it?

ROSE

Evelyn. My parents started fostering after I moved out. They would take in babies for overnight care. But they agreed to take this girl for a little while.

ROMA

What happened to her?

ROSE

I don't know. Adopted hopefully. She wasn't with them long. Just a week or two. Now that I think about it, Mama seemed kind of upset that Evelyn left. I don't know why.

Roma takes the photo out and looks on the back. There is no date.

ROSE

Looking for a date? I'd guess...this was taken about fourteen years ago. Something like that. Evelyn would be around...

ROMA

Twenty-three.

INT./EXT. PLANE - SAME

Derrick and Deidrick sit behind Diamond and Donovan by the window. Derrick takes the guide book out of his duffel bag.

Donovan turns around in his seat to see what the boys are up to.

DONOVAN

Where did that come from?

DEIDRICK

Destiny's room.

DONOVAN

Why were you in her room?

DEIDRICK

She told us to--

Derrick smacks Deidrick in the face with the book. Donovan sighs and turns back around.

DONOVAN

(to Diamond)

I'm too tired for this. They're your kids until we land.

Derrick turns to page one, which contains a bio about the founder and sponsor of Isle Supra X, J. Adonis Bledsoe.

A black and white photo of him is above the text. The picture is of Adonis, current director of Supra X.

DERRICK

Mommy, can you look something up for me?

DIAMOND

What?

DERRICK

J. Adonis Bledsoe.

Diamond types in the search herself then passes her phone over her head to Derrick.

DONOVAN

You are too old to still be calling her Mommy.

DIAMOND

Until we land. That's what you said.

Deidrick takes Diamond's phone. He and Derrick read the search results together.

DERRICK
Click on that one.

DEIDRICK
No.

DERRICK
Click it.

DEIDRICK
No.

Derrick tries to snatch the phone from Deidrick, but Deidrick holds it out of reach.

DERRICK
Gimme that. She was giving it to me anyway. Give it!

Diamond turns around and sits in the seat on her knees. Derrick and Deidrick straighten up immediately.

DONOVAN
Your kids.

Diamond holds her hand out; Deidrick gives her phone back. Diamond selects a result and reads it out loud to them.

DIAMOND
Julian Adonis Bledsoe, converted his private island Supra X into a retreat and rehabilitation center for 'god girls' eighteen years ago today.

DEIDRICK
Why though? Why did he care?

DIAMOND
There's a quote from him here. It says, "I have power that they don't. I am obliged to share it with them."

DEIDRICK
In other words, he's bonkers.

DONOVAN
Pretty much. Now, please go to sleep or something.

Diamond sits down in her seat.

DIAMOND
Until we land.

INT./EXT. EDWIN BERRY'S CAR - SAME

Edwin is still in the airport parking lot. He sits in the driver's seat with his elbow propped up on the window.

He is very agitated. Edwin unlocks his cellphone and sends a new text message to Rose.

His message reads: Did you talk to the Mitchells today?

Rose replies with: Yes, we met them in the park. Derrick claimed to have a crush on Roma, but I don't buy it. His silly brother probably dared him.

Edwin selects Roma's name from his contacts and calls her.

EDWIN

Hello, Roma tomato. What's going on?

Edwin puts Roma on speakerphone and puts his phone in the dash cradle.

ROMA

(os)

Nothing.

EDWIN

Not what I heard. I heard some gossip. Somebody's got a boyfriend.

ROMA

I do not! I don't like Derrick. Oops.

EDWIN

Clean up, on aisle eight. Beans spilled! Beans spilled.

ROMA

I don't like him.

EDWIN

Okay. I believe you. Now, can you tell me something.

ROMA

Did he ask you about me?

There is a lengthy silence between them.

ROMA

How did you know--

EDWIN

Sixth sense. What did you tell him?

ROMA

Nothing.

EDWIN
And what else?

ROMA
Your age.

EDWIN
How old am I? Do you know?

ROMA
Twenty-three. Like Evelyn.

Edwin ends the call and knocks his phone onto the floor. He turns his car on and burns rubber out of the parking lot.

INT. ROMA'S BEDROOM - SAME

Roma paces the floor, talking to herself out loud.

ROMA
What have I done? What does this mean? Does he know Evelyn? Are they related? Does he know where she is? I am confused. Why would Derrick ask me about Edwin? Why does he care? Is it because of Destiny? Destiny.

Rose knocks twice, then invites herself into Roma's room.

ROSE
In here having yourself a breakdown?

ROMA
Yes. No. I'm brainstorming. Are god girls psychic?

ROSE
So I've heard. Did Destiny ever--

ROMA
I don't know, but I want her to.

Roma sits on the floor, cross-legged and closes her eyes.

ROSE
What are you doing?

ROMA
Clearing my mind so Destiny can have access.

Rose giggles.

ROSE
This is cute. Did you see this on tv?

ROMA

Comic book. Mallory has a million boxes of them. I read a few that had psychic characters. They can read your mind if you're calm and let them know that you want them to.

Rose turns the light off.

ROSE

Whatever you say, kid. Good night.

ROMA

Good night. And I think uncle Edwin knows Evelyn or is Evelyn. I'm not sure which one yet.

Rose turns the light back on.

INT./EXT. FERRY - DAY

Ferry Captain stands aside while Donovan, Diamond, Deidrick and Derrick board. There are no other passengers.

DEIDRICK

We get this boat all to ourselves?

FERRY CAPTAIN

Supra X is not open to the public. Family only and then only in emergencies.

DERRICK

Do we get to see the whole thing?

FERRY CAPTAIN

No. Visitors center only.

DEIDRICK

Why?

DONOVAN

Because be quiet already. That's why.

Diamond elbows Donovan in the side.

DONOVAN

We have landed technically.

INT. SUPRA X, VISITORS CENTER - SAME

Destiny is still unconscious. Adonis paces her room, with stress ball in one hand and bagel in the other.

Adonis' phone rings. He stops pacing to speak directly into Destiny's ear.

ADONIS

Your family is here. Try anything to sabotage this facility and they will go missing.

EXT. ISLE SUPRA X, FERRY DOCK - SAME

Tim and Alexei are already there to welcome the family. They stand by the 'God Girl Check- In' sign wearing khaki shorts, Hawaiian shirts and leis.

Ferry Captain waves at Tim and Alexei before departing.

FERRY CAPTAIN

Take care of these people. Real good care.

ALEXEI

You know we will, boss.

Donovan, Diamond, Deidrick and Derrick stand there with all of their luggage/bags in tow.

DEIDRICK

This stuff is heavy. Which way to the visitors' center? My arms hurt and I want to see Destiny. Is she okay?

TIM

She's alive and in no danger of dying...I think.

DONOVAN

You think? Are you people serious?

ALEXEI

She's developed some illness or allergy that Dr. Brooks here is not familiar with. He's working on it, though.

TIM

Follow us.

INT. DIRECTOR'S OFFICE - SAME

Adonis has all of his squad leaders (19 in total) crowded around his desk. He sits on his desk, with stress ball in hand.

ADONIS

It's time to work, ladies. Set up a perimeter. No one and nothing gets off of this island without my knowledge and permission.

Adonis snaps and a railway tunnel appears in the wall. The team leaders walk down the tunnel until they reach a ladder and hatch.

Adonis watches as they climb one by one and disappear up to the surface. When the last team leader is gone. The tunnel disappears.

INT. SUPRA X, VISITORS CENTER - SAME

Destiny has been intubated. Dr. Brooks and Scout communicate with each other telepathically.

SCOUT
Any theories?

DR. BROOKS
My only theory is that she's playing games with us.

SCOUT
I don't think she wanted a tube down her throat or a bed pan. Nobody would want that.

DR. BROOKS
Her symptoms don't add up to any infection, syndrome or disorder that I am aware of.

SCOUT
Then maybe it's something new. You can name it. Mason Brooks Disease. Symptoms include any and everything.

Dr. Brooks snorts and Destiny's heart rate alarm goes off.

SCOUT
Still think she's faking it?

EXT. ISLE SUPRA X - SAME

The visitor's center is close. Deidrick and Derrick walk far behind Diamond, Donovan, Alexei and Tim.

Deidrick sees movement in the trees.

DEIDRICK
I think we're being watched.

DERRICK
Whoever's watching should help with these bags.

Scout waits at the front entrance of the visitor's center. He communicates with Tim and Alexei telepathically.

SCOUT
Take them to their rooms first.

ALEXEI
Why?

SCOUT
The girl is not doing good. I don't know if she's going to make it.

TIM
Why is she sick in the first place? She could have healed herself.

SCOUT
We are not really gods. It's just a label.

Diamond and Donovan continue following Tim and Alexei, not realizing that Deidrick and Derrick have stopped.

Deidrick looks around at the tree tops. He notices a shimmering in one and sees a vague outline of a person.

DEIDRICK
Hello, up there. I can see you.

INT. SUPRA X, VISITORS CENTER - SAME

Tim leads Diamond and Donovan through the "lobby", past the elevator and to a large suite at the end of the hall. Diamond and Donovan drop their bags.

TIM
Your room is here. Your boys can share the room on my left. Let them know.

DONOVAN
They're right--

Donovan turns around and sees that Derrick and Deidrick are not with them.

DIAMOND
We'll tell them. Where's Destiny?

TIM
Hospital suite. I'll go see if she can have visitors.

Tim takes off running down the hall and turns.

DONOVAN
Where'd that other guy go? Wasn't he in front of us?

EXT. ISLE SUPRA X - SAME

Derrick and Deidrick have dropped their luggage. They stand at the base of the tree where the shimmering figure was seen.

DEIDRICK

Hello?

Alexei suddenly appears behind them.

ALEXEI

Hi.

Derrick and Deidrick are startled.

ALEXEI

Looking for something?

DERRICK

No. Saw a bird or something.

Derrick and Deidrick pick their bags back up. They walk to the visitor's center with Alexei right behind them.

INT. SUPRA X, VISITORS CENTER - SAME

Donovan, Diamond, Derrick and Deidrick stand in the lobby. Donovan is frustrated and annoyed.

DONOVAN

Hello? Anybody? Why is there no customer service desk? Where is my daughter?

Scout comes downstairs and communicates with Adonis telepathically.

SCOUT

Send them up?

ADONIS

(os)

Yes.

Scout gives Diamond and Donovan a respectful bow.

SCOUT

She's upstairs. First door on the right. Prepare yourselves.

INT. VISITORS' CENTER, DESTINY'S ROOM - SAME

Adonis leans against a wall, while Dr. Brooks checks Destiny's eyes with a pen light. The door is open.

Donovan enters first and he falls apart. He runs to Destiny's side, with tears streaming down his face.

Diamond blocks the entrance with her body. She backs up and pushes the boys away from the door.

DONOVAN

Destiny. Baby. What happened to you?

ADONIS

It's refreshing to see a man value his daughter.

DONOVAN

How did this happen? She was fine just--

ADONIS

Yesterday. I know. Very mysterious.

Donovan wipes his face with his shirt. He gains enough composure to give Adonis and Dr. Brooks a good looking over.

DONOVAN

Who are you people?

DR. BROOKS

Mason Brooks, MD.

ADONIS

Adonis M. Bledsoe, Director.

Donovan eyes Adonis suspiciously.

DONOVAN

I didn't know Bledsoe had a son. Where is he? Is he still alive? No one has seen him in years.

ADONIS

He's very alive and very well. I'm going to go check on our residents and staff. Dr. Brooks will try his best to answer anymore questions you may have.

Adonis leaves the room. Donovan follows him with his eyes.

DR. BROOKS

I'll try to answer, but I'm coming up blank. I think my medical school owes me a partial refund.

INT. VISITORS' CENTER, HALLWAY - SAME

Diamond, Deidrick and Derrick stand against the wall. Diamond fights back tears. Adonis walks by them to get to the stairs and acts like he doesn't see them.

Derrick stares blankly ahead at the opposite wall. He sees the shimmering figure again.

He gently nudges Deidrick. Deidrick nods as he has seen it as well.

DIAMOND

She'll be okay. She'll be okay. She is going to be fine.

Derrick and Deidrick hear Destiny's voice in their heads. Her voice is very soft and sounds distant.

DESTINY

(os)

Save me.

Dr. Brooks stands in the doorway.

DR. BROOKS

(to Diamond)

I've contacted my colleagues on the mainland. The soonest they can get here is two days from now.

DIAMOND

Thank you.

DR. BROOKS

She's not contagious.

DIAMOND

You know that for sure?

DR. BROOKS

Yes. I disabled my immune response to test it out.

Dr. Brooks goes back downstairs. Derrick and Deidrick notice the silver bracelet on his wrist.

Deidrick whispers in Derrick's ear.

DEIDRICK

That looks like it's for a girl.

DERRICK

I know.

INT. DIRECTOR'S OFFICE - SAME

Adonis is in his chair, feet up on the desk, and stress ball in hand. Dr. Brooks appears on the couch out of thin air.

ADONIS

I hope you didn't let them see you do that.

DR. BROOKS

You know and see all, fearless leader. You should know.

ADONIS

Not all. I can't see inside that girl's head.

DR. BROOKS

Try the boys. They don't look very bright. They'll probably give you everything you want.

Adonis tosses the ball upwards. It hovers in the air right above his desk. He crosses his hands and closes his eyes.

DR. BROOKS

Anything?

ADONIS

Nothing.

Adonis stands up and takes hold of the stress ball. He mumbles under his breath.

ADONIS

Must be genetic...

DR. BROOKS

Pardon? Going somewhere?

INT. VISTORS' CENTER, DESTINY'S ROOM - SAME

Donovan still stands by Destiny's bed when Diamond enters. Deidrick and Derrick are several steps behind her. They continue whispering to each other.

DERRICK

What should we do?

DEIDRICK

I don't know.

Donovan notices that the boys are keeping their distance from Destiny's bed. Diamond stands beside Donovan and holds Destiny's hand.

DONOVAN

Don't be scared. You can touch--

DERRICK

No, we can't.

Deidrick facepalms.

DERRICK

If we do--

Deidrick tries to put his hand over Derrick's mouth, but Derrick ducks out of the way.

DONOVAN
Just go to your room.

DERRICK
But--

Donovan and Diamond give Derrick 'the look'. He runs out of the room. Deidrick follows, shaking his head in disbelief.

When Deidrick is out of the room. Donovan puts his arm around Diamond.

DONOVAN
They're your kids until we get home.

DIAMOND
Fine with me. This makes no sense to me. Edwin said she could have healed herself. So, why didn't she?

DONOVAN
They aren't really gods.

DIAMOND
It's just a label. Yeah. Maybe she's not a god girl. Not a real one. Maybe it was just temporary and her power is gone now.

DONOVAN
I left my phone in the room. I'll look it up. If it was just temporary, we can take her home.

INT. VISITORS' CENTER, BOYS ROOM - SAME

The room that Deidrick and Derrick share is all white. There is one king sized bed in the room, requiring that they share it.

Deidrick sits on the floor, with his back against the bed. Derrick sits on the bed, cross-legged with his eyes closed.

DEIDRICK
You are a moron.

DERRICK
Shut up. I'm meditating.

DEIDRICK
Meditate on this.

Deidrick rips a very loud fart. Derrick jumps up, grabs a pillow and smacks Deidrick over the head with it.

They see Diamond run by their door, go into the room that she shares with Donovan and come back out.

She stops at the door of their room with her phone in hand.

DIAMOND

What's going on? You two are being sneakier than usual?

DERRICK

Mommy, something is wrong. Destiny has been asking for our help, but we don't know what to do.

DIAMOND

She asked when?

DERRICK

Before we got here, but she told us not to tell you and dad anything.

DEIDRICK

And yet you're telling her. Shut up, already!

Diamond steps into the room and closes the door behind her.

EXT. ISLE SUPRA X, FERRY DOCK - SAME

Mercury stands on the beach. He flies straight up into the air to have a view of the entire island.

The team leaders have set up a perimeter around the island. Mercury communicates with all of them telepathically.

MERCURY

Good work. I'll disconnect their network so their phones won't work...if Adonis will let me.

INT. VISITORS' CENTER, BOYS ROOM - SAME

Diamond stands with her back against the door. Deidrick and Derrick sit on the bed facing her.

DIAMOND

I'm listening.

DERRICK

Destiny told us she needed our help shutting this place down.

DIAMOND

Why?

DERRICK

She didn't say.

DIAMOND

Anything else?

DERRICK

The god girls, they never go back home.

DEIDRICK

He thinks they all disappear because there are no interviews or books.

Diamond uses her phone to search for 'god girl island experience'. She scrolls through the results, but nothing useful comes up. There are no interviews, no tell all books, no blog posts, no videos.

DIAMOND

You're right. There's nothing. I think this place is worthy of at least one book.

Diamond searches for 'god girls, list of names'. The first website result is www.godgirlisland.org. Diamond clicks the link. The page has only one sentence: For security reasons, names, birthdates and addresses of past and/or present residents of Isle Supra X will not be published.

DIAMOND

What in the...

DERRICK

What? Did you find something?

DIAMOND

No and that's kind of a problem.

Diamond selects 'Rose' from her contacts and sends her a text message: Something weird is going on. God Girl Island might be a hoax. Contact the police for me, please.

EXT. PARK - SAME

Rose sits alone at a picnic table. Mallory shows off her jumping skills to Roma, while Rose watches them.

Rose reads the text message from Diamond. She is just about to put her phone in her purse, when Edwin appears beside her.

Rose is startled and takes a minute to recover.

ROSE

Where did you just come from?

EDWIN

I actually followed you here. Just waited for my chance to give you a good scare. Worth it.

Roma watches Rose and Edwin. Mallory stops jumping when she realizes that Roma is no longer paying attention to her.

Rose can see that Roma is unhappy about Edwin's presence. Rose tries to ignore Edwin but he is persistent.

ROSE

You followed me just for a laugh?
You must be pretty bored.

EDWIN

Not at all. I wanted to talk to
Roma about the little Mitchell
boys.

ROSE

What about them?

Edwin waves Roma over to the picnic table. She is reluctant to go. Mallory jumps over to the table in two bounds.

EDWIN

Mallory.

MALLORY

Edwin.

EDWIN

You go to school with the
Mitchells, don't you?

MALLORY

Used to. I'm going to middle school
and won't see Deidrick and Derrick
anymore.

EDWIN

Deidrick and Derrick. Do they have
any powers that you know about?

Rose stands up and pushes Mallory forward. She gestures for Roma to come.

EDWIN

Mallory?

ROSE

Why are you here?

EDWIN

I'm doing my job. And right now,
you're interfering with my job.

MALLORY

They don't have any powers of their
own. They just make other people's
power stronger.

EDWIN

How?

MALLORY

By touching them.

EDWIN

Thank you.

Edwin disappears.

ROMA

How'd he do that?

MALLORY

That's his power? I wish I could do that.

Rose selects 'Mama' from her list of phone contacts. When her mother, DAISY (60s), answers, Rose puts her on speakerphone.

DAISY

(os)

Hello? Rosie?

ROSE

Mom, I need to ask you about Evelyn.

DAISY

Oh? What about her?

Roma yells into Rose's phone.

ROMA

Was she a god girl?

DAISY

Yes. Yes, she was. That's why they took her.

MALLORY

Who's Evelyn?

ROSE

Mama, I need you to do me a favor. A huge favor.

INT. VISITORS' CENTER, BOYS ROOM - SAME

Diamond sits on the bed between Deidrick and Derrick. She allows them to look at her phone.

DIAMOND

One more thing to look up before I get mad.

Diamond searches for 'god girl wranglers'. The top photo result shows a group of men, fifty strong. Edwin is among them.

DERRICK

They're all dudes. I mean, I thought they were all dudes, but--

DEIDRICK

There are no women here?

DIAMOND

Not that I've seen. Something funky is going on here. Time to tell Daddy. We're having Destiny moved to Maui.

INT. DIRECTOR'S OFFICE - SAME

Adonis sits on his desk. His stress ball floats in the air, at eye level, spinning like a top.

Adonis hears Edwin's voice echo around the room. Edwin's voice is quiet and scrambled, as if he is whispering into an old walkie-talkie.

EDWIN

(v.o)

Don't let them touch her.

ADONIS

What? What do you want?

Adonis pounds the side of his head as if trying to clear water from his ear.

EDWIN

(v.o)

Mitchell boys. Don't let them touch her!

INT. VISITORS' CENTER, DESTINY'S ROOM - SAME

Donovan is still by Destiny's side. Her respiration, heart rate and blood pressure are all normal.

Diamond comes into the room with Deidrick and Derrick right on her heels.

DONOVAN

You three look suspicious. What are you up to?

DIAMOND

Look at this.

Diamond shows Donovan the group photo of the Wranglers on her phone.

DONOVAN

I was just thinking about that when
what's his name left.

DIAMOND

Brooks.

DONOVAN

I haven't seen any women here and
where are the girls?

DERRICK

Underground. That book said it's
underground.

INT. DIRECTOR'S OFFICE - SAME

Adonis opens his top desk drawer and removes a silver
bracelet.

Mercury communicates with Adonis telepathically.

MERCURY

(os)

The ferry is coming back. One girl
on board.

ADONIS

A bad little girl. She set Toronto
on fire. Tell the captain to
forgive me.

INT./EXT. ROSE'S CAR - SAME

Rose is parked outside the local news station. Roma and
Mallory are in the backseat sharing a large bag of tortilla
chips.

MALLORY

Why are we here?

ROSE

Because I have friends everywhere
and I know he'll want to do this.

ROMA

This what?

ROSE

Story about the god girls going
missing and no one caring.

Rose sees Dale strolling towards her car. He bends down and
waves to the girls in the backseat.

DALE

Hi there, ladies.

ROMA

Hello.

MALLORY

Hi.

ROSE

So? What did you find?

DALE

Nothing. You were right. Something odd is going on. I feel kinda bad now about posting that video.

ROSE

Video?

DALE

From the airport. What's her name? The Illumination of that little girl that Edwin wrangled.

MALLORY

Destiny.

ROSE

You feel kinda bad? Feel very bad and make it right.

INT. VISITORS' CENTER, DESTINY'S ROOM - SAME

Donovan is on Diamond's cellphone. Deidrick and Derrick stand against the wall opposite Destiny's bed.

Diamond stands very close to Donovan, nibbling her nail and staring at Destiny.

Donovan ends the call and checks for a signal.

DIAMOND

No signal? Figures.

Donovan gives Diamond her phone back.

DONOVAN

You have an unread text message.

Diamond's new message is from Rose: Mallory said the boys can amplify power by touching people. Is that true?

Diamond looks at Deidrick and Derrick, then back at Destiny. She looks at Deidrick and Derrick again, before crossing the room to grab them both by the arm.

Diamond drags them to Destiny's bedside.

DIAMOND

(to Deidrick and Derrick)

Show me.

DERRICK

But--

DONOVAN

But nothing. Do as you're told,
goon.

Adonis appears in the door just as Diamond forces Deidrick and Derrick to touch Destiny's arm.

Adonis uses superspeed to put a silver bracelet on Diamond and is blown back by the force of Destiny's second Illumination.

Brilliant light explodes from Destiny's body and engulfs her, Donovan, Diamond, Deidrick and Derrick.

Destiny's heart rate doubles, causing the alarm to go off.

EXT. ISLE SUPRA X, FERRY DOCK - SAME

Mercury floats high enough to see over the trees. He has a perfect view of the visitors' center.

All nineteen team leaders join him high off the ground, their eyes focused on the visitors' center.

Mercury uses x-ray vision to see what is happening inside.

MERCURY

Whoa, boy.

INT. GOD GIRL REHABILITATION CENTER - SAME

All of the god girls stand at attention in the center of the first level.

They are blank-faced at first, but one by one snap out of the trance that they've been in. Priscilla and Autumn are right next to each other.

PRISCILLA

What just happened? Something just
happened.

Autumn looks up at the ceiling. She uses x-ray vision to see into Destiny's room.

AUTUMN

Look! Up there.

All of the god girls witness the tail-end of Destiny's second Illumination.

INT. VISITORS' CENTER, DESTINY'S ROOM - SAME

When the light recedes, the room has been transformed into a normal guest room. The hospital equipment is gone and the bed is queen sized with normal bedding.

Donovan, Diamond, Deidrick and Derrick watch in amazement. Destiny stands over Adonis, who is on the floor, scrambling to get up.

Destiny uses telekinesis to pull Adonis' stress ball from the pocket on the inside of his jacket. The ball disintegrates in Destiny's hand, revealing a mini radio transmitter.

Destiny crushes the radio transmitter into dust and looks down. She uses x-ray vision to see all the god girls underground.

DESTINY

Come up here.

Donovan, Diamond, Deidrick and Derrick are confused, as they have no idea who Destiny is talking to.

Adonis stands up and brushes his suit off. He snaps and the visitors' center is blown apart. The roof and walls go flying.

Mercury and the team leaders close in on the remains of the visitors' center. They hover in the air,

ADONIS

This is unfortunate, but you four will have to go missing. This institution is too valuable to lose.

Led by Priscilla and Autumn, the god girls come pouring out of the 'closet' and create a protective circle around Donovan, Diamond, Deidrick and Derrick.

DEIDRICK

How are they doing this? These dudes are just like god girls.

DESTINY

They aren't dudes.

DERRICK

What?

DESTINY

(to Adonis)

Tell them who you really are.

ADONIS

Who I am is not an issue right now. Tsunami. Now.

Mercury and the team leaders shoot out towards the water, followed by the sound of a giant wave racing towards the island.

INT./EXT. FERRY - SAME

Ferry Captain is headed to Supra X with two girls aboard. A wall of water several feet high has surrounded the island.

Ferry Captain stops the vessel. He uses super hearing and super vision to witness the events unfold. He is very disappointed.

FERRY CAPTAIN

This girl...

Ferry Captain turns the vessel off and leaps overboard.

EXT. ISLE SUPRA X - SAME

Diamond holds Deidrick and Derrick close to her. Donovan stands behind them. They all look up as the dome of water closes on them.

DESTINY

(to Adonis)

Tell them!

ADONIS

No.

Adonis waves his hand and water begins pouring down. Priscilla freaks out.

PRISCILLA

Submarine! We need a sub. I don't know how to make one!

Dr. Brooks, Scout, Alexei and Tim appear behind Adonis.

DEIDRICK

We're gonna die.

DESTINY

No, you're not. Air bubble!

As all the water comes crashing down, the god girls (including Destiny) use their power to create a giant air bubble around Donovan, Diamond, Deidrick and Derrick.

What is left of the visitors' center is completely submerged.

INT. ROMA'S BEDROOM - SAME

Rose and Roma sit on the floor in front of the tv. The evening news is on. Dale covers the story suggested to him: Where are the god girls?

Dale is outside the elementary school.

DALE

(on tv)

Tonight, a question that hasn't been brought up nearly enough. Where are the god girls? Over three hundred girls have been wrangled and sent to Isle Supra X in the past seventeen years, never to be seen or heard from again. So, where are they and should we be worried? The foster mother of a lost god girl has agreed to speak to us.

The cameraman cuts to a prerecorded video of Dale and Daisy inside a house.

DALE

This girl that you fostered, have you heard from her since she was taken?

DAISY

Not to my knowledge, no.

DALE

But you have a theory as to where she might be?

DAISY

I think it's totally possible and plausible that Evelyn returned under the guise of a man.

EXT. ISLE SUPRA X - SAME

Donovan, Diamond, Deidrick and Derrick are able to move around and talk to each other, but can't hear anything going on outside the bubble.

DONOVAN

Is your phone working? Can you record this?

Diamond is able to record the scene outside the bubble. Adonis, Dr. Brooks, Scout, Tim, Alexei, and Mercury walk through the water as if they are on dry land.

Destiny faces them alone, as the other god girls focus to maintain the air bubble.

DEIDRICK

They aren't dudes. Is that what she said?

DERRICK

They are--

DIAMOND

God girls.

ADONIS

Are you done yet?

DESTINY

No. Tell them. Tell him who you are.

ADONIS

Negative.

Adonis snaps and the destroyed transmitter appears in his hand, intact. The god girls remove or destroy their bracelets in a myriad of ways. Priscilla has hers melt off. Autumn has hers turn into an eel that glides off.

DESTINY

It won't work anymore.

SCOUT

Maybe not on you.

Scout points to the air bubble. Diamond claws at the interior, causing water to pour into it. Destiny sees that Diamond is wearing a silver bracelet.

Tim, Alexei, Scout, Mercury and Dr. Brooks zoom around the god girls, knocking them unconscious, one by one, with a touch to the temple.

Inside the failing air bubble, Donovan shakes Diamond, trying to get her to snap out of it.

DONOVAN

Diamond! Diamond, stop it! The boys, they're going to drown!

Deidrick and Derrick are waist-deep in water and holding onto each other.

DERRICK

We're going to die.

DEIDRICK

Let's try recharging her.

DERRICK

What? That's not going to work!

DEIDRICK

It might. If you're ready to die, then just sit down and inhale.

Deidrick and Derrick tear their way out of the bubble. Donovan tries to restrain Diamond.

Deidrick and Derrick swim to Destiny, hands out, with the intention of touching her, but Adonis snaps again. The snap creates a cage around the both of them.

Inside the bubble, Donovan is up to his neck in water. The water is just about over Diamond's head, but she is indifferent to it.

All the god girls have been knocked out. Destiny is alone and surrounded by Adonis, Mercury, Scout, Dr. Brooks, Alexei and Tim.

Destiny tries to establish two large air bubbles on her own (one around Diamond/Donovan and one around Deidrick/Derrick), but she is too tired and can't concentrate.

Destiny screams out in anguish, ready to give in and accept that they are all going to die, when Ferry Captain comes strolling through the water.

FERRY CAPTAIN

Enough of this nonsense.

The water recedes all at once and the visitors' center puts itself back together.

INT. GOD GIRL REHABILITATION CENTER - SAME

Deidrick, Derrick, Donovan, Diamond and Destiny are on Level 1, completely dry. Ferry Captain stands before them, also dry.

Deidrick feels himself and Derrick.

DEIDRICK

We didn't die. We did not die. Why didn't we die?

FERRY CAPTAIN

Because that would be terrible.

DERRICK

How did you...When did you...What are you, I mean who are you?

FERRY CAPTAIN

I am...me. But he is not him.

DERRICK

What?

Adonis appears beside Ferry Captain, looking very embarrassed. Ferry Captain pats Adonis on the head and Adonis turns into a woman, around 30 years old.

Even after not seeing her for many years, Donovan recognizes ADRIENNE.

DONOVAN

Adrienne? Are you serious?

DIAMOND

That's your--

DESTINY

Sister. Yeah.

ADRIENNE

Half-sister.

FERRY CAPTAIN

Half. Whole. Three quarters. What does matter?

DONOVAN

What are you doing, trying to kill me and my family?

ADRIENNE

Still self-absorbed. Figures. Wasn't about you. It's not always about you and what you want. Still a freaking brat. I shouldn't be surprised.

DIAMOND

Okay. Raise your hand if you're confused.

Diamond, Deidrick and Derrick raise their hands.

DESTINY

(to Adrienne)

'It's nice to see a man value his daughter.' That's what you said. Is that what this is about? You don't think your dad cared about you as much because you're a girl?

DONOVAN

Bulls--

DIAMOND

Stuff. Absolute bullstuff.

Donovan lunges at Adrienne. She snaps, but nothing happens. Donovan grabs Adrienne by the shoulders and shakes her.

DONOVAN

What is your problem? You really believe that crap? I was there when you were born, Pops cried. He cried!

ADRIENNE

But yet, I'm here. Who's idea was that?

DONOVAN

You do have a mother. Ask her.

FERRY CAPTAIN

Mother. Father. Half-aunt thrice removed. It is what it is. What happened happened.

DERRICK

(to Ferry Captain)

You're a god girl, aren't you?

FERRY CAPTAIN

So clever. So smart.

DEIDRICK

Can we go home?

FERRY CAPTAIN

Yes. That's a great idea.

DEIDRICK

Destiny, too?

FERRY CAPTAIN

Sure. If she wants to. Do you want to?

DESTINY

Of course I do.

FERRY CAPTAIN

To the ferry! Oh. Maybe you should get your luggage?

EXT. ISLE SUPRA X, FERRY DOCK - SAME

All of the god girls, including Destiny, play on the beach, swimming, running on the water surface, and building sand sculptures with their powers.

Ferry Captain whistles and his vessel steers itself to the dock. The two girls aboard jump out and walk across the water to the sand.

Deidrick, Derrick, Donovan and Diamond admire the view that they have of the liberated god girls. Their luggage (and Destiny's) is on the ground.

FERRY CAPTAIN

All aboard!

Destiny gives Priscilla and Autumn a high five. She blows a kiss at all of the girls.

DESTINY

Thank you. Bye!

Destiny snaps and all of their luggage stacks into a tower. She picks it up from the bottom and carries it onto the ferry.

INT. AIRPORT - NIGHT

Donovan, Diamond, Deidrick, Derrick and Destiny walk through the near empty airport, all looking exhausted, except Destiny. She is thrilled to be home and full of energy.

DONOVAN
(to Diamond)
You drive.

DIAMOND
No. You.

DONOVAN
You.

DIAMOND
Don't wanna.

DONOVAN
I'm tired. I might fall asleep
behind the wheel. I need my bed.

DIAMOND
Oh, it's only your bed, now?

DONOVAN
Yep. You can have the whole floor.

Destiny touches Donovan, giving him a burst of energy. His eyes liven up and his posture improves.

DIAMOND
You drive.

DONOVAN
Uhuh. Anybody want to go skiing?

When they reach the exit, Edwin is waiting there for them. He glares at Deidrick and Derrick. Destiny has turned herself invisible and moves to the back of Edwin.

EDWIN
You little--things. What have you
done?

DIAMOND
They did nothing wrong. Get out of
the way before she kicks you.

EDWIN
She? She who?

Destiny, still invisible, roundhouse kicks Edwin in the back, sending him flying.

DIAMOND
Told you to move, idiot.

Edwin scrambles to get up. He snaps but nothing happens.

DESTINY
It's been turned off. Thank the
Captain. Bye, loser.

INT. MITCHELL RESIDENCE - SAME

Donovan holds the door for Diamond, Destiny, Deidrick and Derrick. When the boys walk by him, Donovan gives them an approving pat on the head.

All of their luggage is already in the house, courtesy of Destiny.

DONOVAN
I feel like running. Who wants to
race around the block?

Destiny touches Donovan again and drains his extra energy. He falls over, barely able to keep his eyes open.

DONOVAN
So...sleepy...need...bed.

Destiny opens one of her bags and pulls out Adrienne's book; she gives it to Diamond.

DIAMOND
I'm guessing this will explain
everything or nothing.

DESTINY
Yup.

DIAMOND
Love clarity. I am so glad this
nonsense is over.

DERRICK
Is it?

EXT. MITCHELL RESIDENCE - DAY

Four different news crews are set up in the street and the front lawn. Dale fixes his tie and rings the doorbell.

Deidrick answers the door. All microphone wielding reporters rush to the door, ready to bombard him with questions about Destiny.

DALE
Hello, young man.

DEIDRICK
Hello, my butt cheek. I remember
you. You took the video that--

DALE

Yes, I did. And for that, I apologize. May I speak to Destiny, please?

DEIDRICK

No. Go away, losers.

Deidrick slams the door in Dale's face. Dale doesn't move away from the door. It opens again and Destiny comes out.

DALE

Will you--

DESTINY

Do an interview. Sure. Ten questions. And ten only.

INT./EXT. EDWIN BERRY'S CAR - SAME

Edwin is parked at the elementary school. He snaps repeatedly, trying to get his powers to work. Nothing happens.

Edwin's cellphone buzzes to indicate a new text message. It is from Roma. The message is a link to a video.

Edwin plays the video. It is Destiny's interview.

DALE

(video)

Are you saying that the Wranglers are god girls?

DESTINY

They are. God girls can change their appearance and we have mind control powers, too. We can make people believe anything.

DALE

Are you using your power on me, now?

DESTINY

No. I have no reason to.

Edwin closes the message and tosses his phone in the passengers' seat.

He stares at himself in the rearview mirror for a moment. Edwin drops the charade and turns into her real self: EVELYN.

Evelyn picks her phone up, scrolls through her contacts and selects: Daisy. Evelyn hits the call button.

INT. DIRECTOR'S OFFICE - SAME

Ferry Captain leans back in the chair, with his feet up on the desk. Adrienne, Mercury, Tim, Alexei, Scout and Dr. Brooks are there, getting scolded.

Ferry Captain snaps. Tim, Alexei, Mercury, Scout and Dr. Brooks turn into their real female selves.

FERRY CAPTAIN

I hope you fools are proud of yourselves.

ADRIENNE

I am. I will never be ashamed or sorry.

FERRY CAPTAIN

Of course you won't. Which is why I'm shutting this place down. Temporarily. Until all the fires go out. The media will have a field day with this and I have a reputation to uphold. I'm not letting you make me look like a villain.

EXT. ISLE SUPRA X - SAME

The god girls and team leaders are spread out over the whole island, enjoying themselves like they are on vacation.

They have set up volleyball nets, a huge waterslide, and bounce house.

Ferry Captain comes out of the visitors center and flies straight up to witness the girls having fun.

FERRY CAPTAIN

This is how it's supposed to be. Oh well. Maybe next time.

Ferry Captain uses telepathy to tell all of the god girls (team leaders included) his decision.

FERRY CAPTAIN

It's time to go home girls. I give you a parting gift so that you will make it home safely.

Ferry Captain zooms around the island too fast to be seen. He touches each girl, giving them the same power boost as Deidrick and Derrick gave Destiny.

One by one, the girls all experience a second Illumination. When he's done, Ferry Captain grounds himself and walks to his vessel.

FERRY CAPTAIN

Bye, girls.

Priscilla and Autumn are next to each other.

PRISCILLA

I don't want to go home. I'm having fun now.

AUTUMNN

I do. Bye. I live in Dallas. Come see me.

Autumn takes off running across the water. She is gone in the blink of an eye. One after another, the girls use superspeed to run across the water to get home.

PRISCILLA

I don't want to go home yet.

EXT. PARK - SAME

Diamond sits at a picnic table, reading Adrienne's book. Destiny, Deidrick and Derrick are in the center of a large group of kids, who are too excited to hear all about their time on Isle Supra X.

Rose arrives with Roma in tow. They take a seat at the table with Diamond.

ROSE

Is it good?

DIAMOND

It would be if it was fiction, but it's self-help. I think. How are you gals doing today?

ROSE

We gals are feeling guilty as all heck.

Diamond lowers her book to stare at Rose and Roma.

ROSE

We owe Destiny an apology. We both played a part in her being wrangled by Evelyn.

DIAMOND

Evelyn?

ROMA

Uncle Edwin is a girl.

DIAMOND

Right. You don't have to go over there and make it more awkward. She can hear you from here.

ROMA

Destiny, I'm the one who gave Uncle Edwin your address. I know you already know, but I'm suppose to admit to it anyway. I'm sorry.

ROSE

Destiny, I showed Evelyn/Edwin what you did at your birthday party. I shouldn't have done that. Please, forgive me.

Destiny looks over at Rose and Roma; she waves at them.

DIAMOND

You are forgiven.

ROMA

How can you tell?

DIAMOND

She's still a god girl. If she was mad, she would have had lightning strike you both.

ROSE

Such a good girl.

ROMA

Am I not?

ROSE

When you want to be.

INT. MITCHELL RESIDENCE, BOYS' BEDROOM - DAY

Derrick lounges across his bed, with his eyes closed. Deidrick sits at their computer to read the news.

A new article about J. Adonis Bledsoe is the main story. There is also a video linked. The headline reads: Eccentric Billionaire Bledsoe Is A Woman.

DEIDRICK

Holy crap!

DERRICK

I'm not--

DEIDRICK

Getting up. I know. J. Adonis Bledsoe posted a video online, outing himself as a woman. He goes by Julian, but was born Janet Athena Butchard. Janet Butchard was the first god girl.

DERRICK

And nobody knew all this time?

DEIDRICK

Shut up. I'm still reading.
'According to the video, which we
have linked, she altered the
memories of everyone who witnessed
her Illumination some forty years
ago.'

There is a knock at the door. Destiny uses telepathy to let
the boys know she is at the door.

DESTINY

(voice)

It's me.

DERRICK

Come in.

Destiny walks through the door and takes a seat on
Deidrick's bed.

DEIDRICK

Holy crap!

DERRICK

If you say 'holy crap' one more
time...

DEIDRICK

But the ferry--

DESTINY

Captain is Julian Adonis Bledsoe,
also known as Janet Athena
Butchard.

DERRICK

(to Destiny)

How were you sick?

DESTINY

I made up a disease and turned my
immune system off.

DEIDRICK

A made up disease? What's it
called?

DESTINY

I think I'll call it Destiny
Mitchell Syndrome.

INT. MITCHELL RESIDENCE, KITCHEN - SAME

Donovan and Diamond sit on the bar stools, sharing a big
bowl of ice cream. Diamond is halfway through Adrienne's
book.

DONOVAN

You seem to be into it.

DIAMOND

It's fascinating. Not good, but fascinating to finally get inside the head of a god girl. Listen to this. 'Men are naturally intimidated by women. Our emotional strength is equal to their physical strength. Being a woman in a man's body means that both types of strength are equally within us.

DONOVAN

Garbage. Boo! Two thumbs way down. Burn it. Wipe it from existence.

INT. MITCHELL RESIDENCE, BOYS' BEDROOM - SAME

Derrick sits and stares at Destiny.

DESTINY

Okay. But only if Bull wants it, too.

DEIDRICK

If Bull wants what?

DERRICK

Camping trip! Right now. In here.

DEIDRICK

Oh. Sure. Whatever. I don't care.

Destiny snaps; the ceiling and floor disappear. The walls and furniture remain unchanged. A small campfire burns on the floor between the two beds.

The ceiling is replaced with the night sky, the stars shine brighter than normal. A shooting star passes overhead. The room is filled with the sound of crickets, owls and howling wolves.

EXT. MITCHELL RESIDENCE - SAME

Adrienne stands at the end of the driveway, hands in pants pockets. She tries to take one step forward, but hits an invisible wall.

Destiny communicates with Adrienne telepathically.

DESTINY

(o.s)

Why are you here?

ADRIENNE

I came to see my brother. Is that a problem?

DESTINY

(o.s)

Liar.

ADRIENNE

I need to borrow those boys.

DESTINY

(o.s)

They are not available. Bye.

Adrienne tries again to move forward. The result is the same.

INT. MITCHELL RESIDENCE, BOYS' BEDROOM - SAME

Destiny and Derrick roast marshmallows over the campfire. A platter of chocolate bars and graham crackers is on the floor next to them.

Deidrick sits on the floor and helps himself to a chocolate bar.

DEIDRICK

You wouldn't want to be a man would you?

DESTINY

Not ever.

Destiny makes herself a s'more while watching Adrienne walk down the street.

THE END
