

INT. ABANDONED FACTORY - NIGHT

Eyes intense, darting back and forth.

Nose bleeding.

PULL BACK to reveal BATGIRL, mask torn, panting, sweating bullets.

BATGIRL'S POV

JOKER, TWO-FACE, MR. FREEZE, CLAYFACE circle Batgirl like a pack of hyenas on the hunt.

TWO-FACE

Little girls should be at home
playing with their dollies.

Batgirl slides her hand to her utility belt.

JOKER

Nuh ah uh.

Joker squeezes the flower pinned to his purple suit, spits out acid.

Batgirl rolls forward under the stream of acid, springs to roundhouse kick Joker, knocking him back.

She rushes, punches Two-Face. He dodges and comes back swinging, misses by a hair.

Batgirl swoops to the floor, does a sweeping kick, trips Two-Face.

Mr. Freeze blasts his gun. Batgirl back-flips, narrowly avoiding the freeze ray, only to confront Clayface. She rams her fist through his stomach and it gets stuck there.

Clayface grumbles a laugh and spits her out with a rush of clay. Batgirl hits the floor hard.

Wozy, Batgirl passes out.

DISSOLVE TO:

EXT. FOOTBALL FIELD - DAY

Batgirl wakes up, dusts herself off, isn't sure where she is.

DOT (O.S.)

Sister, you're making us look bad
out there.

BATGIRL'S POV -

Dot (Animaniacs) stands on the sidelines with Betty Boop, Granny (Loony Toons) She-Ra, Cheetara, April O'neil, Babs Bunny, Rogue, Power Puff Girls, Wonder Woman, all with pompoms and megaphones in their hands.

BATGIRL

I'm sorry. They're too big, too strong. Everything, I dish out barely phases them.

A light BULB turns on over Dot's head, shines bright, and pops.

DOT

I know what you need.

Dot pulls out a huge anvil from her tiny purse.

DOT (CONT'D)

Drop this on them.

SHE-RA

Use my sword.

WONDER WOMAN

And my lasso.

ROGUE

Just give them the ol' one-two right in their kissers, sugah.

They all clamor around her, giving advice, piling her with mallets, bombs, pies, the KITCHEN SINK.

Batgirl drops all the junk.

BATGIRL

ENOUGH!

Silence, except Betty Boop, still babbling, oblivious.

BETTY BOOP

Just bat your eyes, pucker your lips, and swivel your hips--

All eyes on her.

BETTY BOOP (CONT'D)

Teehee.

PAN WIPE back to Batgirl.

BATGIRL

Should she even be in this sequence? Does anybody remember who she is?. Ladies, my universe doesn't work like that. I don't have any powers. I can't use any magical weapons --

LISA SIMPSON (O.S.)

You don't need them.

Lisa Simpson walks over in a coach's uniform.

LISA SIMPSON (CONT'D)

You have something they don't.

BATGIRL

I do? What?

LISA SIMPSON

Intelligence.

Dot and the rest grimace.

CHARACTERS

(offended)

Hey!

LISA SIMPSON

I meant the bad guys. Sure, they're big and strong. But they don't know how smart you are.

CUT TO:

INT. ABANDONED FACTORY - NIGHT

Batgirl wakes from her dream, determined, kips up.

The villains raise their fists, brace for another fight.

Batgirl pulls from her utility belt a... MATH BOOK, reads.

BATGIRL

The square root of 2 million 300 thousand...

Giant NUMBERS leap from the pages knock out the Joker.

BATGIRL (CONT'D)

E equals M-C squared...

The EQUATION jumps from the book, punches, pummels the remaining villains.

CLOSE UP -

Batgirl shrugs her shoulders.

BATGIRL (CONT'D)

Okay, so I lied. My universe does work that way. It's animation. Anything goes.
