

INT. KITCHEN - DAY

ALICE, casual around-the-house attire, pours a glass of water. Joe, suit and tie, enters from the bathroom.

JOE
Just let the grout dry for twenty
four hours and you should be good.

ALICE
You're the best, Joe.

JOE
Hey, someone's gotta help you with
all this stuff.

Alice smiles.

ALICE
So what are you doing in court?
(realizing)
Oh that's right..

JOE
It's cool. Just testifying in a
homicide.

ALICE
Bill hated going to court.

JOE
He was a cop.

ALICE
He said he would get S.A.S. - sore
ass syndrome.

JOE
(chuckles)
He had a million little phrases like
that. Shoulda worked in advertising
or something.

ALICE
Wouldn'ta got shot doing that!

A bit heavy as they realize the weight of Bill's passing.
A lighter subject:

ALICE (CONT'D)
That's a nice color on you.

JOE
You think? Well, you look amazing
as you always do.

ALICE

Oh, please.

JOE

No, I mean it. You're really so
damn beautiful. I mean, you're really
breathtaking...

He doesn't expect her to respond, but is surprised to see she's staring back with a "whatcha gonna do about that" face.

Sensing her interest, Joe goes for it. They kiss.
