INT: LUXURY HOTEL AND CASINO - NIGHT

Casino Control Room

Seated on highback, cushioned chairs in the control room in a luxury hotel and casino is the owner, NIKITA ROMANOFF. He is a strikingly, handsome, Russian man in his mid-forties and he speaks with a Russian accent. He is affiliated with the Russian mob. His strikingly, beautiful sister, IVANNA is in her mid-twenties. She speaks with a Russian accent. She is the Chief Financial Officer for their corporation. Also in the room are two male bodyguards and a butler. IVANNA and NIKITA closely watch their customers on several television monitors.

NIKITA

(to Ivanna)

How are our casinos doing? Are our profits down this month or did we gain capital?

IVANNA

Our profits are up substantially. Since we offered our loyal customers a weeks stay for free at our hotels. They seem to be spending more money.

The butler walks over and hands NIKITA a small glass of an alcoholic beverage. He looks at the butler.

NIKITA

Thank you. I'm expecting several guests at my table tonight. Please call Victor and ask him to prepare me, my favorite dishes.

BUTLER

Yes sir, Mr. Romanoff.

The butler walks over to the wetbar.

IVANNA

You shouldn't drink alcohol, it can distort your thinking. Which causes you to make stupid decisions.

NIKITA briefly laughs.

(CONTINUED)

NIKITA

That's why I keep you around to make my decisions for me. What's new in business?

IVANNA

Speaking of Victor, I have to hire a new chef.

NIKITA

Why?

IVANNA

I fired Victor because he was stealing food from the kitchen.

NIKITA

He was the only one who cooked my food just the way I like it. What was the problem?

IVANNA

I told him and his staff to take the leftover food to the nearby churches and donate it for the hungry.

NIKITA

Who told you that they were stealing?

IVANNA

Sean, I don't like snitches.

NIKITA

What did you do to Sean?

IVANNA

I fired him too. No loss, well maybe to Victor. One day last week, his wife just had a baby girl.

NIKITA

I want you to hire them back.

IVANNA

I can't do that.

NIKITA

We will make Victor the Head Chef and find a position for Sean on our security team.

(CONTINUED)

CONTINUED: (2)

IVANNA

I fired them and you want me to hire them back?

NIKITA

Don't do it for Victor, do it for the baby.

IVANNA

I have to say you're getting soft.

NIKITA

I love children, they're so innocent and pure

IVANNA

Now onto new business. I have received e-mails from the various children's charities thanking you for your generous donations in your son's Demitri's name.

NIKITA briefly closes his eyes and opens them. He takes a sip of his drink and places the glass on the table.

NIKITA

It's been a year since his death. My ex-wife Ava is to blame.

IVANNA

It's been hard on me too.

NIKITA

That Bitch had the nerve to be drunk. She fell asleep pool side while our son was left unattended in the kiddie pool. A police officer woke her dumb ass up to let her know that the baby drowned.

IVANNA

You should have seen the look on her face when I walked into her bathroom, as I plugged her hair dryer into the wall socket. I dropped it in her bubble bath, it was simply electrifying.

NIKITA

Thank you. Are you sure nobody saw you walk into the house.

(CONTINUED)

CONTINUED: (3)

IVANNA

Yes. While everybody was at the cemetery, I went over to her house and destroyed all of the cameras. A few months ago, the investigator concluded that it was a suicide.

NIKITA

Enough about her, has anyone asked for additional credit?

IVANNA

Yes. Dante Pellegrino.

NIKITA

Who is he?

IVANNA

He's the owns a conglomerate of ECO friendly recycling plants.

NIKITA

How much is his business worth?

IVANNA stands up from the chair. She walks over to the television monitors.

IVANNA

One billion dollars. He's looking to borrow a million dollar line of credit.

NIKITA

Give it to him. With his net worth, we'll get our money back.

IVANNA

I already gave him five hundred and fifty thousand.

NIKITA

Okay.

IVANNA

He plays like shit and he has already lost half a million dollars that I gave to him. Maybe he's fucking bipolar or just plain stupid.

NIKITA stands up from the chair. He walks over to the television monitors.

(CONTINUED)

CONTINUED: (4)

NIKITA

Where is he?

IVANNA points at television monitor number 5.

IVANNA

That's him sitting in the first chair at the Blackjack table. He has a huge bet on the table.

NIKITA

Give him five hundred thousand dollars.

IVANNA

What are you going to do if he doesn't pay you back?

NIKITA

I'll send my best collector to make sure that he do so. Are you ready?

IVANNA briefly looks at SILVIO on the television monitor. She turns her attention back to NIKITA.

IVANNA

He doesn't look like much of a challenge. If I have to, I can bring him to his knees.

NIKITA

Let's go and check him out.

IVANNA

There's something about him that I don't like.

NIKITA

Like what?

IVANNA

If you notice, he is sweating and constantly looking around as if someone is watching him.

NIKITA

We are watching him.

IVANNA, NIKITA, and the two bodyguards walk over to the door. The bodyguard opens the door, IVANNA and NIKITA walk out, followed by the other bodyguard.

INT: CASINO - NIGHT

Casino Room

A female dealer faces seven playing positions from behind the semi-circular table. She shuffles eight French deck cards together. Three players are seated on high back, cushioned stools. They place their bets in the "betting box" at each position in play.

DEALER

(to player #1)

Are you going play this hand?

PLAYER #1

Yes.

A video camera is located above the table and is concealed behind a one-way glass. The dealer gives each player an initial hand of two cards, visible to the players. Player #2 ends his turn and player #3 retires from the game. She deals a card face up, and in the "hole card". The second card is face down. She peeks at the card but does not reveal it. SILVIO PELLEGRINO is a strikingly, handsome Italian man in his mid-thirties. He has a mole on his right cheek. He taps the table, indicating to the dealer that he wants another card. The dealer gives him another card. He looks at the card and briefly smiles. The dealer's card is facing upward, it's an Ace of Spades. She turns her card over revealing the Queen of Hearts. SILVIO has a somber expression on his face. The dealer replies.

DEALER

Twenty-one; Blackjack.

IVANNA and NIKITA walk over to SILVIO. The players immediately stand up from the chairs and walk away.

NIKITA

(to Silvio)

Hello, let me introduce myself.
I'm Nikita Romanoff. I am the
owner of this beautiful, luxurious
hotel and casino.

SILVIO is sweating profusely staring at NIKITA. NIKITA extends his hand outward. SILVIO quickly shakes NIKITA's hand.

IVANNA

How are you doing so far?

(CONTINUED)

CONTINUED:

NIKITA briefly looks over at IVANNA.

NIKITA

I see that Blackjack isn't your game. Maybe you should try your luck at the slot machines?

SILVIO

I'm starting to realize that.

NIKITA

Maybe next time huh?

IVANNA replies curtly.

IVANNA

Mr. Pellegrino, I can guarantee you that there won't be a next time. There's a matter of one million dollars that you owe.

NIKITA

I'll handle this.

SILVIO gives IVANNA the once over look. He looks back over at NIKITA.

SILVIO

Who's this uptight Bitch?

IVANNA is motionless staring at SILVIO.

NIKITA

This uptight Bitch as you refer to is my sister, Ivanna. She is the Chief Financial Officer of our corporation.

In shock, SILVIO is staring at IVANNA.

SILVIO

I'm so sorry.

NIKITA

My friend, don't let the look fool you. My sister has a black belt in Karate and she is also a highly skilled marksman.

SILVIO

Oh really? I will keep that in mind.

(CONTINUED)

CONTINUED: (2)

IVANNA

You do that. Now Mr. Pellegrino
let's settle your tab?

NIKITA

Give him a night to relax. We'll
settle this in the morning.

NIKITA turns his attention to SILVIO.

NIKITA

When my sister told me that you
own an ECO friendly business, I
have to admit that I am very
impressed.

SILVIO briefly looks down at the floor. He looks back up
at NIKITA.

IVANNA

(to Silvio)

They say, when people are lying,
they tend to look elsewhere. Mr.
Pellegrino, if you're lying about
owning a billion dollar business
and you try to leave, I will find
you.

NIKITA

Ivanna, Ivanna, please let him
enjoy the rest of the evening. I
can guarantee you that he's not
going anywhere.

IVANNA briefly looks over at SILVIO. He takes a
handkerchief out of his suit pocket and wipes the sweat
from his face. NIKITA briefly puts his hand on SILVIO's
shoulder.

NIKITA

Mr. Pellegrino, why don't you go
take your lady friend out and have
a nice dinner?

SILVIO

I don't have a girlfriend.

NIKITA briefly looks over at IVANNA.

IVANNA

I knew it.

(CONTINUED)

CONTINUED: (3)

NIKITA

Good, my sister is single. Maybe you two can have dinner together. After dinner, take her to see one of our many shows and just enjoy the night?

SILVIO briefly looks over at IVANNA.

SILVIO

Thank you, but I'm going to pass on your offer.

IVANNA

(to Nikita)

What do you think you're doing trying to pass me off to a loser. I have better things to do with my time.

NIKITA

I just want you to be happy.

IVANNA

Apparently you don't. Look at him, can't you see that he's a loser.

IVANNA turns her attention to SILVIO.

IVANNA

I'm telling you now, you better not try to escape. We have cameras in every main area of our hotels.

NIKITA

He's not a stupid man, he will not try to escape. A true man pays his debts, a coward runs away.

IVANNA

My brother trusts, you and that's a good thing but I don't. Mr. Pellegrino, meet me here around nine o'clock tomorrow morning to settle your debt.

SILVIO interrupts.

SILVIO

My name is Dante.

(CONTINUED)

CONTINUED: (4)

IVANNA

Who cares? I just want my fucking money. I'm giving you twenty four hours. In that time, you better not try to escape. If you do, pray to God for a quick death.

SILVIO

What?

NIKITA

Dante, my sister takes her responsibilities very seriously. I wouldn't want to be on the receiving end of a bad deal.

SILVIO

My brother is coming into town tonight.

NIKITA

You have a brother?

SILVIO

Yes. He's down on his luck and can't seem to get his life together. He's a total loser.

NIKITA

If he needs a job, I will be glad to help him out.

SILVIO

No thank you. For some strange reason, he lasts on a job for only a few months.

IVANNA responds sarcastically.

IVANNA

I thought that you were a loser. Well in that case, Mr. Pellegrino, I'm looking forward to our meeting tomorrow at nine o'clock. And don't be late, I am not a patient person.

IVANNA

I don't care how you look, just have my money.

INT: LUXURY HOTEL AND CASINO - NIGHT

Penthouse suite

SILVIO is pacing back and forth on the floor. There's a knock at the door.

Knock! Knock!

SILVIO quickly rushes over and opens the door. DANTE is SILVIO's identical brother. He is a very strikingly, handsome, Italian man in his mid-thirties. He walks in the penthouse and gives SILVIO a brief hug.

DANTE

How are you doing?

DANTE looks around the room. He responds in excitement.

DANTE

This is nice!

SILVIO

Thank you.

DANTE

How can you afford this?

SILVIO

The owners gave me the Penthouse for the weekend.

DANTE

You must be winning a whole lot of money? Are you?

SILVIO

I do what I can to get by. Are you hungry?

DANTE

Yes, let's go out for dinner.

SILVIO

I have a better idea. Let's order in. We can spend time catching up with one another.

DANTE walks over to the floor length window and stares out of it.

(CONTINUED)

DANTE

Look at that view, it's simply breath taking. And you want to stay in? Are you kidding me? I want to go play the slots. I want to play a couple of table games and make a night of it. See the dancing girls and go to a few strip bars. What do you say?

SILVIO

Calm down, you just got here and you want to go out?

DANTE

The night is young, don't waste this moment. I have been stuck going from meeting to meeting. I need to unwind and have fun.

SILVIO

If it's okay with you, go ahead. I'm tired and all I want to do is watch something on the television.

DANTE

What is it?

SILVIO

Nothing, I'm fine. I won a million dollars playing Blackjack.

DANTE

Congratulations, now you can pay off your debts.

SILVIO

I will do that. I'm going to call for room service. What do you want to eat for dinner?

DANTE walks over to a chase lounge and sits down. He plops his feet on the ottoman and leans back. SILVIO picks up the telephone receiver and places their orders for dinner. He puts the receiver back on the telephone base.

DANTE

How long do we have to wait for our dinner to arrive?

SILVIO

Thirty minutes.

(CONTINUED)

DANTE

Tell me, you didn't order pizza
for us?

SILVIO

No. I ordered two prime rib steaks
dinners with potatoes and steamed
vegetables. There's drinks in the
refrigerator.

DANTE

Thanks.

SILVIO

Everything is on the house.

DANTE

It must be nice to be well known
and liked.

SILVIO

Winning money has it's privileges.

SILVIO walks over to the refrigerator. He opens the
refrigerator door, takes a cold beer and closes the
refrigerator door. He pulls the tab off of the beer and
drinks it.

SILVIO

This is good. Do you want a beer?

DANTE

No thank you, I don't drink
alcohol anymore.

SILVIO

Why not?

DANTE

At the last company Christmas
party, I had way too much to
drink. I was told that I was
standing on top of our
headquarters building playing the
game "Chicken". Honestly, I don't
remember a thing. I'm grateful
that my friends pulled me down
from the roof's ledge before I
actually jumped.

SILVIO briefly laughs.

(CONTINUED)

CONTINUED: (3)

SILVIO

Are you crazy or what?

DANTE

I know you're not talking? You're the one who spent time in rehab, that I actually lost count. Hell, they should have re-named the building after you.

SILVIO

I have my life under control now.

DANTE

How can you say that? You filed for bankruptcy, lost your car dealership and foreclosed on two beautiful homes. And you went to prison for embezzlement. Now you're living like a king in the penthouse. Something just don't seem right.

SILVIO

Why can't you just be happy for me and know that I am doing fine?

DANTE

You, my brother are a professional hustler. You make a living hustling people out of their money. I'm telling you one day you're going to have to stop running and pay them back.

SILVIO

I didn't ask you to come here to give me a lecture. Man, I'm your brother and I love you very much. Accept me for who I am. Can you do that for once?

There's a knock at the door. SILVIO walks over to the door. He looks through the peep hole and opens the door. The bellhop walks into the room pushing a small cart with two silver food covered domes on it. SILVIO pulls out his wallet and gives the bellhop a generous tip. The bellhop walks out of the room. DANTE pushes the small cart over to the table and takes off the silver food covered domes. He places the two plates on the table. DANTE and SILVIO sit down on the highback, cushioned chairs.

SILVIO

So enough about me, what's new
with you?

DANTE

My company is doing great. My
wife, Claudia is planning our son
Carmine's first birthday party.

DANTE takes his wallet out of his suit pocket. A picture
of DANTE and SILVIO falls out of the wallet onto the
floor. SILVIO bends over and picks it up and briefly
smiles. He hands the picture to DANTE.

DANTE

Mom is constantly asking about
you. I'm running out of excuses
for you. We planned to have mom's
sixty-fifth birthday party in Las
Vegas.

SILVIO

Really? Couldn't you tell her
that I was away on business?

DANTE

When you went to prison for five
years, I covered for you. Now it's
time for you to go visit mom. Are
you still the master of disguises?

SILVIO has a somber look on his face.

DANTE

I'm staying in Room 215. Before
you leave, please stop by so that
we can have breakfast together.

SILVIO

If I have time, I will do that.
If you change your mind about
giving me the money, call me.

DANTE stands up from the chair and walks over to the door
and opens it. He briefly looks back at SILVIO.

DANTE

Good night my brother.

SILVIO

Good night.

INT: LUXURY HOTEL AND CASINO - DAY

Room 215

There are two opened suitcases filled with clothes laying on the king size bed. DANTE walks out of the bathroom carrying his toiletry bag in his hand. He walks over to his suitcase and tosses the toiletry bag in it. There's a knock at the door.

Knock! Knock!

He walks over to the door and looks through the peep hole. He unlocks the lock and opens the door. IVANNA along with her two male bodyguards walk inside of the room. DANTE is curious.

DANTE

Good morning.

IVANNA

Good morning Mr. Pellegrino.

DANTE

I'm confused. You seem to know who I am, but I don't know who you are. Have we met before?

IVANNA

I'm Ivanna Romanoff. I'm the Chief Financial Officer of the hotel and casino. We met yesterday in the casino.

DANTE

That's impossible, I did not come to your casino yesterday.

IVANNA replies in a sarcastic manner.

IVANNA

Tell me, do I look like I was born last night?

DANTE

I don't know what you're talking about. I arrived last night to visit my brother, Silvio.

(CONTINUED)

IVANNA

Mr. Pellegrino, today we had a nine o'clock meeting this morning in the casino so that you can pay me back my money. Apparently, you forgot because it's eleven o'clock.

DANTE

You're mistaken. I didn't schedule a nine o'clock meeting with you or anybody else.

IVANNA

You're Dante Pellegrino, your wife's name is Claudia and you have a one year old son, Carmine. You own a billion dollar ECO friendly recycling company.

In shock, DANTE is speechless staring at IVANNA.

IVANNA

Is that true?

DANTE

Yes.

IVANNA walks over to the chase lounge and sits down.

IVANNA

Yesterday, I watched you lose million dollars that you borrowed from me at the Blackjack table.

DANTE whispers very low to himself.

DANTE

Silvio.

IVANNA

What did you just say?

DANTE

The guy that you spoke to yesterday in the casino, is my twin brother, Silvio. He's the one who borrowed the money from you.

IVANNA is fuming with anger.

DANTE is very frustrated.

DANTE

I'm telling you that I didn't

IVANNA

I'm trying to be very patient with
you.

DANTE

I'm telling you the truth. The
person that you need to talk to is
my brother, Silvio.

IVANNA briefly looks over at her two, male bodyguards.
She snaps her fingers twice and points over to a chair.

IVANNA

Dante, Silvio, whomsoever you are,
I think that I'm going to have to
jog your memory.

The two, male bodyguards grab DANTE's arms and drag him
over to a chair. The bodyguard pushes him down on the
seat and walks behind the chair. He pulls out a pair of
metal handcuffs out of his pocket. He puts the
handcuffs on DANTE's wrists. IVANNA takes a pair of
leather gloves out of her suit jacket and puts them on.
She pulls a handheld gun out of her bodyguard's suit
pocket. She walks over to DANTE, who is very scared.

IVANNA

Mr. Pellegrino, we can do this the
easy way or the hard way. It's
your choice.

She leans over, staring face to face with DANTE. She
slowly slides the gun down his face and briefly smiles at
him. She stands upright and takes a few steps backwards.

IVANNA

You know, it's going to be a shame
to bruise your handsome face.

DANTE is squirming in the chair.

wisely before you speak.

DANTE is staring at IVANNA. He is sweating profusely.

IVANNA

I want to know where is my money?

DANTE

I'm trying to tell you that I
didn't borrow any money from you.

IVANNA swings her arm, forcibly hitting DANTE's left and right side of his face with the handgun. Blood gushes out of his mouth. She takes a deep breath and slowly exhales.

IVANNA

I'm going to ask you again. Where
is my fucking money?!

DANTE is fuming with anger.

DANTE

I'm telling you, I didn't borrow
any money from you!

IVANNA

Wrong answer.

IVANNA swings her arm, forcibly hitting DANTE's face several times with the handgun. Minutes later, she stops. DANTE is physically worn down.

DANTE

Please, I'm telling you the truth.
You have to believe me.

IVANNA

Bullshit!

IVANNA looks over at her two bodyguards. She swings her leg around in a semi-circle motion with the front of her foot and kicks DANTE in his face. Blood gushes out of his mouth. The force from the kick thrusts the chair backwards and onto the floor.

IVANNA

I'm going to find out who the Hell
you really are. Go through his
things and find his wallet.

The two male, bodyguards search through DANTE's suitcases. The bodyguard walks over to the table and picks up DANTE's wallet and discards everything in it on the table. He is holding a wallet size picture in his hand and walks over to IVANNA. IVANNA takes the picture out of his hand and stares at it. She looks over at DANTE. Blood is dripping out of his nose and mouth. His eyes are swollen with multiple bruises on his face. IVANNA briefly looks over at DANTE.

IVANNA

Go over there and pick him up
before he chokes on his own blood.

The bodyguard rushes over and picks the chair up. He unlocks the handcuffs and takes them off of DANTE's wrists. IVANNA briefly looks at the picture.

IVANNA

Who is this person with you in the
picture?

IVANNA turns the picture over. She has a surprised expression on her face.

IVANNA

Oh well, mistakes happens. Let's
go.

Nikita's Penthouse

Knock! Knock!

The butler walks over to the door, looks through the peep hole and unlocks the door. IVANNA and her two bodyguards walk inside of the penthouse.

NIKITA

Good morning. How did it go?

IVANNA walks over to the sofa and sits down. She looks over at NIKITA.

IVANNA

No, I didn't kill him. Although, he is pretty banged up.

NIKITA

Oh I see. What about the money?

IVANNA

I made a huge mistake this time.

NIKITA

What do you mean by that?

IVANNA

Dante was trying to tell me that the guy we dealt with yesterday in the casino is his twin brother, Silvio.

NIKITA

Are you hungry?

NIKITA looks over at the chef.

NIKITA

Could you please make enough food for all of us? Thank you.

NIKITA turns his attention back to IVANNA.

NIKITA

Please go on.

IVANNA

Silvio has a mole on his right cheek. That asshole stole Dante's identification and charged over one hundred and twenty five thousand dollars in expenses here at the hotel.

NIKITA

Really?

The butler walks over carrying a plate of food along with a glass of orange juice in his hand. He puts the plate and the glass of orange juice on a table. NIKITA picks up the glass of orange juice and drinks it. He puts the glass back on the table. The butler walks over to the kitchen and picks up another plate of food along with a glass of orange juice. He walks over to IVANNA and sets the plate and glass of orange juice on the table beside the sofa.

They put the plates on the table, and sit down on the highback, cushioned chairs. The butler walks over to the table carrying two glasses filled with orange juice. He places the glasses on the table.

IVANNA

I had a strong feeling when I looked at Silvio, that he was a loser. The front desk clerk told me that he checked out last night around ten o'clock. And stuck Dante with the hotel bill.

NIKITA

I'm not surprised.

IVANNA

He also told the front desk clerk to let me know that he was staying in Room 215.

NIKITA

Where's Dante?

IVANNA

The doctor is tending to his bruises.

NIKITA

Did he lose any of his teeth. You know he is very handsome young man.

IVANNA

No. Why are all of the good men married?

IVANNA

How are we going to get our money?

NIKITA

First, we are going to reimburse Dante for those hotel charges. We are going to ask him to help us find his brother.

IVANNA

I don't know if he will be willing to help us find Silvio.

NIKITA

Why not?

IVANNA

After I pistol whipped him and gave him a roundhouse kick in the mouth? I don't think so.

NIKITA looks over at IVANNA.

NIKITA

Ouch, that's going to leave a few bruises, he'll be okay.

NIKITA picks up his cell phone and places a brief call. He closes the phone and places it on the table.

IVANNA

Who did you call?

NIKITA

I asked security to bring Dante to my penthouse.

Minutes later, there's a knock at the door. The butler walks over to the door. He looks through the peep hole, unlocks the door and opens it. A security guard and Dante walk into the room. NIKITA is staring at Dante.

DANTE walks over to the sofa and sits down.

NIKITA

Are you hungry? We have plenty of food.

DANTE

No thank you. I just want to go home to my family.

NIKITA

I'm very sorry for the mix up. I want you to know that we will reimburse you for the charges from your bill.

DANTE

Thank you. I have always taken the blame for my brother mistakes.

NIKITA

I do however, would like for you to do something for me.

DANTE

What is it?

NIKITA

I'm going to need your help so that we can locate your brother.

DANTE

I can't get involved.

IVANNA stands up from the sofa and walks over to DANTE.

IVANNA

After everything that he put you through, you mean to tell me that you're not willing to help us? Don't you want to get revenge?

DANTE

I learned to accept Silvio just the way he is. After all, he is my brother.

(CONTINUED)

IVANNA

He stole your identity, charged an outrageous amount of money on your credit card. Not to mention, that you took the beating that was meant for him. And you don't want to help us find him?

DANTE

He already has a lot of people looking for him for one reason or another.

IVANNA

I'm going to assume that he swindled a lot of people out of money.

DANTE

Yes.

NIKITA

I'm a business man, and when I loan money to people, I expect to get my money back.

IVANNA

Who knows what else he can do to tarnish your good name? If he loved you, he wouldn't do these kinds of things to you.

NIKITA

You have more to lose than anybody on account that you are his identical twin brother. Is there anything that I can say to persuade you to help me?

DANTE

No.

NIKITA

I'll give you five million dollars to set up a trust fund for your son.

IVANNA

What are you going to do when the loan sharks threaten to kill your family?

INT: SYLVIA'S HOUSE - NIGHT

Living room

A host of family and friends are gathered at the home of DANTE and SILVIO's mother, Sylvia. She is a beautiful, Italian lady in her mid-sixties. The house is decorated festively for a birthday celebration. The guests are having a great time eating, drinking and mingling with one another. A female friend in her mid-fifties walk over to Sylvia.

FRIEND

Sylvia, I must say that you have a beautiful home.

SYLVIA

Thank you. It was a gift from my son, Dante.

FRIEND

He's a good son.

Sylvia responds sarcastically.

SYLVIA

He's okay.

The female friend walks away. Sylvia's niece, JASMINE walks over to her. She is a beautiful, Italian lady in her mid-thirties.

JASMINE

Auntie, this house is extremely gorgeous.

Sylvia briefly looks around the living room. She looks back at her niece.

SYLVIA

Well I guess it is. This house wasn't my first choice. I settled for this one.

JASMINE is angry.

JASMINE

Oh really? Dante and I searched
endlessly trying to find you the
perfect house. He also pays a
landscaping company to take care
of your yard. I guess that's not
good enough for you.

Sylvia is angry, staring at her niece.

JASMINE

You're nothing but a ungrateful
Bitch.

JASMINE walks away. DANTE walks over to Sylvia. He
gives her a brief hug and a kiss on the cheek. Annoyed,
she does not reciprocate.

DANTE

I asked the caterers to make all
of your favorite dishes. Your
birthday cake was made at your
favorite bakery.

SYLVIA

I told you that I didn't want a
big celebration. I just wanted a
small gathering with my family.

In shock, DANTE is staring at Sylvia. He is fuming with
anger.

DANTE

Are you freaking kidding me?
What's wrong with you? You only
turn sixty-five years old once in
your life.

SYLVIA

If I wanted people to know how old
I am, I would have told them
myself.

Mom, you are so ungrateful.

Everyone turn their attention towards DANTE and Sylvia. She is angry.

SYLVIA

How dare you talk to me that way.

Sylvia forcibly slaps DANTE's face. He quickly walks away. The doorbell rings.

Ding, dong!! Ding, dong!

CLAUDIA PELLEGRINO is a beautiful, Italian lady in her mid-thirties. She is married to DANTE. She walks over to the door, looks through the peep hole and opens the door. SILVIO walks inside of the house. Sylvia is very excited to see him and rushes over to him.

SYLVIA

Silvio! Silvio!

SILVIO is carrying a single red rose in his hand. Sylvia gives him a hug and a kiss on the cheek. He gives her the rose and she turns around facing the crowd.

SYLVIA

Attention everybody, I want to introduce you to my favorite son, Silvio.

Sylvia quickly looks over at SILVIO.

SYLVIA

Is that true?

DANTE

That's not all. His dealership went out of business, he foreclosed on his two homes and he's penniless.

SYLVIA

Dante, I said that's enough!

DANTE

This sack of shit went to a casino and stole my identity. His hotel bill was over one hundred and twenty five thousand dollars.

SYLVIA

I can't believe what I'm hearing.

DANTE

He told me that the casino owners let him stay for free for the weekend. This fucking asshole stayed for two weeks at my expense!

Sylvia is fuming with anger.

DANTE

You stroll into this house with a fucking rose. You know what, you're pathetic.

SILVIO

Well aren't you something, standing here bragging about everything that you bought mom. So what.

DANTE

At least I was there for mom financially.

SILVIO

She didn't ask for your help!

DANTE

Oh yes, she did. The only problem is when I help her, she complains about it later. She is never satisfied.

SILVIO

Did you ever think that she just wanted the simpler things in life? If you ask me, all you were trying to do is buy her affection.

DANTE punches SILVIO punches in his mouth. Blood gushes out of his mouth. SILVIO punches DANTE in his mouth. Blood gushes out of his mouth. DANTE and SILVIO lock up like two bulls fighting, throwing one another around the living room and dining room. DANTE picks SILVIO up and throws him on the dining room table. Thank you. I'm going to need a few minutes to look over the menu to decide what I want to order.

The waiter walks away.

UNCLE

How are you doing? I haven't seen you in quite a long time.

SILVIO

I have been very busy lately.

UNCLE

WAITER

The waiter walks over to where SILVIO and his uncle are seated carrying a tray with a plate of food on it. He places the plate on the table.

SILVIO

Not anymore. Mom insulted him at her birthday party and he told her to ask me to pay her bills.

to your circumstances, I will make

You're acting a little strange to me.

SYLVIA

I am not acting strange. Why would you say something like that to me?

CLAUDIA

The last time we were here celebrating your birthday, you told us to get out of your house. And now, you're acting very nice to us. Why?

SYLVIA

I felt bad about that so I invited you two over for dinner. I hope that you're really hungry.

CLAUDIA

Stop with the bullshit. What's

married to Dante, you never
invited us over to your house.

SYLVIA

Don't you believe that people
change?

CLAUDIA

Yes, but not you. You make the
Devil out to be a Saint.

DANTE

Why are you talking to my mother
that way? Out of the kindness of
her heart, my mom invited us over
to apologize, and you're accusing
her of being phony.

CLAUDIA is staring at Sylvia.

CLAUDIA

What are your intentions? Does
this special occasion has anything
to do with Silvio?

Sylvia puts her head down briefly. She looks up staring
at DANTE.

CLAUDIA

Dante, let's go. Let's go now.

DANTE stands up from the sofa. Teary eyed, Sylvia quickly
stands up from the loveseat. She walks over to DANTE.
She gently grabs his arm.

SYLVIA

Dante, please don't leave. I need
your help.

CLAUDIA stands up from the sofa and walks over to the
door.

CLAUDIA

DANTE

Mom, what is this all about?

Sylvia takes a deep breath and exhales slowly.

SYLVIA

Yesterday, I received a letter in the mail from the bank branch manager.

DANTE

For what?

SYLVIA

The letter stated that all of my bank accounts were closed.

DANTE

Why would the bank manager close your bank accounts?

Sylvia stands up from the sofa and walks over towards the television. She turns around facing DANTE.

SYLVIA

I didn't close them, Silvio did.

DANTE

How could he close your accounts unless he had access to them?

Sylvia briefly looks away. DANTE immediately stands up from the sofa.

DANTE

Knowing that he has a fucking gambling problem and owes a mob boss a lot of money. Why did you put his name on your accounts?!

SYLVIA

He's the only one that I can trust with my money.

He stole your money ma! I want to

that requires both signatures?

SYLVIA

No.

DANTE

You're screwed.

DANTE walks over to the door and opens it. Sylvia walks
over to him.

SYLVIA

Dante please help me, I really
need your help.

DANTE turns around facing Sylvia.

DANTE

Now you're asking me for help?
After everything that I did for
you. I bought you this house,
paid all of your bills, and now
you humble yourself to me?!

Teary eyed, Sylvia gently grabs DANTE by his arm.

SYLVIA

Please Dante, I need some money.
I wont be able to survive.

DANTE looks Sylvia in her teary eyes.

DANTE

You know what ma, I have done
everything that I could for you.
Now, you're own your own.

Sylvia releases DANTE's arm. He opens the door and walks
out, closing the door behind him. Sylvia drops down on
the floor on her knees crying hysterically.

CLAUDIA opens the front door to the house and walks inside. She is carrying a bag of groceries in her hand. She places the bag on the table, turns on the lights and hangs her keys on the hook. SILVIO is seated on the sofa in the living room. He is holding a small glass filled with alcohol and ice in his hand. CLAUDIA walks over to the living room.

SILVIO

Hello.

Startled, CLAUDIA pauses, staring at SILVIO.

CLAUDIA

How did you get in here?

SILVIO

Your baby-sitter let me in.

CLAUDIA

Where is she?

SILVIO

I told her that she can go home.

CLAUDIA is angry.

CLAUDIA

You had no right to send her home.

SILVIO

Don't worry, the baby is upstairs in his crib sleeping. He's adorable.

SILVIO takes a sip of the drink and places the glass on the table.

SILVIO

Now that I think about it, this is the first time that I've been in this house.

CLAUDIA

What's your point?

SILVIO

Believe it or not, I'm a very sensitive person. And lately, I have been feeling unwanted and unloved by my family.

CLAUDIA

There's a good reason for that. Why did you come here?

SILVIO

I'm just passing through. Besides, I came over to talk to Dante.

CLAUDIA

As you can see, he's not here.

SILVIO is staring at CLAUDIA with a lustful look in his eyes.

SILVIO

I know.

SILVIO slowly stands up from the sofa and walks over to the wall staring at the various family pictures. He turns his attention back to CLAUDIA.

SILVIO walks behind CLAUDIA. He moves her hair to the

CLAUDIA

SILVIO puts his arms around CLAUDIA's waist.

SILVIO

Dante's a very lucky man, he's
rich, living in a beautiful home.
He owns expensive, luxury cars and
has a beautiful wife and son.

CLAUDIA

What do you think you're doing?

CLAUDIA

Get off of me!

SILVIO slides his hand down to CLAUDIA's skirt, trying to pull it up.

SILVIO

Calm down, I won't hurt you. I want to make love to you.

CLAUDIA is trying to push SILVIO off of her. He rises up and forcibly back hands her in the face. She is crying uncontrollably and holding her face.

CLAUDIA

Please, please don't do this to me!

SILVIO

Shut up!

SILVIO pulls up her skirt, puts his hand inside of her underwear and fondles her vagina. DANTE opens up the front door and walks inside of the house. CLAUDIA screams loudly.

CLAUDIA

Silvio, stop! Get off of me!

DANTE quickly runs over to the living room and grabs SILVIO's jacket from behind. He throws him on the floor and lunges on top of him, violently punching him over and over in the face. Blood gushes out of SILVIO's mouth. Breathless, DANTE stands up staring at SILVIO.

DANTE

I want you to stay away from my
wife, son and my fucking house!
If you don't, I will kill you!

DANTE quickly drags SILVIO over to the front door, opens it and throws him out. He locks the door and rushes over to CLAUDIA. He holds her in his arms.

UNCLE

I know that you love your brother, but if he sexually assaulted my wife and tried to kidnap my son, he would be a dead man.

DANTE is speechless, staring at his uncle.

DANTE

I don't know what I'm going to do about him.

UNCLE

Here's what you should do. In order to trap that rat, you have to put out some cheese. Trust me, he'll come to you if you have the right bait.

DANTE

What do you mean?

UNCLE

You have to take the one thing or person that he truly loves.

DANTE

And that's his fiancée',
Stephania.

UNCLE

Now you're thinking.

DANTE

Wait a minute, I can't kidnap her, she's a nice lady.

UNCLE

Son, you wouldn't have to. That's where Nikita comes in. Just let him know where to find her. And he'll take care of the rest.

DANTE

I don't know about this. He's a Russian mob boss. There's no telling what he could do to her.

UNCLE

All you're going to do, is make sure that she's being held for ransom.

DANTE

I don't want her to get hurt.

UNCLE

If she's a nice girl, why is she with Silvio?

DANTE

I don't know.

UNCLE

Do you have a plan?

DANTE

I have figured out what I'm going to do yet.

UNCLE

How are you going to get Stephania?

DANTE

I don't know. I need more time to come up with a plan.

The uncle briefly laughs. He sits back in his chair.

UNCLE

How can you find Silvio if you don't know where he is living?

DANTE

He goes to this one particular bar and grill. Nikita's female messengers can deliver a message to him.

UNCLE

What are you going to do if your plan doesn't work?

DANTE is staring at his uncle with a mean expression on his face.

DANTE

I don't know. He has been on edge ever since he lost his dealerships.

UNCLE

Based on what you told me, I'm getting the impression that he wants to be you.

DANTE

When we were in college, he asked my wife out on a date several times and she turned him down.

UNCLE

Can you blame her?

DANTE

I think that he might be ready to settle down with his fiancée' Stephania. Unfortunately, she doesn't know that he has a gambling problem and a hustler.

UNCLE

She'll find out soon enough.

DANTE

I hope so.

UNCLE

If you plan fails, Nikita will be coming after you.

DANTE

I'm not his target.

UNCLE

He wants his money regardless of who gives it to him.

DANTE

I'm not going to be the fall guy for my fucking, low life brother.

UNCLE

Don't you know if you try to scam a mob boss out of his money, your family will take the hit?

EXT. PELLEGRINO'S WINERY- DAY

SILVIO's fiancée', Stephania Vitarelli is standing in the door's entrance of the winery. Stephania is a strikingly, beautiful Italian lady in her mid-twenties. SILVIO parks his luxury car on the paved, stone streets. He gets out of his car, close the door and walks up the long path to the winery. He walks over to her and gives her a kiss on the lips.

I'm happy to see that you made it here.

SILVIO briefly looks around the area.

STEPHANIA

Do you like it?

SILVIO looks upward.

SILVIO

Why is my name hanging up there on that sign?

Stephania is excited.

STEPHANIA

SILVIO has a stunned expression on his face.

Everyone in the room briefly acknowledges Stephania.

IVANNA

Ms. Viteralli could you please tell us about your business. And how you got started.

STEPHANIA

Ladies and gentlemen as you can

IVANNA

Do you import your grapes from

STEPHANIA

No. However, we do have wineries

NIKITA

BOARD MEMBER #1

IVANNA

You see Miss Vitarelli, my brother and I own several successful casinos and restaurants. And we appreciate someone like you who works hard for a living.

Sitting on a credenza are six bottles of wine along with twelve wine glasses on trays.

STEPHANIA

IVANNA walks over to NIKITA and gives him the bottle of wine. He briefly looks at the bottle. IVANNA walks over and sits down on a chair.

IVANNA

I'm curious. Do you have a picture

Stephania picks up her iPhone, taps the screen and scans

STEPHANIA

IVANNA looks at the picture. She looks over at NIKITA.

NIKITA

Is it him?

She responds in a disgusted manner.

IVANNA

Yes, it's him.

IVANNA picks up the contract and rips it in half. Stephania has a

NIKITA

There are various items such as casino chips, furniture, boxes, etc. in the warehouse. Stephania is seated on a chair, her mouth is bound with a handkerchief, her hands and feet tied tightly with rope. She opens up her eyes, feeling groggy, she looks around the warehouse. IVANNA is standing in front of her.

IVANNA

Miss Vitarelli, if you cooperate and answer my questions correctly, I will let you go.

Stephania is staring at IVANNA.

IVANNA

If you don't cooperate, you'll be staying here for a while.

Stephania is crying uncontrollably, she briefly puts her head down. IVANNA walks over to her, grabs a handful of her hair and yanks her head backwards. IVANNA releases Stephania's hair and takes the handkerchief off of Stephania's mouth. NIKITA walks in the warehouse and over to IVANNA.

NIKITA

IVANNA

I'm going to kill her.

Stephania is crying uncontrollably staring at IVANNA.

NIKITA

I'm sorry, but I'm not going to let that happen.

IVANNA

Why not?

NIKITA

She's an innocent bystander. She doesn't know that Silvio is a fucking scumbag. Remember he stole his identical, twin brother, Dante's identity and money. He charged thousands of dollars and stuck him with the bill.

Well, you just might get your chance.

Stephania is staring at IVANNA with an evil glare in her eyes.

NIKITA

STEPHANIA

No. I had no idea that he has a twin brother. He told me that he won one million dollars playing Blackjack at the casino.

IVANNA

He lied to you and he's broke. He's in hiding because he owe us one million dollars. The money that he lost playing Blackjack.

STEPHANIA

Okay, I'm in. What would you like for me to do?

IVANNA

He's going to need proof that you're being held hostage. I'm going to need your iPhone.

Stephania gives NIKITA her iPhone. She sits back down on the chair. IVANNA's bodyguard ties Stephania's hands and feet with rope. He puts a handkerchief on her mouth and ties it in the back. IVANNA puts a gun up against Stephania's head. Stephania is nervous. NIKITA takes a picture and sends it to SILVIO's iPhone. The bodyguard unties Stephania.

NIKITA

STEPHANIA

He told me that he owns various ECO friendly, recycling plants. He's divorced, has a son name Carmine and he's rich.

IVANNA

He's a very delusional man. He wants so badly to be his brother, Dante. It's really sad.

NIKITA

He really needs psychological help.

IVANNA

I'm curious, where did he get the money to invest in the winery?

STEPHANIA

I don't know. We never really discussed it. I feel sorry for Dante, having to take the blame for his stupid brother.

IVANNA

NIKITA

If given the chance, do you think Dante would kill his brother?

IVANNA

I don't think so. Let's go get something to eat.

WAITRESS

SILVIO

SILVIO

I know. It seems like my brother has the perfect life. And my life is a living hell.

PRIEST

You are accountable for you own actions. If your life is a living hell it's because you created it.

SILVIO

I know. I just wish that I could just wake up from this nightmare.

PRIEST

This is reality and you must change your ways or you will die for your convictions.

SILVIO briefly puts his head down.

PRIEST

You are a lost soul. And I will pray for you. Does your brother know what you have done?

SILVIO

Yes.

PRIEST

Do you think that he wants revenge?

SILVIO

No. He loves me unconditionally and would never hurt me. And for that I am very grateful.

PRIEST

Your brother is not your keeper. What about your mother?

SILVIO

My mom will always love and forgive me no matter what I do.

PRIEST

Are you sure?

SILVIO

Yes.

PRIEST

Let me pray for you. If you live past this night, I want you to come back to church.

SILVIO

I will. I promise.

The priest and SILVIO stand up from the wooden bench. They walk into the aisle. The priest puts his hand on SILVIO's shoulder and closes his eyes. Tears are suddenly falls from SILVIO's eyes. He takes a handkerchief out of his pocket and wipes his eyes. The priest takes his hand off of SILVIO's shoulder and opens his eyes. SILVIO puts the handkerchief in his pocket.

SILVIO

Thank you.

SILVIO

And also with you.

INT: WAREHOUSE- DAY

Stephania is seated on a chair. Her hands and feet are tied with rope. Her mouth is bound with a scarf. Irritated, IVANNA briefly looks at her watch and stares at NIKITA.

IVANNA

Where in the hell is he? He told me that he was going to meet us here at eight o'clock.

NIKITA

Did you honestly think that scumbag would actually show up?

IVANNA

If Stephania is important to him, he will show.

The male bodyguard briefly looks over towards the door.

BODYGUARD

I think somebody is coming this way.

The bodyguard reaches inside of his suit jacket.

NIKITA

No guns, we're going to make it a clean exchange.

IVANNA

Are you crazy? Don't think for one moment that he won't be armed.

DANTE walks into the warehouse and over to NIKITA.

DANTE

Hi. Did he call?

IVANNA

Yes.

DANTE

Are you sure that he will show up?

IVANNA

He has the money and he's on his way over here.

DANTE looks over at Stephania.

DANTE

I'm sorry that you're caught up in this mess.

NIKITA

She's on our side. We told her what Silvio did to you.

IVANNA

If he doesn't have my money, I'm going to kill him.

Stephania is crying uncontrollably. DANTE walks over to her.

DANTE

My brother has always been envious of my life. There's one exception, when it comes to my mother, who didn't think that I was worth her time.

NIKITA

Dante, I want you to hide somewhere out of sight until the time is right to come out.

DANTE walks away.

NIKITA

(to Ivanna)

If you want I can leave.

IVANNA

No, please stay. When I see him, I just might kill him.

SILVIO walks into the warehouse carrying a briefcase. The bodyguard walks over towards him. NIKITA briefly shakes his head and the bodyguard takes a few steps backwards.

NIKITA

I have to say Silvio that I am surprised that you showed up.

SILVIO

I love Stephania and there's nothing that I wouldn't do for her.

IVANNA

Bullshit!

NIKITA briefly looks over at IVANNA.

SILVIO

I want you to know that I have all of the money.

The bodyguard walks over and takes the briefcase out of SILVIO's hand.

IVANNA

How do I know that it's all there? I don't trust you.

SILVIO

It's all there.

IVANNA

(to the bodyguard)
Could you open up the briefcase and check for me?

The bodyguard opens up the briefcase and counts the stacks of one hundred dollar bills. Minutes later, he briefly nods his head giving her the signal. IVANNA walks over to the bodyguard. She closes the briefcase and picks it up.

IVANNA

I can't say that it has been a pleasure doing business with you Mr. Pellegrino, she's free to leave with you.

The bodyguard walks over and unties Stephania. She walks over and slaps SILVIO in his face. He is confused.

SILVIO

What's wrong with you?

DANTE walks up behind SILVIO holding a loaded gun in his hand. He puts the gun up against the back of SILVIO's head. In shock, SILVIO slowly turns around facing DANTE.

SILVIO

Go ahead, shoot me! You know you want to!

Sylvia rushes into the warehouse and over to DANTE. Everyone is staring at her.

SILVIO

Mom, what are you doing here?

SYLVIA

I followed you here.

DANTE

Mom, please leave, you shouldn't be here.

SYLVIA

Dante, don't do it, he's not worth it. Please give me the gun.

SILVIO

Go ahead you fucking coward, shoot me, right in front of mom! You don't have the fucking balls to do it!

DANTE puts his arm down to his side. Sylvia quickly snatches the gun out of DANTE's hand. She takes a few steps backwards pointing the gun at SILVIO. Everyone is staring at her with a stunned look on their face.

SYLVIA

When you walked into the church, I was sitting in the confessional. I can't believe you blew up your brother's recycling plant. You stole my fucking money out of my bank accounts! You tried to kidnap my grandson and you tried to rape Dante's wife, Claudia!

SILVIO is sweating profusely staring at his mother.

SYLVIA

Give me one good reason why I shouldn't kill you.

SILVIO walks towards Sylvia.

SYLVIA

You're nothing but a piece of shit
and you deserve to die, you
fucking bastard!

SILVIO

Mom, think about what you're
doing. You don't want to do this.
Please give me the gun.

Sylvia quickly pulls the trigger and shoots SILVIO in the head. Blood gushes out of his head as he falls backwards onto the floor. She throws the gun down on the floor and walks out of the warehouse. In shock, IVANNA, DANTE, NIKITA and Stephania stare at SILVIO's lifeless body.
