FADE IN:

EXT.- HOUSE- NIGHT- THUNDER STORM IS STARTING

PAN TO:

INT.- HOUSE- NIGHT- STORM

MR. NASLER runs from the widow to the bedroom.

He opens up wardrobe to revel his "superhero" outfit.

MR. NASLER

Miss Eyes, get ready! The cold
front's coming through!

MISS EYES comes in the room almost crying.

MISS EYES

I know, my eyes already itch and
burn.

He turns to her.

MR. NASLER

It's coming faster than we thought.
Hurry! We have to fight this!

INT.- HOUSE- LIVING ROOM

They both run in fully dressed in the "superhero" outfits,
and they strike a "superhero pose".

Miss Eyes can't keep her eyes open, and they won't stop
watering, and Mr. Nasel keeps running in place.

MR. NASLER

I can't stop running!

MISS EYES

I'm blind!

The patio double doors fly open, and ALLERGY, the villain,
glides inside the house.

Allergy gives an evil laugh.

ALLERGY

Getting sick of waiting for me?

(CONTINUED)

MR. NASLER
(Yelling)
I'm going to run all over you!

MISS EYES
(Screaming) And I'm
gonna...cry all over you!

They charge at Allergy trying to attack him, but their disabilities hinder them from being anything other than mere entertainment for the evil Allergy.

Mr. Nasel and Miss Eyes quickly fall to the floor, helpless.

Mr. Nasel, having a hard time talking, talks into his "power ranger watch".

MR. NASLER
Alpha, we need back up!

ALPHA (V.O.)
Aye-yi-yi-yi-yi!

Mr. Nasel passes out.

Miss Eyes cries over Mr. Nasel.

Allergy laughs and walks over to them.

ALLERGY
I'm going to smother you with some
pollen. How bout a little mold?
Some Cedar?

He laughs and coughs.

ALLERGY
Even I think I'm too strong.

The front door bursts open and back-up has arrived.

It's MR. V.C., MISS REST, MR. X-SIZE, and AGUA MAN.

Allergy screams in terror, but then laughs and points at Mr. Nasel and Miss Eyes.

ALLERGY
You're too late! Look at them!

Mr. Nasel and Miss Eyes are on the floor rolling around and groaning.

MR. V.C.
We can still help!

MISS REST
They need me!

MR. X-SIZE
They needed me earlier, but I'm
here for support!

AGUA MAN
Vamos!

They all fight Allergy, but he seems to be getting bigger
and stronger.

They all get knocked down and Allergy gives a deep laugh.

ALLERGY
You all suck! You'll never have
Immunity!

MR. V.C.
That's it! Immunity!

MR. X-SIZE
Of course! Unity!

MISS REST
We need be helping them, instead of
beating him.

AQUA MAN
Que?

They get in a huddle.

MR. V.C.
We need to work together on them to
beat him and send him packing.

MR. X AND MISS REST
Right!

AQUA MAN
Si!

They spread in a line, then they put their arms out like
"morphin time".

MR. V.C., MR. X, AND MISS REST
Immunity time!

AGUA MAN
Tiempo de inmunidad!

ALLERGY
No!

They run over to Mr. Nasel and Miss Eyes on the floor.

Mr. V.C. shoves vitamin C tablets in their face, and pours Orange juice on them.

Agua man pours water on them.

Miss Rest grabs a pillow and blanket and lays with them on the floor.

Mr. X grabs a leg from each of them and moves them as if running.

MR. X-SIZE
You should've called me before all this.

Allergy cries and gets smaller.

The sun comes up, he turns to dust, and gets blown out the door.

MR. V.C.
Dust in the wind.

Mr. Nasel and Miss Eyes wake up.

MR. NASEL
Hey, thanks guys. You really saved us.

MISS EYES
Yeah, thanks.

MR. V.C.
Call us sooner next time, and maybe we can have Immunity before Allergy gets here.

MR. NASEL
We will.

MR. X-SIZE
Miss Rest and Agua Man will stay here to help. I'm gonna run. Call me later!

X-Size runs out.

MISS EYES
Thanks, X-Size.

MR. V.C.
I'll scoot too. You can only have
so much of me. I'll be back.

MR. NASEL
Thanks, V.C.

V.C. leaves.

Rest, Nasel, and Eyes cuddle on the floor.

Aqua Man sits in a chair.

AGUA MAN
¿Tienes un radio?

Silence.
