INT KITCHEN DAY

GIANNA 28 is sitting at her kitchen table twirling her luscious blonde hair trying to figure out a way to break up with her boyfriend of two months in a nice way.

GIANNA

Rocco you see I have a lot of fun with you but... I can't see you anymore.

ROCCO 35 picking his nose then starts scratching his balls.

ROCCO

But why? I don't understand? It's been two great months. I even bought you a new watch and a new purse.

GIANNA

I know you did, I'm very grateful. I will give that all back. It's just I can't do this.

Rocco picks his nose, starts scratching his balls and burps.

ROCCO

Why can't we stay together? I don't understand?

GIANNA

It's just things are not working out between us. I think you know why right?

Rocco picks his nose then starts scratching his balls, burps, then let's out a loud fart.

ROCCO

No, I don't understand, I treat you good, I take you places. How about all the laughs we have with your friends?

GIANNA

Laughs? No, they laugh at us. It's just that, you know.

Rocco picks his nose then starts scratching his balls, burps, then let's out a loud wet sounding fart.

ROCCO

No, this is ridiculous! I demand a
reason why?

Gianna scratches her head and tries to muster up the courage
to tell Rocco the obvious reason why she no longer wants to
see him but can't.

GIANNA

OK, I can't see you anymore
because,, I'm moving back to L.A
for a new job

Rocco gets up from the chair, picks his nose then starts
scratching his balls, then let's out a loud wet sounding
fart. He walks to the door, opens it and turns around

ROCCO

Well fine, if that's what you want
but to be honest, I never liked the
smell of your Perfume! It really
grosses me out!

ROCCO slams the door shut.

GIANNA sits back, sips her tea and farts.

FADE OUT.
