CUT TO OPENING CREDITS

INT. LIVING ROOM

Victor goes over and tries to wake up Adam but he doesn't wake up.

INT. CONFSSIONAL

VICTOR  
Dude, what the fuck happened last  
night?

CUTS TO LAST NIGHT SHOWING VICTOR, ALONZO, ART, JUSTIN,  
ADAM, AND JASON PARTYING.

INT. CONFESSIONAL

VICTOR

I'm not really sure who was here.  
Fuck it, I'm hungry and going to  
visit Art at work since all of  
these fucks are passed out.

EXT. HOUSE - DRIVEWAY - DAY

Victor finds a note on his car. He picks it up.

VICTOR

(confused)

'Dear Victor, I know we have been  
having problems lately. Mainly do  
to the fact that you don't have a  
job and just expect me to pay every  
time we go out. I wanted to tell  
you that I'm leaving you for Shawn.  
He takes care of me and doesn't  
'forget' his wallet every time we  
get a redbox. I wish you the best  
of luck. Sincerely, bitch.'"

CONFESSIONAL

VICTOR

Who the fuck leaves a note? Like  
what? Didn't I mean anything to  
you? Whatever. I need to get drunk.

INT. GROCERY STORE - DAY

Victor is hanging out with Art who works as a sample guy at  
their local grocery store.

ART

Is she really leaving you?

VICTOR

I think so man, this note seemed  
pretty serious. Who sends a note?  
It's the fucking 20th century! She  
could have at least facetimed me or  
something!

(CONTINUED)

ART

It's actually the 21st century...

VICTOR

You know what I mean. I'll be back,  
I'm going to grab some chips.

ART

Make sure you pay for them! Not  
like the other time.

INT. CONFSSIONAL

ART

I don't know what Victor is  
complaining about? He never had any  
money, come to think about it, he  
owes me like \$500.

People walk by Art and he offers them a Danish sample.

INT. GROCERY STORE

Victor is walking by the chips section. He looks around to see if anybody is watching but no one is around. He grabs the bag of chips, opens it, and starts eating it. He walks around and sees a bulletin board. He looks and sees one that is seeking a wedding singer. As he's reading it, Art comes and taps him on the shoulder.

ART

Did you pay for those? My manager  
said that if he catches you  
stealing the chips again, he's  
going to fire me. I can't be broke  
like you!

VICTOR

Uhh, sure dude. Hey check this out!  
This couple needs a singer for  
their wedding. I can sing right? I  
always crush at karaoke.

CUTS TO LAST WEEK

INT. SHANGHAI'D KARAOKE BAR - NIGHT - LAST WEEK

The whole gang is seen singing Living on a Prayer by Bon Jovi very out of pitch. Then Victor is singing Open Arms by Journey while the whole gang is booing him and calling him names. The bar is empty.

CUTS BACK TO THE GROCERY STORE

INT. GROCERY STORE - DAY - PRESENT

ART  
 (Sarcastically)  
 Yea man. You really get those notes  
 on A Whole New World.

Victor looks at Art with a disgruntled face.

INT. HOUSE - LIVING ROOM - AFTERNOON

JASON IS IN THE HOUSE PLAYING VIDEO GAMES. VICTOR GRABS THE PHONE AND CALLS LEXI WHO PUT UP THE ADD AND IS GETTING MARRIED.

The phone rings and Victor is pacing back and forth. Finally someone answers.

LEXI(FILTER)  
 Hello?

VICTOR  
 Hi is this Lexi?

LEXI(FILTER)  
 Yes, who's this?

VICTOR  
 Hi Lexi, my name is Victor. I'm  
 calling about the wedding singer  
 needed. Is this for your wedding?

LEXI(FILTER)  
 Oh gosh yes! Thank you so much for  
 calling, time is running out! What  
 are your rates? Our budget is a  
 little limited due to the  
 coordinator costing us a fortune!  
 Would you be able to cut us a deal?

(CONTINUED)

VICTOR

Yes, those coordinators can be little sharks! What's your coordinator costing you? I have a vast experience as a wedding coordinator and singer. I'm sure I can cut you a better deal than what your original person is getting you.

Victor hangs up the phone really excited. Alonzo walks in the door dressed nice with his briefcase.

INT. KITCHEN

Victor pleased with getting the job goes to grab a beer from the fridge. He grabs another one and hands it to Alonzo.

VICTOR

How was work?

ALONZO

The worst. That bitch Debby doesn't shut the fuck up about this new guy she's dating. She doesn't need a man, she needs a treadmill. What the hell are you so excited about?

VICTOR

Guess who just got rid of our financial troubles?

ALONZO

Did you win the lottery?

VICTOR

Nope.

ALONZO

Did you and Jason sell your sperm again?

VICTOR

Nope. We are coordinating a wedding! Plus Lana from the clinic wont have us back after Jason tried to steal all their porn.

JASON

I miss that place.

(CONTINUED)

ALONZO

What?! How did you do that? Do you have any clue as to what your job is?

Justin and Adam walk in from work together.

VICTOR

Umm, not really. It can't be that hard.

ALONZO

Hey guys, guess what Victor got us into?

ADAM

Not another one of your schemes again? Last time we ended up in an alley with that homeless guy Jerry.

VICTOR

Guys! It's simple Jason and I DJ, Justin and Alonzo are the servers, Art is the greater, and Adam is running the valet.

JUSTIN

Valet parking at a wedding?

VICTOR

We are charging \$20. Adam is jewish enough to pull it off.

CONFSSIONAL

ALONZO

A FUCKING WEDDING? I don't think I've ever been to a wedding. This is bullshit.

CUTS TO ADAMS CONFSSIONAL

ADAM

I think we can pull this off. I took the jewish comment as a compliment.

CUTS TO JASONS CONFSSIONAL

JASON

Adam was serious about his last scheme. It gave me a rash.

(CONTINUED)

## CUTS TO ARTS CONFESSIONAL

ART

I think it could be a cool idea. I hope my works lets me do it.

## CUTS TO JUSTINS CONFESSIONAL

JUSTIN

I bet there's going to be tons of hot chicks there. Weddings always get chicks horny. I better bulk up.

## INT. THE OLE SHIP - NIGHT

THE GANG IS EATING DINER AND HAVING A DRINK AT THEIR FAVORITE PLACE. THEY ARE DISCUSSING TRYING TO PULL OFF THE WEDDING. EVERYONE IS EATING BUT VICTOR BECAUSE HE DOESN'T HAVE ANY MONEY.

VICTOR

Okay, so in order to pull this off like pros we need to be proper and wear tuxedos. I've already done the math. \$120 per tux, times that by 6 and it's \$720. Divide that by 5 and it's \$144 a person.

ALONZO

Woah! Hold on there, why divided by only 5?

ART

Let me guess, Victor is broke.

VICTOR

Yea dude, but come on. You know I'll pay you back!

ART

(Sarcastically)

Right...

VICTOR

Look guys all I'm saying is, if we pull this off can turn in this into a real business.

ADAM

You mean like be professional wedding planers?

(CONTINUED)

VICTOR

Not per se but we could charge a ton of cash to provide our services to people.

JUSTIN

And what services are those?

VICTOR

You and Adam are personal trainers right? Why not just put out there to all these hot LA milfs that 2 buff good looking-

JASON

(Interrupting Victor)

HA! "Good looking"

VICTOR

(Continuing)

guys can train them or cut mowe their lawn.

ADAM

I kind of always had a fantasy about that.

VICTOR

Dude, we are not running a prostitution reign here.

ALONZO

That's much better than your idea.

ART

I don't know man, it all sounds pretty sketchy. I mean I don't want to be THAT GUY but what if we fail?

VICTOR

Well not to be the barer of bad news but we got another eviction notice.

All the guys are in shock.

Jason

How is that possible?

ALONZO

I knew it! Why didn't you tell earlier? Now we have to do this.

(CONTINUED)

VICTOR

It's ok guys. We will figure this out!

INT. HOUSE - LIVING ROOM - NIGHT

JASON

What are you going to do know that you are single? I've got some friends that I can hook you up with.

VICTOR

Ew, I don't want to go out with one of your disease infest friends again. Remember the girl with the prostetic leg?

JASON

What? At least you was a 9 for the waist up!

ALONZO

So what are you really going to do?

VICTOR

Not sure really. I think I want to get her back. I think doing this might prove to her that I'm maturing you know?

ALONZO

Yea, it only took you this long to mature.

The 3 laugh but Victor seems a little sad. Alonzo takes one more bong rip.

ALONZO

Alright ladies, I'm going to bed. Peace!

VICTOR

Later!

(CONTINUED)

JASON

JASON

You know, I'm feeling good about this. I got some good material prepared for today. My set list is good. You have their first dance song down right Victor?

ALONZO

It better not be some lame ass song. Do these people think we are professionals? Because we all know Jason's stand up sucks.

JUSTIN

I can't wait to see the bridesmaids!

ADAM

Fuck! I forgot my tip jar.

ART

I'm hungry.

VICTOR

Yes Jason I got it down. Don't worry guys we got this.

EXT. WEDDING RECEPTION - MID DAY

The gang parks and finish the joint. They all shut gun a beer before going up.

VICTOR

Hi Lexi! Let's get this show on the road.

LEXI

(She looks at the guys surprised)

Is this all your staff? This is isn't going to work. There's only 6 of you. Oh, gosh I'm having a heart attack.

(CONTINUED)

JUSTIN

(In a very smooth and sensual way grabs her)

Hey, it's ok. We are going to have a great time.

\$20? for what?

ADAM

It's for the valet service. The bride and groom don't know this but the proceeds are going to their honeymoon.

YOUNGER GIRL #1

Oh wow! That's nice of you guys. Now don't scratch my car.

ADAM

You got it!  
(mumbles underdeath his breath)

CUTS BACK TO DANCEFLOOR

JASON

I can't believe she left you. Like, what are you going to do?

(CONTINUED)

VICTOR

I don't know. Who does that? I worked hard to try and do nice things for her.

JASON

Dude, you guys were always home. Your date nights were to my comedy shows.

VICTOR

(Gives Jason a mean look)  
Where's the fucking bar?  
(Walks away mad)

JASON

Alright guys! Now it's time to take a little break and get prepared for the food! Who's ready for some steak?

EXT. PATIO - BAR - NIGHT

VICTOR

Can I get whiskey on the rocks?

Alonzo walks up.

ALONZO

Hey man you feeling alright?

VICTOR

Yea I'm good. How's Art doing over there?

SHOWS ART GREETING CUSTOMERS AND SHOWING THEM WHERE THEY ARE SITTING AT.

ALONZO

He's doing pretty good. You know this is actually going pretty smooth. Better than I expected. Cheer up man, you'll find another girl.

VICTOR

I just don't want to think about it right now.

(To the bartender)

Everyone is looking at Victor who is laying down on the flier sobbing and drunk. He gets up and grabs the mike from Jason.

VICTOR

This song goes out to the lovely wife. And to the groom, you are one lucky son of a bitch. You found your dream girl, mine walked out on me!

(Starts crying in the middle of it)

As Victor starts singing. Justin walks by the bridesmaid that has been eyeing him all day. He gives her a nod and she nods back.
