**FADE IN.**

**INT. APARTMENT - DAY**

Daniel walks out of his room, into the living room.

He grabs his keys, and then receives a phone call.

He looks at his phone and then answers it.

**DANIEL**

What do you want Lisa?

**LISA**

Why haven't you been returning my calls? I've been trying to reach you for two weeks.

**DANIEL**

It's not obvious?

**LISA**

What are you talking about?

**DANIEL**

I don't wanna see you anymore.

**LISA**

What?! Why?

**DANIEL**

Cause you're a very boring person and I think we should see other people.

**LISA**

I'm boring?! You play video-games for twenty-four hours a day and smells like rotten cheese?

**DANIEL**

Whoa! I'm trying to be as nice as I can. We had fun and now it's time to move on.

**LISA**

You know what Daniel, what everyone says about you is true. Surrounding yourself with comics and video-games and dolls, instead of people who actually care about you is gonna bite you in the ass. You little evil nerdy bastard!

(CONTINUED)

**DANIEL**

I'm not a nerd!

Daniel hangs up the phone.

**INT. APARTMENT - KITCHEN - DAY**

Daniel walks into the kitchen.

**DANIEL**

I'm not a nerd.

Daniel sees his superman clock hanging on the wall. Staring.

**DANIEL**

What are you looking at?

He punches the clock. It falls to the floor and breaks into pieces.

Daniel walks out of the kitchen, grabs his bag, and leaves the house.

The superman doll hanging on the cabinet falls, followed by the other justice dolls.

**INT. APARTMENT - EVENING**

Daniel walks back into the house, and almost trips on his skateboard.

He picks up the skateboard.

**DANIEL**

How the-

Daniel looks up and sees the justice dolls in the corner looking at him.

**DANIEL**

What the-

Daniel enters the apartment and looks around, seeing if someone's there.

Daniel leaves the skateboard in the room, and walks to the justice dolls.

He picks them up and puts them back on the cabinets, and then walks out of the kitchen.

(CONTINUED)

Daniel sits on the couch, then hears a noise from the kitchen.

He walks to the entrance of the kitchen and looks at the cabinet. It opens and plastic ware flies out at him.

When they stop, Daniel looks for the justice dolls, but they're gone.

Daniel looks behind him and sees the justice dolls leaning up against the wall behind him.

He runs outside to the porch to make a phone call.

**DANIEL**

Come on, pick up pick up!

**INTERCUT.**

**INT. APARTMENT - PORCH - EVENING/ INT. APARTMENT - BATHROOM  
- EVENING**

Terry is peeing.

**TERRY**

Hello?

**DANIEL**

Dude! My justice league dolls are possessed and are trying to kill me!

**TERRY**

Are you high?

**DANIEL**

No, I'm serious!

**TERRY**

Right... dude I'm peeing. Let me call you back-

**DANIEL**

No, I'll be dead by then.

**TERRY**

Well make sure you crack the door to your apartment so the neighbors can find you.

(CONTINUED)

**DANIEL**

Look dude, I know I sound insane-

**TERRY**

Mhmm.

**DANIEL**

But come over and see it for yourself.

**TERRY**

You broke up with Lisa didn't you?  
Dude if you're lonely-

**DANIEL**

Terry, just get over here!

Daniel walks back into the apartment and looks for the justice dolls.

They're gone.

Daniel looks up and gets knocked out with a ball.

**INT. APARTMENT - NIGHT**

Daniel wakes up tied to a chair with the vacuum cord.

He looks to his left and sees the justice dolls leaning against the back of the couch.

Daniel gets scared and starts to scream.

**DANIEL**

Help!

**EXT. APARTMENT - NIGHT**

Terry walks up and hears Daniel screaming.

He runs to the door and opens it with his keys.

**INT. APARTMENT - NIGHT**

Terry finds Daniel tied to the chair.

**TERRY**

Daniel!

(CONTINUED)

**DANIEL**

Terry, help me!

Terry starts looking around the room, seeing if anyone's there.

**DANIEL**

Dude! Get back here and untie me!

Terry walks back holding a lava lamp.

**DANIEL (CONT'D)**

What are you doing with that?

**TERRY**

I have to protect us just in case the robbers come back.

**DANIEL**

There weren't any robbers! It was-

Daniel looks for the justice dolls, but they're gone.

**DANIEL (CONT'D)**

Untie me right now!

Terry unties Daniel.

Daniel snatched the lava lamp from Terry, and starts to look for the justice dolls.

**TERRY**

What are you doing?

**DANIEL**

Shush!

Daniel continues to look, but doesn't find them.

He walks back to the living room.

**TERRY**

What the hell is wrong with you? We need to get out of here, before the robbers-

**DANIEL**

There weren't any robbers!

**TERRY**

Then who was it- Lisa! Dude, I told you not to break up with Lisa. Girls like her kill guys like us.

**DANIEL**

Terry, you don't understand. I wasn't tied up by some robbers or stupid Lisa. My life is in danger, because something evil is in my apartment. And-

**TERRY**

And what?

Daniel sees the reflection of the dolls in his TV.

Daniel runs to the closet and grabs a bag.

He grabs the dolls and stuffs them inside the bag.

**TERRY**

Dude! What in the world are you doing?

Daniel runs out of the apartment.

**TERRY (CONT'D)**

Those are collectibles. Daniel!

**EXT. APARTMENT - NIGHT**

Daniel runs to the trash can and throws the bag down.

He looks around and then runs back to his apartment.

**INT. APARTMENT - NIGHT**

Daniel runs in and locks the door. He quickly turns and leans on it.

**EXT. APARTMENT - NIGHT**

A guy walks up with a bag of trash. He places it down and then notices the dolls.

He picks them up.

**GUY**

What the?! What would posses some idiot to throw you little guys away?

The guy walks away.

**INT. APARTMENT - NIGHT**

Terry stands angry with his arms folded.

**DANIEL**

What?

**TERRY**

You're such an evil bastard you  
know that?

Daniel rests his head on the door.

**DANIEL**

Yeah, so I've heard.

Daniel slides down the door.

**FADE OUT.**

**THE END.**
