

EAT FRESH BY JUSTIN CARTER

LIGHTS UP on ONE PERSON standing on stage

INT. SUBWAY RESTAURANT

JARED enters a Subway restaurant and walks up to SAM, a Sandwich Artist handling a bag of fresh dough behind the front counter.

SAM

Welcome to Subway, how may I-- God damn it Jared, what are you doing here?

JARED

Hi I'm Jared, longtime Subway spokesman and all around good guy.

SAM

I know who you are. You don't need to introduce yourself every time you come in. Don't you have cases pending?

JARED

As it turns out, suspected pedophiles are now a protected class and Subway can't fire me. Sooo thanks Obamacare!

Jared guffaws in a goofy outburst of snorts. Sam sighs frustrated.

SAM

President Obama didn't make suspected pedophiles a protected class Jared.

JARED

Well I have an iron clad contract. The kind Woody Allen has that allows him to make movies and Amazon series like he's not married to his stepdaughter.

SAM

With the investigation I thought you'd never show your face in Subway again.

JARED

Pssh, whaaat? I can't stop coming to Subway. If I don't eat delicious low calorie sandwiches, I'll get fat again.

SAM

Well can I help you with something? Directions to Quizno's or a Blimpie?

JARED

In 1998 I weighed over 428 pounds. So I walked into Subway and I made a plan.

(MORE)

JARED (CONT'D)

After one year and countless hours of eating tasty low calorie sandwiches while definitely not watching child pornography, I lost over 245 pounds.

SAM

Please don't relate child pornography to low calorie subs and weight loss.

JARED

And I've kept the weight off all this time. That's how I earned my Subway Black Card. Wanna know what that is?

SAM

I know all about your Black Card Jared. You tell me every time you come in.

JARED

Then you should know that my Subway Black Card entitles me to free low fat sandwiches for life. What's that you have behind the counter?

SAM

It's dough for the sandwich bread.

JARED

Mmmm... fresh pre-pubescent dough. So raw, so young, and untamed. You know, some say it tastes even better before it's fully flowered-- I mean baked.

SAM

Umm actually you could get really sick from eating raw-- wait, you're talking about children aren't you?

JARED

Who cares? I'm not selling Pudding Pops, and I haven't been convicted. Even if I had, call me Roman Polanski and give me a standing ovation when you hand me my Oscar, am I right?

SAM

This is Subway, not the Academy Awards. Place your order or leave.

JARED

I'd like a six inch sub. Those little guys haven't had the time to develop yet, but I find them to be much tastier than the fully grown-- I mean footlongs.

SAM

OK, now I'm certain you're talking about children.

JARED

Well excuse me senior FBI agent,
but you have no evidence of that.

SAM

For the last time Jared, I'm not an
FBI agent. I'm a sandwich artist.

JARED

And I'm a spokesman who likes his sub
wrapped in pampers-- I mean paper.

SAM

What type of six inch do you want?

JARED

I want meat that's fresh. Still new
to this world. Tender, lean, and
juicy. Excuse me, I think I drooled
on your counter a smidge.

SAM

I'm giving you the turkey. Do you
want any toppings?

JARED

I would like baby spinach because--
obviously. And I also want banana
peppers because they're delicious.

SAM

Do you want any dressing on your sub?

JARED

Oh God no! Dressing adds calories.
I like them stripped bare with
nothing on them before I take them
in my mouth.

SAM

Jared stop! I know you're talking
about children OK? Knock it off.

JARED

It only seems that way because I'm
passionate about free sandwiches.

Jared flashes his Subway Black Card.

SAM

I don't need to see your Black Card
Jared just take your free sub and go.

JARED

What about the Subway dipping sauces?

SAM

Do you want Teriyaki, Chipotle Mayo...

JARED

I brought my own Chipotle Mayo.

SAM

Don't say you keep it in your--

JARED

I keep it in my Underoos.

SAM

Ugh. Well good luck with your legal troubles or temporary suspension or whatever. I've gotta go clean up so--

JARED

Yeah, I get it. You wanna destroy evidence of any filth left behind by wiping those hard drives clean.

SAM

Floors. I have to clean the floors.

JARED

Riiiiight. The floor drives.

Sam sets up a slippery when wet sign and mops the floor. As Jared eats the sub he starts moaning and having a Meg Ryan-esque ORGASM.

JARED (CONT'D)

Mmmm. So hot. Mmmm. Freshly shaved. Oh God. Right there. Mmmm. That's good meat. Yes! Yes! Yes! (beat) I just squirted Chipotle Mayo all over your teenaged floor's face.

Sam stares as Jared convulses, breathing heavily in his afterglow.

SAM

Floors don't have faces Jared.

JARED

Subway should consider in store playgrounds, so I don't have to solicit sandwiches on Craigslist.

Sam reveals a BADGE and HANDCUFFS Jared's hands behind his back.

SAM

OK Jared, that's enough. I am an FBI agent and you're under arrest.

JARED

Darn! I knew you were an undercover footlong. Can I still keep my Black Card and eat for free?

BLACKOUT.

F.A.P. TEAM SIX

BY JUSTIN CARTER

SUPER: Military Action Music Plays as Text Scrolls On Screen

After several foreign Cyber Attacks on the American financial infrastructure, the Pentagon has created the most elite Hacker Team ever assembled: The *Federal American Preemptive Penetration Emergency Response Specialists*. This is the team of soldiers on the front lines of the greatest digital battleground the world has ever known. This, is **F.A.P. TEAM SIX!**

INT. PENTAGON- F.A.P. TEAM SIX SECRET HEADQUARTERS

ADMIRAL HAYNES, grizzled, presides over an Intel meeting with Secret Agent Super Hackers LAZYBOY, TAMPAX, and KOOLAID.

ADMIRAL HAYNES

It is time to take the fight to
Russia, North Korea, and Isis.

Admiral Haynes is interrupted by the Bowchickawowow and lewd sound effects of cheesy internet porn. The room snickers.

ADMIRAL HAYNES (CONT'D)

What was that?

AGENT LAZYBOY

Ummm...it's a firewall update, sir.

ADMIRAL HAYNES

Agent LazyBoy, tell me what you've
been able to hack from Russia.

LazyBoy who could easily be mistaken for Comic Book Guy from The Simpsons, stands up in front of the wall of monitors.

AGENT LAZYBOY

I was able to penetrate the
backdoor of the KGB Mainframe.

ADMIRAL HAYNES

Good. What's Moscow up to? Shooting
down planes, a Ukrainian invasion?

AGENT LAZYBOY

No Admiral, it's actually even more
disturbing than that. Take a look.

ADMIRAL HAYNES

These are a collection of nude
selfies taken by Vladimir Putin.

Photos of Vladimir Putin butt naked on a horse, swimming with dolphins, and holding a rifle appear on the wall of monitors.

AGENT LAZYBOY

Yeah they are. We've got these Ruskies right where we want them sir. Just say the word and I'll upload these Putin nudes on Reddit.

ADMIRAL HAYNES

Let's table that for the moment. I've got to run it up the chain of command. Agent TaMpaX, commence status update on North Korea.

Agent TaMpaX looks like Criss Angel but with much more eye shadow. He stands up in front of the wall of monitors.

AGENT TAMPAX

Yessir, so, like, I think what you're about to see is gonna totally shock you or whatevs.

A flashing pop up ad for penis enlargement appears on screen.

ADMIRAL HAYNES

That's a pop up ad for penis enlargement. What about Korea?

AGENT TAMPAX

My bad, just performing some system maintenance if you know what I mean. Anyways, I just like, planted a Trojan Horse or whatever into the North Korean Beta Network and junk.

ADMIRAL HAYNES

Great work TampaX! We've never breached the North Korean Beta Network. What were you able to obtain? A plan to attack Japan or South Korea, nuclear launch codes?

AGENT TAMPAX

No, but I was, like, able to snag this choppy night vision vid of Kim Jon Un naked totally playing pick up basketball with Dennis Rodman. I've already taken screen shots. I'll upload them to Twitter and junk soon as I convert to Hi Res.

Grainy night vision footage of a nude KIM JONG UN and a Wedding Dress clad DENNIS RODMAN appear on screen.

ADMIRAL HAYNES

Let's hold off on that. Agent
Koolaid, status update on Isis.

Agent Koolaid looks like an Anime character with more
piercings. She stands up in front of the wall of monitors.

AGENT KOOLAID

By employing a sophisticated
worming technique I was able to
gain access to various accounts on
the Isis Terrorist network.

ADMIRAL HAYNES

Agent Koolaid this is remarkable.
This could be the crushing blow we
need to destroy these terrorists.
Were you able to find the location
of their hostages, plans for an
attack on the American Homeland?

AGENT KOOLAID

I wish that I could tell you that
sir, but what I found was worse.

Images of Marge Simpson wearing a thong appear on screen.

ADMIRAL HAYNES

Is that a Twerk Video of Marge
Simpson dressed as Nicki Minaj?

AGENT KOOLAID

No let me just refresh my screen. I
have to warn you Admiral, what you
are about to see is very graphic.

EXT. ISIS TERRORIST COMPOUND- DAY

A MASKED MAN holding a microphone wearing all black stands
beside a HOSTAGE who is on his knees in an orange jumpsuit.

MASKED MAN

We will humiliate the coward Obama
and his allies and raise the flag
of Allah in the White House. We--

Suddenly an OLD MAN wearing a black hoody, sunglasses and a
goatee runs into the frame and snatches the microphone away.

OLD MAN

Fuck her right in the pussy!

The video becomes static and then abruptly cuts off.

INT. PENTAGON- F.A.P. TEAM SIX SECRET HEADQUARTERS

ADMIRAL HAYNES

So you're telling me that after being given the resources of the Pentagon and the entire United States Military at your disposal, all you hackers were able to come up with are embarrassing nude selfies, grainy cell phone videos, and disgusting internet memes?

AGENT LAZYBOY

Yeah basically.

AGENT TAMPAX

Pretty much.

AGENT KOOLAID

It's kinda the only thing we do.

ADMIRAL HAYNES

Agent LazyBoy, Agent TaMpaX, Agent KooLaid...Atten-SHUN!

The Agents hop up on Admiral haynes command. He walks slowly in front of them, staring deep into their nervous faces.

ADMIRAL HAYNES (CONT'D)

I have been with the Pentagon for over forty years. Before that my daddy was at the Pentagon and his daddy before him. Never have I been so proud to be an American! On behalf of the United States I would personally like to thank you for your service. F.A.P. Team Six, this great nation owes you its debt.

AGENT TAMPAX

Umm...you're welcome?

GIGABYTES MATTER

By Justin Carter

EXT. NEW YORK CITY STREET

A DOG WALKER kneels to scoop up poop as an OFFICER patrols behind him. A BLACK MAN enters and approaches the Officer.

BLACK MAN

Excuse me sir, do you have the time?

Suddenly the Officer chokes the Black Man with his Billy Club.

DOG WALKER

(Pulls Out Phone)

Oh my God. I am recording this so the world knows what happened here. Hey, do you mind trying to stay in frame? If I have to turn the phone landscape, the Black Lives Matter activists will complain about it.

BLACK MAN

I... I can't breathe.

DOG WALKER

Aww man, not enough space to record video. Give me a sec to clear off my phone. Should I delete Candy Crush?

POLICE OFFICER

Do it. They claim it's free, then charge 99 Cents for extra lives. It's unethical.

DOG WALKER

But I just reached level 197. Deleting Beyoncé videos might free some space.

BLACK MAN

No! C'mon it's Beyoncé. Then you'd have to download them again from the cloud.

DOG WALKER

Right. See, this is exactly why I should have upgraded to 30 gigabytes. Officer, do you estimate it'll take 80 megabytes of time to kill him or is this a 400 kilobytes police brutality situation?

OFFICER

Judging by his size I'd say 60 megs tops.

DOG WALKER

I'll delete some selfies then. But not these. Look how the light hits my face.

BLACKOUT.

STAGE MOM

BY JUSTIN CARTER

INT. CASTING OFFICE

DIRECTOR sits at a table beside a camera as BILLY stands upstage.

DIRECTOR

We're gonna have you slate your name and age before we get started.

BILLY

Billy Butler. I am 43 years old.

DIRECTOR

Whenever you're ready--

IDA emerges from beneath the Director's table. She licks her hands and begins fussing over Billy's face and hair.

IDA

Oh my goodness. Your hair is an absolute mess. And here, take this lotion, your elbows are a little ashy.

Ida begins vigorously lotioning Billy's elbows and hands.

BILLY

Mom, you're embarrassing me.

IDA

You're embarrassing yourself when you audition looking like this.

DIRECTOR

Ma'am... is there a problem?

IDA

No problem except for my son's hygiene. (Beat) Billy you smell a little ripe. Did you remember to wipe your butt good after using the toilet this morning?

BILLY

Yes. I remembered. Now leave!

IDA

Is that any way to talk to your mother? Your whole life you've been wiping the wrong direction until I taught you how to do it last week. It was a fair question to ask.

DIRECTOR
Ma'am if you don't mind.

IDA
Yes of course. I'll just stand off
to the side.

DIRECTOR
OK. Now Billy, did you give me your
headshot? I don't think I see it here.

BILLY
I thought you had it on file.

IDA
What? You thought they had your
headshot and resume on file? What
the hell is the matter with you?

BILLY
It was an honest mistake.

IDA
You were raised better than that.
What do I always tell you whenever
you leave the house to go audition?

BILLY
To make sure I wear clean underwear
and bring my headshot. I know Mom!

IDA
Well if you know then why didn't
you do it? Never mind, luckily for
you I brought one.

Ida rummages through her purse then hands a photo to the Director.

DIRECTOR
This is a baby picture.

IDA
I know. Wasn't he handsome? I don't
know what happened.

BILLY
Mom... c'mon stop it!

DIRECTOR
Let's get started shall we?

BILLY
My name's Claireece Precious Jones. I
wish I had a light-skinned boyfriend
with real nice hair. And I wanna be on
the cover of a Ebony magazine.

(MORE)

BILLY (CONT'D)

But first I wanna be in one of them BET videos. Momma said I can't dance and who wants to see my big ass dancing, anyhow?

DIRECTOR

Just one moment. Is that monologue taken from the movie Precious: Based on the Novel Push by Sapphire?

BILLY

Yes... yes it is.

DIRECTOR

I thought so. Any particular reason why you chose to do that piece today?

BILLY

It's a piece that shows my range.

DIRECTOR

Interesting choice. Thank you for coming in. We'll be in touch.

IDA

William Theodore Butler! What the hell was that? I did not pay for you to take those community theater acting classes for you to come and give such a mediocre performance.

BILLY

Mom, I tried my best. I thought that's all that matters.

IDA

No! That's not good enough. You need to dig deeper. You should use your emotional recall to create a better performance. Remember that time I walked in on you in your bedroom jerking off to Animaniacs?

BILLY

Mom! Stop bringing up the past. That happened over a week ago.

IDA

Don't you talk back to me boy.

BILLY

I hate you!

IDA

What did you say to me?

BILLY

I said I hate you and I'm glad Dad
left and I wish you were dead!

Ida removes her belt and beats Billy until he begins crying.

IDA

You keep crying and I'll give you
something to cry about.

DIRECTOR

Ma'am please. That's no way to
discipline your middle aged child.

IDA

Do I come on set and tell you how
to do your job?

DIRECTOR

No.

IDA

Then don't tell me how to raise my
child before I come over there and
discipline your nosey ass next!

DIRECTOR

Extraordinary! Have you acted before?

IDA

Well I did dabble a bit in some Off
Off Off Broadway Gospel plays.

DIRECTOR

Well I think you're brilliant. I
have a role that's perfect for you.

BILLY

See Mom... you're always
overshadowing me at auditions.

Billy throws a temper tantrum then storms offstage in a hissy fit.

IDA

Billy wait. I'll take you to go get
a Happy Meal and some ice cream so
you can feel better OK?

Ida starts after Billy then stops and turns back.

IDA (CONT'D)

So, about this big part you
mentioned. Are we talking scale
or...?

INT. LIVING ROOM - NIGHT

MICHELLE, 40s, Sofia Vergara in her own mind, takes a Selfie as her son STEPHEN, 20s, Hipster, enters, staring at her quizzically.

STEPHEN

Mom, I told you I have a date tonight. Why are you still here?

MICHELLE

I'm updating my Tinder profile with new Selfies.

STEPHEN

Whoever campaigns on an Anti-Selfie platform will have my vote in 2016.

MICHELLE

The key is getting the right angle.

STEPHEN

Or not taking them at all. Let me see. Seriously, Duck Lips?

MICHELLE

Don't you think Duck Lips are sexy?

STEPHEN

Maybe for a Kardashian, but not for a recently widowed AARP Member.

MICHELLE

What do you know? If you had your druthers you'd have me upload the photo from my driver's license.

STEPHEN

The DMV accent lighting really does bring out the color in your eyes.

MICHELLE

I know, and that was taken before photo filters became a thing.

STEPHEN

Mom, these profile pics are sleazy. Look, you're eating a banana in this one. What message does that send?

MICHELLE

That I'm passionate about potassium?

STEPHEN

Mom you've dated before. You didn't pose with props back then did you?

MICHELLE

Dating is different now. I have to compete with men and women half my age. Ex-Olympians too.

STEPHEN

There's no reason to move so fast. You're not old, old. You have time.

MICHELLE

That's exactly why I need to get out there now while I still can. Before Caitlyn Jenner's milkshake brings all the boys to the yard.

STEPHEN

Mom, let's be realistic. You can't compete with Caitlyn Jenner, she's in much better shape than you are.

MICHELLE

Thanks for the vote of confidence.

STEPHEN

I'm just saying you won't improve your dating prospects posing with phallic fruits. That's just gross.

MICHELLE

Oh don't be such a prude. How do you think I got pregnant with you?

STEPHEN

Not by what you were doing in your freaky photo shoot Miss Chiquita. It's anatomically impossible.

MICHELLE

That's what your Father thought too but yet... here you are.

STEPHEN

Mom you can't take pics like that. It makes you look like a Thot.

MICHELLE

A what?

STEPHEN

A Thot, that hoe over there.

MICHELLE

Where?

STEPHEN

Nevermind. All I'm saying is that you don't have to compromise yourself to start dating again.

MICHELLE

Life is full of compromise. You should know this. You're Gay and you still eat at Chick Fil A.

STEPHEN

That's completely different.

MICHELLE

How so?

STEPHEN

Chick Fil A is so delicious they'd have to be twice as homophobic for me to stop eating chicken biscuits.

MICHELLE

That's how I feel about this Stephen. Your Father's dead, not me. I'm still alive and I still have needs.

STEPHEN

That may be, but you won't get them met by meeting creeps online.

MICHELLE

These Fifty Shades fantasies aren't going to fulfill themselves. Where do you suggest I go to meet people?

STEPHEN

I don't know, the library maybe?

MICHELLE

I'll pass on that. I'm looking for a date, not to adopt a vagrant who thinks Obama is the Anti-Christ.

STEPHEN

OK, but you shouldn't be on Tinder. Dad's body has barely gone cold.

MICHELLE

We were married over twenty-five years. Trust me, your Dad's Dad Bod went cold long before he died.

STEPHEN

Wow, you just made me throw up so many times in my mouth I think I'm bulimic.

MICHELLE

I waited enough Stephen. Momma can only walk the desert so long before taking a sip from the canteen.

STEPHEN

Well if I can't stop you from obeying your thirst, at least let me de-Nicki Minaj your profile.

MICHELLE

Only if you think it will help.

STEPHEN

A few tweaks to your profile will attract a nice guy to swipe right.

MICHELLE

OK, but not too nice. I'm looking for more action than a right swipe.

STEPHEN

Look at my profile. It says I'm inviting and thoughtful. It will attract a sensitive guy like Drake when he sings about his exes.

MICHELLE

What does my profile say about me?

STEPHEN

Damaged and thirsty. It attracts a rough around the edges guy like Drake when he raps about strippers.

MICHELLE

Since you are so obsessed, I'll set up the tripod next time I bring a guy home so you can learn a thing or two.

STEPHEN

See, that's why I lock up my camera equipment. Mom I know you're lonely I just don't want you getting hurt.

MICHELLE

I watched your Dad slowly fade away before he died. Nothing hurts more than that. Now I want to move on.

STEPHEN

Sometimes I feel you're moving on from me too. Like you're trying to left swipe me out of your life.

MICHELLE

Honey you came out of my womb. That means you're right swiped for life.

STEPHEN

Thanks, I think. You know losing Dad was hard for me too. Maybe if we open up about it and share more we can get through this together.

MICHELLE

Sounds like a plan. I love you.

STEPHEN

I love you too Mom. But I still need you to leave. I have a date.

MICHELLE

When can I meet this mystery man who is too good for your Mother?

STEPHEN

Soon, I promise. I like him a lot. That's why I've been following the Thirty Day Rule. Tonight's the night Logan and I... you know.

MICHELLE

Logan? As in Logan Bradley, 30s, a fun loving Sous-Chef, who lives approximately 7.3 miles away?

STEPHEN

Yeah. Why, do you know him?

MICHELLE

Sure, you could say that. I met him last week... after I joined Tinder.

STEPHEN

You slept with my Thirty Day Rule?

MICHELLE

If it's any consolation, your date won't last very long. Logan is a Thirty Second Rule kind of guy.

STEPHEN

Mom, when I said we should share more, this is not what I meant.

The doorbell rings.

Blackout.

TROLL BY JUSTIN CARTER

INT. WORLD WIDE WINGS- NIGHT

JOSEPH and BRENDA are dressed up, STEPHANIE wears a cap and gown. Their server, SAMMY, enters with menus for the family.

SAMMY

Welcome to WWW. I'm Sammy and I'll be your server. Here's some bread for you to gnosh on. I'll be right back with some water for the table.

As they look through menus a TROLL appears looking like a cross between a Treasure Troll and a Gremlin. It has stringy neon hair, greenish skin, big ears, and an oversized nose.

TROLL

First!

STEPHANIE

Daddy who's that strange monster?

JOSEPH

Now honey it's not polite to stare.

BRENDA (LOOKING AT MENU)

There is so much to choose from.

TROLL

Excuse me Miss, but the correct term is T-H-E-R-E not T-H-E-I-R.

BRENDA

That's exactly what I said.

TROLL

You just got Pwned. Suck it!

The Troll disappears before they can respond. Sammy returns.

SAMMY

Alrighty. You folks ready to order?

JOSEPH

Yes. I think that we're going to start with the World Wide Wings.

BRENDA

Excuse me. A strange man just came and commented on our conversation.

SAMMY

Hmmm, it might be a Lurker but normally they hang around and don't comment on anything. Then again we have had a big Troll infestation at WWW in recent weeks. Just ignore It to be safe and everything should be fine. I'll bring those wings out OK. Remember, don't feed the Troll.

JOSEPH

Thank You. So...excited about going to middle school next year sweetie?

STEPHANIE

I guess so.

The Troll returns. They try their best to ignore It.

TROLL

I'm confused, if your kid graduated why do *YOU* look like you put on the freshman fifteen? Hashtag *THIS!* I flamed you. You've been flamed.

JOSEPH

Okay, I'm going to say something.

BRENDA

Our server said ignore the Troll.

TROLL

Psst...Psst...Psst. What's your favorite TV show sweetie?

STEPHANIE

Pretty Little Liars.

TROLL

Well if *you* had a TV show it would be called ugly little motherfucker.

Stephanie bursts out crying as Brenda consoles her.

JOSEPH

OK buddy. I'm not sure how we upset you but leave my child out of this.

TROLL (USING AIR QUOTES)

You're like: "Stop making fun of my stupid daughter." And I'm like: "Whatevs". You EQUALS Pwned!

Joseph lunges for the Troll. Brenda tries to hold him back.

BRENDA

Honey no! Don't pay him any attention. That's what It wants.

JOSEPH

Maybe if we just feed the Troll it will go away and leave us alone.

Joseph slides the bread basket to the Troll who eats it savagely and then disappears. Sammy returns with the wings.

SAMMY

Here we are! An order of our famous World Wide Wings for The Graduate. Let me go grab you folks some wet naps...oh my God! What did you do?

The Troll reappears. Now he is fully invigorated as if he's tweaking on a combination of Red Bull and Bath Salts.

BRENDA

We had to feed the Troll. It was the only way to make him go away.

SAMMY

You shouldn't have done that. Feeding the Troll made It stronger.

TROLL

Question: What do Phoebe Cates, Jay-Z, and Yahoo Serious have in common? Answer: Illuminati bitch!

The Troll flashes what looks to be gang signs with his hands.

JOSEPH

What's he doing with his fingers. Is he some kind of a gang banger?

SAMMY

No, he's throwing up Emoticons.

TROLL

What was your major sweetie?

STEPHANIE

Umm I didn't have a major. I just graduated from the sixth grade.

TROLL

You should major in panhandling cuz you have no chance of making it in Obama's America. Go kill yourself.

SAMMY

Now your only hope is to continue feeding the Troll 'til it explodes.

TROLL

Winning! You mad, Bro?

BRENDA

Why is he calling me Bro and what does It think that It's winning?

SAMMY

It's Memeing you. Try to be strong.

The Troll flashes a huge grin emulating the smileyface Emoji.

TROLL

I make \$300 a day working from home and you can too. Just ask me how!

STEPHANIE

Sounds like a good job opportunity.

SAMMY

No! It's spamming you. Keep talking to bury It in your conversation.

TROLL

Ain't nobody got time for that!
Ain't nobody got time for that!

BRENDA

I think he's having a seizure.

SAMMY

It's just trying to Sweet Brown Gif image you. It's almost out of gas.

TROLL

Congratulations, you won!

STEPHANIE

Really, what did we win?

SAMMY

Quick everybody cover your mouth!
He's trying to give you a virus.

TROLL

Star. Star. Star. Star. Star. R!

JOSEPH

Now he's not even making any sense.

SAMMY

Actually he just called you the N word while managing to avoid our restaurant's language filter.

BRENDA

But we're not African American.

SAMMY

Trolls don't really care about your ethnicity. When threatened they will resort to spewing racial slurs whether it makes any sense or not.

TROLL

Hey did you hear? Brad and Angelina died in a horrific skiing accident.

A SECURITY OFFICER appears and apprehends the Troll.

SECURITY OFFICER

OK! We can't tolerate you falsely claiming celebrities have died gruesome deaths. I'm going to have to ask you to leave immediately.

SAMMY

Sorry about that. Sometimes it takes a lot before the Moderator bans the Trolls from the room.

BRENDA

It's over, thanks for your help.

STEPHANIE

Mommy, Daddy, look!

The Troll reappears with fake nose eyeglasses and name tag.

TROLL

Hope you drown in an ocean of AIDS!

SAMMY

Uh oh, he's disguised his username. Quick, leave while you still can.

Joseph, Brenda, and Stephanie flee the World Wide Wings Restaurant as the Troll sits down and feasts at their table.

FOX NEWS SPELLING BEE

BY JUSTIN CARTER

INT. FOX NEWS SPELLING BEE

GRETCHEN CARLSON sits at the moderator's desk.

GRETCHEN CARLSON

Welcome back to the Fox News National Spelling Bee. I'm Gretchen Carlson, former Miss America and current passive aggressive racist. (Beat) Now please give a patriotic round of applause for Bobby, from Iowa! He's a good 'ol American boy next door.

The Crowd cheers BOBBY, the non Indian American boy at the podium.

BOBBY

Hi Mom!

GRETCHEN CARLSON

And please give a much less enthused round of applause for our other finalist, Vanya, from parts unknown.

VANYA, Indian American, waves from the podium.

VANYA

I'm actually from Delaware.

GRETCHEN CARLSON

OK Vanya, that's enough. This is a Fox News national spelling bee not an Isis recruiting pitch. (Beat) You may have heard that we've made some format changes to take our country back and avoid extending the troubling streak of Indian American winners to an alarming ten years in a row. As a result we'll be moving on to a Sudden Death round where we choose words from Urban Dictionary that have recently been added to Webster's that non Jihadi God fearing Americans should all know. Vanya your word is "Bae".

VANYA

Bae? Umm, can you please tell me the origin of the word?

GRETCHEN CARLSON
 Bae. Originated from people too lazy
 to pronounce the entire word "babe"
 to refer to their significant other.
 The most annoying way to say
 girlfriend, boyfriend, or crush.

VANYA
 May I have the definition?

GRETCHEN CARLSON
 Before anyone else.

VANYA
 (looks over her shoulders)
 Before who else?

GRETCHEN CARLSON
 Anyone.

VANYA
 I don't understand.

GRETCHEN CARLSON
 Of course you don't.

VANYA
 Okay... may I please have it in the
 form of a sentence?

GRETCHEN CARLSON
 Bae. As in: "Nuh uh, I'd let him
 beat me too, Chris Brown is bae."
 And, "Jamal done spent all his momma
 money on these nails guurl, he bae."

VANYA
 Bae. B-A-E. Bae?

GRETCHEN CARLSON
 Regretfully, you're correct.

Gretchen boos loudly as Vanya sits. Bobby steps up to the podium.

GRETCHEN CARLSON (CONT'D)
 Bobby, your word is "Swag".

BOBBY
 Swag. Country of origin?

GRETCHEN CARLSON
 America... unlike Vanya.

BOBBY
 In the form of a sentence?

GRETCHEN CARLSON
Swag. "Vanya doesn't only hate us
for our freedom, she also hates us
for our Swag."

VANYA
Excuse me?

BOBBY
Swag. S-W-A-G. Swag.

GRETCHEN CARLSON
Correct.

Gretchen stands to applaud as Bobby sits. Vanya takes the podium.

GRETCHEN CARLSON (CONT'D)
"THOT". The word is "THOT".

VANYA
THOT? May I please have an
alternative pronunciation?

GRETCHEN CARLSON
There's just the one.

VANYA
Definition please?

GRETCHEN CARLSON
THOT. That hoe over there.

VANYA
Where?

GRETCHEN CARLSON
(pointing at Vanya)
There.

VANYA
You're pointing at me.

GRETCHEN CARLSON
That is correct.

VANYA
But how is that correct?

The BUZZER sounds off. Vanya looks exasperated and confused.

GRETCHEN CARLSON
Your time has expired.

VANYA
I've been accepted to ten medical
schools. I don't deserve this.

Bobby steps up to the podium as Vanya sits down frustrated.

GRETCHEN CARLSON

Bobby, if you answer this correctly you'll be the first non Indian American (coughs) real American to win a National Spelling Bee championship in over ten years.

VANYA

We're both American.

GRETCHEN CARLSON

Bobby, your word is "Fleek".

BOBBY

Fleek. What's the origin?

GRETCHEN CARLSON

Fleek went viral after it was used in a vine video sometime last year. It may or may not have something to do with eyebrows. Scientists are still researching to discover it's true meaning.

BOBBY

What's the definition?

GRETCHEN CARLSON

Insulting one's intelligence by making up nonsense and calling it a word. Neologism meaning "On Point", that should never be used by anyone at any time in any language ever.

BOBBY

Use it in a sentence please?

GRETCHEN CARLSON

Fleek. "I don't listen to Taylor Swift but dayum dem legs is on fleek, they're like the opposite of Vanya." Fleek.

Vanya begins crying in the background.

BOBBY

Fleek. F-L-E-E-K. Fleek.

GRETCHEN CARLSON

Congratulations! Bobby you're our real American 2016 champion!

Gretchen pushes Vanya off of the stage and hands Bobby the trophy.

BLACKOUT.

INT. AMY'S LIVING ROOM- PRESENT DAY

AMY, 20s, pretty, sits on her couch. This is a confessional.

AMY
I never considered dating a Bro Bot
but after eHarmony and Tinder I
figured it couldn't be much worse.

INT. FIVE STAR RESTAURANT- NIGHT- FLASHBACK

Amy and BRO BOT, a 1940s Robot, eat dinner as he eyes Amy's cleavage. Bro Bot reaches a MASSIVE CLAW toward Amy's face. Amy's scared until realizing he's trying to wipe her mouth. The WAITER brings the check to the table just as Bro Bot excuses himself to the bathroom. Amy is left to pay the bill.

BRO BOT
Bro. Bot. Got. 2. Leak.

INT. AMY'S LIVING ROOM- PRESENT DAY

AMY
People were curious. I mean you
know what they say about Bro Bots.

INT. AMY'S BEDROOM- LATER THAT NIGHT- FLASHBACK

Night vision. Bro Bot is on top of Amy wearing ONLY SOCKS.

AMY
Bro Bot wait we're moving too fast.

BRO BOT
Bro. Bot. Put. Tip. In.

INT. AMY'S LIVING ROOM- PRESENT DAY

AMY
Once you go Metal you will never
settle. Size matters but it's the
alloy and the stainless steel we
want...yeah he's got a big (BLEEP).

With a coy smile Amy widens her hands far apart and giggles.

AMY (CONT'D)

At first we were casual. Then my feelings for Bro Bot began to grow.

EXT. PROSPECT PARK- DAY- FLASHBACK

Amy and Bro Bot hold hands in the park. They're in love. An OLD LADY points her cane and wags it disapprovingly at them.

OLD LADY

You've got Bro Bot Fever girl!

They kiss and Bro Bot grabs Amy's booty with his monstrous Robot Claws. Disgusted, the Old Lady turns and shuffles away.

AMY

Our relationship had challenges.

INT. AMY'S LIVING ROOM- NIGHT- MONTHS LATER

Bro Bot watches sports on the couch wearing a wife beater. Beer, blunt guts, and pizza crust are on the table. Amy tosses underwear, assorted Mech, and cables into a basket.

AMY

Would it kill you to clean up a little? And rent is due. Get a job!

INT. AMY'S BEDROOM- LATER THAT NIGHT

Bro Bot's in bed with Amy paralyzed by performance anxiety.

AMY

Is there anything that I can do?

BRO BOT

Erectile-Error. NevRR. Hap-N-B4.

INT. AMY'S BATHROOM- EVEN LATER

Amy walks in on Bro Bot in the bathroom. He's oiling himself on the toilet while holding up a POPULAR MECHANICS magazine.

AMY

That's what you like, these Robo Hoes? Is that what turns you on?

BRO BOT

Need. Lube. Not. What. U. Think.

Amy snatches the Motor Oil sitting next to the toilet.

INT. AMY'S LIVING ROOM- PRESENT DAY

AMY

I kicked Bro Bot out when I caught him watching Bang Ro's on his iPhone. But I let him move back in. He always knew how to win me back.

INT. AMY'S BEDROOM- NIGHT- FLASHBACK

Amy looks out her window to find Bro Bot holding a STEREO above his head with monstrous Robot Claws like John Cusack.

INT. AMY'S KITCHEN- MOMENTS LATER

Amy and Bro Bot make out passionately on the kitchen floor.

AMY

Bro Bot wait. We need protection.

Amy reaches for a large MAGNUM roll of ALUMINUM FOIL. Then...

BRO BOT

Bro. Bot. Want. 2. Feel. U.

Bro Bot uses his monstrous Robot Claws to pry the roll of aluminum foil from Amy's hand and tosses it to the floor.

AMY (V.O.)

I couldn't help it. Truth is, it feels good to get boned by a Robot.

INT. AMY'S LIVING ROOM- LATER THAT NIGHT

Bro Bot is laying on the couch with his iPhone to his ear.

AMY

Who are you talking to Bro Bot? Is it that bitch Siri? Answer me!

BRO BOT

Bro. Bot. Ask. 4. Direction.

AMY

Directions at 2 AM? I'm flesh and bone but I'm not stupid Bro Bot!

AMY (SCREAMING INTO PHONE) (CONT'D)
You're a whore Siri! A whore!

SIRI (V.O.)
I'm sorry but I don't understand.

Amy sits hunched over in the corner crying as Bro Bot waddles out the apartment holding a single box of all his belongings.

AMY (V.O.)
That was the final straw.

INT. AMY'S BATHROOM- THE MORNING AFTER

Amy vomits into the toilet. She checks a pregnancy test.

INT. AMY'S LIVING ROOM- PRESENT DAY

AMY
At first I tried to raise him on my own but our baby needs his father.

EXT. BROOKLYN BASKETBALL COURT- EARLIER THAT DAY

Bro Bot walks off of the court with his HOMEBOYS and a white towel wrapped around his neck. He stops when he sees Amy cradling the BABY then scans them both with INFRARED SENSORS.

BRO BOT
Baby-Not-Bro-Bot. Bro-Bot-Pull-Out.

A bright light flashes in Amy's face and Bro Bot runs away.

AMY
Come back! Be a man Bro Bot! A man!

INT. AMY'S LIVING ROOM- PRESENT DAY

AMY (TEARING UP)
When people ask me was it worth it?
I look at my baby boy and I can't help but say--yeah he was worth it.

An adorable Bro Bot toddler stumbles around on the floor. Amy buries her face deep into her palms, whimpering quietly until it becomes uncomfortable for the audience to watch her cry.

BLACKOUT

CHOPPED
BY JUSTIN CARTER

INT. CHOPPED STUDIO- KITCHEN

Chefs MARY and DAVE, both White, and KYLE, Black, scramble to complete their dishes for the Chopped cooking competition.

MARY

As a Mom I really want to win.

Mary pulls a dish out of the oven. Dave stirs a pot.

DAVE

I think I've got what it takes.

Kyle tastes his dish then plates it very delicately.

KYLE

As a Sous Chef I believe I have an advantage and I can win this thing.

INT. CHOPPED STUDIO- JUDGES PANEL

Judges TONY, LIZA, and CAROL whisper amongst themselves.

TONY

Five seconds chefs!

The chefs plate their dishes to suspenseful music. They each stop and raise their hands in the air as the buzzer sounds.

LIZA

Time! Hands up!

POLICE OFFICER

Freeze!

Suddenly a POLICE OFFICER fires several gun shots at Kyle.

KYLE

Hey there must be a mistake because I have my hands up and y'all are shooting at me. Also, this is a reality cooking competition.

Kyle nervously raises his hands higher. We notice the entire set is surrounded by a very highly militarized POLICE FORCE.

KYLE (CONT'D)

Are we okay? Probably just a misunderstanding or something.

As theme music plays, the knife from the Chopped logo slices the words "Ferguson, Missouri" into the animated graphic.

INT. CHOPPED STUDIO- JUDGES PANEL- LATER

The Judges review plates from each of the three contestants.

TONY

We came here to find the chef who best represents Ferguson, Missouri.

LIZA

With all of the recent unrest we wanted to do our part to showcase what Ferguson is known for...really aggressive culinary techniques.

Carol pulls the lid off of the losing dish. It's Dave's.

CAROL

Dave, you've been chopped.

DAVE

Thank you for this opportunity.

Dave hugs Mary. He tries to shake Kyle's hand but he can't because Police step in between them aiming WEAPONS at Kyle.

TONY

Congratulations to Kyle and Mary. You're moving on to the next round.

INT. CHOPPED STUDIO- KITCHEN- LATER

MARY

As a mom, I'm very confident I can win. Kyle seems really distracted.

Kyle wears a BULLETPROOF VEST moving clumsily around the kitchen. He grabs a KNIFE to chop onions but drops it when an Officer steps in, forces his legs apart, and pats him down.

KYLE (LEANING ON COUNTER)

I know you're just doing your job but is all this really necessary?

POLICE OFFICER

He's clean.

LIZA

I'm worried about Kyle. It looks like he's in some real danger here.

CAROL

Agreed. Kyle should think of the clock like a curfew. If he doesn't make it in on time, he's a goner.

Kyle and Liza plate their food as the clock ticks down.

KYLE

I'm hoping my secret ingredient will help me become Chopped champion of Ferguson, Missouri.

Kyle delicately drizzles his SECRET BOTTLE onto the plate.

POLICE OFFICER

Looter! Drop the Molotov cocktail!

KYLE

Uh, no this is Balsamic Vinaigrette-

POLICE OFFICER

Pop Smoke!

A cannister of TEAR GAS rolls in Kyle's direction.

KYLE

Tear gas seems really excessive.

TONY

5...4...3...2...1...Time!

CAROL

Hands up chefs!

Mary, now wearing a GAS MASK, puts her hands up. Kyle is doubled over in pain, hacking heavily from the tear gas.

LIZA

Kyle you know the rules. If you don't put your hands up you'll be ineligible for the next round.

KYLE (THROUGH TEARS)

That's cool. I don't mind not advancing to the next round. This cooking competition has suddenly become unexpectedly dangerous.

CAROL

Kyle are you getting choked up?

KYLE

Actually I'm just in an incredible amount of pain from the tear gas.

TONY

You see, that's why we came to Ferguson, to find a chef who really puts all his emotion on the plate.

MARY (REMOVES GAS MASK)

Excuse me, but I would have cried too if I wasn't wearing a gas mask.

CAROL

Kyle, please describe your dish.

KYLE

Well judges, I made a savory turkey meatloaf, with honey glazed split pea garnish and a cilantro Quinoa.

LIZA

This dish is amazing! The saltiness from Kyle's tears really blended in perfectly with the cilantro Quinoa.

TONY

Kyle, I think that it's going to be very hard to keep you out of the next round of this competition.

KYLE

If it's all the same to you I'd rather go ahead and withdraw now.

CAROL

Mary you've been chopped!

Mary becomes upset and tosses her gas mask to the floor.

MARY

You didn't even taste my dish.

TONY

Congratulations Kyle you're the Chopped champion of Ferguson.

KYLE

Thank you but I can't accept.

POLICE OFFICER

Protester!

A Police Officer with a FIRE HOSE begins spraying Kyle down. Kyle flops around on the floor while splashing and screaming.

BLACKOUT

TMZ LIVE
By Justin Carter

INT. TMZ OFFICES- DAY

Charles and Harvey stand by the cubicles in the TMZ Office.

CHARLES

Welcome to TMZ Live. Big show for you today. Now we all know there's a stigma attached to being a Disney child star but now it looks like Disney Princesses are getting a worse reputation in Hollywood.

HARVEY

Yeah, a lot of Disney Princess stories today. The TMZ Tour bus got Princess Jazmine out at Nobu and the rumors are true, she had her Aladdin Tramp Stamp removed.

Pictures of Princess Jazmine's lower back appear on screen.

CHARLES

Looks like Aladdin's in for a whole new world of alimony payments.

HARVEY

Well Aladdin was a street urchin, Jazmine had the money. All he brought to the table was a lamp.

CHARLES

We reached out to Princess Jazmine's people. They're calling this a conscious uncoupling.

HARVEY

This is interesting because they've been together forever and there was no pre-nup so this could get nasty.

KELLY (SKYPE)

Well if it does get nasty I would take the Genie as alimony then wish for everything except the monkey.

SHEVONNE (SKYPE)

I'd take half the Magic Carpet.

CHARLES

Speaking of carpets Rapunzel's reps have been complaining about this crotch shot we got while she was out promoting the Real Princesses of Disney Reunion special.

KELLY (SKYPE)

Charles, please don't show that crotch shot again it's disgusting.

CHARLES

Why is Rapunzel's crotch shot disgusting, because she's unshaven?

The crotch shot appears on screen with a massive censor blur.

KELLY (SKYPE)

No Charles, it's disgusting because Rapunzel has more hair on her Vag than she has on her freaking head.

CHARLES

Fair point. Maybe that's why her reps are mad about the crotch shot.

HARVEY

Wait a second, Rapunzel is an attention whore, OK? The only reason her reps are mad is because the whole world found out that her carpet doesn't match her drapes.

SHEVONNE (SKYPE)

Yeah, if they're so offended by that crotch shot then why doesn't Rapunzel just put some panties on?

CHARLES

She has the right to go commando and not get her vagina photobombed.

SHEVONNE (SKYPE)

Please, those pubes are thicker than the Amazon Rain Forest. Trust me, nobody saw Rapunzel's vagina.

HARVEY

OK, moving on. It looks like Ariel had some enhancements. Take a look at these clam shells and tell me that they haven't gotten bigger.

Before and After pictures of Ariel appear on screen.

MIKE (SKYPE)

Harvey who cares if she got a boob job? I don't even eat seafood but for Ariel I'd make an exception.

HARVEY

Hold on we have a story breaking right now so let's go to Raquel.

RAQUEL (SKYPE)

OK so we just got Snow White out at In & Out Burger with Calvin Crime.

Pictures of Snow White and Calvin Crime appear on screen.

CHARLES

Wait a minute, who's Calvin Crime?

RAQUEL (SKYPE)

He's the hot mug shot guy who went viral on a police Facebook page.

HARVEY

Wasn't this guy just locked up? How did he hook up with Snow White?

RAQUEL (SKYPE)

My sources say Snow White saw his hot mug shot on Facebook then went down to the prison and posted bail.

MIKE (SKYPE)

So Snow White went from Prince Charming to Shawshank Redemption?

HARVEY

You know I gotta tell ya, everyone blamed that break up on Prince Charming but his reps maintain that Snow White was a complete terror. Going out on all night benders, popping Molly and doing bath salts.

RAQUEL (SKYPE)

Yeah, remember when we caught her making it rain on those strippers down at Magic City Kingdom?

CHARLES

Yup, that's right. Snow White even swiped her Fast Pass through the ass crack of one of the dancers. I think that we had her on the show.

HARVEY

We'll have to keep an eye on those two. Now on to celebrity sex tapes.

MIKE (SKYPE)

We have filthy new screen shots from Vivid's Esmerelda Superstar and the Hungback of Notre Dame.

A censored image of Quasimodo's bulge appears on screen.

KELLY (SKYPE)

Wow! Who would of thought the bulge in Quasimodo's pants was bigger than the one on his back?

HARVEY

Okay let's just calm down. We get it, the Hunchback is well endowed.

CHARLES

Don't act like you didn't like what you saw in that screen shot Harvey.

HARVEY

OK, let's finish up TMZ Live with exclusive footage from the finale of Real Princesses of Disney.

INT. FIVE STAR RESTAURANT- DAY

SNOW WHITE

You're a fake ass bitch Ariel!

PRINCESS ARIEL

How dare you?

PRINCESS JAZMINE

Everyone knows you're a liar.

PRINCESS ARIEL

I am not a liar. There's only two things that are fake about me...

Ariel reaches down under the table and pulls off both of her prosthetic legs and throws them on the table dramatically.

PRINCESS ESMERELDA

Y'all bitches is cray cray.

BLACKOUT

THE COMA

BY JUSTIN CARTER

INT. HOSPITAL ROOM - DAY

NANCY, White, weeps at the bedside of her comatose husband, TOM, who is also White, as DR. BROWN, Black, consoles her.

NANCY

Dr. Brown, will my husband ever
wake up?

DR. BROWN

I'm afraid Tom has very little brain
activity so it's difficult to say.

NANCY

Isn't there anything you can do?

DR. BROWN

There is an experimental therapy
that may stimulate his brain waves.

NANCY

Dr. Brown please, whatever it
takes.

DR. BROWN

We'll do everything we can Nancy.
But I can't make any promises.

INT. HOSPITAL ROOM - DAY - LATER

Dr. Brown attaches an EEG Monitoring machine to Tom's head. He places BEATS BY DRE around Tom's ears and connects it to an iPod.

Dr. Dre's classic Gangsta Rap track "Fuck Wit Dre Day" BLASTS.

DR. DRE (V.O.)

...Niggas you grew up with, don't
even respect your ass. That's why
it's time for the doctor, to check
your ass, nigga!

The EEG Monitoring machine tracking Tom's brain activity BEEPS mildly. Dr. Brown inspects it while taking notes.

INT. HOSPITAL ROOM - DAY - SEVERAL MONTHS LATER

Nancy caresses Tom's hand as Dr. Brown flips through a chart.

DR. BROWN

Tom is making progress. His brain activity is up twelve percent.

NANCY

Does that mean he's getting better?

DR. BROWN

The therapy is helping but it could be years before we see real results.

NANCY

So there's still hope.

DR. BROWN

I must caution you. Even if he does wake up, Tom may never speak again.

Nancy kisses Tom gently on the forehead then exits. Dr. Brown places BEATS BY DRE around Tom's ears connecting it to an iPod.

Dr. Dre's "Fuck Wit Dre Day" BLASTS again. Dr. Brown bobs his head.

DR. DRE (V.O.)

...Now I wanna slap the taste out ya mouth, make ya bow down to the Row. Fuckin' me, now I'm fuckin' you, little ho. Bitch ass nigga!

The EEG Monitoring machine tracking Tom's brain activity BEEPS faster now. Dr. Brown inspects it while taking notes.

INT. HOSPITAL ROOM - DAY - SEVERAL YEARS LATER

The EEG Monitoring machine tracking Tom's brain activity is BEEPING wildly. Dr. Brown checks the readings on the machine.

Dr. Dre's "Fuck Wit Dre Day" BLASTS even louder now.

DR. DRE (V.O.)

Check this nigga off loc. If it ain't another ho that I gots to fuck with. Gap teeth in your mouth so my dick's got to fit. Motherfucker, yeah nigga!

DR. BROWN

These readings are off the charts!

Tom begins to slowly open his eyes and stir around a bit.

TOM
N... N... unnn...

DR. BROWN
Tom? This is Dr. Brown. Can you
hear me?

Dr. Brown aims a flashlight into Tom's eyes as he comes to.

DR. BROWN (CONT'D)
Tom, you're in a hospital. You've
been in a coma for over ten years.

TOM
N... N... unnn...

DR. BROWN
What's that? Nancy? You want to see
your wife? OK, I'll call for her.
She'll be happy to see you awake.

Dr. Brown picks up the phone and dials.

TOM
N... N... unnn...

DR. BROWN
Nurse, please notify Nancy to come
to the hospital immediately. I have
important news about her husband.

Dr. Brown hangs up the phone and checks Tom's vitals.

TOM
N... N... unnn...

DR. BROWN
Please, Tom, try to relax.

TOM
N... N... unnn...

DR. BROWN
Yes. Nancy is on her way right now.

Tom pulls Dr. Brown closely to him and whispers into his ear.

TOM
N... N... unnn...

DR. BROWN
I can't understand what you're
trying to say. Please, just
conserve your energy and--

TOM

Nigga!

DR. BROWN

What did you call me?

TOM

Nigga! Nigga! Nigga!

Dr. Brown begins attacking Tom. He violently chokes and shakes him senseless. Tom loses consciousness and FLATLINES. Nancy enters.

NANCY

Dr. Brown is everything alright? I came as soon as they called.

DR. BROWN

Nancy, unfortunately Tom had a setback. Your husband is dead.

NANCY

Oh my God he's gone!

Nancy collapses into Dr. Brown's arms crying uncontrollably.

DR. BROWN

It's been a long road. We have grief counselors if you need them.

NANCY

Grief? No, I'm not mourning. These are tears of joy.

DR. BROWN

That's understandable. Coma patients can place an incredible burden on their families.

NANCY

No, that's not it. Tom was a raging racist. I'm glad he's gone. Do you want to go grab something to eat?

DR. BROWN

Yes. I'd love to.

Dr. Brown and Nancy exit the hospital room snuggling arm in arm as "Fuck Wit Dre Day" BLASTS loudly in the background.

BLACKOUT.

A GOOD NEIGHBOR

BY JUSTIN CARTER

INT. SEEDY HOTEL ROOM

JOE and TONY square up with a DRUG DEALER and his TWO GOONS.

DRUG DEALER
You got the money?

TONY
You got the product?

They open their duffle bags. Suddenly everyone pulls out GUNS.

DRUG DEALER
Well, well, well. It looks like we
have ourselves a Mexican standoff.

JOE
What's a Mexican standoff?

DRUG DEALER
It's like a regular standoff...
only Mexican.

TONY
Everybody relax. It doesn't have to
go down like this.

The Drug Dealer shoots Tony then exits with the drugs and money.

JOE
Oh my God, oh my God, oh my God! Like
a good neighbor State Farm is there.

The lights go down then come up revealing State Farm agent KRIS.

KRIS
Hi I'm Kris your State Farm agent.
How can I help you today?

JOE
My friend is bleeding out.

KRIS
I'm so sorry but I'm not really
trained for this.

JOE
Help him! He's dying!

Kris frantically thumbs through her clipboard.

KRIS

Let me see what I can do. Can I interest you in our flood insurance rates? They're very competitive.

JOE

Don't you know CPR or something?

KRIS

I do but his mouth is really bloody and I'm kind of a germaphobe so...

JOE

You're supposed to be like a good neighbor. Help me out or I'll switch my coverage to Nationwide.

Kris huddles with Joe and Tony.

KRIS

Fine. Sing the State Farm Jingle.

JOE

What?

KRIS

Just do it!

JOE

Like a good neighbor State Farm is there.

KRIS

In another hotel room!

The lights go down then come up.

INT. ANOTHER SEEDY HOTEL ROOM

JOE

What the hell just happened?

KRIS

I had you sing the magical State Farm Jingle in order to transport us to another hotel room.

JOE

Why would you do that? We need to get him to a hospital.

KRIS

I panicked OK? This is my first day!

A CREEPY MAN enters wearing only boxers.

CREEPY MAN

Oh, hey State Farm. Does this look like genital warts to you?

The Creepy Man peels back his boxers.

KRIS

Ummm I can help you find affordable accident forgiveness rates, but I'm not qualified to help with STD's.

CREEPY MAN

So you'd rather I switch to All State?

KRIS

No. I suppose I can take a look.

Kris reluctantly walks over to him and looks at the genital warts.

KRIS (CONT'D)

I have some Burt's Bees for those scabs.

CREEPY MAN

That will work I guess.

JOE

Please help us. He's dying!

Creepy Man exits with the Burt's Bees and returns dragging a body.

KRIS

Oh my God! What is that?

CREEPY MAN

A dead hooker I kept hidden in the bathroom. That's why I sang the State Farm Jingle, I need a little help dumping her body in the woods.

KRIS

Sing the State Farm Jingle again. Now!

JOE

Like a good neighbor State Farm is there.

KRIS

In a hospital room!

The lights go down then come up.

INT. HOSPITAL ROOM

Joe pounds Tony's chest as FRED looks on with his wife JAN.

JAN

Look honey, it's State Farm.
Welcome to our hospital room.

KRIS

Great, we're at a hospital. (Beat)
Wait, you guys aren't going to ask
me to do something crazy are you?

FRED

No. You're our State Farm agent, why
would we do something like that?

KRIS

Awesome. We need to stop the bleeding.

FRED

But now that you mention it, we do
have one little neighborly request.

KRIS

OK... shoot.

JOE

Oh c'mon seriously? Too soon.

JAN

My fallopian tubes are on the fritz
and you're like a good neighbor
so... will you be our surrogate?

KRIS

Why would you ask me to do that?

FRED

Because she doesn't wanna put on the
baby weight and you look like you
have good child bearing hips.

KRIS

No! I will not carry your child in my
womb. Good neighbors don't do that.
Good neighbors are people who live
next door to you who you ask for sugar
or maybe to turn their music down a
little when they're having a party.

FRED

But Flo from Progressive said that
she would do it... the natural way.

KRIS

OK fine... but make it quick.

At first we were casual. Then my feelings for Bro Bot began to grow.

EXT. PROSPECT PARK- DAY- FLASHBACK

Amy and Bro Bot hold hands in the park. They're in love. An OLD LADY points her cane and wags it disapprovingly at them.

OLD LADY

You've got Bro Bot Fever girl!

They kiss and Bro Bot grabs Amy's booty with his monstrous Robot Claws. Disgusted, the Old Lady turns and shuffles away.

AMY

Our relationship had challenges.

INT. AMY'S LIVING ROOM- NIGHT- MONTHS LATER

Bro Bot watches sports on the couch wearing a wife beater. Beer, blunt guts, and pizza crust are on the table. Amy tosses underwear, assorted Mech, and cables into a basket.

Amy walks in on Bro Bot in the bathroom. He's oiling himself on the toilet while holding up a POPULAR MECHANICS magazine.

BRO BOT

Need. Lube. Not. What. U. Think.

Amy snatches the Motor Oil sitting next to the toilet.

INT. AMY'S KITCHEN- MOMENTS LATER

Amy and Bro Bot make out passionately on the kitchen floor.

AMY

Bro Bot wait. We need protection.

Amy reaches for a large MAGNUM roll of ALUMINUM FOIL. Then...

BRO BOT

Bro. Bot. Want. 2. Feel. U.

Bro Bot uses his monstrous Robot Claws to pry the roll of aluminum foil from Amy's hand and tosses it to the floor.

AMY (V.O.)

I couldn't help it. Truth is, it feels good to get boned by a Robot.

INT. AMY'S LIVING ROOM- LATER THAT NIGHT

Bro Bot is laying on the couch with his iPhone to his ear.

AMY

Who are you talking to Bro Bot? Is it that bitch Siri? Answer me!

BRO BOT

Bro. Bot. Ask. 4. Direction.

AMY

Directions at 2 AM? I'm flesh and bone but I'm not stupid Bro Bot!

AMY (SCREAMING INTO PHONE) (CONT'D)
You're a whore Siri! A whore!

SIRI (V.O.)
I'm sorry but I don't understand.

Amy sits hunched over in the corner crying as Bro Bot waddles out the apartment holding a single box of all his belongings.

AMY (V.O.)
That was the final straw.

INT. AMY'S BATHROOM- THE MORNING AFTER

Amy vomits into the toilet. She checks a pregnancy test.

INT. AMY'S LIVING ROOM- PRESENT DAY

At first I tried to raise him on my own but our baby needs his father.

EXT. BROOKLYN BASKETBALL COURT- EARLIER THAT DAY

Bro Bot walks off of the court with his HOMEBOYS and a white towel wrapped around his neck. He stops when he sees Amy cradling the BABY then scans them both with INFRARED SENSORS.

BRO BOT
Baby-Not-Bro-Bot. Bro-Bot-Pull-Out.

A bright light flashes in Amy's face and Bro Bot runs away.

AMY
Come back! Be a man Bro Bot! A man!

INT. AMY'S LIVING ROOM- PRESENT DAY

AMY (TEARING UP)
When people ask me was it worth it?
I look at my baby boy and I can't help but say--yeah he was worth it.

An adorable Bro Bot toddler stumbles around on the floor. Amy buries her face deep into her palms, whimpering quietly until it becomes uncomfortable for the audience to watch her cry.

BLACKOUT

SAVE THE CHILDREN

BY JUSTIN CARTER

INT. HOMELESS SHELTER- DAY

We see an Extreme Close up on an adorable white baby as heart breaking violin strings are lightly played in the background.

NARRATOR (V.O.)

He's not worth adopting. That's what some A-List celebrities think. Because he's just another milky skinned white child.

INT. HOMELESS SHELTER- DAY

We slowly Cross Fade until we see a three year old white child holding an infant white baby. The following graphics are super imposed on the screen as the haunting music continues to play softly in the background:

Save The White Children Call 1.800.555.Save.

Visit our website SaveTheWhiteChildren.org.

NARRATOR (V.O.)

Save the White Children believes that Topher deserves to be adopted by an A-List celebrity. If you agree, then you can help prevent the needless middle class existence of so many delicate white children.

INT. HOMELESS SHELTER- DAY

Now we Cross Fade to another white infant being held in someone's arms. Then we Cross Fade to still photos of Brad Pitt and Angelina Jolie's rainbow coalition of Black children, then Sandra Bullock and her young Black child.

NARRATOR (V.O.)

Today, only Black children are being adopted by these A-List celebrities. But it doesn't have to be this way. We can do better.

INT. HOMELESS SHELTER- DAY

We Fade to Black and then Cross Fade to a white child with huge bright blue eyes who stares at the camera blinking.

NARRATOR (V.O.)

At Save The White Children we believe that every white child deserves to be adopted by an A-List celebrity. Even if that A-List celebrity is a complete asshole.

Very slowly, we Cross Fade to a still photo of Katherine Heigel pushing a stroller with her Black baby in tow.

NARRATOR (V.O.) (CONT'D)

Your ten dollars a month can help a beautiful white child like Topher get adopted by an A-List celebrity.

INT. HOMELESS SHELTER- DAY

We Cross Fade back to the milky skinned white child we saw earlier, but now the white child is having blackface makeup applied to his face as the violin music becomes even more haunting and sad. In moments the child is wearing blackface.

NARRATOR (V.O.)

Burnt cork turned to ash and then rubbed all over the white child's face so they appear to look Black. These are the simple things that will save the precious lives of countless white children.

INT. HOMELESS SHELTER- DAY

Cross Fade to another white child wearing blackface blinking in slow motion at the camera as piano keys are now brought into the heart breaking musical proceedings. The blackface white baby begins to ugly face cry. The white child's tears soon subside as a A-LIST CELEBRITY appears to adopt it.

A-LIST CELEBRITY

I'd like to adopt a baby please.
Bring me the Blackest one you have.

NARRATOR (V.O.)

We know the difference you can make by pledging ten dollars a month to put white babies in blackface. Just do what you believe is right.

We Cross Fade to Black as these Save The White Children logos and graphics are displayed on the screen:

Save The White Children Call 1.800.555.Save.

Visit our website SaveTheWhiteChildren.org.

NARRATOR (V.O.) (CONT'D)

You can give these white children a chance by just giving ten dollars a month. That's less than the price of a Take Home Frozen Yogurt at Pinkberry. Well...depending on your toppings. Call 1.888.555.Save or visit SaveTheWhiteChildren.org and give ten dollars a month to help a sweet white child like Topher get adopted by an A-List celebrity.

INT. HOMELESS SHELTER-DAY

Topher, full blackface, blinks at the camera in slow motion.

INT. GENERIC STUDIO- DAY

The Narrator, white, 80's, wearing an obvious toupee, stands alone in a dark studio. This is DONALD STERLING. Images of celebrities and Black babies appear superimposed around him.

DONALD

Hi, I'm Donald Sterling. You might remember me from being racist.

Donald Sterling, Racist, appears at the bottom of the screen.

DONALD (CONT'D)

If you're not a Black baby from a tiny African village then you don't stand a chance of finding an A-List celebrity home. Call today so we can make this right and put white babies in blackface so they can look Black and get adopted. White children shouldn't be missing out on a life of privilege because they weren't born Black. Call today.

BLACKOUT

ALIEN: CONCEPTION BY JUSTIN CARTER

INT. THE MAURY POVICH SHOW- STUDIO- DAY

The crowd cheers MAURY as RIPLEY timidly wipes her tears.

MAURY

When Ellen Ripley visited Planetoid LV-426, she never thought that she'd end up on the Maury Show. But now she's here, and she says Alien committed the ultimate act of betrayal by killing all of her friends. After Ripley learned she was pregnant, Alien tried to spit acid into her face then abandoned her in the outer reaches of space.

Crowd boos as an image of ALIEN hissing and drooling acid backstage appears on screen. Ripley shouts at the screen.

RIPLEY

Yes *it is* your baby! You know I haven't been with anyone else.

Alien hisses as closed caption translation scrolls on screen.

INT. THE MAURY POVICH SHOW- BACKSTAGE- HOLDING AREA

ALIEN (CLOSED CAPTIONS)

Hiss! *When Ripley told me she was pregnant, I wanted to get as far away from that bitch as possible. Ripley sleeps around. I mean all you got to do is kill all her friends and she's yours. She a real freak too. Laying around the damn spaceship all day in her underwear. I know I ain't the only one who hit that. That baby could be anybody's. Find your real baby daddy and leave me alone Intergalactic Gutter Slut.*

MAURY

Everybody please welcome Alien!

Alien comes out on stage. Ripley makes a beeline toward Alien as the crowd goes wild and Maury steps in between them both.

RIPLEY

How could I sleep with anyone? They're dead. You killed them all!

MAURY

Please, take a seat Alien. You've never seen the baby in person?

ALIEN (CLOSED CAPTIONS)

Hiss! *That baby don't look like me.*

MAURY

Why don't you just take a look.

Sonogram of a BABY ALIEN in Ripley's womb appears on screen.

RIPLEY

That baby looks just like you!

MAURY

Do you have any other children?

RIPLEY

The Hive has thousands of his kids.

MAURY

You need to start using protection.

Alien shakes his head vigorously and gestures dismissively.

MAURY (CONT'D)

Well if this is your child will you step up and take care of the baby?

ALIEN (CLOSED CAPTIONS)

Hiss! *I'ma be a father to my seed.*

RIPLEY

I didn't know you felt that way. If you're willing to settle down and be a daddy to our child then maybe we can make this relationship work.

The crowd awwwws as Alien and Ripley warm up to one another.

MAURY

Well I hate to break up this love fest but last night while Alien was waiting in the Maury Green Room we put him in with a sexy decoy.

The crowd turns and starts booing Alien. Ripley is disgusted.

RIPLEY

Alien you cheating son of a bitch!

MAURY

Let's see what happened.

INT. THE MAURY POVICH SHOW- BACKSTAGE- GREEN ROOM- EARLIER
 Alien sits on the couch with a SEXY DECOY straddling him.

SEXY DECOY (SUPER SEXY)
 So what do you wanna do to me baby?

ALIEN (CLOSED CAPTIONS)
*Hiss I wanna spit acid in your face
 while I slap that big 'ol booty.*

Alien slobes her down messily as the crowd groans and boos.

INT. THE MAURY POVICH SHOW- STUDIO- DAY

Ripley lunges wildly for Alien as he cowers away from her.

RIPLEY
 Who's the lying ass hoe now? I
 can't believe I trusted you Alien.
 You're a monster...a monster!

Security intervenes attempting to bring peace to the stage.
 Alien appears very cocky while brushing off his shoulders.

MAURY
 Well, the results are in!! So let's
 find out right now if Alien is the
 father of Ripley's baby. Alien,
 when it comes to the 9 month old in
 Ripley. YOU ARE NOT THE FATHER!

Ripley collapses on stage. Alien starts doing the Dougie, the
 Running Man, the Roger Rabbit & various old Hip Hop dances.
 Ripley runs backstage and Maury follows her in hot pursuit.

ALIEN (CLOSED CAPTIONS)
 Hisssssss! *Turn down for what?*

RIPLEY
 It's not right! It's not right!

INT. THE MAURY POVICH SHOW- BACKSTAGE- HOLDING AREA

Ripley runs backstage wailing with a blood curdling scream.

RIPLEY (CRYING)
 I don't understand what happened.

Alien barges backstage pursuing Ripley menacingly.

ALIEN (CLOSED CAPTIONS)
Hisss!
*That's messed up you tried to lie
on the homie know what I'm saying?*

RIPLEY
Alien took advantage of me while I
was in a cryogenic state Maury.

MAURY
Alien is this allegation true?

ALIEN (CLOSED CAPTIONS)
Hisss!
*Yeah but that's the way she likes
to do it Maury. Ripley loves to
smash all high off that Cryo.*

Ripley convulses as a milky liquid oozes from her mouth.

MAURY
Oh my God Ripley's water just
broke! This baby is coming now!

The Baby Alien bursts out of Ripley's stomach. Maury wraps
the Baby Alien in swaddling clothes as Ripley nods off. Alien
reaches for the Baby but Maury is suspicious and pulls back.

ALIEN (CLOSED CAPTIONS)
Hisss!
*Nah no shade Maury. No shade. I'm
saying I just wanted to let Ripley
know that I'm gonna raise this baby
in my Hive like it was my very own.*

RIPLEY (WEAK)
Really?

Maury hands the swaddling Baby Alien to Ripley and Alien.

ALIEN (CLOSED CAPTIONS)
Hisss!
*No doubt.
You know I got love for you boo.*

MAURY
Well it certainly seems like Ripley
and Alien are working things out.
We wish you both all of the best.

The audience cheers. Alien and Ripley embrace the Baby Alien.

THE INTERROGATION

BY JUSTIN CARTER

INT. SPOOKY BASEMENT- NIGHT

A single light bulb swings from a string, flickering in a basement that looks like something out of a "Saw" movie. We see a HOSTAGE with a bag covering his head tied to a chair. A KIDNAPPER walks in menacingly dragging a CHAIN on the floor. He violently grabs the Hostage to pull the bag off his head.

KIDNAPPER

So are you finally ready to talk?

HOSTAGE

Yes, just don't hurt me again.

Kidnapper whips the chain on the floor with a sickening thud.

KIDNAPPER

This is the last time I'll ask.

HOSTAGE

Please let me go now. I won't tell anybody what you did to me I swear.

Kidnapper hits the Hostage in the face. He spits out blood.

KIDNAPPER

Shut up!

The Hostage coughs violently. He's becoming more terrified.

HOSTAGE

I've already told you everything.

KIDNAPPER

No you haven't...but you will.

HOSTAGE

I'll tell you anything you want.

KIDNAPPER

Right. That's exactly what you'll do. Now for the last time, tell me where are the Black Emojis?!

BLACKOUT

THE WAR ON KWANZA BY JUSTIN CARTER

'The Kelly File' intro graphics flood the screen.

INT. FOX NEWS STUDIOS- THE KELLY FILE SET- NIGHT

MEGYN KELLY stares into the camera intensely.

MEGYN KELLY

Good evening. This is The Kelly File. I'm Megyn Kelly. We begin with major breaking news that is threatening to tear apart the very fabric of our once great nation. The War On Kwanzaa.

An explosive War On Kwanzaa animated graphic detonates.

MEGYN KELLY (CONT'D)

An alarming number of businesses are using the phrase Happy Holidays rather than the Kwanzaa greeting of Habari Gani. Our investigative team has also learned several school districts have banned Nguzo Saba, the seven principles of Kwanzaa. These schools are even refusing to hold the Umaaja feast claiming they don't know what it is.

MEGYN KELLY (CONT'D)

To make sense of this we welcome Black specialist Dr. Cornell West.

Dr. Cornell West, 60's, with trademark big blow out Afro.

DR. CORNELL WEST

Thanks for having me Sister Kelly.

MEGYN KELLY

Dr. West I can tell by your Afro you're a very serious man so let me ask you a very serious question. If there is no Kwanzaa in schools, how are Black children supposed to celebrate during the holidays?

DR. CORNELL WEST

Sister Megyn, African American children can celebrate Christmas.

MEGYN KELLY (SHOCKED)

But Christmas is for us and The Kwanzaa is Black Christmas. Why wave the white flag and surrender to the War on Kwanzaa? Don't you think Blacks deserve to go back to Africa so that they can have their own ethnic Holiday celebration?

DR. CORNELL WEST

That's not entirely accurate. Kwanzaa originates in America, it's not celebrated in Africa.

MEGYN KELLY

We're having technical difficulties with Dr. West's connection.

DR. CORNELL WEST

There's nothing wrong with my connection I'm sitting right here in studio. Actually most African Americans are Christians. In fact, for a number of years now we have a tradition in our family where I dress up like Santa Claus and hand out all the presents to the kids.

MEGYN KELLY

Cut his feed! I'm going to be sick.

Megyn vomits into a garbage can.

MEGYN KELLY (CONT'D)

Sorry about that folks, not sure what got into me. Let's go to our new Affirmative Action hire, Fox News political analyst Stacey Dash.

STACEY DASH, 40's, pretty, ditsy like her Clueless character.

STACEY DASH

You said anal-list.

MEGYN KELLY

Welcome Stacey. Habari Gani.

STACEY DASH (CHECKS EARPIECE)

Habari what? I'm wearing Versace.

MEGYN KELLY

Christmas is about egg nog and mistletoe and we should keep it that way. Nobody wants a Black Panther Party to break out. Stacey, what I'm asking is, do you feel the War on The Kwanzaa is having a negative effect specifically on Black babies being adopted by Hollywood celebrities or are all Black children at risk?

STACEY DASH

Oh, I thought we were going to be talking about my new line of vintage inspired lingerie and the fact that Mo Money and Clueless are now available on Netflix. I don't know anything about Kwanzaa.

MEGYN KELLY

Thank you for that insight Stacey. Now We're going to go live to the Boys and Girls Club in Harlem to get to the bottom of this.

TYRONE, an adorable 6 year old Black child appears on screen.

MEGYN KELLY (CONT'D)

Hi, Tyrone welcome. Tell us your favorite holiday and why.

TYRONE

Christmas is my favorite because Santa brings me lots of presents.

MEGYN KELLY

Breaking Now...Santa Claus will definitely not be bringing you any presents this year Tyrone.

Loud, glossy Breaking Now graphics flash across the screen.
SANTA NOT BRINGING TYRONE PRESENTS. Tyrone is devastated.

TYRONE

So Santa isn't coming even though I've been a good boy this year?

MEGYN KELLY

Oh no, Santa Claus is coming, just not for you. Santa only brings toys to little white boys and girls.

TYRONE (CONFUSED)
I don't understand.

MEGYN KELLY
Sweetie, you're clearly not the sharpest tool in the box so I'll put it to you this way. Santa's skin is white and creamy, much like the milk that accompanies the cookies left behind for him by children who don't look like you on Christmas Eve. And by the way just so you know, Jesus was white too, he just was...and so is Captain America irrespective of what you may have read on Twitter.

TYRONE
So...Santa doesn't like me?

MEGYN KELLY
It's not that Santa doesn't like you, it's also the fact that Santa doesn't want to get shot for wearing the wrong color in your neighborhood.

TYRONE (SOBBING)
Santa doesn't like me!

MEGYN KELLY
So Tyrone, taking these verifiable facts that you have learned into consideration, wouldn't you feel more comfortable celebrating Kwanzaa, you know...enjoying Black Christmas, with your own people?

TYRONE (THROUGH TEARS)
No!

Megyn Kelly throws up her hands in disgust.

MEGYN KELLY
Well there you have it. The War on Kwanzaa terrorists have won. Join us tomorrow night when we have our expert panel debate whether Barack Obama is the worst human being who has ever lived. Spoiler Alert, the answer is yes. I'm Megyn Kelly.

DREW CAREY stands on stage holding his microphone.

DREW CAREY
George, who's our next contestant?

GEORGE (V.O.)
Bob Jones come on down! You're the next
contestant on The Price Is Right!

BOB JONES screams wildly while hi-fiving each audience member.

BOB JONES
Woo hoo! Yeah baby! Yeah!

Bob Jones hi-fives the THREE CONTESTANTS standing at the podiums.
Suddenly he darts back into the audience hi-fiving everyone.

DREW CAREY
Bob Jones doesn't seem to be very
considerate of our time does he?

BOB JONES
Yes! Yes! Son of a bitch! Yes! Yes!

Bob Jones hi-Fives the Three Contestants at the podiums then
he removes his T-shirt and tosses it deep into the crowd.

DREW CAREY
C'mon Bob this is a family show.

BOB JONES
Wooooooooooooooooooooo!

Bob Jones rips off pull away pants and tosses those too. Suddenly
Drew Carey pulls out a GUN and SHOOTS Bob Jones dead in the aisle.

DREW CAREY
Hey, look everybody say hi to the
beautiful Manuela. Hello beautiful
Manuela. Would you mind dragging Bob's
dead body out of The Price Is Right
studio please? Thank you so much.

MANUELA enters, smiling and waving to the crowd. When she reaches
the aisle she begins slowly dragging Bob Jones' dead body away.

DREW CAREY (CONT'D)
OK George, who's our next contestant?

BLACKOUT.

There is absolutely no movement in the crowd.

DREW CAREY

Still no movement from the crowd.

DREW CAREY (CONT'D)
Must have cold feet. George what do you
say we call someone else to come play?

GEORGE (V.O.)
Doug Fisher come on down! You're the
next contestant on The Price Is Right.

There is still no movement in the crowd.

DREW CAREY
I get it, you guys are nervous. There's
nothing to feel nervous about. Come on
we'll make you feel at home, I promise.

DOUG FISHER gets up and slowly makes his way through the crowd.

DREW CAREY (CONT'D)
That's it Doug... come on down. Hey
Manuela doesn't bite. Everybody go
ahead and give Doug a big round of
applause for being so brave will ya?

As Doug Fisher reaches for a hi-five Drew begins SHOOTING at him.

DREW CAREY (CONT'D)
What do you think we have all day?

DOUG FISHER
Don't kill me Drew! I'm a student!

Doug dodges the bullets as he flees The Price Is Right studio.

DREW CAREY
Aww shucks. Maybe next time.

AFFIRMATIVE ACTION HEROES

BY JUSTIN CARTER

INT. AVENGERS HEADQUARTERS

CAPTAIN AMERICA and IRON MAN lay beaten beside a Doomsday Device.

CAPTAIN AMERICA

The Doomsday Device will explode
any minute. It was an honor to
fight by your side Iron Man.

IRON MAN

There's still hope Captain America.

BLANKMAN, pajama clad 'hero' in a cape made of bed sheets enters.

BLANKMAN

Never fear Avengers Blankman is here!

CAPTAIN AMERICA

Who the hell is that?

IRON MAN

It's Blankman, star of the poorly
received 1993 Damon Wayans film.

CAPTAIN AMERICA

OK. But why is he here?

IRON MAN

I recruited him as apart of the
Emergency Avengers Affirmative
Action Diversity Initiative.

CAPTAIN AMERICA

Does this Blankman have powers?

IRON MAN

He's a nerdy repairman, childish
naive to the realities of living in
an inner city neighborhood.

CAPTAIN AMERICA

How is he qualified to be an Avenger?

IRON MAN

Funny, I don't recall you vetting
Hawkeye's qualifications. If given
the opportunity, I think Blankman can
do as good a job saving the world as
the weirdo with the bow and arrow.

Blankman trips over his own feet and falls down to the floor.

BLANKMAN

Oh no. I tripped and landed on a sharp object. I suppose now I'll just roll away until I bleed out.

Blankman rolls off stage to accommodate a costume change.

CAPTAIN AMERICA

He just tripped over his own feet and fatally wounded himself.

IRON MAN

There are setbacks on the road to equality Captain Confederacy. If you're going to be this intolerant then maybe you should go ahead and wear your stars and bars costume.

CAPTAIN AMERICA

I only wore that costume once because the dry cleaners misplaced my regular one and you know that.

IRON MAN

It's 2015. The world is diverse. Don't be fooled by her name, Black Widow is not of African descent.

CAPTAIN AMERICA

The Doomsday Device can explode any moment. We don't have time for this.

IRON MAN

Spoken like an opponent of change.

METEOR MAN enters looking exactly like Blankman in a green cape.

METEOR MAN

Meteor Man is here to save the world.

CAPTAIN AMERICA

Jesus Christ. Who is that?

IRON MAN

Meteor Man, from the more poorly received 1992 film starring Robert Townsend. He's a schoolteacher who was struck by a meteor with a suit made by his mother who decided to rid his inner city neighborhood of its crack cocaine and crime.

CAPTAIN AMERICA

He looks exactly like Blankman only wearing a different costume.

IRON MAN

Really? So now all African American superheroes look alike is that it?

CAPTAIN AMERICA

No it's just... that's a sophisticated device. Are you sure he can disable it?

IRON MAN

Would you prefer he take a racially biased standardized test to prove it before saving our lives Captain?

CAPTAIN AMERICA

I'm not so sure about these heroes.

IRON MAN

These heroes? What do you mean "these heroes"?

CAPTAIN AMERICA

You're taking that the wrong way.

IRON MAN

Say what you really mean. You'd rather have "these heroes" shine your shield than save the world.

CAPTAIN AMERICA

No. All I'm saying is you should send out a distress signal to more qualified heroes who can save us.

IRON MAN

Qualified heroes of a different color?

CAPTAIN AMERICA

Yes! Maybe A green one, like the Hulk.

IRON MAN

Because a dumb green monster knows how to disable a Doomsday Device.

Meteor Man cuts a wire. The Doomsday Device begins beeping.

METEOR MAN

Oops, I tripped the wire. Now I must return to my inner city neighborhood while I wait for the world to end.

Meteor Man exits definitely not to make another costume change.

CAPTAIN AMERICA

See, this is what happens when you take opportunities away from more qualified superheroes who deserve it.

IRON MAN

Given an even playing field he could have disabled that Doomsday Device.

UNDERCOVER BROTHER enters while combing his huge afro with a pick.

UNDERCOVER BROTHER

What's up jive turkeys?

CAPTAIN AMERICA

Oh c'mon! This is clearly Blankman and Meteor Man sporting a huge afro.

IRON MAN

No, it's Undercover Brother, from the 2002 action comedy film starring Eddie Griffin as Undercover Brother.

CAPTAIN AMERICA

Let me guess, Undercover Brother battles crime in an inner city neighborhood?

UNDERCOVER BROTHER

No fool. I work for a secret organization that combats international terrorism.

IRON MAN

Not all African American superheroes fight crime in the inner city, bigot.

CAPTAIN AMERICA

Oh, well I just thought... well technically... he's not a superhero!

Undercover Brother disables Doomsday Device with his afro pick.

UNDERCOVER BROTHER

Then how'd I disable a Doomsday Device with my Black Power Fist Afro Pick sucka?

CAPTAIN AMERICA

No. It can't be. It's impossible!

Captain America lifts the Doomsday Device and begins shaking it.

IRON MAN

Goddamn you Captain America. Put that Doomsday Device down before you kill us all you racist son of a--

The Doomsday Device detonates.

INT. CASTING OFFICE

DIRECTOR sits at a table beside a camera as BILLY stands upstage.

DIRECTOR

We're gonna have you slate your name and age before we get started.

BILLY

Billy Butler. I am 43 years old.

DIRECTOR

Whenever you're ready--

IDA emerges from beneath the Director's table. She licks her hands and begins fussing over Billy's face and hair.

IDA

Oh my goodness. Your hair is an absolute mess. And here, take this lotion, your elbows are a little ashy.

Ida begins vigorously lotioning Billy's elbows and hands.

BILLY

Mom, you're embarrassing me.

IDA

You're embarrassing yourself when you audition looking like this.

DIRECTOR

Ma'am... is there a problem?

IDA

No problem except for my son's hygiene. (Beat) Billy you smell a little ripe. Did you remember to wipe your butt good after using the toilet this morning?

BILLY

Yes. I remembered. Now leave!

IDA

Is that any way to talk to your mother? Your whole life you've been wiping the wrong direction until I taught you how to do it last week. It was a fair question to ask.

DIRECTOR
Ma'am if you don't mind.

IDA
Yes of course. I'll just stand off
to the side.

DIRECTOR
OK. Now Billy, did you give me your
headshot? I don't think I see it here.

BILLY
I thought you had it on file.

IDA
What? You thought they had your
headshot and resume on file? What
the hell is the matter with you?

BILLY
It was an honest mistake.

IDA
You were raised better than that.
What do I always tell you whenever
you leave the house to go audition?

BILLY
To make sure I wear clean underwear
and bring my headshot. I know Mom!

IDA
Well if you know then why didn't
you do it? Never mind, luckily for
you I brought one.

Ida rummages through her purse then hands a photo to the Director.

DIRECTOR
This is a baby picture.

IDA
I know. Wasn't he handsome? I don't
know what happened.

BILLY
Mom... c'mon stop it!

DIRECTOR
Let's get started shall we?

BILLY
My name's Claireece Precious Jones. I
wish I had a light-skinned boyfriend
with real nice hair. And I wanna be on
the cover of a Ebony magazine.

(MORE)

BILLY (CONT'D)

But first I wanna be in one of them BET videos. Momma said I can't dance and who wants to see my big ass dancing, anyhow?

DIRECTOR

Just one moment. Is that monologue taken from the movie Precious: Based on the Novel Push by Sapphire?

BILLY

Yes... yes it is.

DIRECTOR

I thought so. Any particular reason why you chose to do that piece today?

BILLY

It's a piece that shows my range.

DIRECTOR

Interesting choice. Thank you for coming in. We'll be in touch.

IDA

William Theodore Butler! What the hell was that? I did not pay for you to take those community theater acting classes for you to come and give such a mediocre performance.

BILLY

Mom, I tried my best. I thought that's all that matters.

IDA

No! That's not good enough. You need to dig deeper. You should use your emotional recall to create a better performance. Remember that time I walked in on you in your bedroom jerking off to Animaniacs?

BILLY

Mom! Stop bringing up the past. That happened over a week ago.

IDA

Don't you talk back to me boy.

BILLY

I hate you!

IDA

What did you say to me?

BILLY

I said I hate you and I'm glad Dad
left and I wish you were dead!

Ida removes her belt and beats Billy until he begins crying.

IDA

You keep crying and I'll give you
something to cry about.

DIRECTOR

Ma'am please. That's no way to
discipline your middle aged child.

IDA

Do I come on set and tell you how
to do your job?

DIRECTOR

No.

IDA

Then don't tell me how to raise my
child before I come over there and
discipline your nosey ass next!

DIRECTOR

Extraordinary! Have you acted before?

IDA

Well I did dabble a bit in some Off
Off Off Broadway Gospel plays.

DIRECTOR

Well I think you're brilliant. I
have a role that's perfect for you.

BILLY

See Mom... you're always
overshadowing me at auditions.

Billy throws a temper tantrum then storms offstage in a hissy fit.

IDA

Billy wait. I'll take you to go get
a Happy Meal and some ice cream so
you can feel better OK?

Ida starts after Billy then stops and turns back.

IDA (CONT'D)

So, about this big part you
mentioned. Are we talking scale
or...?

Greetings infidels of the West. I am Jihadi Joe and it's time for #AskIisis where the Islamic State answers your questions on Twitter. Please remember to use the #AskIisis hashtag and we will try to get to as many nonbelievers as possible. Time for our first question.

@TransRacialEmoji writes: #AskIisis "Why is Season Two of True Detective such a disappointment?" Thanks for the question. It's a disappointment because the dialogue and character development are both sorely lacking this season. Which brings me to a related topic. You guys were way too hard on the How I Met Your Mother finale. The official position of the Islamic State is that we found it to be very charming and delightful.

Jihadi Joe whispers into the Interpreter's ear.

INTERPRETER (CONT'D)
A quick reminder, yes, we are streaming this live on Periscope. OK next question is from @DildoBaggins: "#AskIisis What up with that hot dog crust from Pizza Hut?" Thanks. For the last time, regarding that Pizza Hut monstrosity with the hot dogs in the crust, Isis is not responsible for this and to be honest, we're offended anybody would think we are. After all, we're terrorists, not monsters. You shouldn't just assume that because something is terrible, terrorists are responsible for it.

I can see why you may think that, but Isis is not affiliated with Crossfit in any way. In fact, we consider Crossfit to be a rival extremist group. They subscribe to a dangerous ideology, recruit aggressively online, and post graphic videos across various social media platforms. Swap out the AK-47's for kettle bells and Crossfit is practically Al Qaeda.

Jihadi Joe gesticulates wildly.

You're correct, this is definitely not a question. But it is a good time to explain that Isis aspires to be like the confederacy because as a terror organization, it came much closer to destroying your Godless nation than we ever will. They killed, maimed, and tortured thousands more Americans than we could ever dream of yet they remain revered by many American infidels. To put this into perspective, think about how much everybody hates Isis now, then hop in your Delorean and travel into a future where people proudly display Isis flags 4th of July weekend claiming "Terrorist Pride" and turn a blind eye toward all the murder, rape, torture and genocide committed in our name. We pray one day people will protest and Tweet about the removal of Isis flags from state capitol buildings, Walmart cakes, and Dukes of Hazard cars too because that's when we will truly know that we really made it as a world class terror organization.

SPOILER ALERT

BY JUSTIN CARTER

TOM and DOUG, co-workers, enter an elevator.

DOUG
Ready for the weekend Tom?

TOM
Yessir. I cleared out my schedule
for a Game of Thrones binge watch.

DOUG
Cool. This season has been really--

TOM
Whoa, whoa, Doug let me stop you right
there. I don't want to get spoiled so
if you don't mind, let's not talk
about the show right now. Okay?

DOUG
I was only going to say it's really
been a great season this year.

TOM
Yes but why do you think it's been
great? Do you favor the Starks or
are you more of a Lannister man?

DOUG
Well personally I--

TOM
Now when I watch I'll be obsessing
over why you said you liked it and
my entire experience has been
ruined by your stupid little
opinion because... spoilers.

DOUG
Okay... good to know.

TOM
Why are you getting off the elevator?

DOUG
You know what, I'm gonna take the
stairs. I would tell you why but I
don't want you to get spoiled.

TOM
But we're on the fiftieth floor.

Doug exits as ED darts toward the elevator.

ED
Hey, hold those doors. Thanks.

TOM
No problem.

ED
Bought tickets to see Jurassic World so I don't want to be late. I mean what's better than a movie about killer dinosaurs am I right?

TOM
Jesus Christ! Has it ever occurred to you that some of us would like to just enjoy a movie without you selfishly spoiling us by revealing that there are dinosaurs in it?

ED
But the franchise has been around for twenty years. It has the word "Jurassic" in the title.

TOM
What am I, a paleontologist? No. I'm just a guy who can't enjoy a movie now because you spoiled it for me.

Ed jabs at the elevator buttons repeatedly to exit.

ED
Hey what do you know. This looks like my stop.

TOM
But what about the movie?

ED
Yeah I think I'm just gonna go ahead and miss that.

Ed exits the elevator as PAM, chipper, enters.

PAM
Hey Tom, you know what this weekend is right?

TOM
No. Don't tell me.

PAM
(singing Fresh Prince's "Summertime")
Summer, summer, summertime. Let's just sit back and unwind...

TOM

You've got to be kidding me!

PAM

What? You don't know "Summertime" by Will Smith? It's the greatest song about Summer ever made.

TOM

Well I certainly know it now. Which means that if I ever do hear it, my experience will be tainted because the memory of your rendition will be imprinted in my brain. Thanks!

PAM

Summer is my favorite season. It's always hot and the sun is shining--

Tom covers his ears and begins singing nonsense.

TOM

La, la, la, la, la, la, la.

PAM

What's the matter?

TOM

Oh, nothing... besides the fact that you've never heard of the term Spoiler Alert. Some of us would like to be surprised by the changing of the seasons.

PAM

But it's Summer... it's been coming around for thousands of years.

TOM

And now I can't learn that for myself at some point in the future because you have taken that opportunity away from me.

The elevator stops. ANN, clearly pregnant, enters.

PAM

Hey Ann, decided on a name yet?

ANN

Yes. We finally did. Ellen if it's a girl, Elijah if it's a boy.

PAM

I think it's sweet you decided to wait to learn your baby's gender.

TOM

Well I think it's fucked up you decided to tell me Ann is pregnant. Now you've ruined the whole thing.

ANN

Tom, what are you talking about? I'm clearly 8 1/2 months pregnant, my water could break at any minute.

TOM

For all I know you could've packed on a few pounds, but now all the suspense is gone so thanks a lot.

ANN

I had a company baby shower in the office. You gave me a breast pump.

TOM

There are other uses for breast pumps in case you haven't heard. And if you haven't, it's because unlike me, you weren't spoiled.

Ann's water breaks. She begins going into labor.

ANN

Oh my God! My water just broke.

TOM

Here comes 9lb 5oz baby Elijah.

ANN

Wait, how do you know I'm having a boy?

TOM

The other day while you were taking a nap in the break room, I gave you a Sonogram with a gently used ultrasound device that I bought on Craigslist. I'm sorry but I just had to know.

ANN

Tom... after I deliver my baby, I'm going to strangle you to death with the umbilical cord.

TOM

C'mon! Why did you have to tell me that? It would've been a much bigger surprise if you had just gone and done it. Now everything is ruined.

DON LEMON
We interrupt the State of the Union address to bring you breaking news. Rachel Dolezal, the NAACP president who was recently outed as a white woman pretending to be African American, has agreed to her first public interview with Oprah Winfrey.

INT. RACHEL DOLEZAL'S LIVING ROOM - DAY

RACHEL DOLEZAL sits across from OPRAH WINFREY.

OPRAH
Are you a Black woman?

RACHEL DOLEZAL
Umm... yes for all intents and purposes I am a Negro. People see me as this really white person, but my heart, my soul, and everything that I do in life is Black. A Negro is inside of me. That's who I am.

INT. CNN TONIGHT STUDIO - ANCHOR DESK - NIGHT

Don Lemon sits at the desk looking very confused.

DON LEMON
Are we back? OK. We now return to the State of the Union Address already in progress.

INT. UNITED STATES CAPITOL BUILDING - HOUSE CHAMBER - NIGHT

President Obama stands at the podium looking stoic.

PRESIDENT OBAMA
Just moments ago, I decided to launch
a preemptive attack on Russia.

Don Lemon takes notes at the anchor desk with a CRAYON.

DON LEMON
We're going to take you right back
to President Obama who announced a
preemptive attack on Russia. But
first we'd like to show you more
footage from Oprah's powerful
interview with Rachel Dolezal.

INT. RACHEL DOLEZAL'S KITCHEN - DAY

Rachel Dolezal sits across from Oprah at the kitchen table.
She generously pours HOT SAUCE on a plate of FRIED CHICKEN.

RACHEL DOLEZAL
I'm the new Negro Oprah. I am.

OPRAH
Do you remember the first time you
realized you weren't white?

RACHEL DOLEZAL
I think it was in the kitchen.

OPRAH
Your parent's kitchen?

RACHEL DOLEZAL
Yes, it was right in the kitchen. I
hid a soda deep in the refrigerator
and my Mother caught me drinking it.

OPRAH
Do you remember the flavor of soda?

RACHEL DOLEZAL
It was grape soda, of course. At that
time I didn't know why I was drinking
it. It just made me feel good.

INT. UNITED STATES CAPITOL BUILDING - HOUSE CHAMBER - NIGHT

President Obama stands at the podium. He's very animated now.

We now return to our top story. An exclusive new clip of Oprah Winfrey interviewing the heroic Rachel Dolezal. A beautiful Black woman trapped in a white woman's body.

INT. RACHEL DOLEZAL'S LIVING ROOM - DAY

Rachel Dolezal sits across from Oprah.

OPRAH

Did anyone ever catch you doing anything else... Black?

RACHEL DOLEZAL

Dad walked in on me talking back at the TV screen... wearing blackface.

OPRAH

And said what?

RACHEL DOLEZAL

Nothing. He kinda walked out and got in the car and went for a ride. It was like this big family secret and we never talked about it again.

INSERT: A State of the Union graphic interrupts Rachel Dolezal.

INT. UNITED STATES CAPITOL BUILDING - HOUSE CHAMBER - NIGHT

President Obama is gone. TOTAL CHAOS has erupted in the House Chamber as CONGRESSMEN begin savagely attacking one another.

INSERT: CNN Breaking News graphic interrupts the violence.

INT. CNN TONIGHT STUDIO - ANCHOR DESK - NIGHT

Don Lemon sits at the desk playing with a child's BEAD MAZE GAME.

DON LEMON

We're cutting away from Congress mauling each other to death for reasons I'm guessing are related to Rap music to show you another clip from Oprah's historic interview with Rachel Dolezal, Transracial angel, and Civil Rights icon.

INT. RACHEL DOLEZAL'S LIVING ROOM - DAY

OPRAH

Police shootings. Tyler Perry movies. Getting eliminated on the first night of the Bachelor. Why do you want to be Black? I'm rich and I don't even like being Black.

RACHEL DOLEZAL

Well you're lucky. You've been Black for a while. For me it's new. Now it's my turn Oprah.

OPRAH

You seem so eager to get started. I wonder, how will you look after the Negro reassignment surgery?

RACHEL DOLEZAL

All I can tell you is this, the good news Oprah, is you won't be the Blackest one in the room.

Rachel and Oprah laugh and hug in a loving embrace.

INSERT: CNN Breaking News graphic interrupts their embrace.

INT. CNN TONIGHT STUDIO - ANCHOR DESK - NIGHT

Don Lemon uses his fingers to eat a bottle of ELMER'S GLUE.

DON LEMON

Up next on CNN, we'll discuss the coming nuclear fallout, if we have time after taking on the elephant in the room: Should Rachel Dolezal be allowed to use the N-Word?

THE COMA

BY JUSTIN CARTER

INT. HOSPITAL ROOM - DAY

NANCY, White, weeps at the bedside of her comatose husband, TOM, who is also White, as DR. BROWN, Black, consoles her.

NANCY

Dr. Brown, will my husband ever
wake up?

DR. BROWN

I'm afraid Tom has very little brain
activity so it's difficult to say.

NANCY

Isn't there anything you can do?

DR. BROWN

There is an experimental therapy
that may stimulate his brain waves.

NANCY

Dr. Brown please, whatever it
takes.

DR. BROWN

We'll do everything we can Nancy.
But I can't make any promises.

INT. HOSPITAL ROOM - DAY - LATER

Dr. Brown attaches an EEG Monitoring machine to Tom's head. He places BEATS BY DRE around Tom's ears and connects it to an iPod.

Dr. Dre's classic Gangsta Rap track "Fuck Wit Dre Day" BLASTS.

DR. DRE (V.O.)

...Niggas you grew up with, don't
even respect your ass. That's why
it's time for the doctor, to check
your ass, nigga!

The EEG Monitoring machine tracking Tom's brain activity BEEPS mildly. Dr. Brown inspects it while taking notes.

INT. HOSPITAL ROOM - DAY - SEVERAL MONTHS LATER

Nancy caresses Tom's hand as Dr. Brown flips through a chart.

DR. BROWN

Tom is making progress. His brain activity is up twelve percent.

NANCY

Does that mean he's getting better?

DR. BROWN

The therapy is helping but it could be years before we see real results.

NANCY

So there's still hope.

DR. BROWN

I must caution you. Even if he does wake up, Tom may never speak again.

Nancy kisses Tom gently on the forehead then exits. Dr. Brown places BEATS BY DRE around Tom's ears connecting it to an iPod.

Dr. Dre's "Fuck Wit Dre Day" BLASTS again. Dr. Brown bobs his head.

DR. DRE (V.O.)

...Now I wanna slap the taste out ya mouth, make ya bow down to the Row. Fuckin' me, now I'm fuckin' you, little ho. Bitch ass nigga!

The EEG Monitoring machine tracking Tom's brain activity BEEPS faster now. Dr. Brown inspects it while taking notes.

INT. HOSPITAL ROOM - DAY - SEVERAL YEARS LATER

The EEG Monitoring machine tracking Tom's brain activity is BEEPING wildly. Dr. Brown checks the readings on the machine.

Dr. Dre's "Fuck Wit Dre Day" BLASTS even louder now.

DR. DRE (V.O.)

Check this nigga off loc. If it ain't another ho that I gots to fuck with. Gap teeth in your mouth so my dick's got to fit. Motherfucker, yeah nigga!

DR. BROWN

These readings are off the charts!

Tom begins to slowly open his eyes and stir around a bit.

TOM
N... N... unnn...

DR. BROWN
Tom? This is Dr. Brown. Can you
hear me?

Dr. Brown aims a flashlight into Tom's eyes as he comes to.

DR. BROWN (CONT'D)
Tom, you're in a hospital. You've
been in a coma for over ten years.

TOM
N... N... unnn...

DR. BROWN
What's that? Nancy? You want to see
your wife? OK, I'll call for her.
She'll be happy to see you awake.

Dr. Brown picks up the phone and dials.

TOM
N... N... unnn...

DR. BROWN
Nurse, please notify Nancy to come
to the hospital immediately. I have
important news about her husband.

Dr. Brown hangs up the phone and checks Tom's vitals.

TOM
N... N... unnn...

DR. BROWN
Please, Tom, try to relax.

TOM
N... N... unnn...

DR. BROWN
Yes. Nancy is on her way right now.

Tom pulls Dr. Brown closely to him and whispers into his ear.

TOM
N... N... unnn...

DR. BROWN
I can't understand what you're
trying to say. Please, just
conserve your energy and--

TOM

Nigga!

DR. BROWN

What did you call me?

TOM

Nigga! Nigga! Nigga!

Dr. Brown begins attacking Tom. He violently chokes and shakes him senseless. Tom loses consciousness and FLATLINES. Nancy enters.

NANCY

Dr. Brown is everything alright? I came as soon as they called.

DR. BROWN

Nancy, unfortunately Tom had a setback. Your husband is dead.

NANCY

Oh my God he's gone!

Nancy collapses into Dr. Brown's arms crying uncontrollably.

DR. BROWN

It's been a long road. We have grief counselors if you need them.

NANCY

Grief? No, I'm not mourning. These are tears of joy.

DR. BROWN

That's understandable. Coma patients can place an incredible burden on their families.

NANCY

No, that's not it. Tom was a raging racist. I'm glad he's gone. Do you want to go grab something to eat?

DR. BROWN

Yes. I'd love to.

Dr. Brown and Nancy exit the hospital room snuggling arm in arm as "Fuck Wit Dre Day" BLASTS loudly in the background.

They killed, maimed, and tortured thousands more Americans than we could ever dream of yet they remain revered by many American infidels. To put this into perspective, think about how much everybody hates Isis now, then hop in your Delorean and travel into a future where people proudly display Isis flags 4th of July weekend claiming "Terrorist Pride" and turn a blind eye toward all the murder, rape, torture and genocide committed in our name. We pray one day people will protest and Tweet about the removal of Isis flags from state capitol buildings, Walmart cakes, and Dukes of Hazard cars too because that's when we will truly know that we really made it as a world class terror organization.

Jihadi Joe closes the laptop and hand signals to wrap it up.

Well, that's all the time we have for #ASKIsis today. As always death to America.

HOLOGRAMS BY JUSTIN CARTER

EXT. TICKET BOOTH- DAY

DANA and FRED wait on line at a ticket booth arm in arm.

DANA

Seeing the Michael Jackson Hologram
is the best anniversary gift ever.

FRED

Anything for the 'Lady in My Life.'

As they embrace, an announcement comes over the PA System.

PA SYSTEM

Ladies and gentlemen, the Michael
Jackson Hologram is all sold out.

DANA

Honey, we've been waiting here for
hours. What are we going to do now?

CARL, a sketchy ticket scalper appears. He looks suspicious.

CARL

Hey you guys looking to see a show?

DANA

Let's see if he's selling tickets.

FRED

I dunno, you think it's safe to buy
Hologram tickets from a scalper?

DANA

Can't be any worse than Craigslist.

Fred and Dana discreetly walk over toward Carl.

FRED

Ummm, hello sir, do you have any
Michael Jackson Hologram tickets?

CARL

No but I can get you a good price
on tickets to the Tupac Hologram.

DANA

I don't know about that one. Do you
have any other shows available?

Carl begins to rifle through his ticket stash.

CARL

Let's see here, I've got tickets to see the 'Ol Dirty Bastard Hologram.

FRED

That will work I guess. How much?

DANA

Let's try something more romantic than an 'Ol Dirty Bastard Hologram.

CARL

Sure. I've got two orchestra seats to see the Vanilla Ice Hologram. Is that romantic enough for you lady?

FRED

Is Vanilla Ice even dead?

CARL

Hey, show the guy a little respect!

FRED

Well we're not interested in seeing "Ice Ice Baby" for our anniversary.

CARL

The Vanilla Ice Hologram only performs "Go Ninja Go Ninja Go".

DANA

Really? So are there any Hologram Ninja Turtles dancing on the stage with him? I'm just curious is all.

CARL

Only during matinee performances.

DANA

Damn it! I mean, so what other tickets do you have available?

CARL

I've got a Sir-Mix-A-Lot Hologram standing in between a woman's buttocks rapping 'My anaconda don't want none unless you got buns Hun.'

FRED

What? No! We don't want to see some freak show of One-Hit-Wonders.

CARL

So you want star power is that it?

FRED

Yes, that's what we're looking for.

CARL

How about the Kanye West Hologram snatching the mic from Taylor Swift and saying, "Ima let you finish."

DANA

That's not going to work for us.

CARL

What about two tickets to see Justin Bieber's Hologram singing about joining the KKK? You can't find a hotter ticket than that.

FRED

No! Are you freaking kidding me?

DANA

We want to see a good show. Not a John Travolta Hologram introducing Idina Manzell as Adelle Dazeem.

CARL

What are you nuts? That Travolta Holo's been sold out for weeks.

FRED

You've got to at least have some Nickleback tickets or something.

CARL

Hey, if you're gonna insult me then just take your business elsewhere.

FRED

I'm sorry. I meant no offense.

CARL

I've got balcony seats to see the Grumpy Cat Hologram and Mezzanine seats to see a Hologram of the Leave Britney Alone Guy. Oh, but those seats are a few rows apart.

FRED

But that's not even entertainment! They're just terrible viral videos.

CARL

This coming from the guy who just asked me about Nickleback tickets?

FRED
Fine! Just give us the damn Leave
Britney Alone Guy Hologram tickets!

Fred pulls out his wallet and Carl reflexively backs away.

CARL
What do you think you're doing?

FRED
I'm paying you for our tickets.

CARL
I only deal in Bit Coins buddy.
Just pull out your smart phone so
we can complete this transfer.

FRED
Bit Coins? I'm not sure about that.

DANA
Let's just do it Honey. I heard the
show got great reviews on Yelp.

FRED
OK fine. It is our anniversary.

Fred pulls out his phone. Carl gets antsy and backs off.

CARL
Same time pal. I don't know you.

They both carefully finger the touch screens on their phones.

FRED
OK. The Bit Coins transfer went
through. Now give us our tickets.

Fred reaches for the tickets. Carl's hand slowly disappears
as if he is an apparition. Carl is nearly transparent now.

FRED (CONT'D)
What the hell is going on?

CARL
Oh I must have forgotten to mention
that I'm actually a Hologram. That
was pretty irresponsible of you.

INT. LIVING ROOM - NIGHT

MICHELLE, 40s, Sofia Vergara in her own mind, takes a Selfie as her son STEPHEN, 20s, Hipster, enters, staring at her quizzically.

STEPHEN

Mom, why are you still here? I told you I have a date tonight.

MICHELLE

I'm updating my Tinder profile pic.

STEPHEN

Alright, hand over those Selfies.

MICHELLE

The key is getting the right angle.

STEPHEN

Seriously, Duck Lips?

MICHELLE

Don't you think Duck Lips are sexy?

STEPHEN

Maybe for a Kardashian, but not for a recently widowed AARP Member.

MICHELLE

What do you know? If you had your druthers you'd have me upload the photo from my driver's license.

STEPHEN

The DMV accent lighting really does bring out the color in your eyes.

MICHELLE

I know, and that was taken before photo filters became a thing.

STEPHEN

Mom, these profile pics are sleazy. You're posing with a banana in this one. What message does that send?

MICHELLE

That I'm passionate about potassium?

STEPHEN

You've dated before. You didn't have to pose with props back then did you?

MICHELLE

Dating is different now. I have to compete with men and women half my age. Ex-Olympians too.

STEPHEN

There's no reason to move so fast. You're still young, you have time.

MICHELLE

That's exactly why I need to get out there now while I still can. Before Caitlyn Jenner's milkshake brings all the boys to the yard.

STEPHEN

Mom, let's be realistic. You can't compete with Caitlyn Jenner, she's in much better shape than you are.

MICHELLE

Thanks for the vote of confidence.

STEPHEN

I'm just saying you're not going to improve your prospects by posing with a banana. That's just gross.

MICHELLE

Oh don't be such a prude. How do you think I got pregnant with you?

STEPHEN

Not by how you were posing with that banana. It's anatomically impossible.

MICHELLE

That's what your Father thought too but yet... here you are.

STEPHEN

Mom you can't take pics like that. It makes you look like a Thot.

MICHELLE

A what?

STEPHEN

A Thot, that hoe over there.

MICHELLE

Where?

STEPHEN

Nevermind. All I'm saying is that you don't have to compromise yourself to start dating again.

MICHELLE

But life is full of compromise. You should know this. You're Gay and you still eat at Chick Fil A.

STEPHEN

That's completely different.

MICHELLE

How so?

STEPHEN

Chick Fil A is so delicious they'd have to be twice as homophobic for me to stop eating chicken biscuits.

MICHELLE

That's how I feel about dating. Stephen your Father's dead, not me. I'm still alive and I have needs.

STEPHEN

That may be, but you won't get them met by meeting creeps online.

MICHELLE

These Fifty Shades fantasies aren't going to fulfill themselves. Where do you suggest I go to meet people?

STEPHEN

I don't know, the library maybe?

MICHELLE

I'll pass on that. I'm looking for a date, not to adopt a vagrant who thinks Obama is the Anti-Christ.

STEPHEN

But you shouldn't be on Tinder. Dad's body has barely gone cold.

MICHELLE

We were married twenty-five years. Trust me, your Father's body went cold long before he died.

STEPHEN

You just made me throw up so many times in my mouth I think I'm bulimic.

MICHELLE

I've waited enough Stephen. I can only walk the desert so long before taking a sip from the canteen.

STEPHEN

Well if I can't stop you from obeying your thirst, at least let me de-Nicki Minaj your profile.

MICHELLE

Only if you think it will help.

STEPHEN

OK, let's update your profile to attract a nice guy to swipe right.

MICHELLE

Nice but not too nice. I'm looking for more action than a right swipe.

STEPHEN

Look at my profile. It says I'm inviting and thoughtful. It will attract a sensitive guy like Drake when he sings about his exes.

MICHELLE

What does my profile say about me?

STEPHEN

Damaged and thirsty. It attracts a rough around the edges guy like Drake when he raps about strippers.

MICHELLE

Since you are so obsessed, I'll set up the tripod next time I bring a guy home so you can learn a thing or two.

STEPHEN

See, that's why I lock up my camera equipment. Mom I know you're lonely I just don't want you getting hurt.

MICHELLE

I watched your Dad slowly fade away before he died. Nothing hurts more than that. Now I want to move on.

STEPHEN

But sometimes I feel you're moving on from me too. Like you're trying to left swipe me out of your life.

MICHELLE

Stephen you came out of my womb. That means you're right swiped for life.

STEPHEN

Losing Dad was hard for me too. Maybe if we open up about it and share more we can get through it together.

MICHELLE

Sounds like a plan. I love you.

STEPHEN

Love you too Mom. But I still need you to leave. I have a date.

MICHELLE

When can I meet this mystery man who's too good for your Mother?

STEPHEN

Soon, I promise. I like him a lot. That's why I've been following the Thirty Day Rule. Tonight's the night Logan and I... you know.

MICHELLE

Logan? As in Logan Bradley, 30s, fun loving sous chef, lives approximately 7.3 miles away?

STEPHEN

Yeah. Why, do you know him?

MICHELLE

Sure, you could say that. I met him last week... after I joined Tinder.

STEPHEN

You slept with my Thirty Day Rule?

MICHELLE

If it's any consolation, your date won't last very long. Logan is a Thirty Second Rule kind of guy.

STEPHEN

Mom, when I said we should share more, this is not what I meant.

The doorbell rings.

Blackout.
