EXT. CLIFF TOP - EVENING

CAMERA ANGLE on a very tall, massively broad-shouldered, immensely muscular, incredibly shredded middle-aged man with stripes all over him and a large staff with him. He's dark-skinned, has very thick dreads, and he's very handsome in appearance. He wears a Tiger-like cloak with a hood added to it. He carries with him a staff.

CGI: ENERGY COMES FROM STAFF

MUSIC: "02 HEART OF COURAGE" BY "INVINCIBLE" ALBUM FROM TWO STEPS FROM HELL

NARRATOR

Legends tell of a man, fueled by ambition, whose determination for greatness would change the world we knew. When asked of his deeds, they gave but only one answer.. a name..and that name was...Who is this man? Where did he come from? And what does he plan to do about the times that come ahead of him?

AMEN, the main character, 35, peers down under. He drinks a bottle of fruity liquor, as he looks down under. AMEN clenches his fist in excitement. He grins

AMEN W. KEN SLAYER

(jokingly egotistical tone)
Seriously? They call that fighting?
Looks like their flinging their arms around, like a bunch of sped headed idiots about to me. Talk about a lack of physical prowess. Humph.

AMEN looks down on them with an discontent expression.

AMEN W. KEN SLAYER (CONT'D.)

If I had a dollar for arm flung,
for every lackluster punch thrown,
I'd be a millionaire; even more so
if their numbers grew.

AMEN chuckles. AMEN then looks at a particular clan full of gorgeous, but lethally athletic, women fighting. AMEN raises a n eyebrow.

(CONTINUED)

AMEN W. KEN SLAYER

(overly curious tone)

Well now? What do we have here? My curiosity has been very much aroused now. It's been a while since it's been aroused. Cause from the way this is looking, we'd got some super foxy vixens in the house and it's exciting me more and more. Especially if there also physically strong as well as ferocious in battle as well. A man like mine's personal fantasy land, if I may say so myself.

AMEN strokes his beard. He grows more curious.

AMEN W. KEN SLAYER(CONT'D.)

I must see...

AMEN starts to grin.

AMEN W. KEN SLAYER(CONT'D.)(V.O.)

(Overly curious tone)

From where I'd heard from it all, the Hugertars are said to be the rarest, fiercest, voluptuous, and most beautiful of all of the female clans that we'd come across so far...they were also said to be the descendants of Sekhmet, the Daughter of the Sun God Ra himself. Not to mention they have lots of treasures as well, with one in particular...they truly are a treat to see them fight. The only rival clan they have, from what I'd heard is none other than the Coco clan, the super thick-skinned, fast kickers as well...interesting indeed.

AMEN licks his lips together and strokes his beard again.
AMEN feels excited.

AMEN W. KEN SLAYER(CONT'D.)(V.O.)

(very excited tone)

If this is all
true...then...we must have

them for ourselves. We'd can't pass up this opportunity to carry out what we set to carry out. They'll be the biggest ticket to it all. To what we truly desire and what have longed for in this world...this is truly getting interesting indeed. We must make them ours for the taking. Nobody can have them but us and us alone...hm?

AMEN notices that his second-in-command was coming towards him. He was a tall, large, muscle-bound, broad-shouldered, shredded with six pack abs, and looked very strong for a middle-aged man. He had stripes over his dark-skin body. He makes a serious face. He's also wearing a cloak as well, with "SECOND-IN-COMMAND" written in Egyptian symbol Ankh.

THOTH W. KEN SLAYER
(Disinterested)
...Sir...

AMEN notices him and becomes hyped up.

MUSIC: "03 MASTER OF SHADOWS" BY "INVINCIBLE" ALBUM, FROM TWO STEPS FROM HELL ARTIST

AMEN W. KEN SLAYER
(super hyped up voice)
Ah!! There's my stiff in the mutt brother of mine!! I was wondering where you were at!!

THOTH W. KEN SLAYER
(monotone speaking)
Never would've guess sir, since you'd asked me to go do something real fast.

AMEN sighs. AMEN then pats THOTH in the back real hard.

THOTH W. KEN SLAYER
(annoyed tone)
Sir, what was that for? I was...

AMEN W. KEN SLAYER
(overzealous tone)
Thoth, will you lighten up, damn it?! Show some manliness!! Perk up my brother! We're all about living it up!! With the best ever!!

(CONTINUED)

THOTH W. KEN SLAYER
Sir. I was doing stuff, I mean
you'd asked me to, in the first
place.

AMEN W. KEN SLAYER
(overzealous tone)
Yeah, always doing something Thoth!
I swear!

THOTH has his head down.

THOTH W. KEN SLAYER
(meek tone)
Sorry sir...

THOTH,34, looks yonder to see the female warriors fighting.
He looks at his superior with a confused expression.

THOTH W. KEN SLAYER(CONT'D.)
So that's them huh sir?

AMEN W. KEN SLAYER
(excited tone)
Indeed my brother. The one clan
that we'd had our eye on for quite
some time...The Hugertar clan. Said
to the rarest, most beautiful, most
ferocious clan in existence. The
one that every other clan desires
the most around. The ones that they
can't get their minds off of.

Thoth continues to peer down towards them. He sees such
intensity in front of him.

THOTH W. KEN SLAYER
Wow...

THOTH can't stop awing them. He was amazed.

THOTH W. KEN SLAYER(CONT'D.)(V.O.)
To think that the Hugertars would
be right in front of us. Truly,
this is a rare sight to see.

AMEN grins at his friend, Thoth.

AMEN W. KEN SLAYER(CONT'D.)
Tell me something, Thoth, my good
man. What you know about the
Hugertar clan? I'm rather curious.

THOTH sighs. AMEN strokes his beard and grins.

(CONTINUED)

THOTH W. KEN SLAYER

From what I've heard from the legends sir, their said to be born from under the Sun of Ra, resulting in their golden brown skin being shiny and beautiful, their bodies being curvaceous, athletic, fit, and voluptuous, their hair to be silver or blonde, or in other cases, pink as well, and their skills to be unmatched by many sir.

Amen drools in absolute excitement.

AMEN W. KEN SLAYER

(sexually excited tone)

You're making me desire them even more Thoth. I suggest you should stop while your still ahead.

THOTH W. KEN SLAYER

Sorry sir. Didn't mean to do that. Not at all sir.

AMEN W. KEN SLAYER

(annoyed tone)

By all means, stop calling me sir, Thoth. It sounds so drab and boring coming from you!! It's brother Amen!! We're brothers, aren't we not?!

THOTH W. KEN SLAYER

I know Amen. But your the leader, and it was based off of respect of course.

AMEN W. KEN SLAYER

Of course, you would be the one that would say that Thoth. But trust me, unless you weren't my right-hand man and best-friend, I'd would make you say sir...like the others of course. They have to say it whether they like it or not...but not you of course. Consider this an honor my brother!!

THOTH W. KEN SLAYER

Of course...of course...

AMEN pats THOTH in the back. THOTH sees what he's doing.
AMEN grins.

(CONTINUED)

AMEN W. KEN SLAYER

I consider you a soul brother, so don't worry about it. That's what soul brothers do for each other, right?

THOTH W. KEN SLAYER

Of course Amen...or...brother...

THOTH smiles a bit and looks at them fighting. He's amazed.

THOTH W. KEN SLAYER

(more excited tone)

Amazing. To think that they are the clan that we'd been looking for all this time huh?

Amen grabs his best-friend, Thoth's, neck and looks at the scene in front of them.

AMEN W. KEN SLAYER

Pay close attention my brother. For we're about to experience what they can do and what they're truly capable of.

THOTH W. KEN SLAYER

Yes brother. Of course.

Amen grins. More drool comes out of his mouth.

AMEN W. KEN SLAYER

If they truly, truly are what I think they are...nobody, I repeat, nobody is to have them but us and us alone. The future powerhouse of the whole entire world of Empyrean...and it starts tonight as well.

Amen grins again. More drool is coming out his mouth.

THOTH W. KEN SLAYER

Amen brother. You're very self assured. Are you sure that mating with them is the way through?

Amen grins some more, as he strokes his beard.

(CONTINUED)

AMEN W. KEN SLAYER

Of course. I'm so self-assured,
that I'm not the least bit worried
at all. Much more rather excited to
say the least. This is going to be
oodles of fun.

THOTH looks at AMUN with a straight face.

THOTH W. KEN SLAYER

But...brother.

AMUN comes towards THOTH, puts his large hand on THOTH'S
shoulder, and also gives him a serious face.

AMEN W. KEN SLAYER

Thoth, you know as well as I do,
why we need to do this. Please,
don't start doubting on me now,
brother. I need your help more than
ever.

AMEN walks towards the cliff top. THOTH sees him at it.

AMEN W. KEN SLAYER
Now, it's for us to move out! We'd
got a huge task at hand tonight and
we need to make sure that we'd mate
with them and well!

AMEN clenches his fist. He notices that his son, GEB,9, came
up to him with a distant expression. He's described as
fairly muscular, fairly broad-shouldered, and had stripes
and features all over him. He wore a small cloak, to
indicate he's the leader of his own group.

GEB W. KEN SLAYER
Father?

AMEN W. KEN SLAYER
Yes my son? What seems to bother
you?

GEB W. KEN SLAYER
If we actually succeed in finding
that clan, do you think that there
might be a really cute girl there
that I can have to be with?

AMEN grins.

AMEN W. KEN SLAYER
(happy tone)
Amazing. My son, the strongest boy
Ken Slayer, has finally decided to
at long last be interested in girls

AMEN W. KEN SLAYER

Of course son. I can't see it any other way. Once we get to that clan tonight, we'll make sure that we get you the cutest, loveliest, most sensual girl that you desire, my son. And you'll become her husband as well.

AMEN grins some more. GEB lights up his face.

GEB W. KEN SLAYER

Really?! So she's really in that clan father?!

AMEN pulls out a magical orb. He shows it to his son.

AMEN W. KEN SLAYER

Here, let me show you what she looks like.

The magical orb starts to glow. GEB looks in excitement.

AMEN W. KEN SLAYER(CONT'D.)

Take a good, nice look at your future bride my son.

Wow...

Geb couldn't take his eyes off her.

AMEN W. KEN SLAYER

She's pretty isn't she?

Hey guys, guess what?!

They looked at him funny.

GEB W. KEN SLAYER(CONT'D.)
Tonight, I'm going to be the

They looked shock. Someone comes up to him. Gives him a grin.

Is that right?

Geb makes a straight face back.

GEB W. KEN SLAYER
Yup, you'd betcha.

GEB grins.

GEB W. KEN SLAYER

ANHUR W. KEN SLAYER(CONT'D.)

We'll see Apis...for now, shut it

AMEN goes towards his men with his son, GEB. He sees in front of him 500 large shadows, with some of them being boys. They have glowing white eyes and they're tongues were out. They all wore Egyptian like pants and they were very muscular. Amen grins again.

AMEN W. KEN SLAYER
Alright men! It's high time that
we'd get going and take them right

SOBEK W. KEN SLAYER
But of course Chief. Anything you

AMEN W. KEN SLAYER
Let's go Thoth. It's time for us to

GENERAL COMMENTS

Instructor

First off what a creative and original set up here! It is quite the lofty ambition to create another time era, a world that needs to be consistent and the dialogue to match it.

That being said the question comes up about dialogue. You have a lot of speeches here and that detracts from the action of the piece. You also set up a lot of different exposition here that can take away from the dramatic conflict. If you do this make this bigger, expand on the central issue here and do not set up too many B stories.

Keep writing!
