There's a beat

A phone rings

SASHA

Agent cargo looks surprised, and then looks at the boys with a serious face.

AGENT CARGO

An angry Dexter gets out first, fixes his shirt and shows off to the rest of the agents.

DEXTER

153 EXT. NEW YORK AIRPORT - CONTINUOUS ACTION

153

Reporters appear flashing cameras. A mike is situated in a 1.5 meter high stage. A very overwhelmed William gets on the stage. As he is about to speak. A girl's underwear is thrown at him and lands on his chest three more are thrown and more. William looks particularly handsome. A smiling William looks like he's about to cry but pulls himself together.

WILLIAM

Ladies

William takes off his shades.

(WILLIAM CONT'D)

I want to thank everybody for being at the party, for being here, thanks to the dudes around the world who made a thought come to life, the sponsors and everybody. I don't thank my friends for doing this.

he looks behind him. Dex and Ben are all smiles.

I'm proud of them.

William screams out loud "We Love You New York". WooOHooO! The crowd goes mad!

Chloe appears in the crowd Ben notices her and looks disappointed. Dexter gets up, looking pretty geeky. Just before he touches the mike an opened laptop is thrown at him, it flies and almost knocks him on the head. But he ducks and it misses him and CRASHES ON THE WALL.

DEXTER

Whoa!!

He slowly raises his head, and checks if anything else is on its way.

There's a beat

(DEXTER CONT'D)

Come on guys, I'm not that of a geek.

Dexter looks disappointed, William and Ben laugh silently.

(DEXTER CONT'D)

It's not funny guys, it's not funny!

(DEXTER CONT'D)

I am really grateful for the people who came and made this happen I hope you had a great time because I did.

The crowd claps hands for him. The girl who threw the laptop is isolated and Dexter walks down to her. She seems very capable of handling him.

DEXTER

Were you trying to kill me?

LISA

(nervous)

No, i was... your friends were being given stuff and I though you could use a smile.

DEXTER

(all smiles)

It's funny

LISA

Really?

DEXTER

Heh yeah

LISA

I am glad to hear that.

DEXTER

So am I. That's an expensive idea.

LISA

I know.

Dexter walks with her

DEXTER
So what do you do?

They fade of into the crowd. Ben sees Chloe walking away and runs after her.

BEN
Chloe, wait!

Chloe stops and looks at him

CHLOE
Give me one reason why I should listen to you?

BEN
There's a possibility that you might trust me again.

(BEN CONT'D)
I wouldn't leave without saying goodbye you are not like every other girl.

CHLOE
There are others?

BEN
No I did mean it like that. I was going to call you. When I saw what had happened I thought me and the guys should lay low for a while. I will be back ok?

CHLOE
You don't have to leave,

FAN
We love you guys!

CHLOE
You see?

BEN
I will be back.

Ben kisses Chloe. Dexter is kissing Lisa, he stops, looking dreamy

DEXTER
I will find you Lisa

LISA

I know

WILLIAM

Come on, we will be late.

Groups of girls are dragging him.

BEN

Alex

Ben walks to him and shakes his hand

BEN

Thanks for the welcome man you are a real American.

William walks to Alex.

WILLIAM

Out of ten?

ALEX

They don't set scores for classics.

William salutes him.

WILLIAM

I will be back soon.

Dexter walks to the two

ALEX

Your mom warned me about you.

DEXTER

What did she say?

ALEX

You always get tangled up in things.

WILLIAM, BEN

Ha ha ha.

WILLIAM, DEXTER, BEN

See you soon guys!

Ben looks at Chloe and winks an eye. Chloe smiles and tries hard to figure out what that was all about. They disappear along the hallway. Chloe looks like she cracked it

CHLOE
Shit!

CHLOE'S FRIEND

CHLOE
They did it didn't they?

FRIEND
Yeah they did it.

Chloe thinks and then laughs silently.
