man.

MAX WOODSTOCK VANDINGA
Yeah you like it. That way nobody
will know how I am and it will
look like that I'm a hippie like
person from the 70's. You also
changed your appearance as well
with the circus pants and leather
boots as well.

ACE VENTURA

Well the reason is. Is because
Melissa and Jessica are right. I
am not meant to be a police
officer. And From now on I am Ace
Ventura Pet Detective. Hell, I
have a new businesses card now.

Ace shows Max his businesses card and Max looks at it.

MAX WOODSTOCK VANDINGA

Dude that's really sweet. Well

MELISSA ROBINSON

Hi Jessica. I'm Melissa.

JESSICA MONROE

Your seeing her now?!....

ACE VENTURA

Jessica, I just don't know if we have anything in common anymore. Plus your parents don't even like me. And they think what I'm doing is bull crap according to them.

JESSICA MONROE

But I really wanted you to be a animal vet so that my parents can like you. And we can be together...

ACE VENTURA

Well I'm sorry Jessica but...I'm going to be a pet detective and there is nothing you can do about it. I have made up my mind. And I just don't fit into your world like I thought I did. Especially after I accidentally hit your dad in the balls during a game of a golf.

CUT TO:

Ace starts walking to the golf course and he shows wearing his Miami Vice like outfit.

ACE VENTURA (CONT'D)

Hey Mr. Monroe, it is a very nice and wonderful day to play golf.

ACE VENTURA

Oh okay.

CO WORKER 1

Well Animal detective. Sounds like the economy has been doing really good even to create this position. Sounds like a bunch of a bull shit to me...

CO WORKER 2

Yeah because it's like just as much money as like being a hooker or a stripper or working at McDonald's.

ACE VENTURA

Well so far my last pay was actually around 35,000\$ in cash I believe because the police paid me for getting Tingles behind bars.

RILEY MONROE

What did I tell you about talking?!...

ACE VENTURA

Yes sir.

CO WORKER 3

Lets go play some golf. I just have to take viagra.

CUT TO:

The men and Ace are on the first hole and Ace is concentrating really hard. Ace finally hits the ball and it goes really far.

CO WORKER 1

Holly damn that looks far.

CO WORKER 2

Yeah it really does. It reminds me of the time I played golf with Amanda Cerny's father. It didn't turn out good at all.

Ace walks up to Riley with a smile on his face.

RILEY MONROE

I didn't know you knew how to play golf.

ACE VENTURA
I sadly don't actually.

Riley is very shocked and confessed.

CUT TO:

Ace and the men and Jessica's dad are on the last hole.

CO WORKER 1
Well it seems to me that I won
this round by a mile because
animal boy can't hit shit!!!!!!...

CO WORKER 2
Yeah I have to fucking agree. He
also puts too much cologne on. He
smiles like jaguar and a tiger as
well.

RILEY MONROE
Oh okay guys. well we have a huge
party in Tampa in a couple of
days. And then we will party as
well.

Riley and his co workers start laughing.

Ace keeps on concentrating and he hits the ball into the
hole.

RILEY MONROE (CONT'D)
Well sadly you got a boggy Mr.
Ventura. But I appreciate your
hustle and attention to detail.

ACE VENTURA
Oh well I mean we can always
improve which I believe is a good
thing. Well I will go get the golf
clubs.

Ace walks over and he grabs the golf clubs and all of a
sudden, Ace trips on something one of the golf clubs flies
out of the cady bag and it whacks Riley in the balls.

Riley falls to the ground in pain.

CUT TO:

The ambulance come and take Riley into the ambulance car.

ACE VENTURA (CONT'D)

RILEY MONROE

You suck at golf really bad and you don't deserve to date my daughter. And now I can't have sex with my own wife because of you moron!!!!!!

The car leaves and makes a siren noise.

CO WORKER 1

Man that's too bad. Because that's like saying you ran out of money and then also saying You can't do salsa dancing.

CO WORKER 2

Yeah and also Riley is the life of the party and I am going to miss you for a couple of days.

FADE TO:

Ace and Jessica are in their swimming pool and they go into the hot tub.

JESSICA MONROE

I really enjoy being with you right now.

ACE VENTURA

Are you sure your parents are okay with me being here after the golf incident?

JESSICA MONROE

Ace, don't worry my dad just gets really angry and mad when he gets injured. He will be okay.

ACE VENTURA

JESSICA MONROE

Yeah mommie, Ace is here isn't that wonder?

CARLY MONROE

You get your fucking hands off my daughter. Also you didn't get my permission to come over!!!!!!

Ace gets out of the pool without grabbing his swim-trunks and he climbs off the fence and lands on the ground and he starts running away from the house and the music gets louder.

JESSICA MONROE
Ace come back!!!!!!...

CUT TO:

Melissa is driving on the road and she spots Ace streaking. Melissa stops the car.

MELISSA ROBINSON
Get in...

Ace gets in the car. And Melissa drives off.

CUT TO:

Ace and Melissa in the car.

MELISSA ROBINSON (CONT'D)
Sounds like after graduating from the U really hasn't been good to you. Even though your a pet detective and have a lot of money and now are considered part of the middle class.

ACE VENTURA
Yeah I know. I just really feel like I really don't belong in her world anymore and nobody in their circle takes me serousley. It's insane.

As Melissa is driving she all of a sudden gets another fancy car on her tail and Carly starts chasing them.

CARLY MONROE
I really hope you never come back to our house you animal boy!!!! We don't care that you graduated from the U!!!!!!

Ace gets really scarred.

Melissa starts going really fast on the highway and Carly starts chasing Melissa and Ace throughout the whole night.

MELISSA ROBINSON
Don't worry Ace we will get out of here....

CUT TO:

INT. UNITED CLUB IN MIAMI AIRPORT - NIGHT - BACK TO THE PRESENT

ACE VENTURA

And yeah I just don't know we can be together no more. I'm sorry Jessica.

JESSICA MONROE

Your breaking up with me?!...

ACE VENTURA

Yeah.

Ace gets really scarred as Jessica is really mad and upset.

JESSICA MONROE

I literally am going to kill you!!!!

Jessica takes out her peppery spray.

ACE VENTURA

Jessica please I wouldn't to spray pepper spray if were you. Come on sweat-heart. Come on, lets take off those clothes get you in bed with us.

Jessica gets really mad and kicks Ace in the face and she gets really mad that she gets out a taser. And she starts spraying her taser at Ace and trying to electrocute him.

ACE VENTURA (CONT'D)

Oh no!!!! Oh my fucking god!!!!!!

Ace and Melissa start running out of the United Club and start streaking in the airport.

The song "Lost Boys By Ocean Park Standoff" plays in the background.

Ace and Melissa jump on a airport car and Ace starts driving the cart really fast in the airport.

COP 1

Stop them they don't have any clothes on!!!!!!

ACE VENTURA

Oh boy!!!!!!...

Ace keeps on driving and more people are chasing them.

MELISSA ROBINSON

CUT TO:

Ace and Melissa get into the cargo compartment without being spotted.

Ace and Melissa hide in the restroom.

Both Melissa and Ace are laughing.

MELISSA ROBINSON
Oh my god that was so crazy. So
how long are we going to stay
here?

ACE VENTURA
Well just for a little bit at
least intel the baggage people get
all the bags on the airplane. And
then from there, I believe we will
find some clothes I believe.

Melissa smiles at Ace and she starts kissing him on the lips in the restroom.

CUT TO:

Ace and Melissa start looking through the suitcases and Ace is able to find some simple clothes and is able to find a green Hawaiian shirt and some sweat pants and some tennis shoes.

ACE VENTURA (CONT'D)
Sounds like this is my kind of
style.

As Ace is putting on the clothes he found, Melissa shows up and she is wearing dark blue jeans with a strap shirt while wearing a leather jacket.

Ace turns back and he is blown away by Melissa's style.

MELISSA ROBINSON
How do I look?

ACE VENTURA
Melissa, you look like a million
dollars and you look the sexist
woman alive.

ACE VENTURA (CONT'D)
Just one question though, Aren't
you worried about your cheer
leading career if someone finds
you on social media?

MELISSA ROBINSON
No not at all. I really don't give
a crap about it. I just really
care about you and I want you to
be happy. And I am glad that I'm
going to be with you as well.

Ace and Melissa start kissing each other on the lips.

FADE TO:

INT. THE MALL IN NEW YORK CITY - AFTERNOON - PRESENT

Ace and Max are sitting down in the mall.

MAX WOODSTOCK VANDINGA
Damn buddy, that is really rough
and really crazy my man. And I am
really sorry that Jessica's
parents sadly did not like you.
And yeah I just can't believe you
and Melissa streak inside of an
airport and then got on to a
plane.

ACE VENTURA
Yeah but to be fair Max, I just
try to view like the animal
kingdom and animals are always
naked if you think about it.

MAX WOODSTOCK VANDINGA
So where is Melissa now?

ACE VENTURA

She is back at the hotel room and I believe she is just doing some shopping I believe. And then possibly doing more things as well.

MAX WOODSTOCK VANDINGA

Has her streaking incident with you destroyed her career?

ACE VENTURA

Um not really I don't think. But I think I believe NFL cheerleaders don't really get paid that much I believe. But I could be work.

MAX WOODSTOCK VANDINGA

I see. Well man we have to meet up with my dad inside of the vidcom building. We have a lot to do lets go.

Ace and Max get up and they start walking out of the mall.

CUT TO:

Ace and Max walk into the Vidcom building in New York City and they are in the elevator going up. The elevator stops and they get out of the elevator and they start walking.

An older gentlemen sees them.

CLYDE VANDINGA

Max, Your here I am glad you are able to help me out with this project.

MAX WOODSTOCK VANDINGA

Dad it's my pleasure, also this my friend Ace Ventura.

Ace and Clyde shake each other's hand.

ACE VENTURA

It's a pleasure to meet you sir.

CLYDE VANDINGA

Pleasure to meet you as well Ace. Max has told me a lot of good things about you.

ACE VENTURA

So who are we meeting in this wonderful building?

CLYDE VANDINGA

Well we are meeting someone by the name of Sarah Bourquin. And she owns a diamond and jewelry chain in Europe.

ACE VENTURA

That sounds really interesting. I can't wait to meet her.

Ace, Clyde, and Max start walking into the main office.

CUT TO:

They get into the room and they notice right away that the room is pink and purple with a lot of jewelry statues with a lot jaguars and panthers in the room.

MAX WOODSTOCK VANDINGA

Yeah it really sounds like this woman really likes cats.

ACE VENTURA

Yeah I have to agree with you on that Max.

CLYDE VANDINGA

Well hopefully this meeting with her goes really well.

They start to see a light beeping and it's another elevator going up and they see Sarah in the elevator.

Sarah walks out of the elevator.

SARAH BOURQUIN

Hello gentlemen. Mr. Vandinga I am very grateful that you and your son are able to join us. And I have a deal that could really save your company.

CLYDE VANDINGA

Well I just want to hear what type of technology you are suggesting.

SARAH BOURQUIN

And this must be your son Max. I can see your becoming a handsome boy.

MAX WOODSTOCK VANDINGA

Oh thanks Ms. Bourquin.

SARAH BOURQUIN
Your welcome and who may you be?

ACE VENTURA
I'm Ace Ventura Pet detective. I'm
also Max's best friend.

SARAH BOURQUIN
Interesting. Well I have no
animals here but I do enjoy cats
and the cat family a lot Mr.
Ventura. My great ancestors were
part of ancient Egypt and build
Egypt the way is today.

ACE VENTURA
That is some really interesting
facts. But it was really wonderful
to learn.

SARAH BOURQUIN
So Mr. Vandinga, What I have in my
briefcase is a new type of diamond
called the Sandra that really not
only be a girl's best friend in
terms of jewelry but it can also
power computers as well. I will
show you.

Sarah's workers brings up an old mac computer and Sarah
grabs one of her diamonds and melts the diamond into liquid
and puts it into a bottle. Sarah dumps the bottle into the
computer.

The jewellery liquid starts going into computer and making
the computer better.

CLYDE VANDINGA
Wow this really impressive and
really wonderful. How much would
this stuff cost on the open
market?

SARAH BOURQUIN
Well I believe for you only 4,000\$

CLYDE VANDINGA
Well nobody can fuss over that.

MAX WOODSTOCK VANDINGA
But I just have one question
though however, How were you able
to create this stuff.

SARAH BOURQUIN

I am really glad that you asked that my boy. We are able to mix a lot of rocks in Egypt a long with a lot of fruits and then also using liquid silicon as well.

As they keep on talking, they see another co worker of Clyde's coming into the room.

RACHEL TYLER

Hey Mr. Vandinga, I am really sorry to interpret but we were able to get another city that is better.

CLYDE VANDINGA

Oh wow perfect. Sounds great.

Rachel also her Ragdoll cat with her. The cat makes a sound and the cat starts rolling her tail on Ace.

ACE VENTURA

Hey kitty...Yeah I know this is boring stuff as well.

The cat makes noises. Ace picks up the cat and holds it in his arms.

CUT TO:

Clyde and Sarah's conversation.

SARAH BOURQUIN

Finally, Mr Vandingia This chemical will also help with making kids smarter and less stupid. And that is something we would really want.

CLYDE VANDINGA

Well maybe we should just stick with it on computers and technology then have it be anywhere else.

SARAH BOURQUIN

I am giving you the opportunity to make five billion dollars. And sadly your son and his friend won't be enough to protect you!!!!

All of a sudden her thugs show up with guns and they point the guns at Clyde, Max, and Ace.

SARAH BOURQUIN (CONT'D)
You should choose very wisely
boys.

SARAH BOURQUIN (CONT'D)
Grab the cat and the girl.

The thugs go towards Ace and they point a gun at him.

THUG 1
Alright buddy, hand over the cat.

ACE VENTURA
You know something...You are...A
loser and...How about you NO!!!!

Ace throw the cat up in the air and he kicks the thug in the face and punches another one in the face.

Another thug tries to whack Ace in the face. Ace dodges the punch and kicks the thug in the face.

Ace gets tackled really bad and the thug tries to punch Ace in the face. Ace grabs the guy by the neck and throws him up in the air. Ace gets up hook kicks him in the stomach.

More thugs run up to Ace and they start attacking him and throwing a lot of fight moves at him. Ace is able to dodge the attacks and punch the thugs in the face and also throw some kicks at them and knock them out.

Ace avoids another hit and jumps up in the air and kicks the last thug in the face and knocks him out.

More thugs show up and they grab the cat and they also grab Rachel.

THUG 2
If you fallow us she dies!!!!

The thugs start running and Ace starts chasing them and they start going upstairs in the building. Ace starts going after them. Ace dodges the gun bullets and he hides behind the walls and Ace presses a button his spy watch that shoots oil slick at them.

Ace keeps on running and Ace gets to the top of the roof and the helicopter takes Rachel into the copter. And they take her cat too.

The thugs point their guns at Ace and they start shooting at him. Ace is able to dodge the gun bullets. The helicopter takes off into the sky.

As Ace sees the helicopter going into the sky, Ace hears a gun being loaded and Ace turns back and it's Sarah and she is pointing a gun at him.

SARAH BOURQUIN

There is no hard feelings Mr. Ventura but I believe I might have the upper hand espcailly with my resources. And I don't believe someone with your lack of IQ understand.

SARAH BOURQUIN (CONT'D)

Try to out dodge these.

Sarah all of all sudden throws a lot of gold and diamond diamonds at Ace and causes a lot of explosions. Ace jumps up in the air to avoid the explosives. Ace lands on the ground and Ace starts running downstairs and he starts chasing Sarah and Sarah takes out a gun and she starts shooting at Ace. Ace dodges the gun bullets. Sarah takes out a rocket launcher and she tries to fire rockets at Ace.

Without thinking, Ace jumps out the window and he sky dives out the window and Ace falls down and breaks a car in the process.

Ace grunts his teeth in the process. Ace gets off the car and he sees a fancy car going really fast on the street in Time sqaure.

Ace sees someone's car.

TAXI DRIVER

What the hell?!...

ACE VENTURA

I'm going to need to borrow your car man.

Ace jumps in the driver's seat and Ace puts the pedal to the metal.

Ace starts driving the taxi car and he starts going really fast on the highway and starts chasing after Sarah.

CUT TO:

Ace starts chasing Sarah really fast on the highway and start chasing to the Hudson River.

During the car chase, Sarah presses button on her cars and start firing a lot of weapons at Ace. Ace takes a lot of twists and turns and avoid the attacks from Sarah's car.

Ace keeps on driving going after Sarah and Ace sees another broken car coming towards him and Ace goes around 800 miles per hour and he goes off a huge ramp. Ace gets a lot of air and Ace falls to the ground.

CUT TO:

Shows Ace chasing Sarah from another angle. Sarah presses a button in her face and fires another rocket and Ace jumps out of the car and the car goes into the air and crashes into another building.

Ace sees Sarah running to a boat. Ace starts running after her. Ace sees a water-scooter and Ace goes on the water scooter and Ace starts going after Ace on the scooter.

Ace starts going really fast on the scooter and Sarah's boat starts going really fast and some of her henchmen start firing at Ace. Ace is able to avoid the gun bullets and Ace keeps on chasing after Sarah.

Ace takes a lot of turns dodges the bullets coming at him. Ace is able to catch the bullet with his mouth. Ace also is able to use his watch to defend himself from the bullets.

SARAH BOURQUIN

I have to give you credit Mr. Ventura you are really good with water scooter and with a car for a person that loves animals. But I am really sure you really didn't see this trick coming did you.

Sarah then presses a button on her remote and Ace fires another grenade at Ace's scooter. And Ace's scooter blows up in flames and Ace gets blown up really bad and Ace falls in to the Hudson river.

Ace's scooter blows up in flames and Sarah's boat goes after and they starting heading towards a submarine.

SARAH BOURQUIN (CONT'D)

So long Mr. Ventura...

CUT TO:

INT. BOURQUIN'S SUBMARINE - AFTERNOON

Sarah enters the submarine and he sees Rachel's cat in a cage.

SARAH BOURQUIN

It really will not be the last time I kidnap cats. Because soon with my new diamonds and my new jewelry, I will be able to make Cats into monsters and also make Cats really smart and really powerful. And I will make them even more evil then they ever were in ancient Egypt. And then when that happens, I will be able to use my diamonds to destroy New York City and rob all of jewelry in New York City. And then I will use the jewelry to build my own African place on the beach and I will build to take over the world and then I will use liquid silicon to controls forever!!!!!! nothing can stop me now!!!!!!

MUAA
 AA
 AA
 BRAA
 AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!!!!!!!
 !!!

FADE TO:

EXT. IN THE WATER IN THE HUDSON RIVER - AFTERNOON

Ace is sinking in the water and Ace sees a boat and the boat starts putting an anchor for Ace to catch.

Ace is able to catch the anchor and the anchor starts pulling him up.

CUT TO:

Ace is able to get out of the water and the anchor throws Ace into the boat and Ace starts coughing up water.

Max and Melissa start running to Ace.

MAX WOODSTOCK VANDINGA
 Are you okay Ace?

MELISSA ROBINSON
 Yeah are you alright? That explosion that hit you was really big.

ACE VENTURA

I'm fine you guys. But sadly Max your dad's new client got away and man she really has a lot of weapons. It's crazy.

CLYDE VANDINGA

Well we are glad you are alright. I just knew in my gut that woman was just trouble and the fact she kidnapped one of my co workers as well.

ACE VENTURA

Yeah I know. What the hell do you think she wants with her Mr. V?

CLYDE VANDINGA

I don't know but we have a lot of work to do son. Are you ready for this Pet Detective?

ACE VENTURA

Sir, I was born ready.

CUT TO:

INT. CLYDE'S HOTEL ROOM IN THE BRONX - NIGHT

Ace, Max, and Melissa are behind Clyde's laptop computer in his hotel room.

MAX WOODSTOCK VANDINGA

So what were you able to find out dad?

CLYDE VANDINGA

Well I just found out that this Sarah woman is really evil and very awful and I will read some of her information.

CLYDE VANDINGA (CONT'D)

Sarah Katrina Bourquin is from London, England and she is the from the north part of England and her father was jewelry marker in that country. And her mom designed dresses the royal family. Bourquin went to Princeton around the 1960's and graduated with a Bachelor degree in art and jewelry making.

(MORE)

CLYDE VANDINGA (CONT'D)
She started her company in 2016
but there is no current location
of her businesses.

ACE VENTURA
Sounds like another Frank Tingles
then?

CLYDE VANDINGA
It seems that way. But I think she
could be even worse than him. And
in the last 4 years it says that
she wants to use jewelry and
diamonds and make her own place in
South Africa.

MELISSA ROBINSON
That's insane. Why would someone
want to do that. Plus isn't
America a great country.

CLYDE VANDINGA
It is Melissa. But some people
really do not care about their own
country sadly.

ACE VENTURA
But then how do this case relate
to pets? And why did she steal
your co worker's cat?

CLYDE VANDINGA
Well it says that Bourquin wants
to build her jewelry place and
wants to use it as a weapon to
have all the cats in the world bow
down to her and also use it to
have people bow down to her
eventually.

ACE VENTURA
Well that really doesn't sound
fucking good!!!!...

CLYDE VANDINGA
No it is not. Anyway, I will check
up on your 3 kids to make sure
things are going alright. And
hopefully we can find Rachel and
save her cat as well.

ACE VENTURA

Also to add, It feels like things are on a much bigger scale and there are more pieces to this puzzle as well.

MAX WOODSTOCK VANDINGA

Yeah I agree Ace.

MELISSA ROBINSON

What do you think we should next?

CLYDE VANDINGA

Well so far, just try to roam around New York City and see if there other bad activity going on.

MELISSA ROBINSON

Oh that sounds great.

They all start walking to a subway station and they start taking the subway. As they do this, One of Bourquin's henchmen take photos of Ace, Melissa, and Max.

CUT TO:

Ace and Melissa and Max get to a pizza restaurant and they get seated and they sit down at the table.

MAX WOODSTOCK VANDINGA

Man this is really awesome and really wonderful. I can't believe we are about to try New York Pizza.

ACE VENTURA

Oh yeah definatly for sure. I can't wait. It was also really nice of your dad to help us.

(MORE)

ACE VENTURA (CONT'D)

And I also feel really bad for him
as well that he is caught in the
cross fires.

MAX WOODSTOCK VANDINGA

Dude it's okay Ace. I'm sure we
will be able to find that cat and
find Rachel as well.

MELISSA ROBINSON

And yeah so far we can really
start from anywhere.

ACE VENTURA

Yeah I agree you guys.

The waiter comes.

WAITER

Hello kids, Can I get you guys
something to drink?

ACE VENTURA

I think I will go with a beer, Max
what do you want?

MAX WOODSTOCK VANDINGA

I will go with Coors Banquet.

WAITER

And for you young lady?

MELISSA ROBINSON

I'm going to go with a Margareta.

WAITER

Sounds good and I will get you
those things.

The waiter leaves and goes to get their drinks.

CUT TO:

They all start drinking and eating pizza.

ACE VENTURA

Man that beer was really strong.
Man right now I just feel like a
really big horse.

MAX WOODSTOCK VANDINGA

Yeah tell me about it bro. I also
feel like a very huge donkey.

MELISSA ROBINSON

You boys are silly. I am just fine.

MAX WOODSTOCK VANDINGA

But you do cheer leading all the time though. That's not fair.

ACE VENTURA

I don't know she does have a point Max. they do a lot of exercise. And they also do a lot of jumping as well.

MELISSA ROBINSON

Thank you Ace.

MAX WOODSTOCK VANDINGA

But yeah this is really awesome you guys. I am glad that we are in New York City. I really don't want to leave.

MELISSA ROBINSON

But you do realize that finding a girl here is a lot harder then Miami right?

MAX WOODSTOCK VANDINGA

Yeah but I can survive just fine.

ACE VENTURA

Well I don't know Max, that's cool and all and I like Miami. But sadly for me I can't go back to Miami because of all the events that happened between Jessica and I.

MAX WOODSTOCK VANDINGA

Buddy it's okay. There was nothing you could of done man. Plus your rich, you can leave anywhere you want?

ACE VENTURA

I don't know Max, Miami will always be my home and eventually I will have to go back. And sadly suffer what kind of crap that is waiting for me down there.

MELISSA ROBINSON

Well you won't have to do it alone
Ace. I'll be with you 900%. And
plus your my Tarzan.

MAX WOODSTOCK VANDINGA

If you guys are Tarzan and Jane,
then what the hell does that make
me?

ACE VENTURA

You sadly would be either the red
elephant or blue gorilla.

MAX WOODSTOCK VANDINGA

Hey man, I am not fucking Turk
plus he was voiced by Rosie O'
Donnell. No fuck no I am going to
be the elephant, Elephants are way
more smarter and they do not
forget anything.

Ace and Melissa start laughing.

MELISSA ROBINSON

(laughing)

What ever you say Max.

CUT TO:

Ace, Melissa, and Max start walking in central park.

MAX WOODSTOCK VANDINGA

I can't believe I am the animal in
the group. That's just not fair.

ACE VENTURA

If it makes you feel any better I
am all the animals in the animal
kingdom.

MAX WOODSTOCK VANDINGA

Yeah but you like get all the
chick and you have your own chick
with you. And your like the alpha
male and I'm like the long hair
monkey. And Melissa is like your
lioness and she is like your
queen.

ACE VENTURA

Well she is the queen Max. Don't
worry buddy you will find a
girlfriend I know you will, give
it some time.

MAX WOODSTOCK VANDINGA
But I don't have a lot of time. We
are all getting older.

CUT TO:

INT. ACE AND MELISSA'S HOTEL ROOM - NIGHT

Ace and Melissa walk into their hotel room and Melissa starts taking her clothes off and she lays down on the bed in her underwear.

MELISSA ROBINSON
Oh this bed feels really comfy. I
can lay down on this bed forever.

Ace also jumps on the bed with Melissa.

MELISSA ROBINSON (CONT'D)
Yeah I know you are on a really
big case again. But hopefully you
and I can still have some fun.

Ace and Melissa start kissing each other on the lips.

ACE VENTURA

beautiful and very stunning and
also a very hot baby girl as well.

MELISSA ROBINSON
Oh thanks sweetie pie.

MELISSA ROBINSON (CONT'D)

Yeah I don't know if I can buy it right now because it's very expensive but hopefully I will like order it when the price goes down.

ACE VENTURA

That sounds like a really good idea Melissa.

As Ace is talking to Melissa, Ace sees a cat food businesses that is closing down.

Ace starts walking over to the cat food place and he goes inside and he starts looking around and he sees the cat food and cat toys as well.

CAT FOOD BUSINESSES OWNER

Look man if you are going to arrest me or report me to the IRS. Just do it already!!!!....

ACE VENTURA

No it's okay man. I'm with the IRS or the FBI or any of those crazy places. I'm just someone that is looking around. Do you know why your store is closing down in booming mall like this?

CAT FOOD BUSINESSES OWNER

Well sadly however, nobody really has any cats to buy cat food or any cat toys. And then also Sarah Bourquin's is asking for specific cat milk and it's really hard to make and she says if I don't make it, She will put my store out of businesses.

ACE VENTURA

Oh my god that's terrible man. So that's why you are shutting your doors down.

CAT FOOD BUSINESSES OWNER

Just what ever you do. Do not mess with Sarah Bourquin and her thugs because they will kill you man.

ACE VENTURA

Well I'm not worried about that. I just want to ask another question to you. When do her thugs come to see you?

CAT FOOD BUSINESSES OWNER

Sadly they never tell me man.

ACE VENTURA

Can I see this cat food formula or product that your making?

CAT FOOD BUSINESSES OWNER

Ah what the hell I'm closing down anyway so yeah why the hell not.

The owner of the store starts walking down to the basement and Ace starts following him.

CUT TO:

The owner and Ace go to the basement and Ace right away sees a lot of white liquid that looks yogurt mixed with candy.

CUT TO:

Vandingia starts seeing the yogurt photos from his computer and from his Iphone.

MAX WOODSTOCK VANDINGA

Holy hell this stuff looks really crazy.

CUT TO:

Ace and the cat food owner in the basement.

ACE VENTURA

So what made you want to make all this stuff?

CAT FOOD BUSINESSES OWNER

Well soon, even though I really love cats a lot. My dream was not to make cat food, it was really make a lot of yogurt for people and hopefully start my own frozen yogurt place in New York City. But my mother back in the day, had big time ties to Bourquin and from there on, even after she died, Bourquin demanded that I give up making Yogurt and make Cat Yogurt and only giving little shares in the process.

ACE VENTURA

So she is basically taking advantage of you and ripping you off. Is that correct?

CAT FOOD BUSINESSES OWNER

Yes it is man.

ACE VENTURA

Reason I ask all these questions is that I'm a pet detective and so even though I don't do humans and I do pet related cases, But since you are thrown into this shit-hole mess, I will see if I can help you as well.

CAT FOOD BUSINESSES OWNER

Thank you so much little buddy.

CUT TO:

As Melissa is waiting by the store, Melissa notices some of Bourquin's thugs coming in.

Melissa gets really shocked and scarred and she starts sending a text message to Ace.

CUT TO:

Ace starts receiving the text message from Melissa and Ace starts reading it.

CAT FOOD BUSINESSES OWNER (CONT'D)

Another thug tries to attack Ace but Ace jumps up in the air and does Tarzan yell and does a back flip kick and kicks the last thug in the chin and knocks him into a cat yogurt container head first.

Ace lands back on his feet and walks over to the knocked out thug.

ACE VENTURA (CONT'D)
And you are a looser!!!!!!....

Ace sees the cat food owner.

ACE VENTURA (CONT'D)
I was able to kill or knock out
the future thug people. We have to
get out of here...Come on!!!!!!

Ace grabs the cat food owner and they start heading out of the cat food store.

CUT TO:

Ace and the owner run out of the store and Ace hears a huge robotic cat making a meow sound.

ACE VENTURA (CONT'D)
Oh shit that does not sound like a
very normal kitty cat.

Ace and the owner turn back and all of a sudden, a huge cat robot enters into the mall and it looks very mean and very evil looking.

CAT FOOD BUSINESSES OWNER
Oh mother of god!!!!!!!

All of a sudden, the cat starts walking into the mall and is about breathe fire out it's mouth.

SARAH BOURQUIN
Indeed it is Mr. Ventura. But in a
matter of minutes, I'm going to
attack the two of you with this
cat robot machine that I'm
controlling and then try to kill
you and then blow up this mall and
then have it be blamed on Ace in
the process. Oh this is going to
be a lot of fun!!!!!!

Sarah's start doing a evil laugh.

Ace looks at the cat robot machine and he starts getting angry and he starts barking like a dog and growling like a dog and getting more mad.

Ace starts running to the cat robot. Ace starts running the cat robot and the robot starts firing a lot of bombs at Ace and Ace jumps in the air and avoids the bombs being thrown at him.

Ace jumps up in the air and he grabs on to a escalator railing and Ace starts zooming up to the 2nd floor.

Ace gets to the 2nd floor and out of his pocket, Ace starts throwing a lot of fire crackers at the robot, the fire crackers blow up on the cat and causing a really huge explosion. The robot cat gets forced against the wall. The Robot cat makes a cat hissing sound as it gets up.

The robot cat gets up and it starts breathing a lot of fire out of it's mouth and Ace starts running to avoid the fire being sprayed at him.

Cat makes a hissing sound and an evil meow sound. Ace is doing a flip up in the air Ace lands on the ground and Ace jumps and avoids machine gun bullets from the robot cat. Ace hides behind a wall, The cat makes an evil meow sound and slams the wall down and Ace runs away and the cat keeps coming at Ace and does an evil meow sound and cat hissing sound.

Ace grunts his teeth in anger and has a pissed off face and Ace grunts his teeth, there is a wolf hissing sound in the background.

ACE VENTURA

Come at me you big pussy cat Son
of a bitch!!! I'm not afraid of
you!!!!

Ace defends himself with his pocket knife and the cat starts throwing a lot of cat attacks with it's sharp robot nails. Ace strikes back at the cat nails and Ace does a back flip and the cat tries to bite Ace, But Ace using all of his strength he strikes at the cat stabs the cat in the face and causing a lot of purple liquid to come out of the face. And the cat starts screaming in pain and Ace throws another fire cracker at the cat and causing a really huge explosion. And the cat starts going down and it lands on the ground with purple and pink liquid coming out.

CUT TO:

Sarah's starts screaming inside of the cat, the cat blows up and Sarah ends up on the ground really beaten up as she is in a sliver jumpsuit.

Ace starts coming towards her.

SARAH BOURQUIN
Your Tarzan like fighting style
will not be enough to stop me. And
your not even a real
detective!!!!!!...

ACE VENTURA
Yeah I get that. But I have these
fire cracker bombs that I will
throw at you and I believe that
have your fucking name on it you
bitch!!!!!!....

Ace starts throwing the explosive weapons and Sarah ends up being forced against the wall and ends up getting a huge cut on her face and on her right arm as well.

Sarah starts running out of the mall.

Melissa sees Ace beaten up.

MELISSA ROBINSON
Ace you are alright?...

ACE VENTURA
I'm okay Melissa. Take the cat
food guy to our hotel room and
keep him safe and call the police.

MELISSA ROBINSON
But what about you?

ACE VENTURA
I have to go after this female
monster!!!!

Ace starts running out of the mall.

CUT TO:

Ace runs out of the mall and he sees Sarah running into jaguar patterned limo.

ACE VENTURA (CONT'D)
Your not getting away that easy.
Not with Ace Ventura Pet Detective
on your tail!!!!!!...

Ace sees a motorcycle and he steals the motorcycle and Ace starts going on the bike really fast.

CUT TO:

Ace is on the motorcycle and he starts chasing after Sarah's limo, Sarah's thugs start firing a lot of weapons and rockets at Ace.

Ace starts walking away from the limo and he ends on the side walk part of the bridge and he starts walking back to his hotel room.

As Ace is walking back, the limo explodes into flames leaving a lot of people being really shocked.

CUT TO:

INT. ACE'S HOTEL ROOM - AFTERNOON

Ace gets into his room room.

ACE VENTURA

Melissa, did you hear anything back from Max?

MELISSA ROBINSON

Sadly I did not Ace. But the cat owner is safe though.

ACE VENTURA

Good. Just what I want to hear.

Ace walks over to the cat food owner and he is really scarred and is under the bed.

ACE VENTURA (CONT'D)

It's okay man. The cat robot monster is gone and I was able to destroy it. It's not going to hurt you no more.

The business owner comes out of the bed.

CAT FOOD BUSINESSES OWNER

Oh my god that thing is going to give me nightmares for weak. Thank you so...You saved my life. If not for your Tarzan like fighting skills and your brain of many animals I believe. I sadly would have been dead and beaten up by Bourquin's nasty thugs.

ACE VENTURA

It's okay cat man, that's why my girlfriend and I are here.

ACE VENTURA (CONT'D)

But I also have more questions for you though. If you can answer them.

CAT FOOD BUSINESSES OWNER

Sure thing I will help you Pet boy.

CUT TO:

Ace, Max, and Melissa are sitting around the Cat food businesses owner.

ACE VENTURA

Well anyways I'm going to ask you more questions about Bourquin and see what you know. And don't worry there are no wrong answers with me.

CAT FOOD BUSINESSES OWNER

Oh okay.

ACE VENTURA

Alright here is another question I have for you...Where does your mom live and does she still work for Bourquin?

CAT FOOD BUSINESSES OWNER

No, she quit working for her a long time ago. But Bourquin still wanted to use my skills without considering my mom's input.

ACE VENTURA

I see. Another question I have for you, Does she have another allies that work for her?

CAT FOOD BUSINESSES OWNER

Yes she does. I know she has a daughter name Elena and a son name Boris-Spen. Elena currently is a New York model and I hear she is also a New York Jets cheerleader as well. Now Boris-Spen or Boris as people call me him, he specializes in science and medicine and jewelry.

CAT FOOD BUSINESSES OWNER (CONT'D)

And sadly her children were big time jerks to me and they bullied me socially a lot as well.

ACE VENTURA

Yeah I know how that feels my man. We understand. What kind of things do they do to you?

CAT FOOD BUSINESSES OWNER

Well they both call me a lot of names and one of Boris's German buddies even pushed me into a yogurt pool back when I was working for them and they even stole the girl that I liked as well....And it was just soooo sad...

The owner starts crying and tears start coming down his eyes.

Melissa comforts him.

MELISSA ROBINSON

There, there, sweetie it's okay We are your friends. Ace and I will make sure nothing bad happens to you.

ACE VENTURA

Yeah don't worry Melissa is right. We are going to do everything we can to bring Bourquin to justice. And I will not rest intel that happens.

CUT TO:

INT. BORIS'S PEN HOUSE APARTMENT - NIGHT

Boris is in his pen house apartment and he is sitting down at his table and he is drinking a very fancy drink.

Boris stairs down at the New York skyline.

BORIS-SPEN BOURQUIN

Awe New York City, the biggest city in America. and Soon mother will be able to get all the jewelry rounded up and then we will use our yogurt to kill a lot of people as well.

Boris presses a button on his phone.

BORIS-SPEN BOURQUIN (CONT'D)

I want you to send Montero Momen up here and send sister up here as well.

Boris releases his grip off of the button. And Montero and Boris's sister walk into the pen house.

EMILY BOURQUIN

What is it brother?

BORIS-SPEN BOURQUIN

Hello sister. I don't know if you read the news or the paper. But it sounds like mother was able to attack this so called "Pet Detective" And I feel like mother is going to need all the help she is going to get.

EMILY BOURQUIN

So what do you need all of us to do?

BORIS-SPEN BOURQUIN

It's simple. I want you to set traps on Ace Ventura and then also publicly humiliate him as well. Also, we have to set up an event being that it's a trap and then the little american fucker will fall right into it. And mother is going to love it.

MONTERO MOMEN

That will be perfect. And I have never been so good with crazy people and I'm sure I will knock this guy right out of New York.

Boris does a very evil smile at Montero.

CUT TO:

INT. THE HOTEL ROOM - MORNING

Ace wakes up from sleeping and he goes to take a shower.

Ace starts taking a shower and as he is doing this, Ace looks at a bar of soap and he notices that it's from a club and Bar in Long Island.

Ace starts walking into the place. As Ace walks into the place it's revealed that the place is a bar and a strip club.

Ace starts looking around and a lot of other New Yorker in the club do not very friendly towards him.

Ace keeps on walking and he sees a lot of stacks of soap behind the table. The person running the place sees Ace.

SOAP BARTENDER

Sorry man!!! This place is not Hawaii!!!!!!...

ACE VENTURA

I'm not here on vacation, I'm here to see the person who runs this place.

SOAP BARTENDER

Oh good, I knew you would drop in sooner or later. Our man is expecting you.

SOAP BARTENDER (CONT'D)

Fallow me.

The bartender starts walking to the main office and it's filled with a lot of green chocolate liquid on the wall.

MONTERO MOMEN

Thank you...leave us...

The bartender leaves.

MONTERO MOMEN (CONT'D)

Ace Ventura, it's a pleasure to meet you. I have herd a lot of things about you Ventura.

ACE VENTURA

Look man I don't know what you want from me. But I'm not someone who is obsessed with different flavors of chocolate like you are.

MONTERO MOMEN

Really? I know that you are rising in ranks of being a pet detective.

ACE VENTURA

Well that's very nice of you to say. But the only reason I'm here is because I notice that your company makes soap and other products that really could for any mammal pets including dogs, pigs, and maybe cats and other animals that could be domesticated.

ACE VENTURA (CONT'D)
Do you know anything about that?

MONTERO MOMEN
No I do not Ventura. But I'm sure
that my soap company is not
working for Bourquin what so ever.

ACE VENTURA
Oh okay thank your time.

Ace begins to walk away and he shuts the door.

As Ace leaves the office, Montero begins to keep on doing
office work.

THUG 2
What do you think we should do
with him?

MONTERO MOMEN
Oh just kill him, he is not armed.

CUT TO:

Ace begins to walk out of the office and all of a sudden,
Ace is ambushed more of Montero's thugs.

THUG 3
You won't get past us Hawaii shirt
man!!! This really is not your
fight.

ACE VENTURA
No!!! It is.

The thugs get really angry and they run towards Ace. Ace
jumps in the air kicks 2 of the thugs in face. Another thug
grabs Ace and slams him against a car, Ace pushes himself
back and kicks another thug in the face and Ace dodges
another punching attack and whacks the other thug right in
the face and gives him a bloody nose. Ace gets punched in
the face and gets knocked to the ground, Ace gets up and
jumps in the air and punches the thug in the face and also
grabs another thug by the wrist and bitch slaps him really
hard and grabs him and throws him against a broken window.

Another thug tackles Ace really bad and Ace uses both of
his feet and punches the thug in the face 5 times and
punches with an upper-cut punch to the chin. Ace jumps up
in the air and does a backflip and lands on the ground and
kicks another thug in the face and tackles the other thug
really hard and bang-punches him in the neck and knocks him
to the ground

Ace ducks and grabs another thug and throws him really high in the air and against another broken window and kills him very brutally.

Another thug tries to attack Ace and Ace back punches him and the thug falls to the ground knocked out.

ACE VENTURA (CONT'D)
You thugs had no chance against
me!!!!!!

Ace whips blood away from his mouth and noise and Ace sees a car and it's Max.

MAX WOODSTOCK VANDINGA
Are you okay man? I saw you
fighting the thugs.

Ace gets into the car and Max starts driving off.

MAX WOODSTOCK VANDINGA (CONT'D)
Who the hell were those people?

ACE VENTURA
They work for a guy name Momen who I believe from talking to the guy that he was a faker. And I really wouldn't be surprised if his soap company is working with Bourquin and her goans. But I feel like there really is more to all of this.

MAX WOODSTOCK VANDINGA
Does Melissa know that you are gone?

ACE VENTURA
Sadly I have not told her yet.

ACE VENTURA (CONT'D)
I just want to get out of here before more those guys show up.

Max and Ace keep on driving and they drive back to Ace's hotel room.

CUT TO:

INT. THE SOAP CLUB - MORNING

Emily and Boris walk in and they turn back and see a lot of injured thugs.

BORIS-SPEN BOURQUIN
What in the fucking hell happened
here?

SARAH BOURQUIN
That's odd because I always think
American bad guys would be able to
hand a little puny Hawaiian shirt
little boy.

They walk in and they see Momen really angry and really
upset and they walk in.

BORIS-SPEN BOURQUIN
I think it's really safe to say
that your thugs where not
successful in killing the pet boy.

MONTERO MOMEN
I know that!!!!!!....I should of
took out my gun and tried to shoot
him when we had the chance.

BORIS-SPEN BOURQUIN
No it's fine. We just need to
kidnap someone that is very close
to him and then use her as our
first test subject. And then from
there, We will then kidnap a lot
of other cats that can used as
weapons and then use the diamonds
to mind control the cats.

SARAH BOURQUIN
That is a really great plan
brother.

CUT TO:

EXT. HOTEL ENTRANCE - AFTERNOON

Max and Ace drive back and they park the car and they start
heading into hotel.

Melissa comes out of the hotel and sees both of the boys.

MELISSA ROBINSON
What in the world happen to you?

bad guys. But's it's all in a days
work though.

ACE VENTURA (CONT'D)
Where is the cat store owner?

MELISSA ROBINSON
He left early this morning and I
bought him a bus ticket to Upstate
New York and to stay in a hotel
there to be safe.

ACE VENTURA
Good girl Melissa, Good job.
Anything else?

MAX WOODSTOCK VANDINGA
Yeah man there is a cat show that
is going on at Met life stadium
and we have 2 hours intel it
starts.

ACE VENTURA
Perfect Melissa and I will sneak
into the show, and then find
Bourquin and look for anybody that
is working for her. You will also
come with us as well.

MAX WOODSTOCK VANDINGA
Sweet. I'll guide you in.

CUT TO:

EXT. THE HUDSON RIVER - DUSK

Ace, Melissa and Max start going on a boat and it's
somewhat like a fancy boat.

Ace give the the tickets to the ticket person and they get
on the boat and the boat starts taking off and it starts
going across the river.

CUT TO:

The boat gets to Met life stadium and a lot of people start
getting into the stadium.

Ace and Melissa are in line and Ace does a hand signal and
they hide behind a car.

MELISSA ROBINSON
What is it?

ACE VENTURA

I just noticed that this place has a dress code. But the good news is that we have a way to get in.

CUT TO:

The Song "Things You Do" By Griffin Stoller" Plays in the background

All of a sudden a rich young couple walk by and they see a taxi driver.

RICH YOUNG GUY

Have fun buying a cheeseburger.

The couple start laughing at him.

The couple start leaving and out of nowhere behind a couple, Ace throws a knock out gas bomb at the couple. And a lot of green smoke.

RICH YOUNG LADY

What in the world?!.... I think I am getting sleepy.

Ace and Melissa sneak behind them and Melissa and she is really confused and does not know what to do.

Melissa suddenly grabs a random old hockey stick and hits the guy in the face and knocks him out. And Melissa bitch slaps the girl and kicks her in the face and knocks her out.

MELISSA ROBINSON

That was for making fun of that taxi driver bitch!!!!

ACE VENTURA

What you did sounded much better then my plan. Come on lets grab their clothes.

Ace and Melissa grab the couple and they take behind a wall and they take their clothes off and they start putting on their fancy clothes.

CUT TO:

Ace and Melissa throw the naked rich couple knocked out into the hudson river.

MELISSA ROBINSON

You sure your going to be okay
with your Hawaiian shirts for a
while?

ACE VENTURA

I'm sure I will. We just have to
keep our eyes on the prize. Lets
go.

Ace and Melissa start running off and Ace grabs her hand.

CUT TO:

Max enters through the basement and he finds a way to hook
all the wires and breaks through the security cameras.

MAX WOODSTOCK VANDINGA

Alright boys and girls we are in.

Max presses a button and he does not see Ace.

MAX WOODSTOCK VANDINGA (CONT'D)

Buddy, where are you?

ACE VENTURA

We are almost in there Max. By the
way how do we look?

MAX WOODSTOCK VANDINGA

You and Melissa look great. Where
did you get the clothes in short
amount of time?

ACE VENTURA

Melissa and I stole them from a
rude rich couple.

MAX WOODSTOCK VANDINGA

That does not surprise me for some
reason knowing you two crazy
people.

MAX WOODSTOCK VANDINGA (CONT'D)

Question, do you know how to do a
English or Italian accent?

ACE VENTURA

Hispanic yes. Because I'm half
Hispanic because of my last name.
I never really knew my family tree
well.

MAX WOODSTOCK VANDINGA
Fair enough. What about you
Melissa?

MELISSA ROBINSON
I can do a Italian accent.

MAX WOODSTOCK VANDINGA
Oh okay you guys should be golden.
And good luck.

Ace and Melissa get into the stadium and they see a lot of
rich people.

ACE VENTURA
Man this place is incredible.

MELISSA ROBINSON
Yeah I know.

Ace and Melissa start walking and they start looking for
the main suite.

TYLER LANGSTON
Hey man, are you lost?

ACE VENTURA
(Hispanic accent)
Oh no senior, My wife and I are
looking for Sarah Bourquin. And we
are really glad that we are here
in America. Do you know where she
could be?

TYLER LANGSTON
Well why didn't you say so, I'm
Tyler Langston, I'm the new owner
of the Miami Dolphins. And you
are,

ACE VENTURA
(Hispanic accent)
I am Antonio Departunda and this
my Italian wife Barberlla.

Melissa hugs Tyler.

MELISSA ROBINSON
(Italian Accent)
It's a huge pleasure to meet you
Tyler. And I didn't know you owned
the Miami Dolphins futbol team. I
also have a house en Miami.

TYLER LANGSTON
Oh that's incredible.

TYLER LANGSTON (CONT'D)
Well me must get going up then.

CUT TO:

The cat show is beginning on the ground and the cats they are doing a lot of tricks for their owner.

CUT TO:

The crowd starts going really crazy.

CUT TO:

Ace, Melissa, Tyler start walking to the main suites and they see other rich people all over the world.

Everybody starts sitting down.

BORIS-SPEN BOURQUIN
Alright everyone, please sit down
and we will get started.

Ace and Melissa sit next to Tyler.

ACE VENTURA
(Hispanic accent)
So ah what brings you to the big
apple Tyler. You don't by any
chance have a pussy cat do you?

TYLER LANGSTON
Well I'm glad you asked me that
Antonio, and yes I do have a cat
and my dad has one and it's
competing in the competition right
now.

MELISSA ROBINSON
(Italian accent)
Oh that is fantastico Tyler. We
are so proud of you. Do you have a
girlfriend?

TYLER LANGSTON
No I do not I am single
Barbarella.

Ace and Melissa start looking at each other and they make a lot of crazy faces at each other.

ACE VENTURA
(Hispanic accent)
You know Senor Langston, I did
this young woman name Jessica, and
I broke up with her, and maybe
after all this, I will give you
her number. I am very she would
love to talk to you.

TYLER LANGSTON
Bro are you sure?

ACE VENTURA
(Hispanic accent)
Sure, sure, She would love to meet
you.

Ace all a sudden remembers Jessica's number by memory. And
he secretly texts Max.

CUT TO:

Max finds Tyler's phone number and sends Jessica's number
to his cell phone.

CUT TO:

Tyler gets Jessica's number through a text alert.

TYLER LANGSTON
Oh snap. Dang that was really
fast. Thank you.

ACE VENTURA
(Hispanic accent)
Oh you are very welcome senor. And
I'm sure she is going to look
forward to your call as well.

More people start going into the suite and Sarah and Emily
come in with Momen by their side.

SARAH BOURQUIN
Good evening everyone, I am glad
that all of you here, And I also
hope all of you are enjoying the
Cat show. Because I have something
that in the future is really going
to make a lot of cats really
smart. And also how jewelry is
going to make them even smarter as
well.

TYLER LANGSTON

How much is this going to cost the consumer?

SARAH BOURQUIN

I am glad you asked that Mr. Langston, because there are a lot of parts to my plan including using jewelry, liquid silicon, and also cat yogurt as well that can really make a lot cats very powerful as well. And it would mean cats would live just like humans.

ANOTHER RICH PERSON IN THE ROOM

Aren't we still waiting for something like that with dogs i believe?

BORIS-SPEN BOURQUIN

My mother is going to get to that. And you would be wise not to question her.

SARAH BOURQUIN

It's okay Boris dear. I'm sure there is nobody in here that will question me. And then we also have Mr. Momen helping in this project with his special cat soap as well.

Ace and Melissa are looking at Sarah in a very weird fashion.

RICH PERSON 2

But then what happen to that one person that made you all the cat yogurt?

SARAH BOURQUIN

Oh forget about him. That man was a complete loser and a poor shit-head!!!! I just can't wait to put his ass on the streets.

Ace and Melisa keep on listening and Ace does Interpreting sound.

SARAH BOURQUIN (CONT'D)

Yes?

ACE VENTURA
(Hispanic accent)
I am really sorry to interrupt
your nice speech, but don't you
believe your little fantasy plan
is going to be risky?

Other people look at Ace.

SARAH BOURQUIN
No sir, it won't because I have
all the money in the world and I
have the best scientist working
for me in the world.

ACE VENTURA
(Hispanic accent)
Funny you say that, because last I
checked a lot of scientist in your
country work for the government
and not in the private sector.

Sarah gets really mad and she looks at Ace very closely.

SARAH BOURQUIN
Have I meet you before?

ACE VENTURA
(Hispanic accent)
Oh no Mrs. Bourquin you have not.
I don't know what you are talking
about.

SARAH BOURQUIN
You look very much like someone I
know. And not in a good way.

ACE VENTURA
(Hispanic accent)
Well I am very sorry that you feel
that way.

Sarah starts to notice a little of Ace's red Hawaiian shirt
and starts put puzzle pieces in her head.

SARAH BOURQUIN
Wait a second!!!!!!....

Sarah all of a sudden grabs Ace by the face and slams him
to the wall and causing parts of his jacket to come off and
the hair spray to fade away.

SARAH BOURQUIN (CONT'D)
 I knew it!!!! It's Ace Ventura Pet
 Animal Detective. I should of
 known it was you!!!!!!

ACE VENTURA
 Well you have terrible and really
 awful and very stupid fucking
 judgement Mrs. Cat lady

SARAH BOURQUIN

 that huge mouth of yours!!!! And
 you your little girlfriend were
 not invited to my party.
 Children!!!! Please escort Ace
 Ventura and his girlfriend out of
 the building...

BORIS-SPEN BOURQUIN
 With pleasure mum....

ACE VENTURA
 Someone like yourself should not
 try to fight someone like me. I'm
 just saying.

BORIS-SPEN BOURQUIN
 Why because you know that I will
 win?!!...

ACE VENTURA
 No. Quite the opposite...

Ace ends up kicking Boris in the show and Melissa takes out
 peppery spray and she pepper sprays 3 of Bourquin's thugs
 and punches another one in the face and kicks one in the
 face.

Another thug tries to grab Melissa and Melissa kicks
 another thug in the balls and punches that thug in the
 face.

CUT TO:

Ace grunts his teeth and another thug grabs Ace's head and slams him head on the bar table.

THUG 1

I'm going to kick your ass and
send you back where you came from
with 66 broken bones you piece of
shit!!!!!!

Ace kicks the thug in the face 5 times and Ace gets up on his feet and more choas is going on. Ace punches the thug 10 times and does another upper cut punch and grabs another beer bottle and whacks a beer bottle at his head and kills him.

CUT TO:

Melissa is fighting more thugs and throwing 25 punches at thugs coming at her. Melissa dodges another punch and kicks 4 different thugs in the face. Emily slams Melissa against the wall and Emily takes out a sharp knife.

EMILY BOURQUIN

I am going to make you bleed
really bad!!!!!!

Melissa is not scarred punches Emily in the face and Melissa grabs a huge lamp and throws the lamp at Emily's head.

MELISSA ROBINSON

You truly are not a nice person.

Melissa keeps on fighting more thugs and eletructes more thugs coming at her.

CUT TO:

Ace keeps on doing backflips and Ace does a cartwheel off the bar table and lands on the ground. Ace keeps on fighting more thugs and getting the beter of them.

Tyler hides behind the sofa.

Ace finds Tyler.

ACE VENTURA

Come on we have to get out of here.

TYLER LANGSTON

But who are you? And how did you get in?

ACE VENTURA

I'm Ace Ventura Pet Detective. I'm a private animal detective slash private investigator from Miami, Florida. I'll explain everything in a little later, we have to get you out of here come on!!!!!!

Ace and Tyler start running and Melissa running away. Melissa turns back and she grabs 4 bottles of the cat yogurt and 15 little pieces of diamond jewelry.

SARAH BOURQUIN

Stop them they are getting away!!!

Ace, Melissa, and Tyler start running away and more thugs are chasing them and more gun bullets.

MELISSA ROBINSON

Ace they are gaining us. What do we do?

MAX WOODSTOCK VANDINGA

(on the microphone)

Ace what's going on?!...

ACE VENTURA

Melissa and I got caught and Mrs. Cat lady bitch's thugs are after us like crazy.

MAX WOODSTOCK VANDINGA

(on the microphone)

Don't worry, I just installed some roller skate wheels in your black boots.

ACE VENTURA

Sweet. Max is your amazing.

Ace presses a button his watch and wheels come out of Ace's boots.

ACE VENTURA (CONT'D)

Alright I'm going to pick you up now.

MELISSA ROBINSON

What?!...

Ace picks up Melisa in his arms and Ace grabs Tyler hand really tight.

ACE VENTURA

Alright Tyler your going to have to hold on very...tight...

TYLER LANGSTON

I don't know if that's possible.

Ace has extentions from his shoes and Tyler goes on the extentions and holds on to Ace's shoulder.

ACE VENTURA

Alright here..we..go!!!!!!

Tyler starts yelling and screaming like crazy and Ace starts going really fast on the skates.

Ace starts going really fast and Melissa pulls out her elecricity gun and starts firing at the thugs. And Melissa kills around 22 thugs coming at him.

Ace kepps on going really fast and skating towards the entrance.

TYLER LANGSTON

(yelling)

Oh no we are all going to die!!!!!!

Ace sees the entrance closing and Ace grunts and does a huge flip and lands on the ground.

Ace keeps on going really fast.

Ace turns back and he starts skating backwards and Melissa keeps on firing at more thugs.

TYLER LANGSTON (CONT'D)

Ahhhhh Ace I think we have company....

Emily and Boris start going on roller skates and they start firing a lot of gun bullets at them.

BORIS-SPEN BOURQUIN

We are going to break you into very tinny little steel pieces Mr. Ventura!!!!!!

Boris starts firing a huge flame thrower gun at Ace and Ace does a lot tricks and gets a lot air and aviods flame thrower attacks.

Melissa gets her aim ready and she starts firing a lot of eletrcity shock at more of the bad guys and the eletrcity bounces off the bad guys and hits Boris really bad and Boris gets slamed to the wall really hard.

ACE VENTURA
Thanks Melissa!!!!

MELISSA ROBINSON
Your welcome babe.

Ace keeps on going really fast and Tyler turns back.

TYLER LANGSTON
Oh this place is going to blow
up!!!!

Tyler keeps on screaming and yelling and getting scarred.

ACE VENTURA
Everybody hang on. I'm going to
jump off the metlife stadium!!!
Here we go!!!!

TYLER LANGSTON
Oh god no!!!!!!!!!!!!

In slow motion, Ace keeps on pedeling his legs and Ace bends his legs and Ace does a huge leap off the ground and there is a huge explosion in the background and parts of the stadium blows up.

Ace and Melissa and Tyler start falling down and Tyler starts screaming and they land in the Hudson River and there is a huge splash and they all start swimming to shore.

Ace, Melissa, and Tyler climb to shore. And they start coughing.

TYLER LANGSTON (CONT'D)
Oh my god I'm so wet.

ACE VENTURA
Don't worry you will live. Now
question, how did you get here?

TYLER LANGSTON
I took an uber here and I came
with my dad.

ACE VENTURA
Where is your dad now?

TYLER LANGSTON
I don't know last time I saw him
he was in the stadium as well. And
then...Oh nooo, they also have my
dad as well. Oooooh noooo this is
terriable!!!!

ACE VENTURA
It's okay we will get him back
buddy. And also, I'm a Dolphins
fan as well so it would be honor
to save your dad.

TYLER LANGSTON
Thank you Ace.

ACE VENTURA
Thank me later, we really have to
get out of here and fast.

Max starts running out the stadium and catches up to Ace
and Melissa.

MAX WOODSTOCK VANDINGA
Ace, Melissa, thank god you guys
are okay. Who is this guy?

ACE VENTURA
Max this is Tyler, Tyler this is
my friend Max.

TYLER LANGSTON
Pleasure to meet you. So you guys
are pet detective agency
basically?

ACE VENTURA
Yes we specialise in finding pets.
And we believe it has a lot to do
with your dad's buisness dealings
with the Bourquins. And the
Bourquins also kidnapped a co
worker that works for Max's dad as
well. So really it's about finding
what they want with cats.

TYLER LANGSTON
I see.

ACE VENTURA
We gotta get out of here.

Ace, Melissa, Tyler, and Max start leaving Metlife stadium.

CUT TO:

INT. METLIFE STADIUM - NIGHT

Some of the thugs are putting out more fires.

Sarah starts walking.

SARAH BOURQUIN
What in the world happen here?!...

BOURQUIN THUG 2
Mr. Ventura and his female partner
and Mr. Langston got away.

Sarah gets really angry and really flusterd.

Sarah punches the thug in the face and knocks him out.

The kids start walking towards Sarah.

BORIS-SPEN BOURQUIN
We never let this happen away

SARAH BOURQUIN

Emily leaves without saying a word.

SARAH BOURQUIN (CONT'D)
Stupid kids!!!!!! They always mess
up everything!!!!!!
(MORE)

ACE VENTURA

A lot of different things, At first I wanted to be a cop or a policemen but then when I met Melissa she convinced me to be a pet detective and my ex girlfriend also noticed my love for animals as well.

TYLER LANGSTON

I see. What do your parents think of you doing this?

ACE VENTURA

My mom died when I was little and I never talk to my dad at all since I choose to be a pet detective.

TYLER LANGSTON

I'm sorry man. I know how you feel. Parents are crazy.

ACE VENTURA

I know right...So what's your cat's name?

TYLER LANGSTON

His name is Marnio.

ACE VENTURA

After Dan Marnio I see. Good call. He was a great player.

ACE VENTURA (CONT'D)

Well anyway you can sleep here and then hopefully if you know your way around New York, We can also try to find your hotel room or where ever you might be staying.

TYLER LANGSTON

Thanks Ace.

CUT TO:

EXT. ENTRANCE OF HOTEL - MORNING

Ace, Melissa, Max, and Tyler get out of the hotel and they go into Ace's car and they start driving to Manhattan.

CUT TO:

The song "You don't know my name" plays in the background.

Ace starts driving through the Brooklyn Bridge and he sees a lot of people walking on the sidewalks and Ace smiles in delight.

ACE VENTURA

Man I love Miami a lot. But New York City is awesome and always very beautiful in the morning.

MELISSA ROBINSON

I agree Ace.

ACE VENTURA

So Tyler what is the first thing you are going to do when you go home back to Miami?

TYLER LANGSTON

Well, I know I have a lot of things to do, but overall, I will kick back and do a lot of fun stuff and then go back to Hardwork stadium and then do what I know best.

ACE VENTURA

No girlfriend?

TYLER LANGSTON

It has not really crossed my mind buddy.

MELISSA ROBINSON

Well Tyler a rich young man like yourslef should try to find a girl.

TYLER LANGSTON

Yeah I have never been too good with girls sadly.

ACE VENTURA

It's okay, I will help you man. Women are like animals and you it's all about flirting and littly touching girls and making them feel comfortable. So think of it like trying to pet a horse or pet a dog or a cat, you have to wait intel they sniff you. And then you talk to them and then ask them questions and they will ask you questions back.

(MORE)

ACE VENTURA (CONT'D)
And then when the time is right,
you then littlely start touching
them and kissing them all over and
then you go to lip.

TYLER LANGSTON
Oh okay, that's a lot of
information, but I will see what I
can do.

ACE VENTURA
Good man.

Ace keeps on driving the car and they get into time square.
Ace also passes through the stock market and the bull
statue.

CUT TO:

Ace parks his car.

ACE VENTURA (CONT'D)
Alright dude we are here.

TYLER LANGSTON
Sweet thank you so much for
driving me back Ace. And I'm sorry
that if I came off as a pussy last
night with the screaming and
yelling.

ACE VENTURA
Hey man it's okay, you were
scarred I get it, there was a lot
of danger. We all get scarred of
shit. I understand.

TYLER LANGSTON
Thanks man.

MELISSA ROBINSON
You sure you don't want us to come
up there with you? Because there
is a lot of crazy people in this
city if you are not careful.

TYLER LANGSTON
No I'm good.

ACE VENTURA
Well...we will see you around
Tyler dog.

Tyler starts leaving and he starts going up to his suite.

MELISSA ROBINSON

Well I sure hope that he finds a girlfriend.

ACE VENTURA

Yeah me too Melissa, we have a lot to do lets go.

Ace starts the car up and they start driving away from Tyler's hotel.

CUT TO:

Tyler walking into his hotel room and he lays down on his bed and Tyler starts watching sports center.

CUT TO:

Ace and the gang driving in Ace's car.

MAX WOODSTOCK VANDINGA

So where to?

ACE VENTURA

Well right now I have a feeling that Tyler's dad has made a lot of shady deals with people in the city, that accidentally had to do with pet like money trans-actions.

MELISSA ROBINSON

But who in New York City would want to do buisnesses what terrible cat lady?

ACE VENTURA

Well Melissa, you would be surprised on how much bad people live in New York City.

MAX WOODSTOCK VANDINGA

But same in Miami as well.

ACE VENTURA

That's a different story for another time. Right now we have a case to solve and we will do some story time stuff later. Max is there a way you can look some big time ghetto clubs?

MAX WOODSTOCK VANDINGA

Yes why?

ACE VENTURA

Because stupid and crazy people go there all the time. And when they do they try to be gangster and it does not work and they end getting shot.

MAX WOODSTOCK VANDINGA

And how is this relevent?

ACE VENTURA

Because people in those areas with big time poverty, make a lot of drugs and illgel liquids, and if we can find those plants, we will find more infromation about the Bourquins, And then we will find the cats that have been kidnapped.

MAX WOODSTOCK VANDINGA

Yeah but what makes you any differnet?

ACE VENTURA

Because Max I don't try to be gangster and I don't try to be like a black guy on a consistant basis the way stupid people try and they end up embrassing them sleeves in the process. And really that's how big time crimes are committed in this country. I learned about it at the U when I was studying to be a police officer.

MAX WOODSTOCK VANDINGA

I kind of disagree with you on those stats. But we will talk about later.

Ace keeps on driving and they start.

CUT TO:

Ace and the gang get to Harlem and they see a lot of crime in the street and other awful things.

And they also hear people shouting and screaming at each other.

MAX WOODSTOCK VANDINGA (CONT'D)

Oh dear this place is so scary.
Ace why did we come here again?

ACE VENTURA

Because I think this part of New York has ties with the Bourquin and Tyler's dad has made some shady deals here.

Ace takes a turn into Spanish Harlem and he sees a pet store that looks very ghetto looking.

Ace parks his car.

ACE VENTURA (CONT'D)

Alright guys I'm going in.

MAX WOODSTOCK VANDINGA

But what if a crazy person tries to kill us?

ACE VENTURA

Well then use your best fighting moves Max. Don't worry Melissa will protect you and she is never scarred of anything. Don't worry, I won't be long.

Ace gets out of the car and he starts walking into the pet store.

CUT TO:

Ace walks into the pet store and the place completely trashed up and there is cat poop on the ground and there is broken cash registers and graffiti on the ground.

Ace keeps on looking around and Ace goes to the cat food area and he notices a lot of cat food with steroids in it.

ACE VENTURA (CONT'D)

What in the name of fuck?!....

Ace keeps on looking around and he presses a button and it opens a door. Ace walks through the door and Ace suddenly sees a factory of people making illegal cat food using steroids, liquid jewelry, and other dangerous chemicals.

ACE VENTURA (CONT'D)

Oh my god this really can't be good!!!!

Ace hears more workers coming into the factory through the back door. Ace hides behind a wall and hides from the workers and he starts searching around the factory.

Ace gets into the elevator and the elevator starts going down. The Door opens and Ace sees more of the work in full

time detail. Ace also starts taking pictures of the factory from his phone and sending them to Max.

CUT TO:

Max starts getting the photos from his phone.

MAX WOODSTOCK VANDINGA
Oh my god. Oh my goodness. Ace
where in the hell are you my man?

CUT TO:

Ace gets a text message from Max and Ace sends a text message using the microphone button.

ACE VENTURA
I'm in the same pet store but they
have a secret factory and I'm
going to find who runs this place.
And I'm going to take them down.

MAX WOODSTOCK VANDINGA
Just be careful Ace, there is a lot
of dangerous ghetto looking thugs
in there.

ACE VENTURA
I'm going to be okay Max.

Ace keeps on walking and snopping around. And as Ace is sneaking around, he sees Boris and Emily meeting with Momen.

CUT TO:

The three people in the secret room talking.

BORIS-SPEN BOURQUIN
Get all the cat foods to sleeves to
every pet store in America and
then once we do that. We will have
cat in the country attack their
owner. And then we will have a
huge cat weapon set up to destroy
New York City. And then from
there, we will have all the cats
start building my mother's palace
in Africa.

MONTERO MOMEN
I'm on it Boris.

EMILY BOURQUIN

Oh brother we are going to be rich
and do what our ancenstors did
millions of years ago.

Boris all of a sudden starts laughing and chucking.

ACE VENTURA

Oh no not on my watch!!!!!!...

Ace jumps up in the air and he grabs a hold of a pipe and he starts sneaking into the office through an airvent. Ace also starts recording the conversation that they are having as well.

MONTERO MOMEN

I am also very sure that when we
control every cat in America they
will obey their new queen and then
also destroy every human as well.

EMILY BOURQUIN

And also it's time destroy and
kill everyone and...kill them
all!!!!!!

Ace keeps on crawling through the air-vent and Ace all of a sudden crashes through the lid and Ace lands on the ground and does a secert agent pose.

MONTERO MOMEN

It's Ventura!!!! It can't be!!!!

BORIS-SPEN BOURQUIN

It's You!!!!!! You will never stop
my family Ventura!!!! and I bet
you saw with your own animal eyes
the work of the factory. Isn't it
nice?

ACE VENTURA

You mean you use a ghetto
neighborhood with a lot of poor
people to plan your illgal cat
food making sceme. And at the same
time also kidnap other cats to
destroy their owners and make cats
evil again!!!!!! You cat children
live in a very twisted
world!!!!!!....

EMILY BOURQUIN

Thank you Ace. And I'm going going
to enjoy stabbing you in the next
with my queen staff as well.

MONTERO MOMEN

And the police will never believe you.

BORIS-SPEN BOURQUIN

We are going to take you down Mr. Ventura and we are going to send back to your American Mommy and Daddy and have you cry like a little bitch as well!!!!!!

Boris and Emily get out huge chain saws and they try to attack Ace with chain saws and strike a lot of attacks.

Ace jumps up in the air and dodges the attacks. Ace kicks Boris in the face and knocks the chain saw out of his hands.

Emily starts screaming and she throws 33 chain saw attacks at Ace and Emily kicks Ace in the face and grabs him by the neck and slams him to the ground. Emily throws more attacks at Ace and Ace sees a whip and Ace grabs the whip and throws a lot of whip attacks at Emily and Emily screams really bad.

ACE VENTURA

Down you kitty cat bitch. And you don't deserve any cat treats.

Emily drinks more of the cat liquid and she starts hissing like a cat and she meows in anger and she tries to tackle Ace and throw a lot of punches and kicks at Ace. Emily hisses and scratches Ace in the face.

Ace grunts really bad and feels the pain really bad.

ACE VENTURA (CONT'D)

You really are a very bad girl!!!!

Ace keeps on fighting Emily, and Ace turns back and sees Boris coming at him and he starts acting like a jaguar and like a lion.

Ace takes out a pocket knife and he defends himself with a pocket knife and punches Boris 8 times in the face and jumps in the air and kicks Boris in the face.

Momen tackles Ace really bad and punches Ace in the face really bad and grabs him by the neck and slams him against the table and Momen gets out a kitchen knife and tries to stab Ace.

Ace gets up and kicks Momen in the face and Momen starts losing his balance and Momen starts falling to his death and he falls into a lot of liquid poison cat food.

Momen starts screaming really badly and dying inside of the liquid.

Ace starts running and he grabs the blue prints.

EMILY BOURQUIN
Stop him he's got the blue
prints!!!!!!

Ace keeps on running he jumps off the ledge of the balcony and Emily starts shooting a sniper riffle at Ace and Ace aviods the bullets.

Emily accidentally shoots at a gasoline tank and it starts to set the factory.

BORIS-SPEN BOURQUIN
We have to get out of here. This
place is going to blow up!!!!!!

CUT TO:

Ace keeps on running as he hears more of count down.

Ace starts climbing up a rope and climbing up the rope as fast as he could.

CUT TO:

Ace gets to the top and he keeps on running out of the factory and Ace gets to the back of the factory and the factory blows up in flames and there is a huge explosion.

CUT TO:

More people in New York City see the explosion from a lot of different parts of the city.

NEW YORKER 1
Holy shit!!!! Someone better call
the fire department!!!!!!...

CUT TO:

Ace gets really tired and he gets back up on his feet.

Ace starts walking back to his car. But all of a sudden, Ace gets punished in the face by Boris and Ace gets forced against the ground.

BORIS-SPEN BOURQUIN
Not so smart are you Mr.
Ventura!!!!

Boris starts growing a lot of finger nails out of his fingers.

BORIS-SPEN BOURQUIN (CONT'D)

I am going to stab you with my
long nails once and for all and
kill you!!!!!!!

Emily shows up with longer nails as well.

And all of a sudden, both of them hiss really bad and they start coming towards Ace. Ace dodges the attack

Ace from the ground kicks Boris in the head and Ace gets up and punches Boris in the face. Boris whacks Ace really bad in the face and Ace gets slammed to the ground.

Boris meows in anger and Ace takes out his pocket knife and gives him a cut on his face and Ace kicks him in the stomach.

Emily grabs a hold of a huge steel garbage can and throws the can at Ace and Ace feels the hit of the can really hard and gets forced against the wall of a building.

Ace pushes himself away from the can and Ace grabs a lot of glass bottles and starts throwing the glass bottles at both Emily and Boris.

Emily and Boris avoid the bottles but eventually get hit by the bottles and Boris comes at Ace tries to tackle Ace, Ace kicks Boris in the face punches him in the stomach, Boris throws a scratch attack at Ace and Ace does a summer-sault and kicks Boris in the face again.

Emily grabs Ace from behind and punches Ace in the face 3 times.

EMILY BOURQUIN

It's time for you to get beaten up
very bad Mr. Ventura!!!!!!

Ace feels really weak and beaten up and Ace sees a spray bottle. Ace slaps Emily in the face and grabs the bottle and he starts spraying soap spray at Emily and causing her to fall a sleep.

ACE VENTURA

Perfect, now to get evil cat 2.

Boris tries to tackle Ace, Ace trips over Boris and sprays the same spray at Boris and knocks him out with it.

Boris falls to the ground.

ACE VENTURA (CONT'D)
Perfect, now I have to get out of
here.

Ace all of a sudden hears a car coming at him and it's
Melissa and Max.

MAX WOODSTOCK VANDINGA
Get in!!!

Ace starts running to the car and the car starts driving
off.

CUT TO:

Inside of the car and Max keeps on driving.
