**EXT. LOS ANGELES. AN OLD BEATEN UP LAB- DAY**

A girl comes into a science lab and she starts looking around

As the girl is walking around, Her black cat comes out of her backpack

LUNA

What in the world happened here?

SERENA SERENITY

I don't know Luna but I think this lab got destroyed a very long time ago

All of a sudden a doctor shows up in a white coat

MICHAEL ELEFUN

Yes it has been a long time.  
This lab use to be my father's lab

SERENA SERENITY

Do you know what happened to this lab?

MICHAEL ELEFUN

Well back in the 1980's and 1970's my father Donavon Elefun was working on a weapon that would stop Dr. William Tenma and Martin Hyde but their robot name Atlas destroyed most of the world and now he his work is planned. But you can change this. I need you to look for Tenma's son name Tobey Tenma.

SERENA SERENITY

How well I will be able to find him?

MICHAEL ELEFUN

He will find you

Michael all of a sudden, picks a remote and his time machine opens up and Serena goes into the machine and she time travels back to May 21st 1969

CUT TO:

(sailor Moon VS Astro Boy:  
Vietnam War)

**EXT. CENTRAL PARK, NEW YORK CITY-NIGHT**

Serena wakes up laying down on the grass in Central park and she notices all the hippies protesting the Vietnam war

LUNA

Sounds like we are in 1969 Serena.

SERENA SERENITY

Yeah no kidding. I wonder where we are going to find this Tobey Tenma?

All of a sudden Luna notices Tobey in the park sitting on a rock

LUNA

Do you think that is him right there?

SERENA SERENITY

I don't know it could be him. I will walk to him.

Serena starts walking towards Tobey

SERENA SERENITY (CONT'D)

Um are you Tobey Tenma?

TOBEY TENMA

Yes I am. What the hell do you want?!...

SERENA SERENITY

Well the reason I am here is because I am here to tell you how awful the future is in the 21st Century and how a lot of crazy things happen Atlas is built and he and your dad plan to destroy the world.

TOBEY TENMA

Look Serena, I would love to help you but there is nothing I can do about my friends are dead, the whole country is after me because of my robot skills and nobody understands what I can and I will never accepted into society.

SERENA SERENITY

Your a robot?

Tobey shows Serena his arm and Tobey all of a sudden blasts uses laser cannons to blast at the tree fires another laser beam with his fingers

SERENA SERENITY (CONT'D)

Wow this really cool Tobey. Can you also fly?

TOBEY TENMA

Yes I can.

Tobey's legs turn into laser jets and Tobey hovering in the air, Tobey lands on the ground

SERENA SERENITY

You seem to have really great powers Tobey. You shouldn't give up being a superhero. The world needs somebody like you

TOBEY TENMA

Yeah right. You don't know what it's like to have a secret and to have people dis-respect you because you are different. I wanted to well for my dad, my friends, my girlfriend, my country, but now my dad wants nothing to do with me, And also my own country thinks I'm an embarrassment!!!!!!!

All of a sudden, Tobey starts crying and tears come down his eyes.

TOBEY TENMA (CONT'D)

I'm sorry...I have just lost sooo much in my life. I just can't do it anymore.

SERENA SERENITY

Tobey, I also have a secret as well. I also lost my parents as well. I'm going to show you something.

All of a sudden Serena raises her right hand and all of a sudden Serena starts transforming into Sailor Moon.

TOBEY TENMA

Who that is really cool. I have never seen anything like that before. Are you reboot as well?

SAILOR MOON

No I'm not Tobey. I'm a Sailor Scout. I was given this power by the moon and I can use any type of power that is controlled by the moon.

SAILOR MOON (CONT'D)

But Tobey I'm going to need your help on what happened here and where we can go. Also you and me we can change the wrong that happened but I'm going to need your help. Will you help me?

Tobey looks at Sailor Moon's hand and grabs her hand

TOBEY TENMA

I will help you. Will head to my apartment in New York City come on.

Tobey and Sailor Moon start walking to Dr. Elefun's pen house

CUT TO

**INT. DR. ELEFUN'S PENHOUSE-NIGHT**

Tobey and Sailor Moon walk into the apartment

TOBEY TENMA

Just make yourself at home. Do you want me to make you something to eat?

SAILOR MOON

I'm fine thank you Tobey.

Sailor Moon transforms back into Serena and Luna comes out of Serena's backpack

LUNA

Serena, we are going to have to find out what type of problems led to the problems of the future.

SERENA SERENITY

Well Luna, we haven't found anything yet. Right now we are just trying to figure out the basic things.

Tobey walks to the couch with coffee and cookies

TOBEY TENMA

I hope you like cookies.

SERENA SERENITY

Oh I love cookies. Tobey can I ask you a question? Have you always lived in this apartment?

TOBEY TENMA

No I haven't. I use to live with my dad in upstate New York back when he really loved me.

SERENA SERENITY

What happened to your dad Tobey?

TOBEY TENMA

Well as he found out that I was a robot, he started loving me less and less and he wanted a new son that was normal. And so he sold me to the circus and Dr. Elefun adopted me.

LUNA

Do you know where your father is now Tobey?

TOBEY TENMA

I don't know where my dad is. But has been working for President Lyndon Johnson and he is going to work for any candidate that is going support his robot services.

All of a sudden, Dr. Elefun arrives into the apartment

DONAVON ELEFUN

Tobey you are back from Central park. I see that you brought a friend.

Serena gets up

SERENA SERENITY

Yes, it is such a pleasure to meet Dr. Elefun. I have also herd a lot about your work.

DONAVON ELEFUN

Oh thank you young lady. Yeah my work is really good I guess.

DONAVON ELEFUN (CONT'D)

Right now it's coming under fire because of what is going in Vietnam and all the hippies protesting the war and also Tobey needs to be in hiding because of them looking for robots.

SERENA SERENITY

Is there anybody we can go to find out who is against the robot building.

DONAVON ELEFUN

Yes, Senator Robert Kennedy has been against Tenma's robot building. I would go to him to tell you more information.

SERENA SERENITY

Alright sounds good. Sounds like we are going to see if we can get all the help we can get.

TOBEY TENMA

What do you mean?

SERENA SERENITY

My friends from the future will be coming here to help us Sailor Mercury, Sailor Mars, and Tuxedo mask will be helping us.

TOBEY TENMA

Tuxedo mask?

SERENA SERENITY

Don't worry you will like you him

FADE TO

**INT. TOBEY'S BED ROOM-NIGHT**

Tobey starts sleeping in his bed and looking at the beautiful view of 1960's New York City

Serena walks into Tobey's room

SERENA SERENITY

Are you having trouble going to sleep?

TOBEY TENMA

I have not been sleeping well for years now. Do you ever think that world is going to end?

SERENA SERENITY

What makes you say that?

TOBEY TENMA

Because every time I go somewhere people just die and I feel like it's my fault.

Serena hugs Tobey really hard

SERENA SERENITY

Have you lost someone that you loved before?

TOBEY TENMA

Yes I have, I lost my girlfriend name Niki. She died in 1962 and was killed by an evil villain name Pluto. I thought about her death many times.

SERENA SERENITY

It's not your fault Tobey. These things happen it's not your fault. We all have unfortunate things that happen to us. You know when I was a little girl, my dad was killed by an evil queen and I still think about that day a lot.

TOBEY TENMA

But at least you have friends. I have no friends and I'm an outcast.

SERENA SERENITY

I don't think you are an out-cast Tobey. I think you are a very special boy and I think both you and me have very special gifts that we can both do for good and to help people.

TOBEY TENMA

You really think so?

SERENA SERENITY

I know so.

SERENA SERENITY (CONT'D)

Well I better want to get to bed.  
Good night Tobey.

TOBEY TENMA

Good night Serena.

Serena leaves Tobey's room and Tobey starts going to sleep

As Tobey is sleeping, Tobey starts having nightmares

Tobey starts having scary images in his head of Washington DC  
burning flames

In the nightmare, Astro Boy starts fighting a lot of hippies  
in the Washington DC

In the dream as Tobey is fighting the national guard, Sailor  
Moon shows up and she starts blasting her moon powers at  
Astro Boy

All of a sudden, Tobey wakes up in total shock

CUT TO

**INT. SENATE FLOOR-MORNING**

A man with brown hair starts reading a bill that has robots  
in the bill

All of a sudden, another US senator shows up

SENATOR TOM PHILLIPS

Senator Kennedy, It seems like you  
have liked the bill that I'm going  
to send to president Johnson.

ROBERT KENNEDY

I just don't understand this bill  
Tom, we are loosing the war in  
Vietnam ever single damn day. Plus  
targeting robots is now going to  
solve anything it's just going to  
create a lot more domestic chaos in  
the streets if this bill is passed.

SENATOR TOM PHILLIPS

Well Bobby, I know your brother  
wanted to end the war in Vietnam  
but we have to continue this war.  
There are more things we have to  
uncover otherwise communism is  
going destroy the United States.

ROBERT KENNEDY

Look I know that Tom. But there has to be better options because there are more hippies that are protesting the streets because of the war. I'm not going to sign this bill into law Tom.

Senator Kennedy starts walking back to his office in the senate chamber and he sets back at his desk.

Kennedy sits down at his desk and presses the phone and listens to his voice machine

ROBERT KENNEDY (CONT'D)

Yes.

THE SECRETARY

Senator Kennedy, we have 2 kids that have set an appointment to see you.

ROBERT KENNEDY

Send them in.

All of a sudden, Tobey and Serena walk into Senator Kennedy's office

ROBERT KENNEDY (CONT'D)

Oh wow I never get visitors that much anymore ever since I became a senator. What can I help you kids with today?

TOBEY TENMA

Senator Kennedy, the reason we are here is because we think my dad is building robots that are connected with betraying the American interest. We might think that he is building a robot base.

ROBERT KENNEDY

Oh wow that is awful. That is the last thing we need. A senator just gave me a bill that had to do with robots. If more robots are let loose that can led to national destruction. That is awful!!!!

SERENA SEREENITY

Do you know what his name was?

ROBERT KENNEDY

His name is Tom Phillips and he is a huge supporter of President Johnson and I think he might be working with Dr. Tenma

TOBEY TENMA

Then I think we must find all the blue prints that he might be hiding. Because if he is working for my father then that might not be good.

SERENA SERENITY

Do you know where he might be when he is not in Washington DC?

ROBERT KENNEDY

Well he goes to Maryland and his car goes to a limo that leads to a factory that is in Baltimore, Maryland. I would warn you kids though, it's very dangerous and it's heavily guarded.

SERENA SERENITY

Thank you Senator Kennedy but I think we are going to be okay.

Serena and Tobey leave Kennedy's office and they shut the door on the way out.

CUT TO

**INT. PHILLIPS'S OFFICE-NIGHT**

Senator Phillips starts smoking a Cigar in his chair

All of a sudden a woman with red hair walks and puts her arms around her neck

JESSICA PHILLIPS

Don't worry baby. Soon this planet will be destroyed and this country will ours.

TOM PHILLIPS

I agree. I just can't stand Kennedy and his plans for what he wants to have happen.

JESSICA PHILLIPS  
You just leave him to me and my  
magic will be able to crush him.

All of a sudden, Jessica grabs a purple staff and raises her  
hand and evil dark magic starts coming out of her hand

JESSICA PHILLIPS (CONT'D)  
The people running this country  
will suffer the evil that I will  
put on this earth!!!!!!

A young man in a 1960's style suit shows up

JESSICA PHILLIPS (CONT'D)  
Jason, you are here. I want you to  
spy on the Kennedys and spy on  
them.

JASON PIERCE  
With pleasure.

Jason leaves the room and Jessica starts looking at the  
window

FADE TO

**EXT. UPSTATE NEW YORK-AFTERNOON**

A taxi drops off Serena and Tobey

SERENA SERENITY  
Thank you.

The taxi leaves

SERENA SERENITY (CONT'D)  
Is this the neighborhood?

TOBEY TENMA  
Yes it is. But I don't know if we  
are really going to find anything.  
I haven't been to this neighborhood  
since my dad kicked me out.

Tobey and Serena start walking and all of a sudden they see  
the Tenma mansion all destroyed and torn apart

TOBEY TENMA (CONT'D)  
Oh my god!!!!!!...

Tobey and Serena start walking to the house and they open the door

SERENA SERENITY  
What the hell happened here?

TOBEY TENMA  
I don't know. I think once my dad moved and I got kicked out he wanted to have this house destroyed for some sort of strange reason.

Tobey and Serena keep on looking and Serena notices a weak spot and she opens up a secret passage way

SERENA SERENITY  
You might want to take a look at this.

Tobey runs to Serena and sees the door.

TOBEY TENMA  
Where do you think this might lead to?

SERENA SERENITY  
I don't know but we are going to find out.

Serena and Tobey go underground and Serena transforms into Sailor Moon as she goes down

Tobey transforms into Astro Boy

SAILOR MOON  
Is this what you look like when you go fight crime?

ASTRO BOY  
Yes it is. I always try to keep this part of me a secret from people.

Sailor Moon and Astro Boy keep on walking and all of a sudden an evil robot gets activated

THE EVIL ROBOT  
DESTROY ALL HUMANS!!!!!! DESTROY ALL HUMANS!!!!!!

ASTRO BOY  
Look out!!!!!!

Astro Boy fires his laser cannons at the evil robots and kills the robot. All of a sudden they hear more robots coming at them and another door opens

SAILOR MOON  
What's going on Tobey?

ASTRO BOY  
I don't know but whatever you do hold on tight.

All of a sudden, they see a robot factory that is underground and all of a sudden Sailor Moon falls down

SAILOR MOON(SCREAMING)  
AHHHHHHHHHHHHHHHHHHHHH!!!!!!!!!!!!

ASTRO BOY  
Serena!!!!!!!!!!

Astro Boy and Sailor moon both fall down and they both fall down on different platforms

Astro Boy lands on a moving platform, all of a sudden a lot of evil red robots starts showing up and so do a lot of evil green monsters show up

ASTRO BOY (CONT'D)  
What in the hell's name?!

The monsters try to attack Astro Boy, Astro Boy dodges one of the monster's attacks and does 4 somersaults to avoid their attacks, one of the monsters grabs Astro Boy and body slams against the wall, Astro Boy gets up and fires laser cannons at the monsters

3 monster get killed by the laser cannons and the robots fire back at Astro Boy and punch Astro Boy in the face

Sailor Moon is on another platform and she starts using her moon powers to sprays moon magic at monsters that coming out of the ground, Sailor Moon does a back flip and kicks one of the monsters in the face, Sailor Moon pulls out her moon staff and sprays moon cosmic powers at the robots that are firing flames at her. Sailor Moon hides a rock and turns back and shoots thunder and lighting at the monster and robots

Another monster tries to grab Sailor Moon, Sailor Moon does another back flip and kicks another monster in the face and sprays moon magic and kills the monster

All of a sudden a lot of thugs with guns show up and they start firing bullets at Sailor Moon, Sailor Moon uses her moon staff to protect herself. Sailor Moon hits the 4 thugs in the face with her staff

Sailor Moon falls down another and Sailor Moon starts screaming

Astro Boy hears Sailor Moon screaming, Astro Boy flies up in the air and catches sailor Moon

ASTRO BOY (CONT'D)

Gotcha!!!!

As Sailor Moon is in Astro Boy's arm, more robots and monsters start showing up and 40 of them show up

Astro Boy's eyes start turning blue in anger

Astro Boy lands on the ground really hard and creates a huge earthquake and kills the monster by rocks falling down on them.

More monsters show up and

Sailor Moon uses her moon magic to create a way out

SAILOR MOON

Tobey we have to get out of here.

Astro Boy and Sailor Moon start running out of the factory and the factory starts exploding into flames

As Astro Boy and Sailor Moon get out of the factory the Tenma mansion explodes

Sailor Moon and Astro Boy see as the house is burning to the ground

ASTRO BOY

That was really intense I had no idea there was anything under my old house.

SAILOR MOON

Tobey, I think we are going to need some help.

ASTRO BOY

From who?

SAILOR MOON

Some friends of mine.

**EXT. CENTRAL PARK-AFTERNOON**

Serena, Luna, and Tobey walk to where the bridge

TOBEY TENMA

There is no way they are going to  
show up.

SERENA SERENITY

No, no they will.

Serena gets out her watch and all of a sudden, Darien, Raina  
and Amy show up out of time portal

RAINA HENDERSON

Oh that was just crazy. Where are  
we?

TOBEY TENMA

You guys are in the year 1969

Raina gets very shocked at Tobey

RAINA HENDERSON

Noooo get away from you worthless  
freak

Raina gets out her red staff

SERENA SERENITY

Raina, it's okay he is on our side.  
This is Tobey Tenma. He's Turner  
Tenma son and he is going to help  
us.

AMY MIREN

Don't mind her. She sometimes can  
have grudges towards people

TOBEY TENMA

Yeah I can see that.

DARIEN SHIELDS

And I'm Darien. It's a pleasure to  
meet you Tobey. You seem like a  
really good kid

TOBEY TENMA

Thank you.

DARIEN SHIELDS

So any leads so far?

SERENA SERENITY

None so far. Tobey and I were in upstate New York and we ran into a factory that had robots and monsters in there and it was underneath Tobey's old house.

DARIEN SHIELDS

That is crazy Serena. Monsters in the 60's. How could be causing all of this.

SERENA SERENITY

Thats what I'm trying to find out Darien. There has to be somebody causing all of this.

AMY MIREN

Is there a base we could use.

TOBEY TENMA

You guys could use my pen house for a couple of days if you guys need to

CUT TO

**INT. TOBEY'S PENHOUSE-NIGHT**

Tobey uses his robot powers to start building a computer

TOBEY TENMA

The computer is all done Darien

DARIEN SHIELDS

Thank you Tobey.

Darien starts seeing all the world events that were happening in 1969

DARIEN SHIELDS (CONT'D)

Wow, I don't know you survived all of this Tobey. This must have been a very hard time for you.

TOBEY TENMA

You have no idea. I'm just glad you and Serna are helping me because ever since my friends died I have lived my life very along for 7 years and I just want the people that are working with my father brought to justice.

DARIEN SHIELDS

They will be Tobey. We promise.

Tobey and Darien start looking at the computer that Tobey build and see Senator Kennedy making his announcement

ROBERT KENNEDY

I am announcing today my candidacy for presidency of the United States. I do not run for the presidency to oppose any man, but to purpose new policy. I run because I am convinced that this country is on a perilous course and because I have such strong feelings about what must be done and I feel that I am obliged to do all that I can. I run to seek new policy, polices that would end the blood shed in Vietnam and in our cities, polices that would close the gap that exist between black and white, between rich and poor, between young and old in this country and around the rest of the world. I run for the presidency because I want the democratic party and United States of America to stand for hope instead of despair. For reconciliation of then instead of drawling risk that were at war. I run because it is Un-mistakingly clear that we can change these disastrous and divisive polices only by changing the men who are now making them.

DARIEN SHIELDS

What do you think he is saying?

TOBEY TENMA

I think he saying that he is going with drawl all the polices that Johnson and my father have been doing in Vietnam and that means we have to make sure nothing bad happens to him.

CUT TO

**INT. PHILLIPS'S LIVING ROOM-NIGHT**

TOM PHILLIPS

There is no way he is going to win this election.

TOM PHILLIPS (CONT'D)

How are things going with the monsters.

JASON PIERCE

The factory got destroyed by two people and it seems that Tenma's son and a girl are with him

Jessica walks into the room

JESSICA PHILLIPS

It sounds like we have two people that need to be destroyed or maybe not. I can find way to have them be against each other.

JASON PIERCE

Which one?

JESSICA PHILLIPS

I think the robot I can seduce and have him be under appreciated and that way they will never able to stop me.

Jessica walks over to the door and she starts transforming into Queen Beryl

QUEEN BERYL

It sounds like I will have a date tonight...

Queen Beryl dissapers in smoke

FADE TO

**INT. TOBEY'S BEDROOM-NIGHT**

Tobey is sleeping in his bedroom, as Tobey is sleeping he starts flashbacks of Nicki

All of a sudden Tobey gets grabbed a giant purple magic hand

Queen Beryl puts her hand on Tobey and kidnaps him

Queen Berly knocks out Tobey

Tobey ends up being on top of the world trade center

Tobey gets up and notices that he is on top of the building

TOBEY TENMA

Where am I?...

Beryl shows up

QUEEN BERYL

Hello Astro boy...

ASTRO BOY

Who are you. Why did you bring me here?

QUEEN BERYL

I just wanted to have a little chat with you young man. I think that you are very special Tobey and very powerful for a young man your age. I also know what it's like to have people look down on you.

Tobey's starts charging up his laser cannons

TOBEY TENMA

You know nothing about me!!!!!!...

QUEEN BERYL

I think I might know more things about you than yourself. Like for example, you cared about Nicki and your friends and I know how much you hate your father Dr. Tenma. Also Sailor Moon is not as nice you think she is Tobey.

TOBEY TENMA

Your lying. Serena and Luna have been very nice to me are willing to help me and they love me for who I am!!!!

QUEEN BERYL

Oh you are so misguided Tobey my boy. Here is the real truth. Sailor Moon and Tuxedo Mask, they don't really care about you. They have their powers and say they help other people but in reality they are not as good as you are Astro boy.

QUEEN BERYL (CONT'D)

That is why you should join me  
Astro Boy and together I can give  
all the things that you really  
want.

Queen Beryl uses her magic to turn Tobey into Astro Boy

Queen Beryl shows Astro Boy a crystal ball of all of Astro  
Boy's memories including Nicki's death

Astro Boy starts having tears come out of her eyes

ASTRO BOY(CRYING)

No,no please I don't want to see  
anymore please no

Astro boy starts crying and tears come out his eyes

QUEEN BERYL

There, there. I can show you a much  
better future. But here is one  
thing you can do for me. I want you  
to unleash your powers Astro boy  
and do all the things that make you  
who you are. Let the hattard of  
criminals fallow with in your brain  
and if you do that you will be the  
best superhero ever. I can see the  
potential you can have. Or you can  
choice to be...2nd best to Sailor  
Moon and Tuxedo Mask. Your choice  
Astro Boy. Think about it.

All of a sudden Queen Beryl disappears in smoke

Astro Boy looks over the city and he starts really angry and  
Astro boy leaves flys up the world trade center and he starts  
looking for criminals

As Astro Boy is flying he notices a lot of thugs beating up  
homeless people

Astro Boy hears the thugs laughing at them, Astro Boy lands  
on the ground where they are at

The thugs notice Astro Boy, the thugs take out guns and  
knives

Astro Boy's hands turn into Laser Cannons

All of a sudden, Astro boy starts fighting 14 of the thugs, Astro Boy punches 5 of them in the face and punches another one in the jaw, another thug tries to tackle Astro Boy, Astro Boy with all his rage picks up the knife and stabs the thug in the stomach and blood starts coming out the stomach, another thug tries to attack Astro Boy and kicking him in the face, Astro Boy grunts his teeth and blasts deadly doses of laser beams and burning the thugs

Another African American thug starts running away

Astro boy grunts his teeth in anger and fires a machine gun at the thug and shots 19 bullets at his stomach

Astro boy grabs the thug and starts choking him really badly and kills him

Through out the rest of the night, Astro boy starts beating up and killing 9,000 criminals and brutally killing them in different locations.

Astro Boy starts beating up more criminals and burning their hideouts down to the ground in flames and killing more people

More thugs start attacking Astro Boy and the police show up

Astro Boy fires his laser cannons at the police officers

POLICEMEN 1

Put your hands behind your head.  
You need to stop this!!!!!!

ASTRO BOY

NO I DO NOT!!!!!!!!!!!!!!

Astro Boy starts firing more lasers out of his hands and kills the policemen and blows up their cars in flames

CUT TO

#### **INT. TOBEY'S PENHOUSE-MORNING**

Serena, Raina, and Amy start watching the news of what happened

THE NEWS REPORTER

The problem in the streets is getting much worse as more than 39,000 criminals and policement were killed last night in Brooklyn, New York and reports say it was an 18 year old boy that killed the boy. But it's still a huge mystery.

Oh my god that is terrible. Do you think Tobey could be doing this.

SERENA SERENITY

I don't know Amy. I don't think Tobey would such a thing. He is really nice.

Luna climbs on to Tobey's bed

LUNA

LUNA (CONT'D)

It sounds like there is a real enemy that we might be facing. Might also be behind all of this.

SERENA SERENITY

What do you mean?

LUNA

There someone out there that might be an evil queen name Queen Beryl and she could be out there and she might have got to Tobey. We have to find Tobey and fast. I want you to have this.

Luna hands Serena the moon wound

LUNA (CONT'D)

You might have to use it to locate Queen Beryl because she could be anywhere

The moon wound starts beeping and starts reveling the location of where Tobey is

The moon wound finds that Tobey is in los Angles

LUNA (CONT'D)

He is in Los Angles, California. Serena you must find him and find out what he doing there.

SERENA SERENITY

Okay Luna

Serena starts walking out Tobey's pen house and she starts running to the elevator

CUT TO

**EXT. LOS ANGLES, AROUND WHERE THE LA FORUM IS-AFTERNOON**

It's a huge pleasure to see you Tobey.

TOBEY TENMA

Your welcome senator.

ROBERT KENNEDY

I found out that you saved my brother from an explosion that was at the ministry of science in Upstate New York.

TOBEY TENMA

Yes I did. Your brother was a great man and a great president. And I just can't stand President Johnson and I think you are going to be a much better president than him.

ROBERT KENNEDY

Oh thank you Tobey.

TOM PHILLIPS

So How do you think we can get votes in California?

ROBERT KENNEDY

I don't know but we will find a way.

CUT TO

**INT. INSIDE THE LA FORUM AT A LAKERS GAME-NIGHT**

Senator Kennedy and Tobey are watching the game

TOBEY TENMA

Don't worry. The Lakers will win.

ROBERT KENNEDY

Not to disappoint you Tobey. I'm more a Celtics fan myself because of Bill Russell.

TOBEY TENMA

But I have Willis Reed for Knicks.

ROBERT KENNEDY

You know I like you Tobey. You are very good guy. And even though your just a kid. I'm glad that you are able to protect me through all this chaos that is happening.

TOBEY TENMA

I'm glad that I'm able to get to know you senator.

TOBEY TENMA (CONT'D)

I also plan to use my abilities to get rid of thugs and people that have no respect for authority.

All of a sudden, Serena walks in the arena wearing 1960's style clothing

Serena walks into the forum and she asks people

SERENA SERENITY

Have you seen this boy around?

Serena starts showing pictures of him and nobody knows where he is

Serena sits in the stands and she starts looking around and all of a sudden, Serena sees Tobey sitting with Senator Phillips and Senator Kennedy

As Tobey is sitting with Robert Kennedy, Phillips leaves his seat and makes a phone call to Jessica

JESSICA JONES

Is everything all ready for a huge bomb explosion?

all this.

ASTRO BOY  
No Serena, there is nothing to  
stop. Queen Beryl everything about  
you and how you are selfish and

SAILOR MOON

they would never want to do  
anything like this!!!!!!

ASTRO BOY(YELLING)

SHUT THE FUCK UP!!!!!!! You know  
nothing about my fucking life. You  
know Serena, I really thought you  
were my friend but it turns out you  
just only care about yourself and  
maybe the reason you time-traveled  
back to 1969 is because you wanted  
to take a lot of credit for  
yourself!!!!!!!

Sailor Moon takes out her moon-staff and starts powering up her moon magic from the sky and the LA forum roof breaks open

Astro Boy with a pissed and angry look on his face starts powering up his hands as laser cannons start charging up inside him.

 to 2015 the future is much more  
 understanding of people like you

 fighting for justice and neither do  
 you Astro Boy.

Astro Boy gets up and he looks around at all the dead protestors and the dead policemen

Astro boy starts having tears come out of his eyes and he starts crying in bawling fashion

All of a sudden Queen Beryl uses her magic to repara Astro Boy's beatings and turns him brand new again

## QUEEN BERYL

Tobey, I am here. Come with me. The Sailor Scouts are your enemies including Tuxedo Mask.

ASTRO BOY  
NOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO  
OO  
!!!!!!!!!!!!!!  
!!!!!!!!!!!!!!

Serena gets transformed back into herself and Serena lays on  
the ground butt naked

QUEEN BERYL  
You see Tobey, this is a good  
example of someone who clams to be  
a true hero and to have true power  
but behind that Sailor Moon  
costume. She is just a weak girl  
that can't defined for herself

SERENA SERENITY(WEAK VOICE)  
Tobey please, don't kill me.

Tobey looks back at Serena.

Queen Beryl puts her right hand on Astro Boy's left shoulder

QUEEN BERYL

Queen Beryl starts looking at the Sailor Moon through a crystal ball

ASTRO BOY

Can I ask you question?...Why is the world so different and why can't people just accept people for who they are?

QUEEN BERYL

The world is very complicated Tobey. I'm sure your father said that to you before your accident or maybe once you became a robot. But your dad is not here.

Serena pulls out her moon wound and as she does this, her moon wound starts reveling that Tobey is in Queen Beryl's castle being charged up by blue core energy.

SERENA SERENITY (CONT'D)

Tobey is in Queen Beryl's castle.

DARIEN SHIELDS

QUEEN BERYL

That is a very smart thing to say Tobey. Is there anything else you want to do.

ASTRO BOY

Well yes. I want to kill my father Dr. Tenma and just...I would love to see the look on that shit-head's face when he sees me and sees that I am still alive and I just want to get revenge on him for kicking me out of the house just because I was a robot, just because I was different then everybody else, just because I don't age like everybody else, I would love to kill him and and stab him and give a death he really deserves.

TOM PHILLIPS  
Thank you my fellow Americans. I know this has been very hard time for all of us since Senator Kennedy has been assassinated. But this does not mean we give up hope. I introduce to you the time machine that that will be able to make bad guys disperser and it can be used as weapon to fire laser power at the Vietnam gorillas and with this weapon. There is no doubt we will win the war in the Vietnam!!!!

The crowd goes crazy and starts roaring.

TOM PHILLIPS (CONT'D)  
And now, we will give an example of how this machine is fired and I have my assistance and my wife Jessica Jones to test it.

All of a sudden the crowd goes even more crazy

Phillips goes to the machine and he starts firing the machine at the target. All of a sudden, Phillips sees Serena, Amy and Raina at the event and he starts firing at them.

TOM PHILLIPS (CONT'D)  
It sounds like we have aliens that are on...planet earth!!!!!!!

All of a sudden, Phillips starts firing the machine gun at Serena and the crowd starts screaming in panic and screaming in fear.

Serena, Raina, and Amy start avoiding the laser bullets and they both transform into their costumes

Phillips start firing the machines at the people screaming in the crowd and he turns them into evil looking monsters and monsters start coming after them.

Sailor moon starts using her moon wand using her moon magic to kill the monsters, one of the monsters tries to bite Sailor Moon, Sailor moon turns back and whacks one of them with her sailor wand and kills 4 of them. Sailor Moon does a back flip and sprays more moon magic at more monsters.

Sailor Mars starts firing flames and magma at more monsters and kills 3 of them. Another monster tries to attack Sailor Mars and Sailor Mars punches 4 of them in the face and jumps in the air and creates magma force field and kills 4

Sailor Mercury starts using her Mercury bubbles magic causing some of the monsters to explode, Sailor Mercury grabs another monster by the neck and throws the monster against a building, Sailor Mercury dodges another attack by another monster starts spraying more Mercury bubbles at the monsters and killing 30 of them and more monsters are coming at them.

SAILOR MERCURY

There is too many of them.

SAILOR MARS

We can hold them off. Sailor Moon  
go save Tobey and stop Queen  
Beryl!!!!!!

Sailor Moon picks her moon wand and she starts running to the stage to stop Queen Beryl

Tom Phillips pulls out a gun to shoot Sailor Moon. Sailor Moon kicks the Senator in the face, and punches him in the stomach.

TOM PHILLIPS(YELLING)

AHH!!!!!!!  
!!!!!!...

SAILOR MOON

Sounds you are going to be headed  
to jail for your crimes Senator  
Phillips!!!!!!

QUEEN BERYL

Not if I have anything to say about  
that Sailor Moon.

Astro Boy shows up behind Queen Beryl.

SAILOR MOON

This ends right now Beryl. Let  
Tobey go home. He had nothing to do  
with all of this and he just live  
his life like a normal person.

QUEEN BERYL

If that is what the young man wants  
Sailor Moon. Why don't you ask him  
what he wants to do.

Sailor Moon walks up to Astro boy

SAILOR MOON

Tobey, you don't have to do this.  
We can help you and give you some  
professional help. Please come with  
us. We can provide a new home for  
you in 2015. The world is a lot  
more accepting then here. Just  
please come with us Tobey. Queen  
Beryl is lying to you. She only  
choice you because you are a robot  
not because of who you are.

ASTRO BOY

I don't believe you. If you are on  
my side how you come you killed  
Senator Kennedy back in LA?

SAILOR MOON

I didn't kill Senator Kennedy  
Tobey. A man name Sirhan Sirhan  
killed him and I was framed by him  
and by Queen Beryl. Queen Beryl is  
using you. She cares nothing for  
you. Or about the people that you  
hurt.

Astro Boy turns to Queen Beryl

QUEEN BERYL

Who are you going to Believe? A  
girl that time traveled here from  
out of nowhere? Or the person that  
can give you everything and that is  
a mother figure to you?

SAILOR MOON

She is not like your mom that you  
had Tobey. Think about it.

Astro Boy thinks about for a little bit and turns to both  
Sailor Moon and Queen Beryl

ASTRO BOY

All of you...ARE DEAD!!!!!!!!!!

Astro Boy all of a sudden blasts a huge laser cannon at  
Sailor Moon and forcing her against the wall.

ASTRO BOY (CONT'D)

You were just someone that wanted to destroy this country. Are you happy now?!...you have destroyed this country because of what is going on and all the Protestors!!!!!!!!!!...you should be in federal prison!!!!!!!!

Sailor moon runs to Astro Boy to stop him

SAILOR MOON

Astro Boy stop!!!!!!!! Killing him is not the answer Tobey. Lets just take him to police!!!!!!!!

ASTRO BOY(IN RAGE)

It is the only answer Serena!!!! This man killed a US Senator that I can respect and was a good man. He has lied to the American people and to congress and has been working with President Johnson about war!!!!!!!! This man shouldn't be alive!!!!!!!!

SAILOR MOON

What about Nicki, Kennedy, Abercrombie, and Alejo? Do those people mean anything to you Astro?!...you wanted to be Astro boy because you wanted to help people and save people from danger and from dieing!!!!!!!! You choice to be Astro Boy the same reason I wanted to be Sailor Moon. Because we both believe in justice!!!!

SAILOR MOON (CONT'D)

I believe if Nicki was alive and saw all the killing that have done!!!...She would be very disappointed in you and what kind of person and what kind of young man you have become!!!!!!!!

ASTRO BOY(IN RAGE)

THEN WHY THE FUCK HAVE I LOST EVERYTHING YOU HAVEN'T. WHY SERENA, WHY!!!!!!!! CAN YOU TELL ME THAT.

ASTRO BOY(IN RAGE) (CONT'D)  
 YOU DON'T KNOW WHAT IT'S LIKE TO  
 LOOSE PEOPLE THAT YOU HAVE LOVED  
 AND TO HAVE PEOPLE DISCRIMINATE  
 AGAINST YOU BECAUSE YOU ARE  
 DIFFERENT!!!!!!!...I think that is  
 where we are so different Sailor  
 Moon. You love to heal people and  
 forgive people for their crimes and  
 punish them when you know they are  
 evil!!!!!!!...I know when I see evil  
 and I know when not to heal people  
 even if they have committed huge  
 crimes. AND DON'T THINK THIS MAN  
 SHOULD LEAVE BECAUSE EVEN IF HE  
 KILLED I WOULD GO TO FUCKING ENDS  
 OF THE EARTH AND KILLING THIS  
 PATHETIC, WORTHLESS, DICK LESS,  
 PIECE OF GARBAGE THAT THIS MAN  
 IS!!!!!!!!!!!!

SAILOR MOON  
 I don't think you truly understand  
 what crime fighting is really about  
 Astro Boy. You can't just kill  
 people just because they are evil.  
 Even if you wanted to. I feel truly  
 sorry for you and I hope you can  
 get some help. And maybe if you see  
 things through my eyes, you will  
 understand and grow up and realize  
 that killing people will not you  
 stronger. You will end up being a  
 young, confused, killing vigilante  
 who will end up alone one day in  
 jail and once you get out of jail,  
 you will end alone with nobody that  
 cares about you and people will  
 never want to be around you because  
 of your criminal records. And you  
 could had many chances to end all  
 of this Astro Boy. But you choice  
 the wrong side to be on. I think I  
 was wrong about you Astro Boy. I  
 will appericate the hero you once  
 were Tobey. Not this raging,  
 killing, out of control monster  
 that you have become.

Sailor Moon gets ready to walk away from Astro Boy

ASTRO BOY  
 You know something Serena.

Sailor Moon turns back.

## ASTRO BOY (CONT'D)

All the stuff that you said is  
really funny...coming from someone  
like you!!!!

Astro Boy all of a sudden fires a laser cannon at Sailor Moon, Sailor Moon turns back and does a huge back flip

Sailor Moon lands on the ground and she gets out her moon wound and she starts firing beautiful blue magic at Astro Boy, Both Sailor Moon and Astro Boy start getting powerful from both of each other's attacks. Astro Boy gets even more powerful from Sailor Moon's magic and starts blasting a lot of lasers at Sailor Moon causing the buildings around Seattle Center to explode in flames

Sailor Moon starts getting powerful from Astro Boy's blue core enrgy firing at her. Sailor Moon's moon wound gets even more powerful. Sailor Moon starts firing more moon and star powers at Astro Boy.

Astro Boy starts flying in the air firing more laser cannons at Sailor Moon and causing more explosions and fires around them

All of a sudden more burning buildings are coming down around Sailor Moon, Sailor Moon takes cover and blasts more more moon magic at Astro Boy, the moon magic causes an explosion and Astro Boy starts falling from the sky and Sailor Moon starts running to attack Astro Boy

## SAILOR MOON

Moon cosmic power!!!!!!!

Sailor Moon fires her magic at Astro Boy causing a shooting star from the moon to come down on him.

Astro Boy starts running away from the shooting start coming down on him and causes another explosion

Sailor Moon whacks Astro Boy in the head with her moon wound and kicks him forces him against the wall

Astro Boy fires more lasers at Sailor Moon, Sailor Moon dodges all of Astro Boy's attacks and Sailor Moon fires more magic at Astro Boy and causing Astro boy to bleed out of his forehead

## SAILOR MOON (CONT'D)

It's over Tobey!!!!!! We have to get  
out of here before we both die!!!!!!

Sailor Moon picks up Astro Boy and she starts running out of a burning Seattle Center and buildings are falling down like crazy

SAILOR MOON

SAILOR MOON

I just hope he can one day forgive me. Because I still think Astro Boy is always going to be a great Superhero and I'm glad I got to team-up with him.

SAILOR MARS

So Serena does this mean Queen Beryl won?

SAILOR MOON

No, Queen Beryl has been defeated for...now. I think she will come back but for now she is gone. What we need to do now is focus on Tobey and hope that he gets fixed.

But Tobey you are a wonderful superhero and I can see why you have the beliefs that you have and I can learn from someone like you that has seen the destruction of being a Superhero. But Tobey you saved the world in a lot of different ways.

Serena starts to cry and she starts laying on Tobey's chest

All of a sudden as Serena is laying down on Tobey's chest, Tobey's body starts recovering and rebuilding as he is in the cast

SERENA SERENITY

Thats okay Tobey. I can also learn from you as well because you have seen all the experiences. Do you want to see something really cool? Come with me.

Tobey puts his hands on graving

TOBEY TENMA

Dear Mr. President, I was really  
honored that I got to meet you  
back in 1963 when you came to the  
ministry of science. I really think  
you served this country really well  
and because of you made it easier  
for someone like me to be accepted  
into society. I am also really  
grateful that I got to meet you and  
Jackie and you two are very special  
people. I am also very thankful  
that I got to meet your brother  
Bobby and I think both you and  
Bobby are very great people and  
after you died, I was on Bobby's  
campaign back in 1968 and your  
brother was a really good man and  
he always thought for what was  
right and I appericate all the  
memories I had with both you and  
your brother Mr. President. I also  
remember during the Cuban missile  
crises saving you from Pluto and  
I also was there when you got shot  
in Dallas in 1963 and I'm really  
sorry that I was not able to  
prevent your death but I was really

Bobby and you two loved this  
country. I leave you with huge

Tobey keeps on thinking

TOBEY TENMA (CONT'D)  
Serena, Can I ask you a question?  
You know how you are always happy  
all the time when you are with  
Darien, Raina, and Amy, and how you  
are very silly. How are you able to  
do that?

SERENA SERENITY  
Well Tobey, you just have to look  
at the positive even when things  
are bad and not going your way.  
It's important that you never lose  
faith in who you are and what you  
stand for.

Tobey keeps on looking at the window. Darien walks in the door
