INT. LIVING ROOM - DAY

Sharyn is sitting on the couch texting on her phone.

Kassidy enters and sits down on the couch.

KASSIDY

Okay, enough suspense. Tell me, how did the audition go?

SHARYN

(somberly)

Well, to be honest, it went ...

(upbeat)

pretty fantastic!

KASSIDY

Really?

SHARYN

Yeah. Only five people got call-backs and I'm one of them.

KASSIDY

That's amazing.

SHARYN

Don't I know it.

KASSIDY

See what happens when you believe in yourself?

SHARYN

Well, I'm not in yet.

KASSIDY

But you will be, if you keep believing.

SHARYN

I hope you're right. If you are, I'm taking this. I don't care about the risks.

KASSIDY

What risks?

SHARYN

Well I found out who's producing the show. It's Bob O'Malley.

KASSIDY
You mean the Bob O'Malley, sex-
rasser extraordinaire?

SHARYN
That's the one.

KASSIDY
Was he there?

SHARYN
Oh yeah.

KASSIDY
Did he ask you to turn around so he
could check out your bottom?

SHARYN
Of course, he's Bob O'Malley.

KASSIDY
Did he like what he saw?

SHARYN
I guess so. I got a call-back.

KASSIDY
And you're happy about that?

SHARYN
Yeah.

KASSIDY
That's great to hear Share. I
didn't think you had what it takes
to deal with the number two ranked
celebrity sex-rasser.

SHARYN
There's a ranking system?

KASSIDY
Yeah, on CelebritySexRassers.com.
They have a list of the top one
hundred.

SHARYN
Oh god, what do you have to do to
become the number two ranked sex-
rasser?

KASSIDY
Well, right now you've got to beat
out Bob O'Malley.

SHARYN

I had no idea he was that bad. If he's the number two sex-rasser, how come his time isn't up?

KASSIDY

Apparently your time keeps on going if you're really good at buying people off.

SHARYN

You mean if you're not cheap about it?

KASSIDY

Yeah I think that's the trick.

SHARYN

Wow, I didn't realize I was getting in so deep. I thought, he's kind of an old guy, so he should be pretty harmless by now.

KASSIDY

Oh that's not how it works. The older they get, the worse they get.

SHARYN

It sounds like I'm getting more than I'd bargained for.

KASSIDY

What did you think you bargained for?

SHARYN

Oh you know, the usual stuff, leering, inappropriate comments, a few dic-pics.

KASSIDY

Just industry-standard stuff.

SHARYN

Yeah, but if he's the number two rasser, then I'm heading into sex-rasser hell, and what's the point of that? I'm better off getting out now.

KASSIDY

No, you'd be better off getting this job first, and then taking care of sex-rasser hell later.

SHARYN

I don't see it that way.

KASSIDY

You can't give up on this.

SHARYN

Why not?

KASSIDY

Well ... because we made the syphilitic monkey pledge.

SHARYN

You can't be serious.

KASSIDY

Of course I'm serious. A pledge is a pledge, right?

SHARYN

Are you saying I'm doomed to sex-rasser hell because of some stupid pledge you forced me to take?

KASSIDY

A pledge is a pledge.

Sharyn looks pained.
