Whats wrong?

ABBEY

I can't sleep without Amy.

Betty grabs Abbey's hand leading her back to bed. Betty takes a good look at Abbey's room and sees a big pile of stuff in the corner, and some toys scatttered on the floor.

BETTY

I had long day, I told you to clean up this morning.

Abbey keeps her head down looking at her feet. Betty puts one hand on her hip and scraches her head. Abbey brings her head up and looks at Betty. Betty takes a big breath and points to the bed. Abbey notices and stares.

BETTY (CONT'D)

Go to bed!

ABBEY

I can't sleep without her!

Abbey croses her arms, stands right in front of Betty, with her lips pucker out, and her eyes wide open. Betty crosses her arms, shakes her head, looks around the room to avoid looking at Abbey. Betty finally meets eye contact with her. Betty throws her hands up in the air.s

BETTY

Please....I will find her

Abbey gets back into bed. Betty stumbels on a small pile of books. Betty bends down to grab them and put them back on the shelves. Betty hears a crack undereath her feet, she looks down to see dolls on the floor. Betty looks up to look at Abbey, but Abbey is only giving her a blank stare. Betty takes her right hand and makes a fists and waves in front of Abbey. Abbey eyes gets wide and hides undereath the covers, and peaks through to watch Betty. Betty walks over to the pile of stuff in the corner. Betty sits and pulls out a pair of heels, a wig, a long dress, and a picture. Betty gets up and walks over to Abbey.

BETTY (CONT'D)

We will find her

Abbey pulls the cover down and nods her head. Betty pulls the cover off Abbey, and grabs her hand and helps Abbey out of bed.

BETTY (CONT'D)

Let's find Amy together.

Abbey hopes out looking under her bed, while Betty is looking in the closet. Betty turns to look at Abbey, sits on the floor and takes a deep breath. Abbey has moved over to her pile of stuff. Betty notices some of Abbey's clothes hasn't been put up. Betty gets up, walks over to pick them up and heads to the dresser drawer. When Betty gets dresser she notices Amy on floor with a torn eye, Betty sighs of the sight of the bear. While picking the bear up, Betty wipes the bear with her hand, Betty turns to look at Abbey.

BETTY (CONT'D)

I found her

ABBEY

Her eye is coming off

Abbey sees Amy in Betty arms, with her eyes looking down and wipes her eye. Betty helps Abbey back into bed and Betty follows her and hands her Amy. Betty walks back over to the dresser and grabs her sewing kit. Betty walks out the room and comes back with needle and thread. Abbey holds the bear, as Betty sews the ear back together. Betty walks back over to Abbey in the bed with her bear. Abbey gives Betty a hug, then Betty tucks them both in, and gives them both a big hug and kiss.

ABBEY (CONT'D)

I love you, mommy!

BETTY

Goodnight, I love you to.
