Through simple yet effective imagery, Salian brings this sense of violation and devaluing powerfully to life....

While I wouldn't dare be dramatic enough to say that Salian gives the audience a sense of Ana's experience, the truth is that Salian doesn't worry about making us comfortable

## MAIN HINDUSTAN HOON

SPOKEN POETRY

There have been various short films and movies that bring out the patriotic feelings, especially around the national holidays of Republic Day and Independence Day. However, few artists think out of the box and address issues of importance with a patriotic backdrop....

The powerful poem in the backdrop, strengthens the story, Main Hindustan Hoon which has an impeccable impact leaves us startled. The short film is Written, Directed & Edited by Srvinay Salian who has also penned the powerful poetry.
