

ABOUT

Recently completed studying Film at Solent University, achieving a 1st Class Honours. During my degree, I have developed an excellent eye for detail due to the heavy demands of assignments and research. Additionally, I have also managed to write content for Diegesis Magazine, create short films, and produce my own radio show; highlighting my ability to not only time manage effectively, but also adapt to changing media fields. I am looking for a challenging, fast-paced environment within the media to utilise my creative skill set, and to further develop my ever growing passion for this industry.
