

TYLER SLOAN

EDITOR/PRODUCER

340 Adams Street NE #301
Washington, DC 20002
864.901.1746
TylerJSloan@gmail.com

Extensive experience in production, editing and editorial decision-making through ten years of CNN experience.

Task-driven employee and relationship-building leader, relying on adept communication to accomplish both.

Committed to the success of my department and peers as is reflected in my effort and the quality of my work.

EXPERIENCE

- EDITOR/PRODUCER, CNN, Washington, DC** **Mar 2015 - Present**
Utilize skills in video editing and graphic design to produce a stimulating and digestible daily news segment for prime time programming on deadline in a dynamic atmosphere. Mentor a group of CNN content coordinators, promoting effective workflow while motivating personal achievement.
- BOARD MEMBER, District Sports, Washington, DC** **Jan 2019 - Present**
Consult on media and community engagement for a non-profit soccer organization with over 7,000 members, directing over \$75,000 in grants and donations annually. Develop brand strategies, curate proposal requests and network at the ground level.
- VIDEO PRODUCER, CNN's *The Lead with Jake Tapper*, Washington, DC** **Mar 2013 - Mar 2015**
Isolated, edited and organized all video elements and metadata using practiced editorial judgment. Operated from front row of control room during show to direct and monitor the status of video elements and crash-record and quickly turnaround live events.

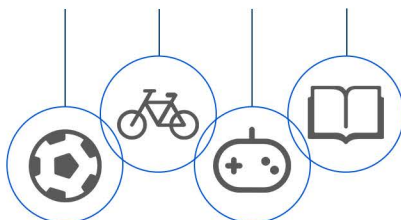

EDUCATION

- BA - COMMUNICATION, Appalachian State University, Boone, NC** **May 2009**
Concentration – Electronic Media/Broadcasting, Minor – Political Science
Magna Cum Laude with University Honors
Thesis: *Equity, Compliance, and Appalachian State*

HONORS AND ACTIVITIES

I have been directly involved in coverage of three US presidential elections for which one I was awarded the second of two team Emmys. I have received two Peabody awards, one notably for coverage of the Arab Spring and one National Headliner Award for coverage of the Boston bombing. I am a DC representative of the CNN Image + Sound Action Team, shepherding a mentor program and team building initiatives.
