WORK EXPERIENCE

Energy Related Devices, Inc. - Research Assistant & Videographer
May 2009 – Present

Assisted in the construction, development, and testing of prototypes for projects. Such as heat sinks for solar panels, and mosquito repellent devices. As a videographer, I produced videos of the prototypes, as well as informative videos to be shown to the clients, and the public.

Casperson Productions - Assistant Wedding Videographer

August 2015–Jan 2016

Executed tasks delegated by the head videographer in the capture of wedding ceremonies and celebrations.

Home Depot - Cashier

June 2015 – Nov 2016

Provided excellent customer service by being friendly, accurate, timely, and professional while ringing up a customer's order of items. As well as maintaining the cleanliness of the area, and obeying safety requirements as federal and corporate entities decreed.
