

Director's Profile

Name: Satyam Raj

Age: 42yrs

City: Mumbai

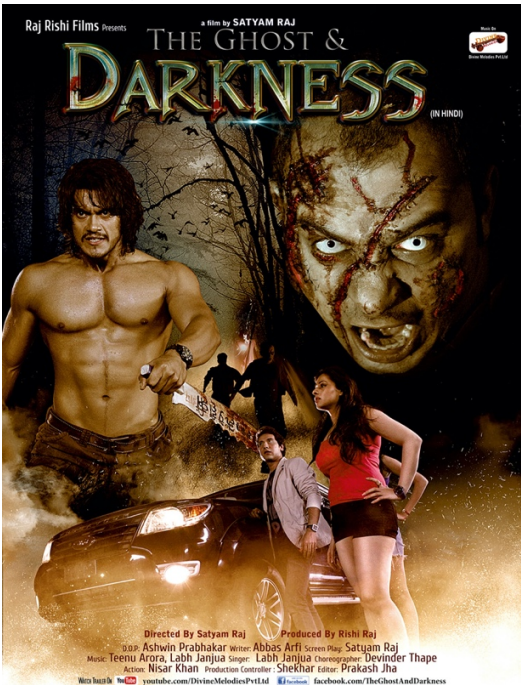

He has had film influence right from the childhood as his father Mr. Rishi Raj is a producer and has been producing movies since 1980. He was born and brought up in Delhi and shifted to Mumbai at the age of 21. For the past 18 years he has been running a Post Production house which offers services like Film Editing, Sound Recording, Dubbing, Sound Design, Colour Correction, Surround Mixing, etc. He has catered to many of the film fraternity personnel and gained substantial experience in the process of post-production of movies. After all these years he could edit a movie and also record, mix a movie independently. With these added skills his interest in movie making sparked and began assisting many good directors and learnt the craft of filmmaking. And during past six years he has been making short films for different festivals of the world and his films were appreciated and awarded in various festivals around the world. Making films independently gave him a huge perception of how to direct a good movie. He also competed a course in Screenwriting from famous film school Whistling Woods. Adding his experience as assistant director and making short films and running a post-production studio, he gained creative as well as technical expertise of how to execute a full length commercial movie which is very important for a successful film Director.
