PROFILE

Music composer and sound producer with strong professional skills and 5 years of experience.

Music creation is my life!

EXPERIENCE

MUSIC COMPOSER, SOUND PRODUCER, FREELANCE – 08/2018-PRESENT

- Created original music for more than 20 clients all over the world. Soundtracks for short movies, adds, etc.
- Making and releasing own instrumental music, signed by local independent label Outside Records.
- Produced two instrumental albums with Kay Tokner and Elizabeth Levchenko.
- Designed sounds for visual effects.
- Have great experience with libraries from Spitfire Audio (Albion One, Tundra, Neo, ICENI, Uist, Orchestral Swarm, Symphonic Strings, Symphonic Woodwinds, Symphonic Brass, Masse, Chamber Strings, Hans Zimmer Percussion, London Contemporary Orchestra, etc.) Orchestral Tools (Metropolis Ark 1,2,3,4, Time Micro, Time Macro, Berlin Brass, and others). Output (Portal, REV, Substance), Virtual synthesizers (Moog, Ana, Zebra).
- Using in workflow and well experienced with world leading plugins from UAD, SSL, IK Multimedia, Slate Digital, Output, Logic Pro X (built-in plugins and virtual instruments).

JUNIOR RECORDING AND MIXING ENGINEER AT OUTSIDE RECORDS –

04/2017-08/2019

- Recording and mixing (sessions with live and electronic instruments).
- Co-working with local film producers and directors on soundtracks for short movies.

ASSISTANT OF RECORDING AND MIXING ENGINEER AT OUTSIDE RECORDS –

03/2015-04/2017

- Music and promo production.
- Responsible for setting up studio equipment for recording sessions.
- Editing and pre-mixing recorded audio.
- Audio restoration (iZotope RX)
- Working with analog and digital professional audio equipment (analog and digital studio consoles, compressors, equalizers, reverbs, effects pedals, synthesizers, etc.).
- Assisted in production of soundtracks.
