Profile

I am a fashion stylist, 2-D animator, award-winning writer, and director (short films, music videos, feature films, etc.)

I am a Screenplay writer and Novel writer.

I am a consistent participant who remains objective even under immense psychological stress. I am highly committed and persistent and I tend to pursue my goals relentlessly. I am exceptionally professional and exhibit an impeccable work ethic.

Due to my emotional intellect, I am well attuned to the complexity of human emotions which makes me extremely sociable and people-oriented. On the other hand, my outstanding analytical skills and sharp mind enable me to work and think independently and solve problems using logic, facts, and rational analysis.
