

# CHRIS WILSON

Director, Cinematographer & Editor

## ABOUT

I am a director, cinematographer and editor based in the Garden Route region of the South Africa.

I have worked on video productions around South Africa and abroad, most notably for Dotsure Insurance, the Endangered Wildlife Trust, Zane Kirchner, Bianca Buitendag, and Israeli musical artist Yaron Cherniak

In 2021 I directed 'Crossing Borders' a 'Proof of Concept' short film starring Neels Van Jaarsveld that has since been pitched to Netflix.

This year in 2022, I worked as 1st AD on three TV movies for the KykNet TV channel, starring actors such as Eric Nobbs, Bart Fouche and Vilje Maritz.
