Current

A low-budget comedy feature film entitled, *“Driving Me Nuts!” (2023)*.

Synops:

A driving instructor is at his wit's end and is just about to throw in the towel with his incorrigible adult driving pupils. Plagued by whacky, offbeat, adult-driving pupils, an overly frustrated, driving instructor has reached his sanity-breaking point and is ready to jump off a cliff. If there was a PTSD condition for driving instructors, he would be the official poster boy. The film composites actors into animated, colourful, comic book-like, surreal, textural settings.

Trailer: <https://vimeo.com/859159600>

(There are 4 edited versions from the Director's Cut (2 hrs. 29 min.), 120 min, 90 min, 60 min. and 30 min. The Director's Cut contains all 17 sketches/stories, where as the other versions vary due to their time length. Some of the sketches can be submitted as shorts.)

THE CHARACTERS: DRIVING ME NUTS!

THE TALKING CAR

DOLLY ROSSENBLABB HELEN FISHER

Laszlo is finding it most challenging to conduct his driving instructions in Dolly's crammed, sporty 1963 BMW Isetta. It doesn't help matters much either to listen to a bubble gum-popping, laughing chatterbox.

3 HAIL MARYS THEN TURN

FATHER O'FLANNIGAN PETER WINDERS

Father O'Flannigan has reached a pivotal point in his life. After decades of listening to people's lengthy, sorrowful woes in his confession booth, he's ready to throw in the *holy towel* and embrace retirement with a heavenly sigh of relief.

CLOSE ENCOUNTERS OF A CLEANING KIND

CHLORENO JAVO BÉLA PETER PFUNDT

Chloreno is a cleaning woman from the southern Mediterranean. She is feeling tightly wound and unsure of herself because Laszlo will be teaching her how to drive using a manual stick shift. Chloreno shared with Laszlo that she also periodically cleans a flying saucer for an E.T.

CRUSTY OLD FART

ELMER 'GRUMPY' WOODGRUB RON FISHER

Elmer has an outrageous, cantankerous, miserable attitude problem. He has far too many demons in his mental closet, and one would never know what to expect to hear from his rude, acidic mouth. There isn't enough holy water in the world to douse him with, so that rules out exorcism.

A SQUEALING HANDICAP

GEOFFREY WILFREDSON BÉLA PETER PFUNDT

A retired butcher from Britain, Geoffrey has the personality of a distinguished, well-rounded servant to a royal family. During his years at the abattoir, he developed a most peculiar condition. Whenever Geoffrey anticipates an insurgence of intense panic – he squeals like a wild pig.

CAT ON A HOT TIN ROOF

MELVIN FRUMPS JOHN FRASER

Melvin has always been uncertain about himself and consequently suffers from low self-esteem. After 30 failed attempts at renewing his driver's license, Melvin Frumps should forget about driving altogether and stick to public transit or hailing taxis.

THE SORCERESS SHOPPER

MARGIE SACCHETTO CILIA CLAPPISON

Margie is a terminable bargain hunter and shopping addict. She reads shopping flyers like watching TV. As Margie continuously fills Laszlo's ears with "to-die-for" bargain deals in Buffalo, Laszlo gradually falls victim to her control as he struggles throughout the driving lesson.

FULL OF AIR

WENDLE ANDREW KINSDELLA

Laszlo is finding it most challenging to conduct his driving instructions in Dolly's crammed, 1963 BMW Isetta. It doesn't help matters much either to listen to a bubble gum-popping, laughing chatterbox.

ROGER, COPY THAT

PERCEVAL FLAMBAY AXEL DUDEZKI

Perceval is a calm, reserved, anal-retentive Mr. Know-it-all. His persona epitomizes Mr. Spock or that of a highly sophisticated AI unit. Laszlo's patience soon wears thin when he watches Perceval follow his notebook of endless and time-consuming protocols.

THE HILLBILLY

BÉLA PETER PFUNDT

'The Talking Car'

BIO-WARFARE

MABEL BOFARDLE ANDREA BRUCE

Mabel is being tested after an altercation with a policeman in which she punched his lights out. During the lessons, Mabel enlightens Laszlo about her family's treasured Civil War secret that's been hushed by the U.S. government for over a hundred years.

NO ANCHOVIES

FREDDY NUTSOFF RICH PFUNDT

Freddy reminisces with Laszlo about an incident involving an allergic reaction he had to anchovies from a pizza he ordered. Infuriated with rage, he plastered the owners and the pizza shop with pizzas. It didn't take long for Freddy to be mug-shot again.

BZZZ, BZZZ, BZZZ

BUTCH STURGEON JOHN MUMFORD

It's almost incomprehensible to believe that Butch Sturgeon, who was once an African Safari, Big Game Hunter Guide, is petrified of the jungle, animals, and insects. Butch is getting retested due to severe memory loss caused by a massive attack to the head by African honey bees.

THE GERMAN JETSET

HEIDI BUSTENHALTER MONIKA DUDEZKI

As a European TV celebrity, Heidi travels the world in her private Lear jet, attending lavish parties, fashion runways, and endless shopping sprees. Charming as she may appear, Heidi is a true narcissist who despises the working class or anyone who is generally beneath her status.

THE JOKER

WALLY JOKOLOKO DAVE TROYER

Wally is the owner of *Wally's Place*, a joke and novelty store, which explains Wally's infectious, laughing persona. He's an exploding bag of stupid, annoying jokes, and it's excruciating for Laszlo to endure. Wally just doesn't know when to stop.

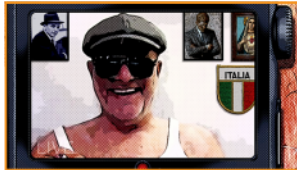

THE HITMAN

JOEY BELA PETER PFUNDT

Joey just arrives from out of town to get his license retested. Laszlo thought it unusual to pick up a driving pupil by the docks at a shipyard rather than at a fixed address. Laszlo soon realizes that Joey is not an actor, but a wanted hitman by the FBI.

THE BOSS

MOB BOSS ANGELOS SEVASTAKIS

Following the Joey hitman incident, a shady individual, known as the 'Boss,' contacts Laszlo through his video watch. Laszlo assumes that the caller is inquiring about driving lessons—not so. He's fishing for the whereabouts of a driving pupil who goes by the name of Joey.

CLOUDS IN THE CAR

BURT SCHMARTZMUGGEL SHAWN NORTH

Laszlo is riding along in a sidecar attached to a miniature Peel P50, driven by Burt, a hippy. While driving, Burt smokes a reefer and enjoys listening to loud, blaring, heavy rock music. A frustrated Laszlo finds it hopeless to convey driving instructions to Burt.

***Clem Junebug–Ghost Detective* (mockumentary; running time 65 min.)**

Aside from portraying 9 characters in his film, Béla produced, directed, designed, as well as composed the music to this *one-man-show* film, about a wannabe Ghost Detective *Clem Junebug* and his inept team of psychics, who attempt to resolve a widow's ghostly issues – a *farting ghost*. However, in the midst of the investigation, much to Clem's astonishment, he uncovers an unsolved murder surrounding the *farting ghost*.

VISITORS

**A UNIQUE MOCKUMENTARY ABOUT UFOS,
ABDUCTIONS AND
ALIENS**

A FILM BY BELA PETER PFUNDT

Visitors (2003), coined as the first mockumentary on UFOs, aliens and abductions, first aired on Toronto's Space Channel.

It covers almost believable accounts of unheard stories.

Such as:

A crashed UFO during the American Civil War; a WWI British, cross-dressing general who seizes a crashed UFO and occupant; a hippy from Sedona who channels to the aliens via a table hockey game; and a psychiatrist who hypnotizes a Portuguese cleaning lady, who was hired by an alien family to clean their flying saucer.

**Dr. Jessie Windthropp III presents:
Untold Mysteries from The Vaults (Humour)**
Available on Amazon.

World renown, British, ufologist investigator, Dr. Jessie Windthropp III, (*aka, the Sherlock Holmes of the unexplained*), discloses 10, never before told, bizarre, short stories on the UFO and E.T., genre.

From the depths of his private vaults, Dr. Jessie Windthropp III, presents his favourite and unbelievable, firsthand investigations to the public.

Welcome to my collection of humorous true, short stories about people's wacky, embarrassing, humorous and looney experiences in life.

No matter what the scenario, it never fails how some of us always seem to fall victim to some unexpected and hilarious, zany circumstance.

Of course, some of us have our personal faux pas, while others are bullseye suckers who continue to create lunacy amongst us and are in need of an urgent reboot.

“You’re Imagining Things. It’s All In Your Head”

Exhibited 32 (24” x 36”) photo-illustrated, digital, giclée printed posters at a gallery. The posters are a compelling myriad of offbeat and wacky, unconventional themes, expressed in a *Twilight Zone*-esque mood or in a whimsical dream state.

The works overall, visually present an unprecedented sense of jabbing witticism and editorial crucifixions about our society’s all too familiar foibles.

The book bearing the same title, features 51 posters and is available on [amazon.ca](https://www.amazon.ca).
