I am a Production Designer and Set Decorator with experience on projects Internationally and throughout the UK. My experience covers studio builds and location shoots across Feature Films, High End TV, Shorts and Commercials. In addition to my screen work, I have designed over 70 Live Productions since 2010 including plays, musicals and opera. My work has covered London's West End, International and National Tours, giving me a diverse and well rounded skill-set. A strong, collaborative team player, I adapt quickly, work excellently under pressure and have a keen eye for detail.
