

BRYAN KOLUPSKI

CONTENT CREATOR / ANIMATOR / VIDEO EDITOR

PROFILE

For over 20 years, I have worked as a freelance / contract VFX artist, animator, and video editor on television, film, and multi-media projects.

Primarily focusing on live entertainment, creating a large variety of content for touring music concerts. Additionally, working as Chief Editor and Assistant Director on concert films.

SUMMARY

Creative, motivated, and dedicated professional with a strong passion for story-driven content creation through animation and video editing that both entertains and inspires. I enjoy working both solely and collaboratively with others directly on-site or remotely to bring innovative and visionary ideas to life.

WORK EXPERIENCE

MEDIA DIRECTOR / CONTENT CREATOR (Animation & Video)

CMP Entertainment |2001–Present

Creation of short and full-length animation and video content for multiple screens presented throughout live touring concert events showcasing unique stories and ideas based on the music.

Creatively collaborating with Lighting Designers, Musical Directors, management, and promoters to continuously evolve shows annually.

Direction, editing and post-production of multi-camera shoots. Design and authoring of DVDs. Additional distribution of finished products for television and internet.

VFX ARTIST / ASST. PRODUCTION COORDINATOR

Larry Levinson Productions |2003–2007

Visual FX Artist - Creation of CG Animation for interactive filming props. Post-production VFX & compositing for television films and series.

Assisting Production Coordinator – On location set up of production office. Providing scripts, scheduling, travel and accommodation for film crew and talent. Building relationships with outside vendors to work within filming budget.
